As-Salaam-alaikum:

In the name of Our Saviour Allah, The Sole Master of the Day of Judgment
in which we now live. To Him I submit.

Dear Brother Joseph:

Just a few lines to let you hear from me. I received your letter, and
as usual happy to read a letter from anyone who is a believer in Allah,
and his Religion (Islam); To whom praises is due the Originator of the
Heaven and Earth. To him I submit myself, The Lord of the Worlds.

Brother, you are right in trying to learn whether or not I have received
your reports. Yes, Brother Malcolm mentioned your reports to me, but I
had not acted as yet. But as the investigator in #7 Temple, I desire
that you send to me a General report once every month. In this way
I will be better informed. Brother Sultan totally failed in a duty as
Minister. I hope you will be successful next February in making the vi-
sage, if it be Allah's Will.

Keep my love to yourself.

Best love and wishes to you and the believers.

As-Salaam-alaikum.

Your brother,
