December 27, 1902 - September 9, 2004

'If you want to know my Moral Character, ask Brother Benjamin and His wife, Sister Clara Muhammad'

-Words of Messenger Elijah Muhammad during the 1964 Laborers Meeting, available on audio cassette tape

When accusations that Messenger Elijah Muhammad had "more than one wife" surfaced in 1993, the above words by The Messenger, prompted Muhammad Speaks, to go Maryland to meet with Minister Benjamin & his wife, Sister Clara Muhammad (Minister Benjamin's wife). She had the following words to say concerning the Messenger's moral character and the accusation that the Messenger had more than one wife.

Here's what Sister Clara Muhammad said, "His Moral Character was Superb!..."

"I don't know nothing about no other wife than Sister Clara Muhammad."

"He loved her very much. He was right there by her side when she passed away...Holding her hand."

"All Black men should take an example from him in the way he loved and treated his wife."

We thank Allah for this Mighty Witness Bearer. peace be upon her.

LAPD doubletalks to justify Police Flashlight beatings

The Los Angeles Police Department, known world-wide for its history Police Burtality, unveiled a plan in December, 2004 aimed at discouraging officers from using flashlights as weapons, except in emergencies.

The proposal comes months after a television broadcast showed Officer John Hatfield striking a motorist 11 times with a flashlight following a foot chase.

The June 23 incident sparked widespread objection to the use of flashlights as weapons.

The proposed policy, to be considered Jan. 11, will give permission officers in LA permission to use their flashlights as weapons, though most other large cities bans the practice. The new policy states that flashlights should only be used for light and should only be used as a weapon in very unusual circumstances. Double talk!!

Study says North America leads the world in smoking related deaths

Smoking killed nearly 5 million people worldwide in 2000, with men more than three times as likely as women to go to an early grave, according to a study published in the journal Tobacco Control.

Globally, the leading cause of smoking-related deaths was cardiovascular disease, which killed more than 1 million people in the industrialised world and 670,000 in developing countries, the study's authors found.

That was followed by lung cancer in industrialised nations and chronic obstructive airways disease, which includes illnesses such as bronchitis, in developing countries.

More than half of all deaths occurred in smokers between the

At the time of the Miller incident, the LAPD had no formal policy on proper use of a flashlight to subdue a suspect.

After the televised beating, Chief William J. Bratton pledged

Study Says Married People are Healthier

A study by The National Center for Health Statistics concluded that married people are sick less often, are more active, smoke and drink less and, in general, feel better than single, divorced, never married or even folks who shack up.

The report was based on a survey of 127,545 people in 1999-2002 conducted by the center.

In addition to reporting better health overall, the study found that married people said they had less low back pain, fewer headaches and less psychological stress.

to forbid the use of heavy metal flashlights like the one used by Hatfield. Bratton said the department would develop small, lightweight rubber flashlights. The new proposal would require a written explanation and critical review whenever a flashlight is used as a weapon.

Homeless and Hunger Figures Increase in U.S.

Requests for emergency food and shelter increased in many large U.S. cities this year. Requests for food rose by 14 percent, while appeals for shelter increased by 6 percent, said the annual report by the U.S. Conference of Mayors, based on surveys of 27 large cities.

The numbers have risen every year since the conference began the survey 20 years ago.

Unemployment and underemployment are the leading causes of hunger, the report said, with high housing costs, medical costs, substance abuse and high utility costs also playing a role. Lack of affordable housing is the leading cause of homelessness, followed by mental illness and substance abuse.

About 23 percent of homeless people are considered mentally ill, while 30 percent are substance abusers.

The study found the requests for food assistance by families with children increased by 13 percent.. And that fifty-six percent of people needing emergency food were members of families. The study also found that 23 percent of the homeless people requesting emergency housing request did not receive help.

40 Percent in U.S. Use Prescription Drugs

The Centers for Disease Control and Prevention reported in December, 2004 that more than 40 percent of Americans take at least one prescription drug and one-in-six takes at least three, the government reported in mid December, 2004.

"Americans are taking medicines that lower cholesterol and reduce the threat of heart disease, that help lift people out of debilitating depressions, and that keep diabetes in check," Health and Human Services Secretary Tommy G. Th-

Canada joins Europe in Evil

On December 9, 2004, Canada's Supreme Court has joined Belgium and the Netherlands in legalizing homosexual marriage. On the same day, New Zealand's Parliament approved a bill that recognizes civil unions between unwed gay and straight couples but stops short, for now, of allowing homosexual marriages.

ompson said in a statement.

The annual report on Americans' health found that just over 44 percent of all Americans take at least one prescription drug, and 16.5 percent take at least three.

Those rates were up from 39 percent and 12 percent between 1988 and 1994,

The report, titled, "Health, United States 2004," presents the latest data collected by CBC, the National Center for Health Statistics and dozens of other Federal health agencies, academic and professional health associations, and international health organizations. The study found that spending on health climbed 9.3 percent in 2002 to \$1.6 trillion.

Prescription drugs, which make up about one-tenth of the total medical bill, were the fastest growing expenditure. The price of drugs rose 5 percent, but wider use of medicines pushed total expenditures up 15.3 percent in 2002. Drug expenditures have risen at least 15 percent every year since 1998.

U.S. death rates are highest on Christmas, the day after and Jan. 1

In a study of 53 million American death certificates spanning the years 1973-2001, scientists have discovered that deaths during the holidays increase.

The report published in the December 14, 2004 issue of Circulation, found that three days, December 25th, 26th and January 1st were the worst in terms of deaths

ages of 30 and 69, said the researchers based at Harvard University and the University of Queensland in London.

The team used statistical analyses and studied population and mortality data in 14 regions of the world.

They attributed an increase in smoking around the world since 1975 to one in 10 deaths among all adults and almost one in five in men.

The number of smoking-related deaths was evenly split between rich and poor nations, while North America had the highest number of smoking deaths in the industrialised world, accounting for nearly 25 percent of total adult mortality.

from cardiac and noncardiac causes.

One of the lead researchers in the study said, "In the case of heart deaths, there's an 11.9 percent excess (of deaths) on those days." And that, "In the case of the nonheart deaths for those three days, what you find is an extra 12.2 percent of deaths."

Election Madness, Disappointed Slaves and Other Abnormalities

By
Sister Lucy 3X

Well,well,well. I guess it's safe now to talk about the "ELECTION."

Remember "Vote or Die" and "Let Your Voice be Heard,"and "Be a part of the process," and other commercialized statements designed to get Black people to go to the polls?

And yes, the majority of our people followed those instructions and got involved.

Many Blacks worked at the polls. And organized voter registration drives, made phone calls, donated time, money, cars and all.

The majority of Blacks voted for Senator John Kerry, who was preferred and perceived to be the lesser of the two evils- having decided that President Bush was definitely against the Black agenda.

Blacks discussed voting issues on Black radio stations, held panels and debated about candidates in bars, groups and churches.

Blacks sorted into Democrats or Republicans.

This election generated more talk, excitement and anticipation among Blacks than any other election in our history.

Well the election is over now. Bush won. Negroes lost.

President Bush retained his post and ranks as the first sitting president to outright refuse to meet with disgruntled Negro groups such as the NAACP.

He didn't meet with them and nor did he explain or apologize, and the white controlled television and print media hardly mentioned it.

They left it alone as if it was the most natural event in the world.

Another thing that made this election so unique was that there was nary a word about Blacks or their condition during the Presidential debates. We are not an important entity.

The white folks have shut down all 'begging requests' and they are no longer interested in trying to appease negroes by pretending that they understand or care.

It seems that the ex-slave is run-

ning out of topics to get the slavemasters attention.

They have no obligation to respond to our demand; in fact we are now entering an era where Blacks will be practically ignored.

This includes the NAACP, the Black Caucus, Black Legislators and any other so-called Afro-centered complaint-driven organization.

Those days are over, never to return. And the slavemaster knows that there is absolutely nothing we can do about it. No means No.

Needless to say, Blacks nationwide are so depressed about the outcome of the election that they're quiet.

There's not much talk anymore about voting as a valuable tool to ensure progress.

Negroes actually thought that if John Kerry had won that our situation would be different and better. Utter nonsense.

White politicians, historically stick together against us. The entire voting exercise is sheer foolishness for Blacks.

One of the reasons voting organizers used when all else failed, was to try to shame potential voters that they should vote because: "Our ancestors died to give us the right to vote."

I hate to tell you but if our ancestors died to give us the right to vote, then regrettably they died for the wrong thing.

Voting has NOT cured our ills. Voting has not trained us to do for self. Voting has not taught us how to stop killing each other. Voting certainly has not gotten us better schools for our children, and voting has not given us freedom, justice or equality.

It was a mistake to choose voting as a tool for our advancement since voting has not delivered us from evil.

We have been collectively voting for 40 years and we had more of everything before we started voting.

Today we have nothing-except the right to vote. And we still believe, with no proof at all, that it will redeem us and be our salvation.

FYI-the so-called right to vote,

the Voters Right "ACT", specifically created in 1965 under President Lyndon B. Johnson was never made into a law, only an "ACT."

By 1982 President Ronald Reagan amended the Voter's Right ACT to extend for another 25 years. This takes us up to 2007- rapidly approaching.

During 2007 Congress will convene again to decide whether or not Blacks should retain the right to vote.

It's like we're probationary Americans, granted temporary rights, which must periodically be

re-evaluated, to determine if we still deserve to participate in a whiteman's activity where we get to pretend that we have some say-so.

At least 38 states will have to agree on this for the ACT to be extended.

Webster's Dictionary defines "ACT as a 'pretense, an instance of insincere behavior, feign, produce a desired effect, temporary for another, part of a play, counterfeit.'

So before all the Negroes who favor voting get all bent out of shape

about the possibility of the Voter's Right ACT being repealed; just remember that voting never did us any good anyway.

Voting is just another big white lie used to distract us from working on our own problems, by pretending that voting and politicians are the solution.

The Hon. Elijah Muhammad, Messenger of Allah, taught us "your agreement with the devil will not stand,"and that "he promises only to deceive." And voting has certainly deceived us. As-salaam-alaikum.

Muslim child 'legally kidnapped' by The Devil's System

RICHMOND, Virginia--Medical professionals, educators and law enforcement professionals among other groups are mandatorily required by law to report suspected child abuse to Child Protective Services (CPS).

This law gives doctors, educators, police, and anyone who feels like it, the right to "legally kidnap" our children and invade and disrupt our lives.

Sister Shakura Shabazz, formerly Charlotte Potts, had such an experience this past summer with her nine-year old daughter's medical providers that she says was nowhere near being noble.

"My daughter was having an allergic reaction to some prescription medication she was taking for an ear infection, so I took her to the emergency room," explained Shabazz. Her daughter's allergic reaction caused rashes all over her body that Sister Shabazz concedes looked like bruises.

Eager to accuse Sister Shabazz of abuse, the emergency room doctors at the downtown Richmond hospital notified CPS of alleged physical abuse. They did this without really checking anything other than the little girl's blood and urine, said Shabazz, and they wouldn't listen to her explanations of what she knows had resulted in the bruise-like skin condition.

Sister Shakura Shabazz and her children; including her nine-year-old daughter (in the rear) who was held hostage by the devil for three days

After the doctors reported their so-called suspicions to CPS that Sister Shabazz was beating her daughter with either her walking cane or an extension cord, Sister Shabazz says her daughter endured a three-hour questioning with CPS workers. "She was alone with them all that time and I didn't like it," said Shabazz who believes

the emergency room doctors singled her out because of her family's way of life.

"Anybody could tell that this was a rash and I wonder why they couldn't just do a biopsy to determine whether I was telling the truth or not. This makes me think

BROOKLYN, New York--In the Name of Allah, the Beneficent, The Merciful, the one God who came in the person of Master Fard Muhammad, to whom praise is due forever... we give praise and thanks to Allah for giving to us the Honorable Elijah Muhammad, our Leader, Teacher and Guide. As-Salaam-Alaikum!

Greetings, my brothers and sisters. I am pleased to announce our beloved brother, Shaheed Adul Shabazz, as Captain.

Being a supporter and worker with this brother for quite some time, I am convinced that this brother is extremely qualified to lead and is a prominent part of Muhammad Temple of Islam in NYC.

We would like to invite the brothers and sisters that are still in the street. The Honorable Elijah Muhammad taught us that his best followers are yet in the street.

I bid you to come home and do something for yourselves. For example, create jobs for yourself and build your own nation.

The Honorable Elijah Muhammad's program is back and our aim and purposes is to give it to the people exactly the way he gave it to us.

Now when it comes to his teaching and our temple work, we must leave his...teachings alone and as he left it.

Why should you or I tamper with his work when it is our own salvation?

Come on brothers and sisters, let us stop misbehaving in this manner and pray for Allah's forgiveness and ask Him for His friendship.

Come on and join on to your own kind and let us have heaven while we live, right here on our good earth.

The Honorable Elijah Muhammad taught us that everything comes from and out of the earth, right?

So why don't we get some of this good earth to call our own and then we can do what the Bible teaches and go out and pave our streets in gold.

As-Salaam -Alaikum

HOW TO EAT TO LIVE

How To Keep Food From Hurting us

By Messenger Elijah Muhammad

Reprinted from the How To Eat To Live, Book 1

LONG LIFE IS NOT enjoyed by eating food which will shorten and destroy life. Under this white race of people, we were not taught how to eat to live.

They, the white devils, are not here to teach us, the Lost and Found members of the Aboriginal Nation, to live a long life. They were put here to cut short our lives, and for the last 6000 years they have done so.

Eating as beasts eat (Holy Ouran) all during the day and night will kill us at an early age. Very few of the white race have regularity about their eating habits.

Our stomachs are worn out in a few years, due to the continuation of trying to digest the food that we eat, some being of the type of foods which we should not dare put into our stomachs.

Poison drinks along with a mixture of good and poison foods have shortened our lives, on the average of about 63 1/2 years at the present time. This is a long way from the 600-800-900 years of life of our fathers.

WE ARE A LONG WAY off from the life of the people on Mars, Who Allah in the Person of Master Fard Muhammad, to Whom Praise is due forever, taught me, lived an average life of the equivalent of 1200 years of our Earth calendar.

This in fact has been the Original Nation's calendar year since God created the Heavens and the Earth, so teaches the Holy Quran.

If you want a beautiful appearance, eat the proper food and eat one meal a day, then eat one meal every other day. Your children may be able to eat two meals per week. This will put them into centuries as Noah and Methuselah.

I thank Allah in the Person of Master Fard Muhammad, to Whom Praises are due forever, for bringing to us life and light so that

we may be able to enjoy life, and to enjoy that life longer than we have previously enjoyed it. Many years could be added to our lives if we only knew how to protect our lives from their enemies. As He (meaning Master Fard Muhammad) said to me, food keeps us here; it is essential that we eat food which gives and maintains life. That same food destroys life. Therefore, to keep this food from destroying our lives, we must protect our lives as well as we possibly can from the destruction of food.

If we eat the proper food, and eat at the proper time, the food will keep us living a long, long time. Eating three and four times a day is to your stomach as dripping water is to a stone or iron. The dripping water will eventually wear the stone and iron away. But, just to look at the water, it does not appear powerful enough in its dripping to wear the stone and iron away. It is the same with food; we continuously put it into our stomachs to be digested and eventually it will destroy the stomach.

If we let our stomachs rest a while and gain strength, they will last longer in doing a job of digesting food for us.

EAT ONE MEAL a day and eat the food that will not harm you so quickly.

You do not have to go into a long detailed knowledge of what foods you have to eat, because the wrong food has already been pointed out to you, foods such as pig, nuts, white flour, meats (of course, we eat some meats), the wrong kind of peas, the wrong kinds of breads, half-cooked breads, too many starchy foods, and too much sweets.

All of these foods destroy us. Bread should be cooked thoroughly and slowly, and if you have plenty of time, cook the bread two or three times and then eat it. Meat should also be cooked

two or three times. Eating great meals of highly seasoned and sugared pastries is definitely not good for us. They most surely will take years of our lives away. You may eat some sweets, but do not make an entire meal of sweets and eat them everyday. Fruit is good for us, we should eat plenty fruits. To live a long time, eat once every 24 hours or once every 48 hours,

if you are able to do so. But, if you have heavy, manual work to do, do not try to eat once every two or three days. And, if you eat once a day, you should fast every month for two or three days. By doing that, there will be no poison left in the body at the end of a year to make you sick even one hour.

I WOULD LIKE for you, who try to live and eat just as this book

teaches you, to please send me a letter telling me of the results that you have gained from eating like this article teaches you. I repeatedly teach that the way Allah, in the Person of Master Fard Muhammad, has Taught us to eat will do away with many doctor bills and do away with much maiming of the limbs caused by certain diseases.

Sugar diabetes can be controlled and cured if you only eat right. Stay off of sugar and starchy foods and leave those old, white potatoes alone. Do not eat spaghetti and macaroni at every meal. If you are overweight, do not eat it at any meal, and if you want to live a long time, do not eat it at any meal.

Food such as spaghetti and macaroni is processed, not cooked thoroughly, and is hard to digest.

THERE ARE SOME people who claim that they do not receive beneficial results as they should. This is due to wrong mental food that they are eating, which has an effect on their digestive system. To get good results from eating the proper foods, we must have good thoughts.

'Eating three and four times a day is to your stomach as dripping water is to a stone or iron. The dripping water will eventually wear the stone and iron away. But, just to look at the water, it does not appear powerful enough in its dripping to wear the stone and iron away. It is the same with food'

Believers From Around The Country Unite To Give Tribute To Messenger Elijah Muhammad

DETROIT, Mich.--The Believers at Muhammad Temple of Islam No. 1, Detroit Michigan hosted a Tribute Dinner in honor of Messenger Elijah Muhammad on October 9, 2004. There was an exhibit, showcasing the Divine Work and Accomplishments of Allah's Last and Greatest Messenger. Just before dinner, Brother David Mushin hosted the Fundraiser auction which raised nearly \$200.00 for Muhammad University of Islam. About 60 people attended the dinner and the School in Detroit Michigan.

Believers from Temple No.1, were joined by believers from St. Louis, Philadelphia, and Baltimore. Minister Mutaquin Ali from Philadelphia was in attendance along with his wife Sister Captain

I thank Allah for the Brotherhood of the F.O.I.

By
Minister Samuel Ramadan

BALTIMORE, Maryland--In the name of Allah who came in The Person of Master Fard Muhammad to Whom all praises is due. I forever and ever thank Allah for His Last Messenger the Most Honorable Elijah Muhammad.(peace be upon him)

It is very delightful to be following the teaching and programs of Messenger Elijah Muhammad.

I thank Minister Muntaquin Ali and the brothers of the F.O.I. of Philadelphia, Pennsylvania at Temple No. 12 for coming to Baltimore, Maryland and helping us, The Believers, to fix up the Temple No.6

Thanks also to Bro.Min.Kenneth Muhammad of Temple No. 41 in Bridgeport, Connecticut. and Bro. Min Kamau from Temple, No. 24, in Richmond Virginia for the financial donation from the F.O.I.

I love, after our meetings, eating our delicious Muslim bean soup, our delicious Muslim wheat bread, and our delicious Muslim bean pie with cold apple juice or

grape juice.

I thank Allah for the Brotherhood of the F.O.I. We are working hard here in Baltimore pushing the Nations No.I program, The Muhammad Speaks Newspaper.

Messenger Elijah Muhammad said "The Muhammad Speaks gives life to the dead."

Our Brothers, out there, who don't know what Messenger Elijah Muhammad (p.b.u.h.) taught, are MENTALLY dead.

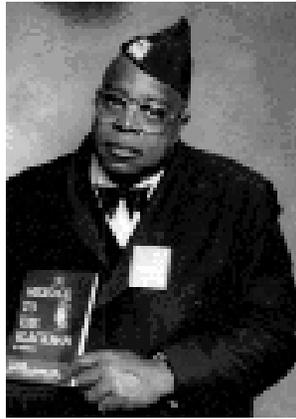

He said the Muhammad Speaks is like water to a man dying of thirst.

I love pushing the Muhammad Speaks Newspaper. Because I know that I am helping my Brother and my Nation, The Black Nation.

Having a true knowledge of the living God, Who came in the person of Master Fard Muhammad, is truly a blessing.

We, as F.O.I., must get this paper into the hands of our people.

The Messenger said, "Take this paper out, and you will fill your

Temple up."

As we travel to Temples, under the teaching and programs of Messenger Elijah Muhammad, we do what we can to help them.

We are uniting and growing and developing. Messenger Elijah Muhammad is the one who taught us, Black men, Brothers in the Nation of Islam, also known as Fruit of Islam, or F.O.I. to want for our brother what we want for ourselves.

I want to say that this is really being practiced in the Nation of Islam.

LONG LIVE MUHAMMAD!

By Brother Levi Karim

I thank Almighty God Allah, Master Fard Muhammad, for blessing me to have soildered with My beloved brother The Late Great

Capt. Roscoe Muhammad, II.

Brother Captain Muhammad was a very good Capt. of the F.O.I.

The Fruit of Islam.

In my years of knowing and being with the Capt. and going places with him, and working in the cause of Islam I learned a great deal.

He truly loved for his brother that which he loved for himself.

One of the things that I loved most about the Capt., was his FOR-REALNESS He was REAL brother. There was no spook in him.

If you were spooky, he would bring

it out of you.

He most certainly brought the spook out of me. Brother Capt. Muhammad was a hard worker. He

taught us, the Lieutenants, to love and help one

another, to never be jealous of one

another, to love t h e

Brotherhood,

to do good to the brothers.

I love brother Capt. Roscoe

Muhammad's father like son. I will

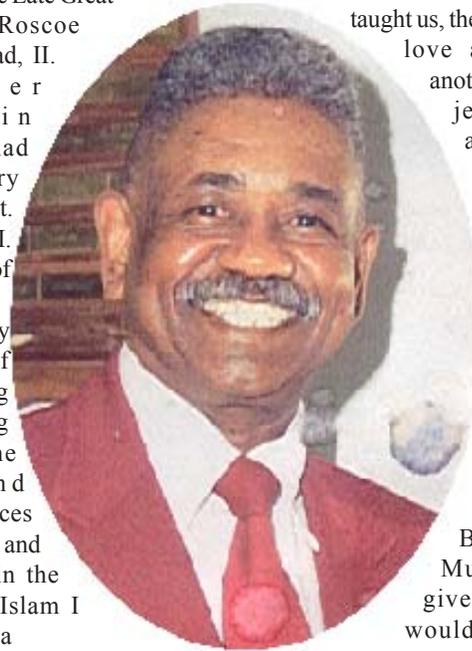

never forget all the good advice that

Brother Captain Muhammad had

given me. He would't tell you

nothing wrong.

Brother

CAPTAIN ROSCOE MUHAMMAD II

March 20, 1940 - October 10, 2004

Capt. Muhammad helped all of us. He would give you the shirt off his back and think nothing of it. It so

many good things that I could say about Capt. Muhammad. There just wouldn't be enough space. Long Live Muhammad!

Physical leads to spiritual

By
Brother Muhammad Zahir

KANSAS CITY--As-Salaam-Alaikum Unless we can prove otherwise, the Messenger clearly places Brain (physical) before Thought (mental-spiritual).

Quote:

In the making of God, Himself, He could not have had a Will until He had brains capable of thinking. He was Self- Created from an Atom of life....Messenger Elijah Muhammad

So, it is no wonder that he says:

Quote:

We cannot be successful in making the progress of a spiritual life, unless we have the guidance for the physical life. This guidance comes to us through laws, rules and regulations of our physical life. Messenger Elijah Muhammad

This concept of the supervenient relationship between the brain and the mind must be understood before we can discuss this subject intelligently.

But we are not at the "chicken-egg" dilemma. The Last Messenger has clarified this matter when he says:

Quote:

In the making of God, Himself, He could not have had a Will until He had brains capable of thinking. He was Self- Created from an Atom of life....Messenger Elijah Muhammad

The mastery of physical law must take place first.

If you look at how the Honorable Elijah Muhammad prepared his followers, you will see this in his method.

He spent more time teaching us on the physical laws than the spiritual.

He first began by teaching us who the physical devil and physical God were and how to LIVE according to the divine physical laws of Islam.

He then taught us how to eat to live, another very physical process.

He taught us how to build a home for ourselves, and how to farm and cultivate.

He taught us how to trade and do commerce amongst ourselves and with others.

Our Restricted Laws of Islam pertain more to what not to DO, rather than what not to THINK because once we learn what not to DO, our brain and nervous system will be more open to understand what not to think.

Thinking righteous thoughts will eventually remove evil from our minds, clearing the way for advancement through the more spiritual aspects of Islam.

While we are a part of a mental resurrection, it begins on the bare bottom physical plan of action and non-action.

You must hear and see the word before you can be changed. This is a physical process and a sign of the overall development of the Black Man and Woman.

Hearing and sight are physical functions which feed into and affect our thinking.

Hence, by studying how the Honorable Elijah Muhammad taught us, we can see that he had mastery over how to use the Physical Laws first.

He came to us in a physical manner, i.e., through sight and sound.

He was indeed a master of sight and sound.

All of this causes a mental resurrection of the mentally dead.

Brother, you cannot rise mentally if you are living a physical life other than yourself. It is impossible.

Clarence 13X tried this and you can see the results.

As-Salaam-Alaikum

Devil used CPS Law to Kidnap Muslim Child

Continued from page 3

that they assumed it was child abuse because we Black and Muslim," she said.

Naturally administrators at the hospital claimed that patients' race, religion or economic status is not a criteria for doctors to use to determine or suspect child abuse.

But National data released earlier this year by the U.S. Department of Health and Human Services shows that in 2002, the latest year whose data has been analyzed, about 1,800,000 referrals alleging child abuse and neglect were accepted by state and local CPS agencies for investigation or assessment.

One-half of all child abuse reports were made by the professionals obligated by law to report suspected child abuse. Educators

and law enforcement reported about 15 percent each of all the incoming reports. Medical professionals, social service workers, relatives, friends and neighbors also made a large number of reports.

More than 3 million children's parents were accused of child abuse, and of those CPS, found only about 896,000 true. Meaning Sixty one per cent of accusations against parents, like Sister Shabazz were false. And according to government statistics, the false accusations of Child Abuse against Black children is at a higher rate than that of white children. Black children were victimized at a rate of about 11 per 1,000.

Sister Shabazz lost custody of her daughter for three days while CPS was investigating the doctor's abuse allegations. The removal of

her daughter from her home was done without the consent of a CPS supervisor, says Shabazz, and she had to go court where the judge threw out the case against her.

The local CPS agency declined to answer any questions on Sister Shabazz case citing privacy laws. Despite the resolution of the case in her favor, Sister Shabazz remains angry because she says her daughter and her other children have been scarred from the summer experience.

"Even after they took my daughter she still had these rashes, she was in pain and they couldn't help because all that these doctors were thinking about was that I had abused her," said Sister Shabazz.

"They interfered with our way of life and I feel like they know they are just tearing families apart but because they are protected by the

Shabazz children being educated in accordance with Islamic Law (Messenger Elijah Muhammad's Teachings), by their own parents

law, they can just continue. "This system is wicked, they are the ones abusing us by kidnapping our children."

The Muslim followers of Messenger Elijah Muhammad are so very proud of this little nine-year-old Muslim sister, who fasted for the three days she was in captivity to avoid eating the divinely prohibited flesh of the swine.

Upon her return to her family, our little sister reported to her parents that she only drank water while she was away because the so-called Christian family she was forced to live with, which included white (devil) children, were constantly trying to trick her into eating pork by offering her sweets that contained pork. We salute this mighty little MGT.

EVIL SPREAD

By

Messenger Elijah Muhammad

The following article is reprinted from the book, THE FALL OF AMERICA, which is a compilation of articles the Messenger wrote in the Muhammad Speaks Newspaper.

Never since the creation of Adam and Eve have there been such chaotic times as we are witnessing today - with the worst yet to come! **There is no peace among the nations of the earth.**

The only people who enjoy peace of mind and contentment in this day and time are the elect of God, though they are persecuted from city to city and falsely accused and denied the credit due them because of their righteousness in the midst of the wicked who have ruled the world.

By no means can the righteous be represented for their righteous sake by the evil - doers of the world.

"God is despised and rejected; **evil is accepted and honored**; justice stands afar off, and equity cannot come in," says the prophet Isaiah in the Bible.

The Holy Qur'an warns us to fear a day when evil is spread far

and wide in the days of God's presence at the end of the satanic world to bring it to naught.

Allah (God) causes the evil world to be upset since they have been the enemies of peace and the haters and destroyers of the righteous who would have brought them peace if they had accepted those worthy (the Prophets).

But they rejected all; **Jesus charged them with being the murderers of the righteous from Abel to Zachariah** - we can very well add more, and say from Abel to Muhammad.

Today, America professes to be the most Christianized country on our planet. But actually she is not; for Christian means to be crystallized into one. Spiritually, that One refers to the Christ.

Christ means the "One Who is coming at the end of the world of the wicked as a

crusher." His name actually means "One who is anointed to crush the wicked." **The real satanic people are the white race who have disguised themselves to deceive the Black people to follow them. They just use the name, Christian,** which means to be Christ-like.

They have set up a head for their religion in Rome, Italy, with the pope or father who represents himself as being the intercessor or viceregent; meaning one who is second only to Christ or God and intercedes for the people's sins and recognition of God. But

he has no Divine backing.

This false regime should be destroyed by the Christ, the Crusher of the wicked, the Great Mahdi of Islam (Allah 'God' in person).

These are the days of God's or Christ's presence to destroy this evil world with all the deceptions that the people should again labor under a wicked and merciless ruler, the devil. The presence of Allah has upset **the devils who have had and exercise total control over the world under falsehood and have made evil to appear fair-seeming.**

The so-called Christian world has never before displayed such madness as they do today. Since they cannot hide their real wickedness and deceitful ways, they are angry.

According to the preaching and teaching of Christianity, they prophesy that they alone would be the happy group that would welcome the coming of the Messiah, the Christ, or the Mahdi. But the Bible condemns them; that they were angry and sought to hide their faces from Him (God).

It should be clear to you today that Christian America does not want such preaching as entire submission to the will of Allah (Islam). The Christians hate the very names of God: such as Muhammad, Omar, Karriem, Ali, Hassan,

The Honorable Elijah Muhammad
MESSENGER OF ALLAH

which are attributes of God. The Jesus prophesied that they would hate you for His (God's) name sake, for having one of His names. Because the names of God are to live forever. No other people on earth have the names of God but the Muslims.

So the coming of the Just One makes manifest to you this evil race of sinners. And they will be against His (God's) presence; be angered because of Him and will seek to destroy Him and His messenger as it is prophesied (2nd Psalms).

The Disgrace

Who is the Original Man?

By
Muhammad Saleem Bey

Pictured; Brother Muhammad Saleem Bey of Mr. Saleem's Shoe Shine is Standing Tall at Your Black Muslim Bakery;

OAKLAND, California--In The most Holy Name of Almighty God Allah Who came in the person of Master Fard Muhammad to Whom all praise is due for raisings up among us our Leader and Teacher The Honorable Elijah Muhammad (The Messenger of Allah) I greet my brothers and sisters in the Divine greeting of As-Salaam Alaikum.

Who is the Original Man? The Original Man is the Asiatic Blackman, the Maker, the Owner, the Cream of the Plant Earth, God of the Universe.

The Honorable Elijah Muhammad (The Messenger of Allah) has taught us that the Blackman is God. But that The Divine Supreme Being came in the Person of Master Fard Muhammad.

But we have a brother today by the name of Soloman (Royall) calling himself "The Supreme Being" or "Allah in person".

Brother quit making a fool out of yourself!

Mr. Soloman you have a misunderstanding of The Honorable Elijah Muhammad's teachings.

The Messenger of Allah taught us in Chapter 10 of *Our Saviour*

Has Arrived that "Allah is all of us. But we have a Supreme One that we can throw this name 'Holy' upon. He is Allah, The One over all of us; The Most Supreme One, the Wisest One, the Mightiest One; The One that Sees and Hears that which we can't see and hear. That Is He. He Is rooted in all of us. Every righteous person is a god. We are all God. When we say 'Allah' we mean every righteous person."

'Allah is all of us. But we have a Supreme One that we can throw this name 'Holy' upon. He is Allah, The One over all of us; The Most Supreme One...'

Messenger says ONE not TWO.

Then in Chapter 11 of the same book *The Messenger* makes it clear to us who that ONE is. The Messenger writes: "When we say 'Allah' that Name means God and covers all Muslims. All Muslims are Allahs, but we call the Supreme Allah the Supreme Being. And He has a Name of His Own. This Name is 'Fard Muhammad.' 'Fard' is a Name meaning an independent One and One Who is not on the level with the average Gods (Allahs). It is a Name independent to itself which actually means One whom we must obey, or else He destroys us."

We, the believers, here at Your Black Muslim Bakery, believe in The Most Honorable Elijah Muhammad's Teaching 100 percent.

In his Book, *Message To The Blackman In America*, The Hon-

orable Elijah Muhammad warns us, on pages 252 and 258, to beware of false Promises and false Prophet.

Look out for Allah, Who came in the person of Master Fard Muhammad. The blackman's real

God, the true and the living God.

I thank Almighty God Allah for blessing us with His Last Messengers The Most Honorable Elijah Muhammad. So I greet you with the Divine greeting As-Salaam-Alaikum.

Islamic Law upholds December Ramadan Fast for Messenger's Followers

By
Minister Muntaquin Ali

Minister Muntaquin Ali

PHILADELPHIA, Penn.--In the Name of Allah who came in the Person of Master Fard Muhammad, And in the Name of His Last and Greatest Messenger I greet all believers and readers of Muhammad speaks with As-Salaam -Alaikum

Happy Ramadan to all believers and followers of the Most Honorable Elijah Muhammad. May our God Allah Master Fard Muhammad bless us all with a successful and good fast.

On page 45 of *How To Eat To Live* Book 1, Our Leader and teacher says this, "I have chosen (for quite a few years) the Month of December for my followers to fast as in the month of Ramadan." And the Holy Qur'an backs him up.

The fast of Ramadan is a prescription to help you guard against evil.

The prescription is to be observed for a certain number of days.

Messenger Elijah Muhammad prescribed for his followers, 30 days in December, every year.

For the forty-four long years that

HOLY QUR'AN Chapter 2, Verses 183-184

'O you who believe, fasting is prescribed for you, as it was prescribed for those before you, so that you may guard against evil. For a certain numbers of days. But whoever among you is sick or on a journey, (he shall fast) a (like) number of other days...'

Messenger Elijah Muhammad (The Lamb) taguht us, here in the hells of North America, he told us that we were sick. And we are still sick!

Now add to that, the fact our people were kidnapped, put in chains and brought over here by a slave trader named Sir John Hawkins. I'm sure we can agree that this qualifies as being on a journey.

The Qur'an makes it clear that we may fast a like number of other days if we are sick or on a journey.

So According to Islamic Law (The Holy Qur'an) Our Leader and Teacher has the right to prescribe, for his followers, "a like number of other days".

What we must do is complete the Ramadan fast. And when we do,

we complete a like number of other days (in the Month of December) as prescribed in the Holy Qur'an.

December is one of the most wicked month's this white devil has created in the hells of North America.

Check this out! You come off your "Thanks-giving" drunk and pork-eating in late November, then move right into lying to your children about a fat white man coming down a chimney on Dec 25th.

Each day this lie gets bigger and bigger, until the poor child is caught up into this evil lie.

The whole country takes part. Preachers, parents, Judges, teachers, grand parents, and so on, all tell the same lie from the end of November until December 25th.

Remember, the whole purpose of the fast is layed out in the Holy Qur'an.

The purpose is to gaurd yourself against evil!

What better month could our leader and teacher have chosen?

The answer is that there is no better Month to choose.

And I haven't even metioned the whiskey and dope you purchased from the 26th until the 31st of December for your adulterous "New Year's Eve" plans.

You know. Where you make an absolute fool of yourself.

America starts every New Year high, drunk and full of hog.

Now I ask you. Did our Leader and Teacher have the right to tell us to fast a like number of other days? There is only one answer and that is YES!

Not only did Allah, Master Fard Muhammad, teach Messenger Muhammad right from His mouth, He showed him where he wrote it down in the Holy Qur'an.

Holiday The Muslim Way

By

Sister Samirah Muhsin

DETROIT, Mich.—This is the time of year when everyone is giving advice on cooking for the Holidays.

Here's some advice from us.

While Muslims do not observe the Christian and political holidays of America. Many times our dinner tables resemble a "Thanksgiving" or "Christmas" dinner.

We were taught by Messenger Elijah Muhammad to eat ONE MEAL A DAY! When we do sit down to eat, once a day, we have what you might call "a full spread". So every day our ONE MEAL seems like a THANKS-GIVING dinner.

Not only are the other two daily meals (breakfast and lunch), that most people eat, omitted, some of the foods commonly served during the "big dinners" of the Christians, are avoided as well. But we have some wonderful and healthy alternatives. For instance, we eat Cream of Wheat or Farina Bread instead of cornbread. And we use it to make stuffing. We eat candied carrots rather than yams. And we don't eat the turnip greens, but we eat fresh spinach and the white turnip bottoms, which are easier to digest than the green. Cauliflower makes the best-tasting "Potato Salad" you ever tasted.

So try these tasty alternatives:

CREAM OF WHEAT BREAD

3/4 Cup of cream of wheat or farina
1 cup of unbleached or whole wheat flour
1 cup of brown sugar
2tsp baking powder
1 large egg
1 cup of milk
1/4 cup of oil

Preheat oven to 350 degrees. Combine all dry ingredients together in a large mixing bowl. In a separate bowl mix milk, oil, and egg. Pour the mixture into the dry ingredients and stir until combined. Mixture may still be lumpy. Pour mixture into ungreased baking pan or lined muffin pan. Bake for 30-35 min or until golden brown and a toothpick inserted into the middle comes out clean.

CREAM OF WHEAT STUFFING

Preheat oven to 375

A single recipe for cream of wheat bread crumbled
 Sit it to the side.

Finely chop 1/2 cup celery
 2 med. onion,

1 large green pepper
 Sit it to the side.

Boil 2 cups water

Add 2 vegetable or chicken bouillon cubes (for broth)
 Simmer until cubes dissolve.

In a large bowl 2 mix eggs
 Add bread crumbs.

Add celery, onion and green pepper mixture

Pour in broth

Add sage (to taste)

Bake stuffing mix in a pan for 45 min. Serve.

Messenger Elijah Muhammad spoke of Sweet potatoes as being Harmful and wrong for us to eat.

But Carrots not only provide you with beta carotene, vitamin A and Vitamin C they have a naturally sweet flavor that will surely be a fast favorite at any dinner table.

Carrots are listed, by Messenger Elijah Muhammad as being one of the best vegetable choices we could make.

CANDIED CARROTS

2 bags of baby carrots
(nothing against fully matured carrots it's just these are so cute and easy for little ones to handle)

1 stick butter

1/2 cup sugar

pinch of salt

1tsp. cinnamon

Rinse carrots and steam them until fork tender. Add the rest of the ingredients and cook on low flame until the syrup thickens.

While turnip greens are almost mandatory at most Holiday dinners, you will find none at a Muslim gathering.

Messenger Elijah Muhammad taught "If you love turnips eat the roots, not the salad." So here is a nice recipe for turnip spinach.

TURNIP SPINACH

3 bags of spinach (washed)

4 turnip roots (quartered)

2 med. onions

(coarsely chopped)

2 cups of water

season to taste

Combine turnip roots, onions, water and seasoning in a large pot. Boil Turnips until nearly tender (about 20 min) Add Spinach and simmer 3-4 min remove from heat and serve.

Serves 6

Another staple of many Holiday dinners is Potato Salad. While this may taste great, all the starch in the potatoes is not good for our bodies so we have a substitute.

CAULIFLOWER SALAD

1 large Cauliflower

2 stalks celery (finely chopped)

1 med. onion (finely chopped)

2 boiled eggs(roughly chopped)

2 tsp. prepared mustard

1/3 cup mayonaise

(or to desired consistency)

Steam cauliflower until it is nearly tender. chop and set aside to cool. Once cauliflower is cool combine celery, onion, egg and mayonaise until evenly distributed add salt and pepper to taste Serve.

One final tip from us to you. If you desire to serve ham. Try turkey ham instead of pork.

Messenger Elijah Muhammad taught that the Pig is 99.9 percent poisonous and it is a divinely prohibited flesh. Meaning that God Almighty said DO NOT EAT IT. You will find it in your beloved Bible that Pork is no good. Read Deut. 14:8.

There's an old saying that when "God closes a door He opens a window somewhere". There is a right alternative to every wrong that we have gotten into the habit of doing.

So remember, you can still have that "Soul Food" taste and EAT TO LIVE at the same time.

WOMAN IN ISLAM

Holiday spending can make you a Financial Slave

By

Sister Samirah Muhsin

DETROIT, Mich.--Borrowing money on interest is a habit that is forbidden in the Holy Quran. But this time of year, in this society, it is thought highly of.

People are encouraged during the Christmas holiday season to use their credit cards to purchase gifts and other holiday expenses.

They think it will be a quick fix and allow them to purchase the best gifts and decorations that they can't afford.

So many people spend and spend until their credit limits are met, and when they consider the payments that they will have to make to the credit company they say "I'll worry about that next month. I just have to give my children a Christmas."

When the next month comes. There are regular expenses like rent /mortgage, utility bills, food and necessities that are due so they pay the minimum on the credit card bill, if that, or they put it off again.

Then the interest on the credit card begins to add up.

So your credit company gains money while that toy is in the room on the floor and forgotten.

The approach of simply paying the minimum to pay credit card bills will cost you significantly more money.

If you keep paying only the minimum it will take you years to pay off your debt. For example, you go out and spend your \$1000 credit limit at the big Christmas sale and the next month you pay your minimum of \$20, assuming you never use your card again and that you have a 19.9 percent annual interest rate it will take you eight and a half years to pay off the Christmas gifts of 2004.

Not only that, those old out of date and forgotten gifts will have cost you \$2000 in interest.

So what's the point? You will have made the credit card company lots of money and given yourself lots of hell over this elaborate system of exchanging gifts which comes less from the heart and more from mutual expectations which must be filled.

Gifts used to be nice little things

Sister Samirah Muhsin

that you do for some one, out of love, but now it's not the thought but the gift that counts.

This useless consumerism is a waste of resources, of money, and a complete loss of common sense for a month or more each winter.

All of this for a birthday which religious scholars agree is not even on the right day.

People really need to get over themselves and stop this over indulgence on Jesus' so-called birthday and their own.

People spend countless dollars on celebrating their birthdays and their children's birthdays.

It is not uncommon in this society to see an older person taking a tremendous interest in his or her birthday, expecting something very special from it, and feeling very hurt if the presents are not what was hoped for.

It's almost a mirror of Christmas. People run up another credit card to pay for the latest electronic gadget or toys to please the self-centered attitude of the birthday girl or boy. This is pointless.

Muslims are taught to be modest people. We are not to go through all of those changes. But rather we should give humble thanks to Allah and remember Allah, did not give us life in order to be absorbed with our own importance.

The person, if any, who should

receive a gift of thanks and gratitude on one's birthday are the parents (especially the mother) of the child, who labored, by the grace of Allah, to give life to the child, and the father who labored to see that the child was financially (food, clothing and shelter) cared for.

And have we forgotten that a gift doesn't have to come from Walmart or any store.

How about services for our parents. How about offering to assist our parents with a chore or two. How about cutting the grass, painting a room, cleaning a room, cooking a meal, planting a garden, or flowers, etc.

But credit card companies like for us to be self involved and indulgent. They want you to feel free to spend and spend. It's all a trap to gain wealth and boost sales. Every holiday.

Mother's Day, Valentines Day, Easter, Labor day, Halloween.

Everyone of these you need to spend for, or you're offered a sale to celebrate.

Be careful! guard your finances and eliminate useless spending and self indulgence no matter what the circumstances or Holiday.

Hold on to Your FINANCIAL FREEDOM. Lest you become a slave to Creditors.

The Forty Days and Forty Nights of Noah's Time Compares with Our Time

By

Sister Edna 10 X

It wasn't until the coming of our Savior, Master Fard Muhammad (the greatest blessing that was ever bestowed upon our people) through His Messenger the Most Honorable Elijah Muhammad (peace be upon him), did we, as a people, learn, once again, to love one another.

The Messenger's success (Nation of Islam) was a proof of this love.

After our enemy (devils) nearly destroyed Black Nationour with his seeds of abuse and neglect for nearly four hundred (400) years, did they decide to give us our so-called freedom.

The Most Honorable Elijah Muhammad (peace be upon him) taught us that his mission from Allah could be compared to prophet Noah (P.B.U.H).

The forty (40) years and forty (40) nights that was spoken of in his time is compared to the (40) years of Messenger Elijah Muhammad's work in America .

The reference of forty (40) days and forty (40) nights could represent the forty (40) years our leader and teacher labored for us in America. Forty (40) days of truth light.

The forty (40) years of darkness that the righteous believers are

now wandering and wondering in the wilderness of North America, as scattered seeds will be completed in the year of two thousand fifteen (2015).

The Nation of Islam was built under the guidance of Messenger Elijah Muhammad with Allah as his instructor. All Praises due to Allah!

It seems as though there was a judgment and deliverance surrounded by the number four (4) in our history. Which always brought about a change. The year 2015 is only ten (10) years away.

I am not speaking of The Final Day of Judgment. Only Allah knows that.

Look at the calamities taking place today. We were warned of such a day.

We are feeling the pressure. We see all of the evil and corruption that exist in this so-called civilized country everyday.

Since our dear leader and teacher departed from us, we have lost the love of our Nation

We must show and prove to the world that our leader and teacher's work of forty (40) years was not in vain. No one on earth will respect us if we do not respect ourselves.

WHAT ISLAM HAS DONE FOR ME

The Fathers role in the development of his offspring

By
Brother Alif Muhsin

DETROIT, Mich.--Being in the hands of this devil (White Man) we have been geared to neglect our families, and the responsibility of fatherhood.

Before the coming of Allah, Master Fard Muhammad, to raise up the Honorable Elijah Muhammad to teach us, we did not know the proper way to take care of our wives and babies.

The Honorable Elijah Muhammad teaches us in the instructions given June 7, 1936 that "we were very foolish people and rearing up foolish children, wicked, sickly, drunkards murderers, adulterers, robbers, gamblers etc. All of this could have been avoided if we only had known.(the truth). Now that we know, and our long awaited deliverer has made himself known to some few of us", we have no excuse for this.

The Honorable Elijah Muhammad (PBUH) teaches us that the people who accept and follow the instructions given to him by All Mighty God Allah,

Brother Alif Muhsin
Strong. Young Black Soldier, Fighting in the Cause of Truth

Master Fard Muhammad, "are being greatly blessed in many ways. But one of the Greatest of these blessings is the Increase of our nation. Allah; opens the womb of the righteous, that their offspring be many in the land of the living."

The Nation of Islam under the true teachings left by the Honorable Elijah Muhammad Messenger of Allah is growing once again, never to fall, stronger than ever. And Allah Master Fard Muhammad has the power to make our seeds reproduce, but before He

will do this, we must first know how to take care of our seeds. The Honorable Elijah Muhammad left instructions.

"The father should be most loving and pleasing to his wife while she is impregnating. The mother must not be made angry, and must not look at undesirable objects. She must not look at wild animals, or go around shows and places of excitements. She must not sit and think evil thoughts. But think righteousness, eat pure foods, fresh at all times, Not no kind of strong or intoxicating drinks.

"She must be active as long as she can, and must be extremely clean. The baby should not be fed solid food but once per day after it is weaned from its mother. milk every morning. the meal at noon or between noon and evening. No one should bring sorrow upon the pregnant mother at no time.

"The husband should keep her very happy at all times, as her desire is to her husband more at that period than ever.

"The father who has a good child bearing wife should avoid all foolishness, and assign himself to

wisdom. The desire of other women should never affect his mind. Avoid all uncleanness, be perfect in all his actions. And if you and I will follow the above, and keep up prayer, In remembrance of Allah our Saviour. Our little children will come into the world Righteous; As it is written; Every one that sees them will call them the children of the blessed. The planting of the Almighty Jehovah Allah: Our Saviour. Praise His Name.

"May our seed be as the stars for ever and ever. And long may our Saviour feed them with that food that perish not' and give them good Shepherds who will give themselves no rest until they see the lost found sheep lay down in safety in the fold without fear of the wolf."

All Praises is due to Allah for blessing us with these teachings of the Most Honorable Elijah Muhammad. Let us follow these instructions, and raise strong Muslim babies who will submit themselves entirely to do the will of Allah. As-salaam-alaikum

Learn To Be a Good Man

By
Lt. Quadus Allah

PHILADELPHIA, Penn.--In the Most Holy Name of Allah, Who appeared in the physical person of Master Fard Muhammad. And in the Name of His Last and Greatest Messenger, The Most Honorable Elijah Muhammad.

I greet you in the Nation's greeting of Peace, As-Salaam-Alaikum.

All around us is sure evidence that home life is spiraling downward for Black families.

There is, no doubt, many reasons for this over 400 year trend. But the main reason is we have been conditioned by our former slave-master, not to value and love our black family.

He has been separating and disrespecting our families for hundreds of years.

Mainly by attacking and brutalizing the head of the family, the

black man, making him ignorant and irresponsible.

Today our households still suffer as a result of the irresponsible father refusing to assume the godly position he's been given.

Allah loves us (man and woman) all the same. We are equal in His eyesight, as taught by Messenger Elijah Muhammad, but he gave to us, the man, the task of leading (ruling) the family.

It's in the Bible. Read Genesis, Chapter 3, Verse 16.

We, black man, have been given the task of leading and maintaining the family.

Even when a father does not live up to expectations, he is still the leader because Allah does not change his mind. But when a father does not take care of his responsibility, he leads the family in the wrong direction.

A father, husband, or good man

can be defined in one word, PROVISION. He is to see the physical needs of his house hold and, maybe just as importantly, he provides for emotional needs.

Some of us, can not give our families luxury cars or fancy houses, but we are obligated to provide a DECENT home. And one of the best things we can give is our time and love, which will build self esteem.

Any woman, or child for that matter, would choose love, understanding, and support over a fancy car or big house.

To be able to do these things, as a man, we need proper spiritual guidance.

We have to be able to teach our family who the All wise, true and living God is, whose proper name is Allah.

The best way to teach is by example. We depend on God for everything we need.

Brother Lieutenant Quadus Allah (pictured right) a soldiers in the fight to save the mentally dead Black man. He is found daily on the battlefield (streets of Philly) with his bullets (Muhammad Speaks Newspaper)

When we shoulder our responsibility, we show our family what the Real God looks like.

The teachings of the Most Honorable Elijah Muhammad puts these teachings back into the black man and erases the irresponsible behavior and ignorance that was instilled in us by this wicked devil

here in North America.

I leave you as I greeted you in the Nations greetings of Peace As - Salaam - Alaikum

And Now Come The Thieves

By
Brother Malik Muhammad

DETROIT Mich.—In the name of Allah, Who came to us in the person of Master Fard Muhammad, the true and the living God to Whom all Praises are due. We forever thank Him for raising up the Most Honorable Elijah Muhammad (peace be upon him) from among a people that had never had a Warner come to them before.

There seems to be no end to the smart crooked deceivers trying to take the Messenger's credit for their own selves. They come up with all types of phony titles to give to the messenger of God in order to distract from his position or post. The Most Honorable Elijah Muhammad's correct title is The Messenger of Allah. Next to Allah, (Master Fard Muhammad), this is the highest post on earth. It means that this person has the trust and confidence of the Supreme Being of the Universe. It means that God has looked into this persons heart and has found the good things necessary for His (Gods) Messenger. This person has been chosen because of his strength, not neces-

sarily his physical, but his mental, emotional and moral strength. His character has been checked by The Supreme God and found to be strong and impeccable. His strength of conviction in carrying out the orders of God in the face of all opposition by the enemies of God were checked out by God and the Honorable Elijah Muhammad was found to be steadfast.

The great love for His people was found in the heart of the Honorable Elijah Muhammad. He loved us more than we loved ourselves. Fearlessness and boldness were found in the heart of The Messenger. Honesty and goodness were found in the heart of Messenger Elijah Muhammad.

The Supreme God (Allah, In the Person of Master Fard Muhammad) discovered that no acceptance of bribery was found in The Messenger's heart. He was able to turn away from any bribes of silver, gold, and palaces. He couldn't be bought off of the mission that his God gave to him, although he was offered.

Allah (God), in the Person of Master Fard Muhammad, saw all of these things in the heart of Elijah Muhammad. before He

Brother Malik Muhammad

made him His Messenger. He taught His Messenger day and night for three-and-a-half years straight from 1931 until 1934.

Now here come the thieves.

It is a shame that on the tombstone of the MESSENGER OF ALLAH to the Black man and woman in America is written, "Elijah Mohammed Leader of the Nation of Islam". This was the truth, but that was not his title. His title was the Messenger of Allah, but they wanted to steal that away and just say he was the a leader.

This is not even the way The Messenger spelled his name. The world knows that Our Messenger spelled his name M-U-H-A-M-M-A-D. He taught us on page 178 of His Book, Message to the Blackman in America, "of course Muslims or Moslems means the same, as Mohammed and Muhammad, only one is common in English (Moslem and Mohammed). In Arabic, Muslim and Muhammad are scholarly."

This was an attack on the Lord of the Worlds, and they hoped to acquire some type of unity with what they call the orthodox Muslims, who do not believe that Allah is Man, but believe He is some kind of spook or spirit.

It is a dirty shame, that for all of the 44 years that The Messenger taught us, he never sold us out, but after his death they tried to sell him out.

Another thing the thieves and robbers came up with was he (The Honorable Elijah Muhammad) was "The Christ". Now why would they do that? The only reason I can see is that they wish to elevate The Messenger in the eye-

sight of our people, so they could step into the shoes of The Messenger.

They know that a lot of our people think that Jesus Christ is God. So they say The Messenger is Christ and they are His messenger.

This is the game some of our so-called leaders play in order to elevate themselves, and they take the weak ones that think like them along with them.

The Most Honorable Elijah Muhammad said himself, "I don't want you to look at me as NOTHING BUT A MESSENGER TO TELL YOU WHAT SOMEONE SAID TO ME". The Messenger spoke these words on a video tape that is available to you today. Call (313) 371-7033 to order this video tape.

Some of these brothers are running around saying that the Honorable Elijah Muhammad is their

Father, I have no idea what that's about, unless they are extending the lie of the Messenger being God and calling God "The Father". No one should refer to The Messenger as "Father" other than the sons and daughters begotten by The Messenger.

Stop the lying and half-truths and confusion that you are teaching your followers. They carry this confusion out among the lost/ found and confuse them even more than they are already.

The Messenger's title was bestowed on him by Master Fard Muhammad, The Supreme Being of the Universe. Stop going against God's Messenger.

The Most Honorable Elijah Muhammad said He will be the winner living or dead. Take heed. He is The last Messenger of Allah To The Blackman and woman in America. As-Salaam-Alaikum

No Titles Are Needed

By
Brother David Muhsin

Brother David Muhsin

DETROIT, Mich.—We are constantly putting up some dude that has taken Messenger Elijah Muhammad's teaching and is using it for their own personal gain.

I ask you please, get it for your self and don't take somebody's word for it.

It seems every time I turn around there is some nut saying they're some thing they're not.

None of these so-called leaders want to fall in place and work in unity because it would take the spotlight off of them.

No title's are needed (Son of Man, The Reformer, Minor Prophet, The Prepared One, The Reminder, etc.) because if they are not teaching what the Messenger taught then they are all the same.

And let's face the fact! They all thought they were Negroes and Colored folks before the coming of Almighty God, Allah, Who came in the person of Master Fard Muhammad and raising up One from among us to teach and guide us. And that was none other than the Honorable Elijah Muhammad.

When they start doing this self-uplifting stuff, all they do is confuse the people and cause opposition for the true believers.

The Messenger said, in How To Eat To Live, Book 2, Page 75 to "Leave My Teachings As It Is."

The truth is like a brick wall and there's no getting around it. So you can science up all day on the brick wall but in the end it's still

going to be there.

The truth is, Allah only chooses one for the Nation. And it's like the Messenger said, "If I had 40,000 ministers, all they could be is helpers". The Holy Qur'an backs him up where it says, "None can become a prophet by obeying The Prophet".

Not long after earning the position as Allah's Messenger, The Honorable Elijah Muhammad's blood brother, Kallot Muhammad, turned hypocrite.

The Messenger said, concerning Kallot "I didn't think, not one time, that he would ever deviate, but Allah showed me I didn't know their hearts".

So even though the The Messenger said (concerning one of his ministers), "wherever he says go, go, and wherever he says stay away from, stay away from, that instruction was nullified when "The Minister" turned hypocrite.

Thank you for taking the time to read this article. I leave you with the Nation of Islam's greetings of peace, As-Salaam-Alaikum.

African Town in Detroit political nonsense

By Brother Minister Levi Karim

DETROIT, Michigan--In the Name of Allah, Who came in the Person of Master Fard Muhammad. I forever thank Him for raising up His Last and Greatest Messenger, The Most Honorable Elijah Muhammad (peace be upon him).

To suggest that the City of Detroit needs an "African Town" makes just about as much sense as saying that there is a need for "Greek Town" in Greece, a "Mexican Town" in Mexico, or a "China Town" in China.

Detroit is more than 90% Black! It's already "African Town"!

The only problem is that the town is full of Black people who don't know the real meaning of being Black or so-called "African". Many of our people think that wearing Kente cloth and dread locks is what being "African" or Black is all about.

The town is full of Black people who still think that our problem can be solved in the political system of the white man. And it's the same all over the country.

The Detroit City Council paid brother Claud Anderson \$112,000 to write an economic development plan for building wealth in the black community.

The result was the 81-page report titled "A PowerNomics Development Plan for Detroit's Under-Served Majority Population."

As part of his report to the Detroit council, Anderson pushed for the creation of a black business district that included light industry such as fish wholesalers and a nearby hatchery, but a suggestion in his report, that The City offer financial help that benefits blacks only, met with opposition by leaders from the city's Mexican, Asian and Arab communities, who said they supported the concept of a business district that would build wealth in the black community, but they argued that the council, in embracing a set-aside program that would benefit only one race, was unlawful.

And they are right, according to this political system.

Like it or not. Doing this, within American politics, would go against what so-called Negroes fought for in the so-called "Civil

Rights" movement.

To offer a program for Blacks only, especially in an area where there is a majority of Blacks, would be the same as offering a Whites only program.

So what did the Council end up doing? In a 5-4 vote, the council approved a resolution that acknowledges that their first plan, to create a loan fund only for black entrepreneurs, is illegal and that any future plans will conform to state and federal laws, which say that a government entity cannot create set-aside programs that benefit only one race.

The new "resolution" ended up being the very same so-called "solution" that the America political system has always used to pacify Black people.

The new plan, the Council says, is designed to encourage so-called "small-business investment" in Detroit, which the Detroit Economic Growth Corp., an economic development arm of the city, and the City Planning Commission, a council department, believes would mean "new jobs, increased tax revenue and giving more Detroiters a stake in the city's future by **employing them and satisfying their demands for goods and services.**"

This is the same thing that has been going on all the time. Give the Black man a job and satisfy his demands for goods and services. That is the Problem!

That's why there is an Arab-owned licqour store with a lottery machine on every other corner in our neighborhoods. An Asian-owned beauty supply store at nearly every major intersection, a white-owned used car lot that "accepts state vouchers", and just as you pass one McDonalds, Burger King, Church's Chicken or some other fast-food joint you can see another. Stores like "Foot Locker" that sells the latest gym shoes, Dollar stores, cell phone shops. And to top it off, a church on every corner.

That's all the Black man wants (demands). A job and a place to go spend his hard-earned money on nonsense.

As the Holy Qur'an teaches, you

can't change the condition of a people until you change their way of thinking.

Messenger Elijah Muhammad gave the solution to our problem years ago. In his book, *THE MESSAGE TO THE BLACKMAN IN AMERICA*, he wrote, "It is very hard for an economist to plan a wise program and see his plans carried out, because the so-called American Negroes' economics are controlled by the white man.

The white man owns the country and the industry. He is manufacturer and producer of everything. Now, it is difficult to plan an economic program for a dependent people who, for all their lives, have tried to live like the white man.

The first step the so-called Negro wage-earners should take is to spend only when necessary and according to their income. They should save as much of their salaries as possible--weekly, biweekly

or monthly.

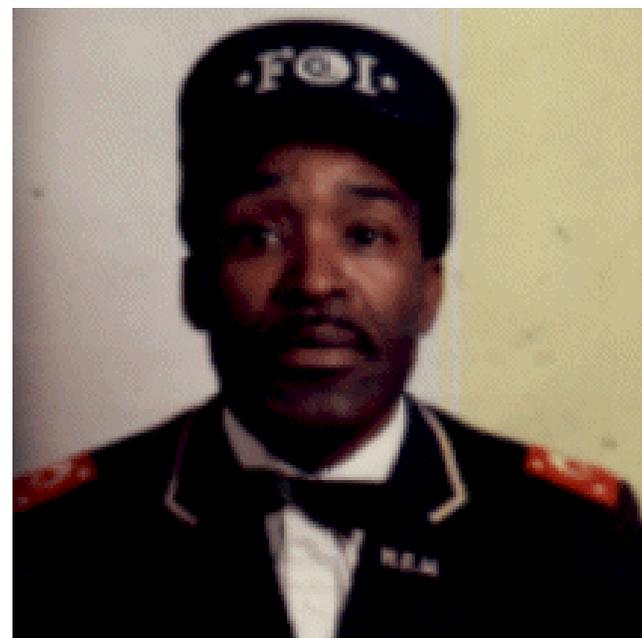

We, as wage earners, should always plan to save something from whatever we are paid.

Do not become extravagant spenders like the rich, who own

the country and everything in it. It is sheer ignorance for us to try to compete in luxury with the owners.

If we can save just five cents a

day from our wages, 25 cents a week, \$1 a month -- that would mean \$13 a year we could save in a national savings bank. We number around 22 million and approximately five million are wage-earners. If five million wage-earners saved \$13 a year, this would mean \$65 million saved out of our wages.

At the rate of 25 cents per week, it would be painless. But the so-called Negroes do not have that in a national bank.

Let us see how much money we spend unnecessarily: Suppose we spend the same amount (25 cents a week) in tobacco (cigarettes, cigars, chewing or snuff dipping). But, of course, you will spend far more than that. Some people spend 25 cents per day alone.

Let us say we spent the same amount (25 cents a week) on beer. Again the actual amount would be more. This means \$65 million a year spent for beer and the same spent for whiskey, wine, cigarettes and cigars. We also spend unnecessarily on sports. You average the same on sports (\$65 million). Another \$65 million is spent in gambling--averaging five cents a day, 25 cents a week. This is just the minimum.

If five million wage earners saved just \$47 per year, they could save \$235 million dollars a year. And this figure would be far greater if we included extravagant buying of clothes, furniture and cars.

Eating the hog, the Divinely forbidden flesh which keeps us filled with arthritis, rheumatism, high blood pressure and fever makes unnecessary doctor and drug bills. All this wasteful spending should be checked and you will see with a one-year period that you have not saved one billion dollars, but several billion.

The economical way to use the money you save is first to buy farm land and produce your own food. You can raise enough cattle, sheep, cows and chickens by the thousands if you try following our program. We could cut down on our clothing bills - some of us about 30 per cent - and yet be well-dressed.

Again, in this way, we could

build a national savings bank from deposits for ourselves, and invest our money in the purchase of necessary things for our nation. Then, you could cut down your present high cost of living.

Purchase real estate, buy farm and timberland, Convert the timber into lumber and build homes for yourselves as the white man is doing. Of course, he will have the authority over whether or not to sell the land to you. Get clay land. With marsh clay land and hill clay, you can make your own bricks. Bricks are inexpensive to make once you get your kiln built and tracks laid.

The greatest expense would be coal or gas to fire your bricks. Build brick homes for your own people and sell them to your people at a reasonable price.

Try and save your people from unnecessary high-price buying.

Take your cotton to the mills and have it converted into lint. And take the lint to the textile mills and have it converted into cloth. You are very smart. We have many technicians among us who are about as smart as they come. Why shouldn't we get together and produce something for ourselves?..."

This is what our Messenger taught us! There is no excuse whatsoever for us to be in the condition we are in after Allah, Who came in the Person of Master Fard Muhammad, raised up a Messenger, like Moses, from among us.

But we turned and did just like the people of Moses did after Moses, with help of Allah, delivered them into the Promised Land. After they crossed over into the "Land of Milk and Honey" (their own land) they didn't want to do the work for themselves. They thought heaven was a place you go and rest from labor, but they found out that in order to have a heaven for themselves, they had to build it.

In 1974, during Messenger Elijah Muhammad's Last Sermon, the Messenger told us, "You LOOK LIKE you're ready..." I'm sure that's how Moses' followers LOOKED, when they marched out of the land of Pharaoh with Moses leading them. But they had gotten so used to Pharaoh providing them with food, clothing, and

shelter, until they got mad at Moses for even delivering them, when they saw that they had to do for themselves what Pharaoh had done for them. They were foolish enough to prefer slavery to freedom.

With "freedom" comes real responsibility. We look at the Christians who believe that they will get heaven after they die. And you can ask any Christian, who claims to believe this lie, that they will go to heaven after they die, if they want to die and they will tell you "No". Even in their spooky belief, they know it has to be some kind of sacrifice to enter heaven.

The only heaven that we will ever see is the one we build for ourselves. But we don't trust each other enough. As Messenger Elijah Muhammad said, "We trust everyone but ourselves. We, therefore have to build or produce trust in ourselves in order to do something for self and kind..."

The Messenger said, "We can see every hour and every day how

the white man's world is narrowing and how his time is growing shorter. This narrowing of his world power teaches us that we must strike out for ourselves or be left behind helpless and without a future..."

We don't have to go to no City Council for a resolution. Because that is just what it is. Re means to do over. A solution will solve the problem. So we don't need a resolution.

The solution to our problem is divine. And it's simple. The Messenger sums it up this way, "You are limited in your jobs, salaries and incomes by the white man. But you still can learn not to be reckless and wasteful spenders and happy-go-lucky people with nothing of your own. Every sport the white man--with bulging banks of money -- enjoys, you try to imitate him.

Take what he gives you and learn to save some of it. The hardest times are before those of you

who will not accept this program and follow the way of Allah and Islam, which will guide you and set you in heaven at once, with money, good homes and friendship in all walks of life.

Begging and praying to the white man to accept you (his once abject slave and knowing and willing slave) and give you things he is giving himself and his kind is really out of place today.

The white man claims he has given you freedom. He feels that he is not responsible for your poverty - since you have had 100 years on your own. He believe that if you did not like him, you should have left him, and if you do not like him today, you should leave him.

You do not want to leave him because of your great desire for his wealth. This classified you as being lazy; a people who do not want to accept their own responsibility. Think it over my friends."

The Muslim Program

What the Muslims Want

This is the question asked most frequently by both the whited and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.
2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.
3. We want equality of opportunity. We want equal membership in society with the best in civilized society.
4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and mineral rich. **We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.
2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.
3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.
4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.
5. **WE BELIEVE in the resurrection of the dead - but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans. We believe the black men should be freed in name as well as in fact. By this we mean that he

The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH

should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.

12. WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
