

# A True Mason

**Greetings To You!**

**I am Elijah Muhammad, the preacher of freedom, justice and equality to you, my dear people, who has been in the Western Hemisphere, in America for four hundred long years. And now the day has arrived that you must turn to your own: Your own God and your people, that you may be able to see the Hereafter.**

**The Hereafter means after the Holy War or after Armageddon or after the war between Satan and Almighty God. This is what's meant when we say the Hereafter. It means after the war between right and wrong has been fought. This war is often called a war between God and the devil. The devil seeks to hold supremacy over God, since he has ruled the people for six thousand (6,000) years, he desires to continue to try holding his place as ruler of the people and seeks to bring the people every opposition that he possibly can to destroy their hearts and their minds toward the worship and obedience to Almighty God, Allah.**

**Here in the Western Hemisphere, in America, where there is 22 million original black people living whose fathers suffered slavery for around three hundred long years, and this enslavement of our fathers has caused us to believe in the devil and believe in Almighty God, because they never knew anything of God or the devil, only by the teachings of the slavemaster and the slavemaster was always careful to conceal himself so that they might not know who he is; therefore, it was impossible for them to learn who was God and who was the devil.**

**There are really two Gods. The devil is a god himself, as mentioned by Jesus in the New Testament, the he is the god of this world, the prince of power of hell. This is true that the devil has been the ruler for six thousand years and god of this world. "This world" means the world of the devil.**

**Under his rule, the people forget the real True God and the way to that True God, because he will not teach the people.**

**Again, the parable of the vine or the olive tree, pardon me, the fig tree, that Jesus, as the book says, cursed, was also a sign of this world that this world has never produced converts to the will of Almighty God, Allah.**

**Never has any so-called American Negro been taught by white people to believe in Almighty God, Allah, and His True religion, Islam. Only in higher organizations or we say Masonry.**

**In the Masonics, there is little teachings at the top mostly of this particular order that mentions the teachings of Almighty God, Allah. But you have to pay a lot of money to become a 33rd degree Masson; therefore, you are an absolute victim, as Isaiah teaches you. That you buy that which does not bring you any gain. To buy that kind of teaching does not gain you the Hereafter.**

**We must have something that is pure.**

**A Mason cannot be a good Mason unless he knows the Holy Qur'an and follows its teaching. This Book is the only book that will make a true Mason. The Bible won't make you a true one.**

**I say, if you are a true Muslim friend, then let's have it in the open and not in the secret.**

**I warn you who are listening of these things, that the time is now right and is at hand, that everything of good or bad must be made known.**

**We are living in the end of this world, the judgment of this world. These are the days of judgment mentioned in the Bible as in the days of the judgment or in the days of the resurrection of the dead. These days represent years and not just little 24 hour days, as we know them today, but they mean years.**

**In the years of judgment or the resurrection of the dead...We are in those days now...The coming of Allah and the teachings of Islam, to we who has been lost from our kind and native land (our country) for the past 400 years, means the judgment.**

**God doesn't come until the judgment or until the end of the world of Satan. As you have it written in the Bible, prophesied throughout the Bible and also absolutely mentioned in Thessalonians, that God come after the working of Satan, the devil. And after he has done all that he can do of evil, then God comes allowing him to go to the poor giving him the freedom to try and take all the people with him to hell if possible.**

**These are the days now that we are living in. I want you to understand, my dear people, you are not in the actual way of the truth. You have not actually believed it. Your time, now, has come that even if you would just turn to Almighty God, you would enjoy salvation or heaven in this world, and in the Hereafter. You are assured of Heaven. But even in this life, God gives the righteous peace of mind and contentment.**

**He is the Protector of the righteous....**
