

# Martin Luther King, Jesse Jackson & Malcolm

By Messenger Elijah Muhammad

*This article is transcribed from the 1972 Theology of Time Lecture*

A man in the Bible rises up in Revelations with the Key of both Death and Hell. He has the knowledge of the devil and prepares him, the devil, for his doom that God made him for.

The white race was not even made to be saved. I know you don't agree with me, but just stick around.

One of the professors from Chicago University sitting in my house one day wanted to know were not some devils good. I told him as I had told many others: **"There are lots of snakes. Some of the snakes are not as poisonous as the others, but they are snakes just the same."**

This is the thing **Reverend Martin Luther King** agreed with me on. He said, **"I will grant you that. Some may not be as evil as the others but they are all from the same stock."**

Reverend King was a man who was frightened to death by white people because they had tried to buy him over, but he was not so big a fool as they thought.

After he met me they learned that Reverend Martin Luther King and I were making up a friendship together. I went down to our place where we were going to meet and have a Convention. When I got down to this place I acknowledged that Martin Luther King was a great man and that he and I were getting along fine. He agreed with me and I agreed with him (not in his way) but Martin Luther King woke up right away. The devils sitting out in front of my house with their electronic and mechanical instruments tuned in, listened to what we were saying.

From that meeting on they had made up their minds to kill Martin Luther King. They thought they had prepared him thoroughly to lead you to hell with them.

You see what happened to the poor man. If the devil's disciples do not follow him, he kills them. But there is One disciple who is not his: Long before I was born, God warned him to, "Touch not My Anointed."

Take **Reverend Jesse Jackson**. Poor boy. He's making a fool of himself just to be called **"Reverend Jackson"** by the devil. He knows me and he has been to my house two or three times. Why should not he and I get together if he is working for the Black Man? I am working for the Black Man. Let us all

join together who are working for the Black Man. The work will be stronger if we unite together to work together.

But he likes his blue-eye devils because they call him "Reverend Jackson" Jackson is the name of the devils. If he would come over to me, I would give him an honorable name and he could take it, and go all around the world and be honored by the Nations of the Earth. But he wants to be called "Reverend Jackson" and tries to run politics and preach Christianity too. So the poor boy is just in a mess.

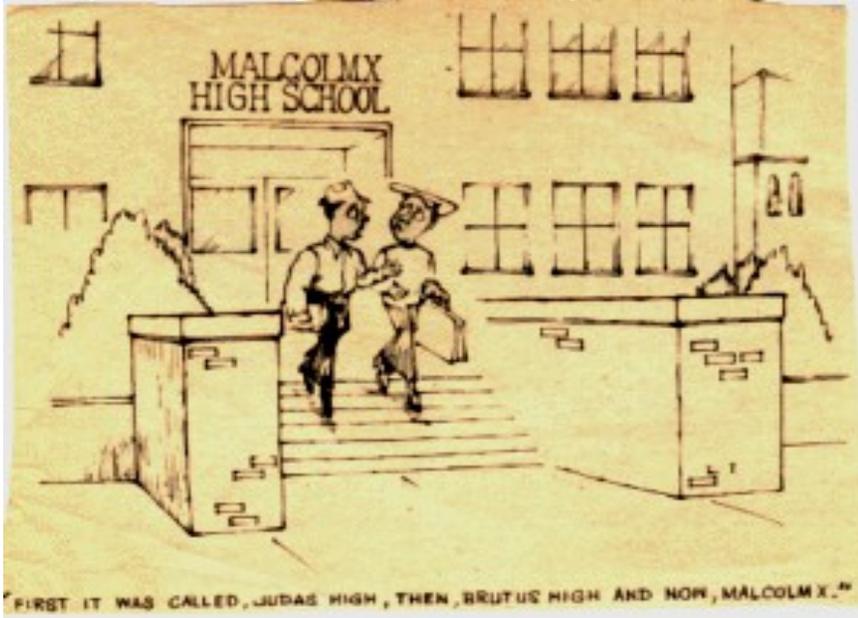

I hate to see the devil white man make fun of our people. This man could have been made a fine man for Black people. We talked together a few times but he just loves to be called "Reverend" by the blue-eyed devil. He doesn't want any black eyes honoring him. We will honor him for what he is worth but not in the way the devil worship. They will dump him after a while like they do all who follow them.

They call themselves worshipping Martin Luther King. When Martin Luther King visited my home, the devils sat out there in their car and tuned in on what we were talking about.

I guess they heard him say that he agreed with me that they are the devil. When the devil saw that Elijah was winning their disciple over, they went and shot him.

They had also set up a hypocrite for Elijah and that was Malcolm. They are encouraging you to

worship Malcolm. **They go build a college and name it after him, to pull you away from me.**

He knows that Malcolm was not with me. They get you to worship hypocrites of Elijah Muhammad so that you will go to Hell with them.

But my God has not put forth 100% effort yet to make you see the Truth. When He does, you will not go to Hell with them.
