

DIVINE SAYINGS

of

The Honorable Elijah Muhammad

LAST MESSENGER OF ALLAH

Volume 2

"Freedom -free the man. Justify the man and make him equal with his own kind. This is what God came to do for us."

"God is with me and I am with God. We both are together to help you do for self."

"I will serve prison terms in order to see my people independent. My life and my death are all for your rise."

"We cannot change ourselves unless we change our way of thinking. It is actually thought that changes us."

"Allah guides me to do things like a God."

"When your mind becomes peaceful in Islam you are becoming nearer to God."

"The beginning of all nations is back to the earth brother - to the farm. Farming is the solution to our economic problems. Farming is the foundation of Self Independence."

"We want to make a new nation. Get that in your mind."

"Everything comes out of the earth. No nation has ever exhausted the earth's treasures."

"The truth hurts but, it does not hurt anyone but the guilty. My job is to fight with The Sword of Truth."

"Truth is welcome among those who seek it."

"Truth is satisfying. Untruth is terrifying."

"You should use the term *Raise* when referring to the Messenger rather than 'sent' "

"A Messenger is not raised to tell you the day, but to warn you that the day is coming."

"Allah makes Himself known through Muhammad. He is used as a reflector."

"What Allah has revealed to me is a base for building a universal knowledge. It has not become universal or we would not be preaching. It is to become universal."

"The Holy Quran is the greatest book there is. It is a unique book."

"Islam is the only thing that will bring us into power and shake the dust of this civilization."

"Heaven is not a place to rest from labor, it is a starting point."

"The more closer you try to live to me and try to follow me, the better your life."

"The greatest fault I find among the Muslims is that they spend too much time in idle talk. The Holy Quran teaches against this. Encourage each other to enjoy the discussion of Islam."

"The stars rise just before the sun. This is the Messenger. He comes just before the God. The morning star with piercing brightness. The Messenger is the first to show forth this light of Allah."

"Wisdom is independent of anybody. Allah has made you a teacher who sees into the depth of things. "

"Higher wisdom forces us to think that we need more and more. That is why wisdom is infinite because we see more and more."

"If we do not humble ourselves we cannot be the friend of Allah or see the Hereafter."

"Allah can't judge us until we are taught what the judgment is."

"There is no nation that can get up unless it has a knowledge of Engineering."

"You are not respecting the life that you have been granted to live in peace. Life is our joy and happiness. If we live good, we have a good life. If we live evil, we have a bad life."

"What I am teaching is just like the sun; it can give life if you come out into it."

"The prophets said, 'thus saith the Lord'. I say, here is the Lord."

"How do you know when is the day of Judgment? This is the question the Holy Quran ask. In the Judgment, everything will tell the truth on itself."

"The Judgment will bring out of you what is hidden in you"

"I was taught into the wisdom of God not prophets. I am the end of prophets"

"We are not trying to overthrow the government, just your ignorance. We must display decency and intelligence."

"When you put Islam in a man's heart, he has got it."

"Try to be yourself and you will find yourself to be the best. You have got to be your own Black Self."

"Why we are taught to be humble and submissive is because that is the very nature of the germ in which we are made."

"Everything that attracts your attention is for seeking wisdom, not sport and play."

"You don't have to guess at the truth. I have the truth. I am the truth. I am part of peace. I do not seek peace."

"I think we should lay aside all foolishness and lay hold to the gospel of the truth of our Saviour."

"The righteous servant seeks justice to justify his righteousness."

"All the world of Islam has to learn what has happened here in America. Islam of Muhammad of 1400 years ago served that time. We need a new Islam to serve this day. My mission is to convert all Black people on earth into the knowledge of God. Acquaint them all with a new Islam and God. There will be a new world all together."

"It is so essential that you follow the Messenger because if you do as I say you become a different person."

"We cannot beg to be independent. We must work to be independent."

"The Holy Quran teaches you that Allah is closer to the Messenger than His jugular vein. This means that He is closer to Him than life itself."

"God has raised me up to protect you. My heart is in saving my people. It is a wonderful thing to be in the Love of Allah."

"Your intelligence should not be charged with mediocrity."

"You can do whatever you want if you just put your heart in it. Allah will show you that there is a God"

in you."

"If you are not justified by justice then you can't receive justice. You are justified on your post by the work you do which will bring you justice."

"If you seek to follow wisdom, Allah will help you."

"In telling the truth, don't ever tell the truth and then turn it around and nullify it to suit the hearer."

"We have got to rule the entire earth. Therefore, we have got to know the earth and its people."

"You will do and obey that which you love."

"Fear is the worst enemy of man. Where you find a man that doesn't fear, that is the winner."

"Compiled from writings and conversations of the Honorable Elijah Muhammad by Sisters Anna Karriem and Captain Portia Pasha."
