HOW LOW WILL YOU GO?

Low rise jeans (aka low-cut jeans, hipsters, hip-huggers and low riders) designed with a low-cut waist intended to sit low on, or below, the hips to show off a lower back tattoo were a popular trend among white women in the 1960's. It took more than 40 years for Black women to get stupid enough to adopt this style as "new fashion trend" among Black women in 2007

Bush Could Refuse To Leave the White House After Election

President Bush gives Hitler salute

Executive Orders (EOs) are legally binding orders given by the President that do not require Congressional approval to take effect but they have the same legal weight as laws passed by Congress. This, of course, runs against the general logic of the Constitution — that no one should have power to act as a dictator.

Bush has been experimenting with his "Executive Order" Power the whole time he's been in office.

The very first act of the new Bush administration was to have a Protestant Evangelist minister officially dedicate the inauguration to Jesus Christ, whom he declared to be 'our savior.' Invoking 'the Father, the Son, the Lord Jesus Christ' and 'the Holy Spirit'.

The Ku Klux Klan is a Christian (Protestant) organization made up of murderous white people who hate Blacks and Jews, claim Jesus Christ to be their savior and invokes 'the Father, the Son, the Lord Jesus Christ' and 'the Holy Spirit'.

Bush won the 2000 election in a controversial victory.

The closeness of the outcome, as well as reports of votes being miscounted, led to the Florida election recount.

Two initial counts went to Bush, but that outcome was tied up in courts for a month until reaching the U.S. Supreme Court.

The Court reversed a Florida Supreme Court ruling ordering a third count, and stopped an ordered statewide hand recount based on the argument that the different counting procedures would have violated the 14th Amendment of the U.S. Constitution.

He has already overruled United States Bill of Rights and Constitution by executive decree, by claiming of the authority to wiretap Americans' telephones without warrants and to spy on peaceful First Amendment activities.

"If this were a dictatorship, it'd be a heck of a lot easier, just so long as I'm the dictator."

--U.S. President George W. Bush

KKK gives Hitler salute to Cross

George W. Bush declared that he has been wiretapping Americans without warrants, that he has the power to do so, and that he is going to continue to do so.

Millions of Americans now suspect that the Bush administration was responsible for the 911 bombing in New York, as a "set-up" to go to war in the Middle East.

Bush outright lied to the American people, claiming that Iraq had "weapons of mass destruction", went in bomb that country, captured the country's leader and lynched him while the world watched.

The so-called "mainstream" media, who is backed by members of the same "club" that backs George Bush, is closed mouth on all that issues that really matter to black people.

Oprah Winfrey is one such "media". Back in the presidential race for 2000, Bush made an appearance on "Oprah", though Ms. Winfrey didn't outright say that she was endorsing his campaign.

Seven years later, Ms. Winfrey makes her first ever endorsement of a presidential candidate, Barack Obama.

Ms. Winfrey is legally limited by how much money she could actually give to support the "Obama for president" campaign. But, as Ms. Winfrey put it, her greatest value to Mr. Obama is in her backing.

In an interview on Larry King Live, she said, "My support of him

Video game sex scenes spark outrage

The National Institute on the Media and the Family (NIMF), issued a "nationwide parental alert" after finding out about hidden sex scenes in the popular video game "Grand Theft Auto: San Andreas".

The sex scenes come in the form of a "mini-game" in which the player controls the actions of a Black man as he interacts with women of different races. The sex scenes portray oral sex and coitus.

The hidden game in GTA: San Andreas was not advertised or easy to find but could be unlocked by modifying the game using a program which was widely available on the Internet.

There is computer game on the market called "Panty Raider"

where "...to win the game, boys must strip supermodels down to their underwear, then provide photographs of them to aliens who 'wore out' their one lingerie catalog - or else the aliens' 'hormone driven anger' will destroy the earth."

The object of another video game, called "Leisure Suit Larry", is to

get Larry "laid". In general, the games follow Larry's escapades as he attempts to convince young women to have sex with him.

The game-makers try to justify the filth contained in them by referring to them as "adult" video games, even though the games can be purchased by 17-year-olds.

The keys to 1994-2004 GM cars can open other GM cars

That General Motors-built vehicle you drive may not be as secure as you think. Industry experts say you can take a key to a 1994-2004 GM vehicle and open nearly any other GM vehicle.

With millions of them on the road, it was easy to put the "mystery of the key" to the test. Armed with two General Motors keys news reporters hit the street to see if they really could open any other such vehicle. They were able to open several other cars. Not every car opened, but enough did to convince them that the threat was real. They talked with a locksmith who said that the biggest risk is valuables stored in the car. Even

though the key may open the door, it doesn't mean the key will work in the ignition, which has more tumblers in the lock.

We even found that sets of GM keys are available on the Internet from sites that boast that the keys will open the majority of GM cars.

Sets of keys are available for Fords as well. The bottom line is to avoid leaving valuables in the car and to make sure you have some kind of an alarm system that would prevent any thief from getting away with a break-in, according to the locksmiths.

US dollars will no longer accepted at Indian tourist sites

NEW DELHI-- U.S. dollars will no longer buy entry to the Taj Mahal.

On January 3, 2008, India's tourism minister announced that the rapidly declining American dollar will no longer be accepted at the country's heritage tourist sites, which include the famed Taj Mahal.

The dollar is at a nine-year low against India's rupee. For years, a dollar would buy 50 rupees, and Taj Mahal admission was about \$5. Now it's approaching \$20.

The tourism official says that the declining value of the dollar was a consideration in charging only rupees, but the new system is also more practical.

'Lock Bumping' a serious threat to Homes and Businesses

Lock bumping is real and also very simple and, as of January 2008, very well known because of the Internet.

Stories began circulating about lock bumping and because it was not widely known and represented a real threat, folks forwarded the stories to friends and family as a warning to be aware of.

Unfortunately, what also started circulating was detailed instructions about how to do lock bumping, which represents a threat in itself.

Lock bumping is a simple technique of opening what are called pin tumbler locks, which are the most common locks in use for residential and business doors.

Bumping involves customizing the type of key that fits into the particular kind of lock then tapping or hitting the key in just the right way and at just the right moment to cause the lock to open, hence the term "bumping."

Bumping has become so popular that there are web sites that are openly selling bump keys for a variety of locks including a

"bundle" of all of the keys for a special price.

A manufacturing company is selling a special bumping tool that is used to tap the bump key in a lock.

The experts say that there are locks that are not vulnerable to lock bumping. Those include magnetic or electronic locks and locks using rotating disks. They are more expensive but worth it if you want to feel secure. Talk with your locksmith about the differences and what locks are recommended.

MESSAGE TO THE BLACKWOMAN IN AMERICA

By Messenger Elijah Muhammad

Reprinted from the September 4, 1970 edition of Muhammad Speaks Newspaper

MY DEAR SISTERS, the Beloved of God and His Messenger Muhammad, and of the Nation of Righteousness:

As I have taught you and have written in the MUHAMMAD SPEAKS NEWS PAPER, you, the Black Woman are the greatest and the most prided woman of the Nation of the earth. But, you are now like wild game in the jungle.

In order to get you to commit evil and indecency, the white man cuts your dress off up to and above your knee, and you follow them with a smile. It did not seem possible before yesterday, that you would stoop to any such filth, and display your nude body and spread out your low desire and characteristics and allow the public to see you in such a half-nude condition. But, you fall back on this answer: "That is the style." You do not have enough sense to reply that this is the style of the enemy of yours, for you are lost to the knowledge of self and you think everything white people do, you should follow them.

THIS IS DUE TO THE LACK OF KNOWLEDGE of yourself and the white race. You pay no attention to the truth of their history, that God in the Person of Master Fard Muhammad, to Whom praises are due forever, has taught me. And, I am teaching you that they had 2,000 years of living as savages and that they did not regard themselves as being nude when they lived in the hills and cavesides of Europe. They went wild and captured and killed animals - taking the coat off animals and putting them on themselves. And, they still

do it. He, the white man, still hunts animals that have fine hides and fur to sell them to the world, and to keep the cold out of their body. NOW, THE WHITE MAN is talking about a more modest style for you - for you went crazy over his half nude style which was disgracing him and his kind before the civilized, decent society of other nations. If you noticed, the most intelligent and decent people, especially among the white race, do not wear mini dresses; it would disgrace their office of intelligence and rule. What would you look like going to the office of intelligent white people today and see them sitting there with long hair or beards or with hair worn down their backs like a woman? This is the way the uncivilized white man went in the days when they lived in caves. It is the style of Black people of uncultured parts of Africa and the islands of the Pacific which was caused by the absence of the right guide, but they too will turn to the civilized way when they have the right guide.

YOU SHOW OFF YOUR IGNORANCE by adopting everything evil and indecent of the white man which he puts forth for you to follow. And, then, after he has caused you to disgrace yourself, he is satisfied and leaves it go and finds something else.

LAST NIGHT, I was listening to a white fashion commentator on the radio, who was advising the woman to pull her dress down at least two inches below the knee. The white people also say that they will not hire indecently dressed women, and long haired, bearded men in their office. But, we the Muslims, have for thirty years been wearing a decent style while you laughed at us. We still have a

decent style and we will never have anything else but a decent style of woman's dress. At present, we have a woman's style of dress that looks like a one piece skirt, but is not. It is divided so that in case a woman may be in an unexpected accident, she will not be exposed.

THE WOMAN WHO IS MODESTLY DRESSED, always looks better to a man. But, if she goes out half nude and shows that she has no care or respectability in public and is indecent in her actions, the first thought that comes to a man's mind is that she is unworthy of his attention and he dismisses that type of woman as something that the public does not desire to honor.

LET US LIFT UP the Light of God in all of our actions and practices of that which is good, and that will draw the world to Him. Go home and take off those above the knee dresses and those dresses that come to the knee. Bring your dress down below the knee. If you desire to have a proper dress, you should not let the length of that dress stop until it is below the knee and actually halfway the calf of the leg, as it is called. Show self-decency. You are no more lost. You are no more what you were yesterday-that you do not have the chance or right to be better than you are. You have all the freedom to do right. As we the Muslims are a small group among you, and we are proving to you that it is not hard for you to do that which is right. If you do so, the world of civilized nations will recognize you for doing so.

THANK YOU for reading this article MORE TO FOLLOW Elijah Muhammad, Messenger of Allah, to you all.

DETROIT, Mich.--In the Name of Allah Who came in The Person of Master Fard Muhammad to Whom all praises is due I forever thank Him for giving to us His Last and Greatest Messenger The Most Honorable Elijah Muhammad (peace be upon him) The Messenger said when they plan Allah plan and He is the best of planners. We're living in the days of Manifestation.

Brothers and sisters The Honorable Elijah Muhammad taught us (his followers) that, in this day and time, what's in our hearts (whether its good or bad) it's going to come out of us.

Allah (God), Who Came in the Person of Master Fard Muhammad, makes us manifest. He Allah (God) open the eyes and minds of the believers so that they can and will see (THOSE WHO WANT TO SEE) that lying crooked deceiver, who always trying to put one over.

They try and hide among the Brotherhood and sisterhood. They are fakers, recognition-seekers, backbiters.

Envy and jealousy has gotten into their hearts. Some are resentful, bitter, and jealous of the success of the few little band of workers. You are scared to death of not being recognized.

Cain was jealous of his brother Able because Allah accepted his

offering and blessed Able. Cain couldn't stand to see the blessing of his brother.

The Messenger, Elijah Muhammad, (peace be upon him) taught us that Cain sought to kill Able his brother. The Messenger said, "when jealousy entered his heart Murder also entered." And he did kill him. Remember Jealousy and envy is the root cause of most evil. It causes us to do and say evil things against our brother and sister. One of the first evil things that they start is lying on you. The Messenger said, "They go around lying with rocks in there pockets..." We have believers we were working with, who left out to start their own "program". One minute we were "working together" as brothers, and the next thing you know they were lying and backbiting and claiming we didn't treat them right.

You see brothers and sisters, Allah blesses whom He pleases when He pleases. So don't become jealous. Your blessing will come. Allah will bless you, if He pleases. And you will have a better chance if your heart is right. Your turn will come. Just Keep Allah and His Messenger Elijah Muhammad (peace be upon him) out front. Stop trying to play BIG MAN - THE BIG I.

Whatever you (Big man/Big I) have, you got it from Allah's Last and Greatest Messenger, The Most Honorable Elijah Muhammad (peace be upon him).

We must be very very careful that our heads don't swell. Allah (God) will try us Just to see how we will act. Stop thinking that you're so wise. Remember Allah who came in the person of Master Fard Muhammad to whom all praises is due forever IS ALL WISE! HE KNOWS HEARS AND SEES EVERYTHING.

Messenger Elijah Muhammad had people come among him and then leave to start their own program for the entire time he was teaching. His own blood brother (Kalatt Muhammad) did it, Malcom X did it, Clarence 13X, did it. To name a few.

And the same thing is going on today.

We have had brothers and sisters to come among us like they are really believers, they work a little while then all of a sudden they become dissatisfied over little or nothing. They are, as the Holy Qur'an teaches: "Standing on the verge". They wait for whatever little excuse they can make to try to justify their leaving from among the brother and sisters who are working. One brother told me he "wanted recognition". I told the brother, "You should try and seek your recognition FROM ALLAH (God) Who came in the person of Master Fard Muhammad the true and Living (God)."

If Allah is pleased with us, that should be all the recognition we need. If Allah is pleased, what difference does it make who is not.

We are not here to give you praise. ALL PRAISE IS DUE TO ALLAH, WHO CAME IN THE PERSON OF MASTER FARD MUHAMMAD. And we are not

hear to try to "reconvert" Muslims. The Messenger, himself, said that he don't follow no one down that leaves asking him to come back. He said, "I have too many out in front of me who never heard..."

I feel the same way. We are after the mentally dead (those who never heard the Messenger's Teachings) and those who only heard half of it because some "misleader" mixed up the Messenger's Teachings with his own.

That is our purpose in printing Muhammad Speaks Newspaper, The Muhammad Speaks Website and trying to keep the doors open at our meeting place every Sunday. And it's a hard fight!

Our job, as believers in and followers of Messenger Elijah Muhammad, is to deliver the 17,000,000 (the Lost/Found) to the Lamb of God. Not to ourselves! We are not here to put ourselves over them!

Once we introduce them to the Teachings of Messenger Elijah Muhammad, then our work is done. Then it is up to that person whether or not he chooses to believe it and act on it.

It's just like the Messenger taught: They can "believe it or let it alone."

We, as believers in Messenger Elijah Muhammad's Teachings, do not want to be like those that talk only to hear themselves talk. When they see, they only see themselves. All they do is "talk". The Messenger said, "We don't need you to talk (Lip service) we need you to work."

I thank Almighty (God) Allah, Who came in the Person of Master Fard Muhammad, The True and Living (God) for blessing me to be a follower of His Last and Greatest Messenger Elijah Muhammad (peace be upon him). And I ask Allah to bless me to fight against those who fight against us and to fight a good fight.

WOMAN IN ISLAM

Whose Hand is rocking your Cradle?

The mind/womb connection of the Black woman and its importance in the raising of a Righteous Nation.

By Sister Sophia Muhammad

MASSACHUSETTS—In the name of Allah who came in the Person of Master Fard Muhammad. I bear witness there is no God but Allah and the Most Honorable Elijah Muhammad is His last and greatest Apostle. As-Salaam-Alaikum,

There is a saying, which I'm sure most of us are familiar with, "the hand that rocks the cradle, rules the world." Well, the devil (white man) has not only been rocking the cradles of our children since 1555, he's also been robbing it blind of the brilliant minds coming from the womb of our black women.

He has his slimy grip on the handle of our cradles and refuses to let go. So most of our children born to our precious queens are born to serve, love and fear the devil. How can we get back the control over our own babies' minds and expel this devil out of our homes and away from our children? If he continues to rock the cradle (control the minds) of our babies, he will continue to rule us. What was the key that was given to us to break this vicious cycle? THE BLACK WOMAN

According to the Messenger of Allah, the black woman is the natural producer of nations. She is more precious than a treasured black pearl, found deep within the Oceans waters. She is the original Asiatic black woman; Mother of Civilization and queen of the Planet Earth. She is the most beautiful of the completion of Allah's creation and Allah's most prized possession.

Why is emphasis placed on her? If the Blackman is the head, the one who is in authority over her; then why is it, that she's so cherished and so much work is put into cleaning her up and putting her back in her rightful place? A God knows that he cannot produce a

Nation reflecting his mind and vision if he doesn't have the proper outlet in which to plant that vision and have it cultivated, nurtured and reared up into something he can be proud of. A fool procreates with anybody or anything that moves, while a God is more careful and calculated about his selection because he has a vision and that vision is producing lasting fruit that will submit to Allah Master Fard Muhammad and move forward to build our world, our Nation of Righteousness.

The Black Woman in general is not to be played with. Look at your world today; do you want to turn it around? You can do it through

that which dominates her mind and heart into her children (from the womb and beyond). Or on the other hand if a woman still has her mind, mouth and heart in the devil's world, so will the children she produces and rears.

If you are a serious Muslim, you'll be very careful in your choice of a mate. You will choose one who has submitted to Allah, Master Fard Muhammad and lives life as a Muslim Follower of the Honorable Elijah Muhammad. She will know that the molding of a child's mind begins long before the moment of conception and will properly prepare herself for

her overnight, but you must first understand the science of how to shape and mold her correctly. Master Fard Muhammad has already given you the answer to that (The M.G.T. Class). There is no other.

It is in these classes, the Muslim Girls Training and General Civilization (M.G.T.) Classes, where the girls in training are learning to produce, teach, guide and develop the Righteous leadership of tomorrow. She will put

the monumental task of bringing forth life, not just any life, but life that is in complete and total submission to the will of Allah, God, who came in the Person of Master Fard Muhammad and our Righteous way of living. From her very sacred womb she will produce the minds that will answer our many problems in today's sick society. What do you want for your future? of giving birth to Muslim children begins with the cleaning up of the mother's mind, body, words and actions. What she thinks and feels will be written on the developing mind of her unborn child. Today's science is beginning to explain the direct connection between the thoughts, emotions and experiences of the woman and that, which is developing in her womb. In the scientific world, it is general knowledge that a woman's

Many U.S. children taste alcohol at home

A study, by the University of Pittsburgh found, has found that nearly 40 percent of U.S. children ages 8 to 10 have sipped or tasted alcohol and 6 percent have had a drink of alcohol.

Researchers questioned 452 children — 214 boys, 238 girls — ages 8 or 10, and their families from Allegheny County, Pa.

Seven times as many children at these ages have had experience with alcohol, than previously thought, because older studies didn't ask about "sipping and tasting". This study found that alcohol is most often sipped by children in the family context or during religious services, and almost never with friends or when alone.

Nevertheless, one-third of the mothers and half of the fathers whose children have sipped alcohol say they weren't aware it occurred.

The findings were published in Alcoholism: Clinical & Experimental Research.

URBAN SURVIVAL

How To Prepare For Crisis in the "Hood" with Special Instructions For Blacks, Latinos, Asians & Indians

By

Sister Shahrazad Ali

Reprinted from the book "Urban Survival for the Year 2000"

If the computer systems in America go down, so will we, if we are not prepared. As we all know, we are totally dependent and rely 100% on their systems for getting food, clothing shelter, water, gas, communications, emergency and medical care. The majority of us are totally clueless on how to provide any of the above amenities for ourselves...

We traditionally count on the white people to solve any domestic or international problem that arises so that our contented slave routine is not interrupted. They are like the parents and we are like the children - looking to them to provide for us and protects us. A computer crisis would require us to take a different position and attitude about securing our own survival.

It is already very late for us to start to prepare for this impending catastrophe. It may be too late. But the overriding desire to survive will propel us into a ghetto state of readiness. As a people, we have historically shown that we can live on very little food or money if necessary and adjust our life-style to match our financial status. We managed to survive slavery and racism by a sheer will to thrive and live.

It is this type of endurance and courage which will see us through this massive emergency. We must not let disbelief, fear or laziness overcome us and keep us getting ready for the trauma that's on the way in the very near future.

Where you are when the clock strikes twelve (computers shut down) will be of paramount importance. What you have on hand in the way of preparation and supplies when it reaches your location will determine your chances of safety and survival.

BEFORE IT ARRIVES

--take stock of where you live, study your location and determine if you are in a place which you can barricade, board up, fence up to insulate yourself against the dangers of possible break-ins or fire. It is entirely probable that a few days after this thing hits, when your neighbors or people in the community get hungry, they are going to go door-to-door looking for food or money, or people they know. And your house or apartment building may be attacked or set afire.

Be sure your smoke alarms are working with extra batteries. Find out where your local parks or campgrounds are, check out the location of the zoo, highway rest-stops and community centers. Measure how far you are away from another spot and how long it will take you to get there. Of course many of us will expect the City, State or Federal government to provide us with a place if we are run out of our homes - for any reason. However, it would be wise to do your own investigation and consider where you might go if the government is not around to herd you like cattle into a place of their choice due to certain circumstances. If the phones are not working you cannot call "911" or the Fire Department or a taxi. You will have to go for self and find a place for yourself, or commandeer a place for yourself that is vacant.

The local stores you frequent in your neighborhood will be plucked clean of any and all food of any kind faster than you can say 'what happened?' Every speck of edible content will be gone. After a week or two, food delivery trucks, if there are any, will be hijacked on the highways long before they reach your community corner store or supermarket. The price of gas is already starting to go up and

will become "liquid gold", and hard to get. It will systematically be rationed and even if you have a car, you will probably only be able to drive as far as a tank of gas will take you.

Feds will close down the highways, expressways and turnpikes in order maintain some semblance of order and set boundaries. The main roads will be used strictly for the military. If you plan to escape the city try traveling on country roads. Get a map of your location and study the highway and road systems.

We must have a plan because white people do not want us invading their communities trying to steal their food and water and they are organizing their guns and ammunition just for this purpose.

The time to try to get our own is right now while we still have a short chance of getting supplies on our own. There are people who are arming themselves with guns and rifles to keep you from stealing their survival goods. The people who don't prepare, both Black and white, will be the greatest threat to us all and roving bands of thugs (and ordinary family folks) will be out on the prowl looking for food. People will turn on each other and behave like savages to get what they need. This is to be expected. It is the normal course of human behavior in any societal breakdown such as war, famine, flood, earthquake, or riot when police are not around. The fallout due to then technological breakdown of the computer system which keeps America going falls into this category. This information is not intended to frighten you but rather to inform and help you to prepare.

Place an emergency suitcase near the door filled with basic necessities for your family; such as, clothing, important papers, money, small snacks, and a first-aid kit; so that if you are forced to leave your apartment or home in a hurry you

can grab it on your way out the door to keep from being left with nothing.

Start cutting your overhead wherever possible, reduce your life-style and start stocking up on the goods you need to survive - mainly food and water. Most of us have no idea how to prepare or store food without refrigeration. This book is a wake-up call.

If you live in an apartment, high rise or small house without a basement, you will have to be very creative to make space for storing food. Get rid of all those bulky useless pieces of furniture and extra sets of dishes and fancy glasses and anything else that will give you more shelf storage space inside your home. You need your closets, shelves, drawers and under-bed space to store food and water.

Grocery stores only replenish their stock about two or three times

Sister Shahrazad Ali

a week and they sell out fast during any crisis such as an impending snow storm, heavy rains, or extremely cold weather. It is customary in the "hood" for us to go to the store several times a day, while the national standard is three times per week. You may have already experienced the frustration of trying to shop for food the day of a predicted heavy snow storm. The store shelves are emptied in a few short hours and the first things they sell out of is milk, bread and water. Avoid the rush and crowd of panic shoppers trying to buy food at the last minute during a computer problem. In other words don't wait until 270 million other Americans stamped the super markets searching for food and other necessities. *More to come in the Next Issue.*

No matter what you eat or drink, you and your family will still have to use the toilet. Once the water system is no longer functional, you will need a new way to get rid of urine and bowel movement.

First you drain all the water out of the tank on the back of your toilet, the bowl will have a little water left in it. Clean it out with bleach and put an empty (strong) plastic bag inside the bowl. Fold the edges over the outside of the bowl (tape them down with duct tape if possible), and allow you family to use the toilet several times before you lift the bag out, tie it off and find someplace to bury it underground. This system will also work with a study bucket that you can also line with a strong

plastic bag. If you use the bucket system, use two (2) buckets (pots) - one for urine and one for feces. A plastic 5 gallon bucket is a good choice. You can buy a toilet seat and a lid to put on top of it. Have at least two (2) small shovels for this purpose. Nothing can create flies, maggots, rats or roaches faster than the improper disposal of human waste.

Pre-select a spot near your house where there is a dirt lot or park. Bury your waste as deep as you can. You can dig an ample deep hole and put a couple of boards across it so that you can use it a few times before covering it back up with dirt. Cover it well. Stock several pair of heavy plastic gloves and disposable face masks.

Toliet Paper is a Must!

Grow food wherever you live and DO FOR SELF!

MOMENCE, Illinois--In the Name of Allah, Who came in the Person of Master Fard Muhammad, We thank Allah for His Last and Greatest Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum

We must all start or continue finding ways to provide more food for our households. In these times of foreclosure mania and very high unemployment rates, we all need to keep our money in our pocket.

All of us are trying to find ways to save money and preserve health. One of the best ways is to grow a garden wherever you live.

Many followers of Messenger Elijah Muhammad grow ample amounts of produce in their home gardens every year.

If your housing lacks garden space to put plants in the ground, there are other ways to provide some food for yourself.

In a condo, townhouse or apartment you can have container gardens using window boxes or a 5-gallon bucket or planters on a balcony.

In these containers you can grow at least a few plants such as a pepper, tomato and eggplant plants and herbs. You can also grow zucchini or yellow squash on a trellis placed inside the container. For an inexpensive container, use the "muck" buckets (they come in various colors and have ropes on the sides.)

Be sure to drill holes in the bottom for drainage. For fruit, you can grow strawberries or black berries in a planter. Dwarf fruit trees can also be grown indoors.

If you have been blessed with a backyard, you may be willing to sacrifice some grass for extra garden space and provide more space for edibles such as a berry patch or a fruit tree or two.

Also think of perennial plants such as asparagus, which will grow for at least 8-15 years without replanting. Look for plants that are non-hybrid so you can save seed (save money) to plant your own seeding the following year.

Look for open-pollinated or heirloom seed for seed saving. Be careful brothers and sisters because some seeds have been treated with fungicides and other chemicals by the devil. Do your best to avoid

these.

Plant flowers like marigolds and nasturtiums in and around and between plants like cabbage, tomatoes, and squash to keep away the pests and to attract bees, wasps and butterflies for pollination.

Lately, brothers and sisters, the bees are leaving but we should plant flowers to get them to stay.

A lot of believers are already growing large amounts of produce to enjoy at their dinner tables and also to preserve by canning, freezing and dehydrating for future "harder times". We must start to be proactive before we are made to react. As the Messenger taught us to DO FOR SELF so we should.

What are you doing to push the program?

cause their heart is not in the right place. They may think of the hard workers as a threat, or as a constant reminder of their own shortcomings and laziness. We shouldn't let petty jealousy prevent us from uniting to do something for self if we are truly Muslim.

What are you doing to push the program? It can be hard to find a spare minute amid our hectic schedules, however, we must make time. We should all strive to do at least one thing daily for the cause of Islam, considering that we seek Allah's blessings and protection every second of the day. What good is our mere belief if we never carry it into practice?

There is so much that can be done. The black community is in shambles. Visit shut-ins. Reach out to the youth. Sell the Muhammad Speaks paper. Teach a sister how to prepare wholesome meals for her family. Speak a kind word to someone. Give in charity. Most importantly, BE A LIVING EXAMPLE of what you preach!

Finally, if you aren't willing to get active please don't attempt to impede others. It can be very discouraging when the biggest critics and fault finders are other believers. Be a source of encouragement for those who are at least attempting to do work. Make sure that stubbornness and delusions of grandeur don't place you on the wrong side of the struggle. As-salaam alaikum

In the name of Allah who came in the person of Master Fard Muhammad, and his chosen Messenger, the Hon. Elijah Muhammad... As-salaam alaikum.

All Muslims should desire to see the upliftment of the Nation of Islam. We should be constantly striving to personally push the program in some way. We can't say truthfully that we love this way of life when we do nothing to promote it. Progress doesn't happen by itself. It takes commitment and hard work.

Oft times people who do nothing to strengthen the Nation also try to prevent others from being productive. Some do this because of foolishness and lack of understanding, while others do so be-

CHICAGO, Illinois--In The Name of Allah, The Beneficent, The Merciful, Who came in The Person of Master Fard Muhammad and raised from among us, our Leader, our Teacher and our Guide, The Most Honorable Elijah Muhammad! (May the peace and blessings of Allah be upon Him forever!)

As Salaam Alaikum (Peace be unto you)

One evening in the spring of the early 1960's, the steady rain had been busy all day. This heavy rain on a week day brought out the selfishness in many of us.

We knew that the rain would keep many of the people away from our Mosque, which at the time was located at 5335 South Greenwood Avenue in Chicago, Illinois.

If the Messenger was teaching that evening and if the attendance was light, He would be more relaxed and teach longer, giving us more time to discuss varied subjects with Him.

With fewer visitors, after the closing prayer, on rare occasions, The Messenger would come and sit with us. We would have additional time to ask a multitude of questions.

The Messenger had admonished us in the past about this selfish behavior and told us to work even harder when it rained or snowed, to bring our people to the Mosque. "After all," He would say, "What are you here for? I'm not an entertainer! You are not here to be entertained!" We obeyed The Messenger...but...we enjoyed the few moments when the F.O.I (Fruit Of Islam) just about had The Messenger to ourselves!

A group of F.O.I had gathered near the platform of the Mosque to be among the ones getting the 'good seats' right down in front of The Messenger! We had a lot to ask Him about ...

But first, let us go back from the early 1960's a little further into history ...

In the 1930's and 1940's, movies (films) were a big deal for us in the 'Negro' neighborhoods of Chicago, Illinois! As children we had been greatly influenced all of our lives by 'movies.'

On weekdays after school, we listened to the radio after our school homework was done. On the weekends...we went to the neighborhood movie theatre. All the neighborhoods had movie theatres, some had as many as four or five in the same area!

Going to the 'show' every weekend to see a 'movie,' was a treat turned to habit for us.

All the important people portrayed in the movies were white. Rarely did you see a Black Person in films and when you did, it was in either a subservient, buffoonish manner or dancing, singing or shaking! We were so ashamed that when a Black Actor or Actress came on the screen, there would be groans and nervous laughter by Black youth and some adults throughout the theatre. In the darkness we squirmed in our seats, wishing the caricatures of humans would hurry and disappear from the screen.

There was such a thing called "Race Films." On rare occasions, these films which had mostly all Black casts and were purportedly financed by Black People, would be shown in our

community.

The Black producers such as Mr. Ralph Cooper of Million Dollar Pictures, Mr. Spencer Williams and Mr. Oscar Micheaux of Micheaux Film and Book Company, produced similar films as the white companies, with the exception of usually all Black casts! The theaters were always packed for these movies and we felt better about seeing our own kind on the screen in positions of authority.

As we became older, we found out later from The Messenger, that most of the 'Race films' were in fact sponsored and many times distributed by whites!

This news of whites financing 'Race Films' did not set well with the Negroes, who, like many Muslims, spent a lot of time trying to prove The Honorable Elijah Muhammad (peace be upon him) wrong!

Although The Messenger encouraged us to examine and reflect on anything and everything any preacher, minister, politician or whomever gave us as information, it was a certainty that The Messenger was researched and held to suspicion more than anyone ... Black ... or ... white!

This type of scrutiny He would comment on when some of the Believers would question Him, by saying in a pleasant but amusing manner, "Do you question the white people who give you information like you question me? I hope so! If you do, your condition will certainly improve!" We would laugh... but...we knew he was telling the truth while giving us a valuable lesson ... we were ashamed of our constant doubting.

"According to the past histories of Prophets and Reformers, the very people to whom they were sent with the light of truth were their rejecters and even their enemies!

When the time comes for a change in the life of a people, there are those who will not appreciate a change. They are SUSPICIOUS and DOUBT that, which is other than what they have been believ-

ing all their lives!"

The Messenger Of Allah directs us to chapters and verses in The Holy Qur'an and The Bible that relate to SPORT ... PLAY ... AND ... VANITY ... which includes ENTERTAINMENT, the collection and hoarding of TRINKETS (MONEY AND MATERIAL THINGS ... MAMMON in the Bible) ...

This direction helps us to understand the narrow path of salvation we have chosen on becoming followers of The Most Honorable Elijah Muhammad (peace be upon him) and keeps us away from the easy broad path of destruction! See Muhammad Speaks April 11, 1969 and on the Muhammad Speaks Website, www.muhammadspeaks.com Click on ... ON MUHAMMAD ALI ... then after finishing ... Click on ... MORE FROM THE MESSENGER ON MUHAMMAD ALI (at the bottom of the page)

As members of the N.O.I., (Nation Of Islam) we were not supposed to go to the 'movies' but some did.

A new film had just been previewed around 1963 that featured a Black Man and Black Woman in 'starring' roles and was being heralded as a MUST film for Negroes to see when released the following year.

The Messenger was CRITICAL of ALL movies!

With an abundance of publicity going around about the first movie we (the Black People) could be proud of, many Muslims (mainly Brothers) went to see this film preview. I include myself. We hoped that our attendance would not be noticed by Muslim Inspectors.

The film was titled, Nothing But A Man. The main character (Duff) was portrayed by the actor, Ivan Dixon. The main female character (Josie) was played by the singer/entertainer/actress, Abbey Lincoln. Talk on the street was, that (Duff) "Stood up to the white man!" and Duff's girl friend, (Josie) "Stood by Duff!"

"And the life of this world is but A SPORT AND A PLAY. And the home of the Hereafter, that surely is the Life, did they but know!"

Holy Qur'an 29:64 M.A. Muhammad Ali translation

After years of viewing eye bucking... foot shuffling ... scared... head-scratching and bowing Negroes, who were always caring for and defending whites instead of themselves, Blacks could hardly wait to see Nothing But A Man!

Meanwhile ... Back at the Mosque! Minister James (James Shabazz) concluded the closing prayer after The Messenger invited the sparse visiting public to join The Nation Of Islam, saying as He usually did, "Raise your hand if you agree with what has been said here tonight!" Although small in number, most of the visitors raised their hands. The Messenger continued. "Now ... Those who have their hand up, please stand!" ... I was always amazed how quiet people were when in the presence of The Messenger and while standing up. You could see the people rising from the benches but you could barely hear any rustling of coats or such. They seemed to act in concert, taking pains to be as quiet and respectful as possible.

Anytime The Messenger would teach, we always had more people to join. "How many of you have been here before?" Said The Messenger. Only a few standing, acknowledged past visits. This showed us that again, The Messenger was correct about the F.O.I working harder in the rain and snow! Had we 'fished' with more dedication, (brought in more visitors) there would be more this night to join The Nation!

"Come on down and shake my hand," said The Messenger! ... "Join on to your own kind!" After the shaking of The Messenger's hand, some visitors, anxious to join and excited at meeting The Messenger, had to be asked to let go of the Messenger's hand, so others could proceed.

The Messenger Of Allah would say, "Now, go on down to the Secretary in the rear there and sign your card, he'll give you all the information!"

HOW TO EAT TO LIVE

www.muhammadspeaks.com

Eat To Live Not to Die!

By Messenger Elijah Muhammad

Reprinted from Chapter 37 of *How To Eat To Live, Book 2*

Of all the thousands and tens of thousands of instruction items on health issued by doctors and scientists regarding the type of food that we should eat, none of them is equal to the way that Allah — in the Person of Master Fard Muhammad, to Whom Praise is due forever — has taught us.

Eating one meal a day, one meal every other day or one meal every three days is a better way to obtain good health and long life than all of the tens of thousands of pamphlets and books

authored by doctors, quack doctors and would-be doctors. The divine points out the best way that will produce good health.

We should not stuff our stomachs with food just because we have the food to put in our stomachs three times a day.

Some people are foolish enough to think eating three or four times a day is really the way to obtain good health — but take a second thought of what you are doing. You keep your stomach working all the time trying to digest the surplus

food for which your stomach has not even asked.

He, Master Fard Muhammad (God in Person), taught me never to eat when I am not hungry. He taught me to wait until I am fully hungry — then to eat until I am full and not to eat again until I am really hungry. This is common sense.

This pig eats all the time; the chicken eats all the time — as long as you give them food to eat — and their span of life is significantly short.

Their dog is greedy, but the hog is greedier. The dog will stop eating when it has eaten enough. If

you continue to feed it, it will try to store the food until such time it is hungry.

Often, you hear people say, “Come on and eat” and one will say, “I am not hungry.” The reply is: “Eat before you get hungry.” This is most unwise. It is inviting sickness and death.

The mucous-forming foods eaten by the people should be replaced with such less mucous-forming foods as plenty of vegetables and fruits.

Whole wheat bread should be eaten instead of white bread, which is mucous-forming.

Let us try not to eat so much meat — especially animal flesh. No meat is good for good health and longevity. We must stop eating meat gradually, because actually, meat is not by nature a food for human consumptions.

Eating one meal once a day or once every two days, with no meals between, gives the body time to rest the digestive machin-

The Honorable
Elijah Muhammad
LAST MESSENGER OF ALLAH

ery after the previous meal — and this gives the blood time to purify itself of the poison from the last meal.

After three days without taking food into the body, the blood is found to be in much better condition.

Let us see if we can gradually stop eating animal flesh and chickens or fowls of any kind.

Eat to live and not to die.

What's that Sticky Stuff on Pig Feet?

Unlike other mammals, a pig does not sweat or perspire. Perspiration is a means by which toxins are removed from the body. Since a pig does not sweat, the toxins remain within its body and in the meat.

Pigs and swine are so poisonous that you can hardly kill them with strychnine or other poisons.

Farmers will often pen up pigs within a rattlesnake nest because the pigs will eat the snakes, and if bitten they will not be harmed by the venom.

The pig is so poisonous and filthy, that nature had to prepare him a sewer line or canal running down each leg with an outlet in the bottom of the foot.

Out of this hole oozes pus and filth his body cannot pass into its system fast enough.

The sticky stuff the you lick off each finger after “chow’n down on some “good ole pig feet” is PUS!

Sixty-second test can help save the life of a stroke victim

The America Stroke Association says that a 60-second test can help determine whether someone may be experiencing a stroke. The three question test has been used by health care professionals as an initial way of determining whether someone may be experiencing a stroke.

A research project by North Carolina-Chapel Hill School of Medicine in Chapel Hill, N.C. looked into the question of whether non-medical professionals could administer the short test and correctly identify the symptoms of a possible stroke. The conclusion was yes, that bystanders could be helpful in determining whether a person is experiencing a stroke.

One of the reasons they looked into it was to see whether bystanders could be helpful to a 9-1-1 dispatcher in helping narrow down what is happening to a potential patient.

The three questions given to the suspected stroke sufferers were:

Can you raise your arms and keep them up? Can you smile? Can you repeat a simple sentence?

The study found that when non-medical volunteers were asked by a telephone dispatcher to administer the test, they correctly identified the symptoms 96 percent of the time...especially the raising of the arms and the speaking of a simple sentence. They were less effective in evaluating whether there was facial weakness in a smile, probably because of not knowing what the person's normal smile looked like. Doctors caution that this does not mean that citizens should try to diagnose stroke symptoms themselves.

Any sign of weakness in the face, slurred speech, or weakness or numbness in the limbs should be evaluated by medical professionals immediately.

If stroke victims are given proper help within 3 hours of the stroke, the ability to recover is greatly increased.

Evil Impact on Millions of Our Young People

and Sisters ALWAYS had a new found pep in their step after joining. 'Processing' was the first step in becoming a Muslim in The Nation Of Islam. It was beautiful to witness this beginning journey from death ... to life!

To some of the F.O.I. ... (Fruit Of Islam) feelings of joy and discomfort combined as we watched the visitors stream down the aisle to shake The Messenger's hand and ... "Join on to your own kind!" We knew we should have worked harder! The last visitor left!

We could hardly wait to see if the Messenger had heard of this film. We could hardly wait to tell The Messenger that there was a positive movie coming that we could see! We wanted to hear what He had to say about this film!

Many of the F.O.I. who had not already brought their note books or something to take notes on, rushed out to their cars to get whatever they needed to copy word for word what The Messenger would discuss at this impromptu 'hold-back' meeting.

It was commonplace to see Brothers, Sisters and visitors taking notes as The Messenger spoke. As usual, there were some that did not have a pen or paper and had to get materials from more prepared Muslims. The Sisters seemed to always have paper and pens!

Minister James and Supreme Captain Raymond Sharrieff told us to report downstairs and The Messenger would be there after a short meeting with the Laborers. After all posts were secured, we found seats and waited for The Messenger Of Allah, The Most Honorable Elijah Muhammad! (May the Peace and Blessings Of Allah be Upon Him forever!)

As usual.....it took The Messenger of Allah to straighten us out!

The Messenger of Allah quickly strode into the small room, followed by Minister James, Supreme Captain Raymond Sharrieff and Brother John 21X (Garrison) ... (John 21) ... one of The Messenger's long time personal and effective security attendants. Brother John was given the Holy Name of Shakir.

Brothers and Sisters took their posts! ...The Messenger began prayer.

"In The Holy Name Of Allah, The Beneficent, The Merciful. Who came to us in The Person of Master Fard Muhammad, Lord of all the Worlds....."

The Messenger continued His prayer. Immediately after, He stated to us that we should always begin service or any meeting with prayer, even BEFORE WE GIVE The Greetings of As Salaam Alaikum! Sometimes, we were told, it is fitting to say or write foundations of your text before the prayer, or give The Greetings before the prayer. This is for preparation, clarification and ease for some visitors or readers who may not know as much as you. It is laying the course of what is to follow. However, for the most part He said, "Open with prayer first."

"Now!" ... Said The Messenger, standing at the lectern, peering down at what appeared to be some notes jotted on a few scraps of paper, stuck between pages of His Holy Qur'an. "I have learned that some of you are going to the movies! ... Some of you feel that if you avoid the Inspectors, you have accomplished something! ... Let me tell you! ... You have done nothing ... but hurt yourself ... when you disobey rules, no matter how big or little you feel the rule is! ... Allah knows what you do!" ...

"Some of you Brothers, are wearing your hair beyond the required length! ... This laxness is a good way, Brothers and Sisters, to find yourselves down here on the bench!"

"Allah has laid out rules for YOUR benefit. These rules and new ways of life are to keep you fit, aware and away from degeneracy and filth in this time of judgment!"

As always, The Messenger knew what was on our minds!

"I'm going to let you in on what Allah told me to my face about the movies."

"Some of you, are hearing this directly from me for the first time, but my Brother Ministers, have been teaching it to you for years now.

I wonder why you still don't understand? I will give it to you again and again ... until Allah orders me to stop wasting my time

on you and get followers who will follow and obey His rules, as He has given them to me to give to you!

Here are Allah's words to me about the moving pictures. At the time He told me, most of the pictures did not have sound. Some of the ritzy movie theaters had the sound on some films, but most of the places still had what they called, 'silent movies.'

"Here is what Allah said to me!" He told me that movies are a series of pictures that are shown in fast motion, one at a time. This makes photographs of a person look like they are moving, as their form must be changed for each picture."

"This showing is motion ... hence, the word motion in pictures ... MOTION PICTURES, also called SILENT PICTURES! The movie industry did not know how to produce sound for movies at first. They used to hire a pipe organ player when they showed the movie, in order to have background music, to excite the audience! The bigger the pipe organ, the more expensive the cost to get in."

The Messenger paused "While working up in Michigan, I attended a few of them when I didn't know better... before I met Allah. Words were shown at the bottom of the picture to let you know what the people in the movie were saying. When the pictures

were able to talk, the devil called them TALKIES."

"Allah said to me that the moving pictures grew in degeneracy, as the devil Caucasian People learned to develop them. When the devil wanted to use profanity ... curse words ... in the silent movie, they would put marks like ... X's and O's to substitute for the curse words, and place them around the words printed on the bottom of the movie screen. That means cursing!

As soon as the pictures could talk, they found a way to start small time with small curse words and grew into what you hear today."

"It's going to be WORSE as time goes on said Allah to me! This mischief will have an EVIL IMPACT ... ON MILLIONS ... of so-called NEGRO YOUNG PEOPLE! Allah even said that the devil had MORE EVIL CONTRACTIONS on the horizon, than the movies or television coming out in the future, all with more filth and degeneracy than previous machines!"

"One of the most IMPORTANT POINTS about the movies ... Allah said to me ... is this, ... and I want The Believers to ALWAYS REMEMBER THIS! WHEN EVER you see ANY movie, MADE BY THE DEVIL OR HIS IMPS (Helpers of the devil) ... KNOW ... THAT THERE IS NO MOVIE PICTURE FILM, COMING OUT OF THE MOTION

PICTURE INDUSTRY ... THAT IS GOOD FOR US! ONLY TO FOOL AND DEGRADE US, ... IF WE BUT KNEW!"

The Messenger warmed to His teachings quickly! He was consumed in this subject! His eyes were like fire! His hands gripped the sides of the lectern! His body began to rock slowly back and forth with the rhythm of His voice!! His words were like hot liquid iron, poured across our minds and our hearts, ... into our very souls!.....

We could see this was going to be a long, special night's teaching! We were glad! ... We were on the edge of our seats! ... Some, could not take notes at the same time while appreciating and absorbing what The Messenger was saying, so they stopped writing and just listened, to get the flavor and understanding of such a powerful teaching!

Everything The Messenger said in lectures, was not captured on tape or recorded in any way. We wished it would have been so!

We wanted all 22 Million so-called Negroes, (at that time, the approximate population of our people in America) to witness what we were seeing and hearing this evening at 5335 South Greenwood Avenue in Chicago, Illinois! The Most Honorable Elijah Muhammad (peace be upon him)

The Blackman

By Messenger Elijah Muhammad

*Reprinted from the September 4, 1970
Edition of Muhammad Speaks Newspaper*

THE BLACK MAN AND HIS RISE is the most controversial topic of conversation today, in the homes, in groups and in the public. Why is there all of this talk about the Black Man and his idea and work of the time?

IT IS time that the Black Man rise and return to his own.

THE RISE OF THE BLACK MAN will be successful if he will take the right way for this rise.

THE education received from this world of the white man will avail the Black Man nothing, if he does not accept Black education, because the education, --learning that the Black Man received in the institutions of learning founded, built and practiced by the white man will be helpful only in one way---that is in such as reading, writing and using the grammatical language of the white man successfully to do something for self.

THERE is no people who can get very far in the way of self-progress and success until they learn how to compete with others who have already been successful in what they would like to be successful in - that is in an independent government for self. Therefore **educational training of the white man is necessary.**

Understand that I am not saying that you would not and do not need the education of the white man. You need the educational knowledge of all of the nations. This knowledge is important to our progress and success for self.

THERE is no such thing as beautiful friendship for your rise from those who have held you in the position of free slavery.

But now, **THE RISE OF THE BLACK MAN** here and in Asia and Africa is not actually due to your great wisdom.

Our rise is due to the wisdom and the spirit of your God and my God, Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever.

He is bringing about your and my rise into the knowledge of self and

the knowledge of doing for self.

THE BLACK MAN throughout the world is happy to see his day come that he can go for self.

For, everyone of us, regardless to whether we are here or there - all of us have been under the rule and oppression of the white race. This oppression has caused us to be unable to move in the direction of self. And do not think that you will be loved and admired by your rise into the knowledge and doing for self.

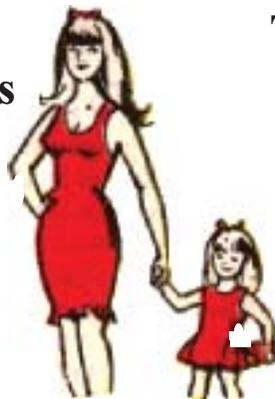

You will be envied. **TODAY**, you are accomplishing in a few days that which it would have taken you probably twenty - five (25) to thirty (30) years to do before the Coming of Allah.

The fact about it, we did not accomplish in a century that which we are accomplishing in a few days.

WE were called 'free' for a hundred years but we were not able to be successful until today while still in the category of a free slave.

THE BLACK MAN in North America has the most beautiful fu-

Holy Quran (7:27) O children of Adam, let not the arch deceive you, he expelled your parents from the garden, **pulling off from them that he might show them their shame.** He surely sees you, he as from whence you see them not. Surely We have made the devils those who believe not.

This happened to the Black People who followed Yakub from Africa off, from their Original Self, the clothes of Righteousness and truth cover their shame; and then made them to go nude in the hills and Europe, until the birth of Moses.

You are warned. You believe you are safe in following the invitation of the filth of the white race. Wait and see.

ture of any Black People on the earth.

WHY? It is because Allah (God) Chose the Black People in America for His Special People, to make them as guides for the Black Man all over the earth.

THE Supreme Being Has Appeared and no Black people should feel weak and be superstitious of His God and His Power to Strengthen the most weak Black man or so-called Negro, who is bound and whose freedom is limited by the white man.

They can go anywhere they want to, but, if they do not have the knowledge of self they know no other thing to do but to turn around and come back to the slave-master.

There are things we must know, and it is the right of all Black People in America.

THE BLACK PEOPLE in America are the greatest. They are the most prided people of God. The scriptures support what I have said.

Remember the parable of Jesus, that we, the Lost -Found Black People, were found by God Himself. And that the God Who finds us Loves us so well that He Compares it as a shepherd who had one hundred (100) sheep and just one went astray. He went into the wilderness and searched for that sheep. He recaptured the sheep and brought him back. There is a wonderful lesson here!

YOU must remember that your rise is eyed by the civilized man all over the world. You cannot make any out-show of this rise yourself; one that would get you the honor and the respect of the civilized people of the earth, until you join in the God Who Has Power to rise you in doing so. Then follow the Guide From Him.

YOU must follow God 's Guide, to Guide you.

You are made so weak that you mock righteousness. You do not want the unrighteous to know that you will accept righteousness. Instead, you join them in the mockery of your own righteous self.

RIGHTEOUSNESS belongs to the Black Man, by nature. The Black Man's unrighteousness is caused by the guidance of an unrighteous guide.

EVERYONE begins to be successful after accepting the truth of himself, His God and the true Religion of the God of Righteousness. We can do nothing unless it comes from Almighty God.

We cannot make war against our enemies unless furnished the material or artillery to fight with. But **we do not need carnal artillery.** Therefore, Allah (God) is to be Relied upon for our defense against our enemies.

 mother/mind/womb connection. So what kind of programming is the child receiving when he/she is exposed to degenerate behavior even before its birth during those crucial times of brain formation? Imagine the effect on the child in the womb when a woman is raised listening to her sisters being referred to as B's and H's in these disgusting videos. What happens to the growing child when the mother is raised on processed, demineralized, toxin filled food that has absolutely no nutritional value? What if she is working in corporate America learning and seeing the devil's filth close up and even sometimes participating in it? Maybe she is constantly watching "harmless" movies which depict our own black men and women as savages, gangsters, prostitutes, thieves, and degenerates of society, loose men and women who's only aim is to get rich or die trying. If we do not protect the minds of our

women, she will produce babies who may look beautiful on the outside, but they will be of no use to a Righteous world. They are a product of this devils (white man) world and society and thus can only be of use to him. The Messenger taught us that we will one day let the devil right into our living rooms. Through television we willingly do so every single day. Every moment of exposure to this devil is one that we will never get back when it comes to shaping our own children's minds. Sending your babies to the devil's schools is a great contradiction if you are Followers of the Honorable Elijah Muhammad. Our Messenger and other believers went to jail so that we will be able to educate our own children in our own schools or at home, free from the control and influence of this devil. It was that important to the Messenger to keep our children away from our mortal enemy. Yet today we have believers and even Ministers who send their children off to the

devil's institutions willingly. Did our Messenger and the pioneers of the Nation of Islam go to jail for nothing? No matter how many excuses you come up with, not one of them will negate the fact that your actions are in direct contradiction to that which you say you believe in and a slap in the face to those who went to jail in order to keep our children's minds out of the clutches of our enemy.

In conclusion, I must reiterate, the future of our Righteous World depends on the retraining, of our women and putting her back in her rightful place.

The Messenger, Elijah Muhammad, was given the tools and Instructions to do this so we can bring forth righteous children. (See: Instructions to the Muslim, Fathers and Mothers of Islam in North America. How to care for pregnant mothers and their unborn babies, June 7, 1936)

Messenger Elijah Muhammad has no Substitutes

and even "Allah in person".

These so-called leaders are tricksters, thieves, and liars, but none of them are substitutes for the Honorable Elijah Muhammad.

It's even to the point now where some of these tricksters have works and followers, and they even use the good name of our beloved Messenger.

The Jesus of the Bible said many would come in my name, and Messenger Muhammad echoed these same words, because many have come in his name just to lie to and trick the people.

Some of these so-called leaders were just helpers and followers of the Messenger, but now they claim to be substitutes.

What god have these so-called leaders met with? What god gave these so-called leaders the authority to make their outlandish claims?

The devil (the white man), a.k.a. the god of evil, gave them permission and these so-called leaders have his backing.

Messenger Elijah Muhammad said and wrote many times that "THERE WILL BE NO SUCCESSOR" for himself.

Messenger Muhammad also said, during his Theology of Time lecture, on September 3, 1972, "I'm the last man to attempt pull-

ing you out of the power of the white man, and putting you in the power of divine. I'm the last one. There is no other one coming. The OTHERS that will come, they're coming to destroy you for not listening to what I'm teaching you".

So dear brothers and sisters regardless of what these fake so-called leaders tell you Messenger Muhammad had no substitutes. Almighty God Allah in the person of Master Fard Muhammad raised up one from among us, not two or three or four, just one man, The Honorable Elijah Muhammad.

The Honorable Elijah Muhammad was a servant God, an apostle of God and the last and greatest Messenger of God though the polytheists may be adverse.

This little and humble divine man needed no substitutes, he taught everything we needed to be successful. Read the books brothers and sisters the 5 books he wrote.

Listen to Messenger Muhammad's lectures. He was the most documented man in history.

We don't need substitutes for Messenger Muhammad.

Substitute means to take the place of, and no one could take the place of the Honorable Elijah Muhammad.

Instructions to Muslim Fathers and Mothers in North America How to care for pregnant mothers and their unborn babies,

Given June 7, 1936

By The Honorable Elijah Muhammad, Last Messenger of Allah

Dear Father's and Mother's, of the lost-found Nation of Islam, in the wilderness of North America. Whom our dear Merciful Saviour, have chosen to exalt above all the Nations of the Planet Earth.

In the days of our ignorance, before the coming of our Saviour, we were very savage to ourselves, also to our wives and little children. We did not know how to treat our poor pregnant Mothers and her little unborn babe., Who was to be our future generation.

Yes, we were very foolish people, and rearing up foolish children, wicked, sickly, drunkards, murders, adultery, robbers, gamblers, game-makers, deformed, ugly, and some come with the mark of strange animals, or fowls, cross-eyed, bowlegged, uncircumcised.

All of this could have been avoided if we only had known. Now that we know, and our long awaited deliverer have come, and made Himself known to some few of us. And we whom he have made Himself known, is now made examples. By our accepting or by our rejecting His teachings.

Dear beloved ones, let us be not like the former people Noah, Lot, Moses, David and Jesus. The people rejected these Prophets, and received a terrible punishment for their rejection.

Now we are being greatly blessed in many ways. But one of the Most Greatest of these Blessings is the Increase of Our Nation. Allah; opens the womb of the righteous, that their offspring be many in the land of the Living. As it is written; The children of the desolate woman is more than the marriage woman, and again; Thy children is like olives plants around the Table. P.S. 128:3.

I remember in 1932 on Chene street in Detroit, Michigan, at brother Cecil and Sister Albertus Bey's home. The first Captain and Secretary. And Sister Bey was the first Captain of our M.G.T.& G.C.C. Also Treasurer and Book-keeper.

The Blessed Saviour said to me and Sister Bey and a few others that was present, that within ten (10) years there would be a great improvement in the increase of children among the Muslims. We see His word coming True. There have been around 60 new babies born out to the Mother's and Father's at number one Michigan alone in about six months. PRAISE THE NAME OF OUR SAVIOUR.

If the lost/found will not believe, He (ALLAH) has POWER to rear up to the Muslims a righteous Nation that will obey, as it is written; I will rise up children from these Stone to Abraham. (Lost-found).

Seeing we are greatly Blessed and is fully aware that we are the fulfillment of prophecy from Genesis to Revelation; in plain words we close the old world, and spring anew with the new world of Islam, whom our Saviour (ALLAH), will bring forth at his coming.

The Muslim's Life

The Father should be most loving and pleasing to his Wife while she is impregnating. The Mother's must not be made angry, and must not look at undesirable objects.

She must not look at wild animals, or go around shows, and places of excitements. She must not sit and think evil thoughts. But think Righteousness, eat pure foods, fresh at all times, no animal meat should she eat, if meat must be had eat fresh fish (Live) or small chicken or pigeon (Young Pigeon).

Not no kind of strong drinks, not even one spoonful of Wine; She must be active as long as she can. And must be extremely clean. A committee should be assigned to watch the family to see if they fully obey all instructions.

And the baby should not be fed solid food but once per day after it is weaned from its Mother. Milk every morning. The meal at noon or between noon and evening.

No one should bring sorrow upon the pregnant mother at no time. The Husband should keep her very happy at all times, as her desire is to her husband more at that period than ever.

The father who has a good child bearing wife should avoid all foolishness, and assign himself to Wisdom. The desire of other women should never affect his mind.

Avoid all uncleanness, be perfect in all his actions. And if you and I will strictly follow the above, and keep up prayer, In Remembrance of ALLAH OUR SAVIOUR. Our little children will come into the World Righteous; As it is written; Every one that sees them will call the children of the Blessed. The planting of the ALMIGHTY JEHOVAH ALLAH: OUR SAVIOUR. PRAISE HIS NAME.

May our seed be as the Stars for ever and ever. And long may our Saviour feed them with that food that perish not, and give them good Shepherds who will give themselves no rest until they see the lost found sheep lay down in safety in the fold without fear of the Wolf.

If we strictly obey, ALLAH OUR SAVIOUR, Before you ask he will give us, and while we yet call, He will answer. PRAISE BE TO THE NAME OF OUR GOD, AND SAVIOUR FOREVER AND EVER.

The Plight of the Red Man

Brother John 9x

RHODE ISLAND--In the name of Allah who came in the person of Master Fard Muhammad. We can never thank Allah God enough for raising up from among us the Honorable Elijah Muhammad. The Last and Greatest Messenger of Allah.

As-Salaam-Alaikum, Brothers and Sisters.

We have been taught that the Bible has some truth but it is a book that has been tampered with. Throughout history the Bible has been used to justify our suffering at the hands of this good-for-nothing devil. We need to look at it with a critical eye. Let's look at one example. In the book of Genesis. There is a story about Noah.

According to the Bible, Noah had harvested a vineyard he had planted. He drank from the grapes and became intoxicated. He fell asleep, drunk, in his tent unclothed. Ham who was one of Noah's sons entered the tent.

Upon seeing his father in this state, he laughed and went to tell his brothers. His brothers on hearing the story returned, entered the tent backwards with one hand covering their faces and the other carrying a blanket which they wrapped their father in.

When Noah awoke, he called upon God to curse Ham and all his descendants for all time. The descendants of Ham a went to Africa while the descendants of another brother, Japheth, went to Europe.

This story has been used by the devil (white man) for a long time to justify slavery. They claim that because Black people have been divinely cursed, there is no need

to worry about using them as slaves. They are going to Hell anywayor so they thought. It was used again by the Mormons to justify not allowing Blacks to join their Church. That Church doctrine wasn't changed until 1978. So all you Romney voting Brothers and Sisters better think again!

I thank Allah, God, Who came in the person of Master Fard Muhammad, every day for the Honorable Elijah Muhammad for bringing us the Truth. His teachings are like a balm which can heal the wounds inflicted on us by the white man (devil). After learning these teachings we can stand proud, tall and strong knowing that our Nation, the Nation of Islam has no birth record. It has no beginning and no end. And that we are the original people. The other races came from us. Grafted from us by the scientist, Yacub. Yacub is the father of the white man and the red man.

But the Honorable Elijah Muhammad taught us to look at the Red Man as our Brother. The devil (white man) has not been kind to the Red man. We can learn a lot from studying him and his situation. We see a people whose women have been abused and raped (like ours) and whose people have been massacred (like ours) and isolated on their reservations (this was not done for the Black man in America)..

Do you think the Thanksgiving holiday is really about the harvest? It was originally meant as a day to celebrate the massacre of the Indians that the pilgrims had just done. It is a holiday that has been sanitized over the years.

Being isolated and kept on the reservation has been both bad and good. It has meant alienation, high rates of alcoholism and joblessness. But on the flip side it has also bound them together. They already see themselves as an autonomous nation. They have a unity we Black people can only envy.

When the Federal Government passed a law allowing the Red Man to build and operate casinos suddenly great wealth lay at the Red man's feet, but on the flip side of that was the disease of gambling. So who ultimately, really benefits from these casinos? It's

the people who manage them: the devil himself. He is the one who sees the money as it comes in. He is the one in position to skim off the top. He is the one who can impose different management fees to glean even more scratch. So even though some tribes have gone from being dirt poor to living comfortably the one whose getting fat is the devil. He's there with his greedy self, reaping the reward.

So in the end, what is the plight of the Red Man? The plight of the Red man is the same as it is for Lost found Brothers and Sisters.

Why do 'followers of the book' dispute about Abraham?

By

Brother Lt. Kemani Wadud

Washington D.C.--As-salaam-alaikum, I bear witness that none deserves to be worshipped except Allah who came in the person of Master Fard Muhammad and The Most Honorable Elijah Muhammad is His last and greatest Messenger.

A Muslim is an upright person, a believer in one God (not three). The Jews and the Christians both agree that Abraham was a believer in one God.

The Christians cannot take Abraham as a father of their faith because the Christian's faith or religion is a belief in three Gods: Father, Son and Holy Ghost.

This kind of belief is called Polytheism and this is the true name for all Christians.

Abraham submitted to Allah (God) to serve and obey Him. The Jews nor the Christians never have submitted entirely to Allah (God), Moses, nor Jesus to do righteousness.

Do you say they have when the Jews and the Christians are charged with killing the Prophets of God?

Because he has no knowledge of self. He has no knowledge of God and the devil. He makes decisions which are not in his own best interest. If he wants a casino, he should learn how to run a casino! He should never make a deal with someone who is really his open enemy. Intermarrying (Integration) with the slavemaster's children (white people) has lead some of the tribes to near extinction.

The answer for the Red man is the same as the answer for us. We need to separate ourselves and do

for self! We need to stop waiting for crumbs to drop from the slavemaster's children's table. We need to stop buck-dancing! We need to stop boot-licking!

The solution to our problems is not political. The solution is divine. It comes from Allah, God Himself. We need to follow the teachings of the Honorable Elijah Muhammad to the letter. I've said it before and I'll say it again: Brothers, Sisters we need to stop dancing with the devil once and for all!

It is a manifest proof that the Prophets' religion was Islam: (submission to the Will of Allah (God)).

Surely the Jews and the Christians would not have killed the

Prophets if the Prophets were of their own religions: (Judaism and Christianity).

Abraham is mentioned throughout the Holy Quran as being a Muslim, and you also bear witness that he was a Muslim when you say that he was a be-

O followers of the book, (Bible) why do you dispute about Abraham, when the Torah and the gospel were not revealed till after him, do you not then understand?"

(Holy Quran 3:63,64).

liever in one God, even through you do not have a detailed knowledge of Abraham.

As the Holy Quran 3:65 says: "Behold you are they who disputed about that of which you had knowledge: why then do you dispute about that of which you have no knowledge?" This stands true for the Christians.

They like to dispute with you on that which they do not have knowledge.

The Quran further says: "And the Jews will not be pleased with you

Lt. Kemani Wadud

nor the Christians until you follow their religion. Say: Surely Allah's guidance, that is the true guidance and if you follow their desires after the knowledge that has come to you, you shall have no guardian from Allah, nor any helper."

The Jews and the Christians both take Abraham to be the father of their religion or faith, while Abraham was before both Moses and Jesus.

Moses brought the Torah, Jesus brought the gospel (Injil) gospel.

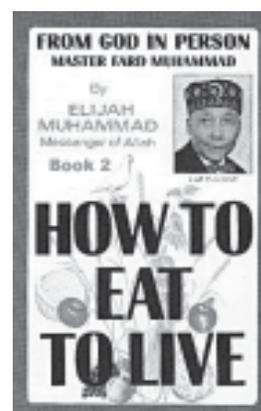

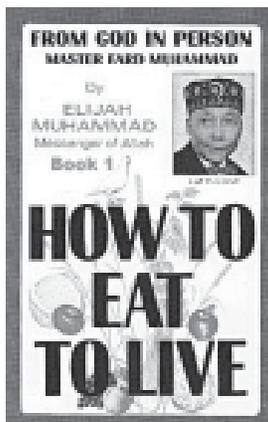

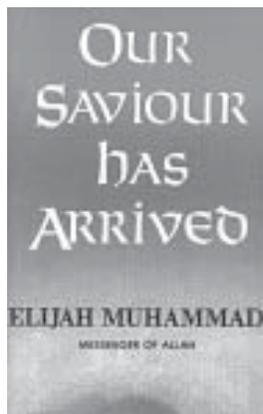

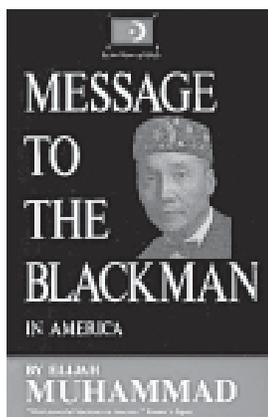

Abraham was a Muslim and not a Jew nor a Christian.

Says the Holy Quran: Abraham was not a Jew nor a Christian but he was an upright man, a Muslim, and he was not one of the polytheists." (Chapter 3:66).

Why and From What do We need to Be Diverted?

had definite views and certainties regarding Black Entertainers!

In the scope of the word, The Messenger taught us that to entertain meant to DIVERT one's attention and to AMUSE pleasantly.

The Messenger asked us to REFLECT on WHO ARE THE ENTERTAINERS AMONG US? ... WHY ARE THEY AMONG US? ... Good Questions!.....Divert ... and ... Amuse..... WHY? ... He asked us to REFLECT ON WHY WE NEED CONSTANT ENTERTAINMENT AND AMUSEMENT?.....WHY DO WE NEED TO BE DIVERTED?

DIVERTED FROM WHAT? ... WHO IS THE BOSS OF THE DIVERTERS?

"WHO ARE THE DIVERTERS?" The Messenger asked, as He quickly answered His question! ... His words, dropping from His mouth like heavy stones! ... "AUTHORS!—ENTERTAINERS!—FILM PRODUCERS!—JUDGES!—LAWYERS!—MODELS! So-called models of WHAT?—MOVIE STARS! So-called STARS of WHAT?"—

His hands struck the podium as each word came out of His mouth

as a CURSE ... an indictment of so many trinket oriented, greedy, vain, degenerate little people, all working against their own kind and striving to reach their DOOM! —"POLITICIANS!—PREACHERS!—PROFESSIONAL ATHLETES!—PUBLISHERS!—RADIO PERSONALITIES!—TEACHERS!—TELEVISION PERSONALITIES!—WRITERS!—AND ALL, ... WHO ARE CONTROLLED BY THE SLAVE MASTERS CHILDREN AND WHOSE JOB IT IS, ... KNOWINGLY OR UNKNOWNLY, ... TO MIS-LEAD THE POOR BLACK PEOPLE! KEEPING THEM IN THIS DREADFUL CONDITION!"

..... "MIS-LEADING THE POOR SO-CALLED NEGROES FROM THE TRUTH OF THEIR ORIGINS, ... THEIR TRUE GOD ALLAH, ... THE TRUE KNOWLEDGE AND IDENTITY OF THE DEVILS AND THEIR HISTORY, ... THE RESURRECTION AND THE JUDGMENT!"

The Messenger went on to say that the devil, being well aware that his doom was at hand, tricked the Negro with the use of all manner

of deviations, ushered up by the ENTERTAINERS AND WHAT NOT, TO KEEP THE Negro busy destroying himself, while the judgment was postponed pending the awakening of the so-called Negro! "BUT!" ... Said The Messenger, "IF the Negro will not listen ... and heed The Message, ... the Negro will be UTTERLY DESTROYED, ALONG WITH HIS MASTER AND ONLY TEACHER, THE DEVIL!"

The Honorable Elijah Muhammad ((PEACE BE UPON HIM)) stated to us that 98 PERCENT OF THE Negroes won't take a MINUTE to listen to and reflect on what He has to say about their salvation! He shook His head from side to side. His face carried a sad and troubled expression!

He WARNED that the devil (Caucasians) put the ENTERTAINERS among us to HELP KEEP US DEAF...DUMB...and BLIND ...weaving tales of great wealth, (trinkets) and the fawning and admiration of thousands, ... untold greed and intoxicants of every kind ...an abundance of degeneracy and filthIN OTHER WORDS ... MENTALLY DEAD, ... While they (the

devils) pursue their evil!"

"YET" ...The Messenger said, "The so-called Negroes fill up the Christian churches each Sunday, knocking over the benches, supposedly overcome with the Holy Ghost! ... Throwing their purses at the preacher as he prances up and down the stage, looking at the ignorant women in the near pews, sitting there, dresses half way the thigh! Does the preacher tell them not to dress in such a manner? NO! ... He enjoys this filth! He encourages this filth!"

The Messenger steps away from the podium and mocks the preacher, ...

"Good AFTERNOON Mrs. Jones, that's a mighty sassy dress you got on! (laughing) Glad to see you Sister Smith. MY, that hat and dress look MIGHTY nice!" The Messenger returned to the lectern. His face was hard with anger!

"Not to mention that most of the women the preacher gets familiar with are married! He doesn't CARE about that! The next thing you know, he'll be over to Mrs. Jones' HOUSE when Mr. Jones is gone to work!"

"This is DEVIL'S WORK and the preacher is one of the UNCLE

TOM IMPs that carries it out!... A HELPER OF THE DEVIL! That is why the preacher and his Christian church can borrow money EASY from the bank! ... Churches and taverns!... The white man will let you have money for churches and taverns quicker than a sneeze because he WANTS YOU , THE SO-CALLED NEGRO IN THE CHURCH AND IN THE TAVERN! After all, ... the white man gives him a license to do BOTH! ... If Jesus WOULD return, do you think he would LIKE that kind of carrying on?"

The Believers didn't move ... all, were leaning in their seats ... leaning toward The Messenger ... absorbing each and every word!

As you are NOW SEEING PLAINLY in the year of 2008 ... THE MESSENGER WAS CORRECT! ... NOTHING HAS CHANGED ... EXCEPT THE ESCALATION OF DEGENERACY AND FILTH!

The Most Honorable Elijah Muhammad (Peace Be Upon Him) begged the so-called Negro to REFLECT! ... TO GIVE THOUGHTFUL CONSIDER-

Sister Zakiyah Karim

'Our children should be trained in our own schools, not dropped into the schools of the enemy where they are taught that whites have been and forever will be world rulers'

--Messenger Elijah Muhammad

Sister Zakiyah Karim, Brother David Muhsin, & Minister Levi Karim

DETROIT--My son, David, born in 1987, (long after the Nation of Islam was dismantled by Warith D. Mohammed in 1975) never attended public school. He attended Muhammad University of Islam until he graduated at age 16.

I learned of and accepted Messenger Elijah Muhammad's teachings when I was 19 years old. At that time, in 1980, my firstborn son, Rafeq, was only 3 months old.

Our University of Islam was not a big fancy school with lockers in the hall and "accredited" teachers.

It was just a room (above or down the hall from a room where we held our temple meetings) At one point it was merely me and my husband or me and another sister home-schooling our children.

At first, my parents, who were not Muslim, were worried that they my children would suffer from some kind of social disability and/or would not receive a "good" education if I didn't send them to "a real school", because I wasn't "qualified" to teach them what they needed to know.

But the Teachings of Messenger Elijah Muhammad (peace be upon him) had already prepared me for this kind of kind of an attack.

One of the first things I learned when I first accepted The Messenger's teachings and entered into the Muslim Girls Training and General Civilization Class (M.G.T. & G.C.C) was that "The Mother is a School".

The Messenger urged us to teach our children "from the cradle". Meaning while that little newborn baby is lying there in his or her cradle (baby bed) teach them their own history and the history of white people, teach them the importance of being right (doing

what is right). Teach them who the Real God is, Who the Real Devil is.

Messenger Elijah Muhammad taught us to never fill our children's heads up with false teachings like "Santa Claus", "The Easter Bunny", that they are going to go to some spooky heaven up in the clouds beyond the sun, moon and star after they die a physical death, or some spooky hell under the ground where they will burn forever and ever."

The Messenger not only taught us what to teach them and what not to teach them, he left us the first "Teaching Tool" to teach them with: English Lesson C-1.

English Lesson C-1 is a series of 36 history-filled sentences, most of which sound like a conversation between two people that is easily memorized by Muslim children by the time they 2 are or 3 years old, if the mother follows the instruction left by Messenger Elijah Muhammad, "The Muslim mother should read English Lesson every

night as a bedtime story, instead of those "cow-jumped-over-the-moon" stories our mentally dead parents used to read to us .

Messenger Elijah Muhammad warned his followers in his book, THE MESSAGE TO THE

BLACKMAN IN AMERICA, that,

"Many people have attempted to belittle or degrade my followers by referring to them as unlettered and unschooled. They do this to imply that the believers in Islam are ignorant. If such a claim were so, then all the more credit should be given for our striving for self-education with so little. But truth represents itself and stands by itself. No followers, nor any other people are more zealous about the acquiring of knowledge than my followers. Throughout the Holy Qur'an, the duty of a Muslim to acquire knowledge is spelled out.

My people should get an education which will benefit their own people and not an education adding to the "storehouse" of their teacher. We need education, but an education which removes us from the shackles of slavery and servitude.

Get an education, but not an education which leaves us in an inferior position and without a future.

Get an education, but not an education that leaves us looking to the slave-master for a job.

Education for my people should be where our children are off to themselves for the first 15 or 16 years in classes separated by sex.

Then they could and should seek higher education without the danger of losing respect for self or seeking to lose their identity.

No people strive to lose themselves among other people except the so-called American Negroes. This they do because of their lack of knowledge of self.

When David was 16 years old I enrolled him in the Graphic Arts Program at Highland Park Community College in Michigan. The Graphic Arts Instructor was so impressed with him that he hired him to run his business for him.

From there David began attending the National Institute of Technology (later known as Everest Institute)

In Spring of 2007, at age 19, David, was honored as the Valedictorian of his Class (4.0 average), he was inducted into the National Honors Society, and received an award for perfect attendance.

Should We Support Barak Obama?

WASHINGTON, D.C.-- Followers of Messenger Elijah Muhammad's Teachings use His Teachings as "The Constitution" (standard) to decide what should or should not be done.

What were the Messenger's Teachings on supporting Black Political Candidates?

The Messenger's words in Chapter 77 of Message To The Blackman is an excellent guide on this subject. He wrote: "It is difficult for me to advise my followers on taking part in the corrupt politics of our enemies, who are in complete control of the political affairs."

"There are many black men and women who make splendid politicians. They could accomplish considerable good if they — like the white politician and his people — were given proper and equal recognition and justice for themselves and their people."

"If our politicians are to serve us, they must have no fear of the white man when they lead our case in the white courts before white judges."

"The strongest politician of our kind — or the person who comes nearest as far as I know, to giving us political justice in the white courts (if he had our complete backing) — is Congressman Adam Clayton Powell, Jr., though he is not a Muslim. A Muslim poli-

In the Fall, of 2007, David created "The Journey of Lil Elijah" Video Game, which focuses on the Muslim values such as; prayer, fighting in the cause of truth and righteousness, and the dangers of eating pork.

You can download a demo version of David's video game at Muhammad Speaks Website (www.muhammadspeaks.com).

David plans to give the Full Version of the Lil' Elijah Video game away, as a Saviour's Day Gift, to those who attend the Saviour's Day Celebration, in Detroit, at the Considine Center on Woodward Avenue, Tuesday, February 26, 2008.

David is now continuing his education in the field of Engineering.

My parents died before David graduated, but long before then. They bore witness with me that Messenger Elijah Muhammad's Program was right and exact.

JABARI'S MARTIAL ARTS Academy was founded by Olu Jabari using a style of martial arts called Hekima (meaning "wisdom"). Through the teachings of Olu Jabari's Grandmaster, Master, and Instructors of the Alkebedo System, Olu became destined to expand his capabilities to others in the Detroit community.

Since it's foundation, JMAA has been instituted in over 25 different organizations and associations throughout the Detroit Metropolitan area. The future for JMAA maintains its slogan by saying that "A Family that's kickin' it together stays together!"

In addition JMAA plans to continue to offer services to the Detroit community with plans of expansion to other cities, states, and across the country as well.

In August of 2001, a great collaboration, inspiration, and mission of many individuals & businesses of the Detroit community formed.

The Mission: To develop a Martial Arts Academy that would not only help the community, but allow everyone the opportunity to have lessons at an affordable cost. Thus, Jabari's Martial Arts Academy (JMAA) was formed and the mission began.

JMAA teaches self-patience, self-integrity, self-awareness and finally self-defense. JMAA also teaches the importance of resolving conflict through the module of discipline learned from our partnerships with the parents and guardians of our youth.

JMAA realizes that karate helps to form a new way of life for its students and families, assisting with self-motivation, spirituality and team orientation.

The services we provide are martial arts training, self-defense seminars, and family unification through our JMAA philosophy.

The mission of JMAA is to provide superior and affordable martial arts training that will assist in fostering strong family units and community presence for participants in the City of Detroit.

Join parents and children together in a positive setting that encourages teamwork and family unification.

Maintain constant communication with businesses, schools, and local community stakeholders.

Assist in providing training and workshops for community residents.

WHAT ISLAM HAS DONE FOR ME

My life: Before and After Islam

By
Brother Malik Muhammad

Brother Malik Muhammad

"O men eat the lawful and good things from what is in the earth, and follow not the footsteps of the devil, surely he is an open enemy to you". ---Holy Qur'an 2:168

ing up the most Honorable Elijah Muhammad (peace be upon him) from among a people that had never had a Warner from them before.

Before accepting my own in the Nation of Islam, I never realized their was a connection between the way that I ate and the way that I thought and acted..

When I was eating the swine (Hog) I took on many if not all of the Hog's Characteristics. First of all it made a lazy person out of me. I loved to just lay around all day and do nothing at all. I had no ambitions or goals. And doing as little work as possible. I was argumentative and always ready to fight. I was a loud boisterous person. I was a selfish and greedy person. I had trouble sharing any-

thing I had with anyone else. I eat at all times of the day or night, five or six times a day or more, if I felt like it. I had started smoking cigarettes at the age of seven years old. And not long after that I was drinking strong alcoholic drinks. And I was a real fiend for the weed (reefer and cocaine). I enjoyed laying around the house eating nuts, corn bread, lima beans, sweets, and of course bacon, ham, pork chops and other parts of this foul animal. It was no wonder that at about the age of 19 it was remarked to me that I looked older than my father. All youth and beauty had been destroyed by the life-style that I was living.

I am for one so happy that Master Fard Muhammad desired to fulfill the scriptures and left His

heaven and came to the hells of North America to search for His (Black) people that He knew were lost and without any hope of salvation or heaven. He found and raised up the Most Honorable Elijah Muhammad to teach and guide us, the lost ones from the tribe of Shabazz, who had been in the hands of an open enemy for the last four hundred years, and had been taught all of the wrong ways to live, in order for us to remain subservient to him in a slave-like condition.

Everything that white people (devils) taught us was in opposition to Allah's law and our true and natural way of life. We were taught to eat at the wrong times and fed all of the wrong foods, this would also shorten our lives.

Islam as taught by the most honorable Elijah Muhammad on page nine of HOW TO EAT TO LIVE, Book two tells us "many years could be added to our lives if we only knew how to protect our lives from their enemies..."

The Messenger said, "If we eat the proper food, and eat at the proper time, the food will keep us living a long time." The Honorable Elijah Muhammad teaches us to

train ourselves to eat one meal a day and try to eat only foods that will prolong your lives instead of shortening it.

For instance stop eating that cornbread that destroys the lining of your stomach. The Messenger said, Lima Beans will burst the belly of a Texas Bull, that Nuts are food for rodents, and above all to Leave that Swine (pig) alone.

He said not to eat white flour and half cooked breads, and that too many starchy foods and too much sweets were no good.

The Messenger said that eating the wrong foods will not only shorten our lives but that it also has a lot to do with the power of our brains. If we give our brains the wrong type of nourishment it will effect the way our brains function and our thinking and actions will be less than perfect.

After accepting my own in the Nation of Islam and believing and carrying into practice the Programs and Teachings of the Honorable Elijah Muhammad, Allah has blessed be to learn the correct way to eat to live and to enjoy a long and healthy life...today I don't

Lieutenant Tony Bartolome at the Florida Highway Patrol gives us this scenario:

You walk across the parking lot, unlock your car and get inside. You start the engine and shift into Reverse.

When you look into the rearview mirror to back out of your parking space, you notice a piece of paper stuck to the middle of the rear window. So, you shift into Park, unlock your doors, and jump out of your car to remove that paper (or whatever it is) that is obstructing your view.

When you reach the back of your car, that is when the car jackers appear out of nowhere, jump into your car and take off.

They practically mow you down as they speed off in your car.

And guess what, ladies? I bet your purse is still in the car. So now the car jacker has your car, your

home address, your money, and your keys. Your home and your whole identity are now compromised!

If you see a piece of paper stuck to your back window, just drive away.

Remove the paper later. And be thankful that you read this

I hope you will forward this information to friends and family, especially to women.

A purse contains all kinds of personal information and identification documents, and you certainly do NOT want this to fall into the wrong hands.

the same ... a leetle difference here or there, but such the same! They will bring forth fruit of the SAME nature as that which came before. Do you not SEE?”

“SO! ... What do you Entertainers, ... you Preachers and Politicians HOPE FOR from the white people of TODAY? ... They are STILL the OFFSPRING of their white fathers, who ENSLAVED, BEAT AND KILLED our Black Fathers and Black Mothers ... our Black Babies ... for OVER FOUR HUNDRED YEARS!”

“You Entertainers and what not, ... you HELP our enemies when you cut the foolish acts and when you help lead us to extravagance and filthy ways and to want and spend more on trinkets than we can afford. We buy a lot of what we don’t need!”

“Once in a GREAT while, we will get entertainers to come up and process.” (The Messenger smiled. The first smile we have seen this night. It relaxed the audience for a moment) ...

“The entertainers and big 1’s don’t stick! ... They come in expecting us to bow down to them and roll ALL OVER the ground at what they have to say and what they have done! ... They want nothing but praise, don’t want to do ANY work (Shouts of ‘THAT’S RIGHT DEAR HOLY APOSTLE!’ ... ‘YES SIR!’ filled the room) ... just have praise talk over their singing, dancing and what not!”

“You all know of what I speak! ... You’ve SEEN them! ... Put them on post or give them a job and you have to listen to their complaints! ... Them ... telling you

how much money they USED to make! ...Our praise ONLY goes to Allah, Who came In The Person of Master Fard Muhammad, To Whom praises are due forever!”

“They LOVE to tell you how much money and fame they gave up to come join on to their own kind! ... How many millions of dollars they COULD have made but for joining US! ... THAT’S A LIE! ...Most of them are flat on the back when they come to us ... don’t have a wooden nickle! ... The devil already done kicked them out! ... BUT ... they want US to believe their giving up SOOOO much! ... Allah shows them UP for who and what they are! ... They last but a few days!”

“They LIE for a living! ... Acting on stage AND in the movies ... is nothing but LYING! ... All those fake smiles and tears! ... Made up words! ... Show how silly YOU are, they have YOU crying and laughing ... have YOU cheering for knaves ... thieves and murderers, hoping they get away! ... The characters they portray in these filthy movies and television are a DEADLY INFLUENCE on our youth!”

“These birds will do ANYTHING TO BE SEEN ON THE STAGE OR ON THE SCREEN! ... Always seeking the lime light! ... Always talking about what they have done or where they are going! ... Always talking about themselves! ... They’re the FIRST ONE’S to chase after white women and white men! ... It’s DISGRACEFUL!”

“STOP ... and consider the HELL we catch ... Pardon my speech, ...hell is a condition!

...Then, consider THE CONDITION WE FIND OUR PEOPLE IN! To think that our people want to LOOK like the devil! ... SWEETHEART with the devil! ... It’s enough to make you sick! Pitiful ...PITIFUL!”

All through out The Messenger’s lecture, the spontaneous SHOUTS of ‘THAT’S RIGHT!’ ...YES SIR! ...TEACH! ... ALL PRAISE IS DUE TO ALLAH!’ ... punctuate EVERY gem of wisdom and knowledge coming forth from Allah through His Divine Messenger, The Most Honorable Elijah Muhammad! (peace be upon him) ...Would we all have been better off TODAY had we LISTENED and HEADED this God sent Messenger?

“Some of you are falling in love with them so much so, that you think that getting close to them is heaven enough for you. It is a shame that you are so ignorant and so spiritually blinded, by the white man that you want now, to live with them and to go to their doom with them.” The Honorable Elijah Muhammad (peace be upon him) Muhammad Speaks Newspaper July 11, 1969 Page 3 VOL. 8—No. 43

The Messenger continues

“Do you not KNOW that these actors, these television people, will read and say WHAT-EVER the white man puts in front of them to SAY? ... Did you not KNOW that? ... Even if it is HURTFUL or DEADLY to us, ... did you not KNOW that these curs will say it ANYWAY and look you in the FACE and TELL you, ... ‘It’s my job!’ ... ‘I’ve got to make a living!’ ...If I don’t do it, somebody else will!’

“Many of you are aware of the ‘entertainer’ that was processing with us a year or so ago. He was a blusterer ... talk all night long ...that is, until he got invited on Mr. Kup’s television show with some devil actor, who I understand plays those ‘hero devil’ lying parts. Supposed to be so brave an all!”

“Well, ... this devil actor starts questioning this entertainer brother about what he thinks about the Muslims, ... you see, ... the devil already KNEW that the brother was coming into our brothership!”

“He pins the brother to the wall and ask him his VIEWS on us. Well, the processing brother TURNED COWARD! ... In HIS mind, the devil questioning him, was the SAME devil he was used to looking at on the screen and he got FRIGHTENED of him!”

“Just goes to show how the movies and television can influence our CHILDREN! ... This entertainer fellow ... been AMONG the Muslims ... an ADULT ... and the images of this devil sitting NEXT to him on the television show, was of ALL the so-called heroes he had seen conquer the devil’s enemies on the screen and ... he was

SCARED to death!” ...

“Mr. Entertainer couldn’t get his words together that night ... STARTED TO SWEAT! ... Hot under the collar! ... YOU COULD SEE THE WATER RUNNIN’ DOWN HIS FACE! ... and made a fool out of himself, ... made himself look bad! ... Like Peter ... Denied us! ... Right there on the television set, for all America who was watching to see! So, ...What chance do our CHILDREN have? They believe EVERYTHING they see on TV!”

“Fear of the devil! ... One of our MAIN FEARS! ... I got SO angry, I called Brother Eugene and told him to make me a cartoon out of that brother to place in our paper!”

“Brother Eugene happened to be watching the program that night, as was probably all of my followers who could get to a television set.”

“The entertainer stopped processing with us after that! We haven’t seen that coward in the Temple since!”

Will Smith needs Reprogramming

Will Smith, like all other blind, deaf and dumb black men and women, holds on to the MISCONCEPTION that “all people (no matter what evils they have committed) are “basically good”. That is how a reporter interpreted Smith’s words in an interview published in Scottish newspaper “The Daily Record”.

Though Smith didn’t actually say that everyone (Hitler included)

“Even Hitler didn’t wake up going, ‘let me do the most evil thing I can do today’, ... “I think he woke up in the morning and using a twisted, backwards logic, he set out to do what he thought was ‘good’. Stuff like that just needs reprogramming”

is “basically good”, His words: certainly warranted the reporter’s

interpretation and had the Jewish Defense League throwing another temper-tantrum and screaming that Will Smith "spit on the memory of every person murdered by the Nazis. His disgusting words stick a knife in the backs of every veteran who fought (and sometimes died) to save the world from the intentions of Adolf Hitler."

Many celebrity gossip Web sites posted articles alleging that the 39-year-old actor believed Hitler was a good person.

Smith rush to explain to his slave-master (the Jews) that what he said was taken out of context and that "Adolf Hitler was a vile, heinous vicious killer responsible for one of the greatest acts of evil committed on this planet".

Abraham H. Foxman, national director of the Anti-Defamation League reportedly gave Smith his well sought after pat-on-head by announcing "We welcome and accept Will Smith's statement that Hitler was a 'vicious killer' and that he did not mean for his remarks about the Nazi leader to be

mistaken as praise." Smith "took immediate steps to clarify his words" and condemn Hitler, Foxman said.

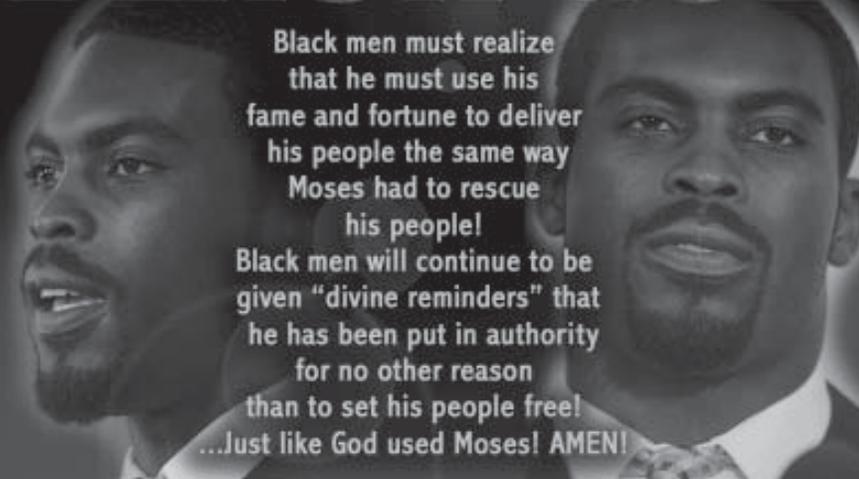

Foxman reminded the rest of his imps to be good little Negroes like Will Smith with these words: "This is why all celebrities bear a special responsibility to weigh their words carefully, and an obligation to speak out against racism and bigotry whenever even a whiff of it appears, as Will Smith has done in this instance" he said.

We hope and pray that our brother, Will Smith, will study the history of the white man, in general, as he must have done with Adolf Hitler, and come to the realization that Messenger Elijah Muhammad was teaching nothing but the truth when he taught us that THE WHITE MAN (including Hitler and the Jews) IS THE DEVIL!

But we realize that before he comes to this understanding he will have to be "reprogrammed" by learning and accepting the truth of himself, God and the Devil.

ANOTHER DIVINE SIGN FROM THE...

“King George” Wants to Rule The World

Continued from page 2

is probably worth more than any check that I could write.”

Don't think for one second that Ms. Winfrey didn't know 'the value' of having George Bush on her show.

Her show is used as a forum for issues that impact the white community. Even when she does shows about racial issues it is usually from a white perspective with a very condemning tone against whatever elements may represent the black community.

Ms. Winfrey is a considerable force in the media business. Her show has been estimated to have more than eight million viewers on a daily basis. Her monthly magazine, “O”, has two million subscribers. The vast majority of these people hang on Oprah's every word.

The government of America (also known as “The media”) is using Barak Obama (whether he knows it or not), to make foolish Black People believe that America is all of a sudden “color blind”.

Obama is a decoy (or symbol of false hope) to what is really about to happen.

Bush has used his Executive Order Power more than 200 times during his Presidency.

He could use his Executive Order Power to cancel or postpone Elections.

Bush wants the same thing Hitler wanted. He doesn't just want to STAY in charge of America, King George wants to rule of whole world.

He knows the FALL OF AMERICA is in effect and His dollar has declined in value, just as Messenger Elijah Muhammad warned us it would do. So his plan is to make a “New America” (The North American Union), with “New Money” (Bush Bucks) that is being currently being called the amero.

This “new America” would eliminate the borders between Canada, Mexico and the United States. All three countries would do away with the money they are

now using and start using the new money. The people living in this “new America” (even babies and children) would be required to carry a Federal ID card, equipped with a tracking device, which will allow the federal government monitor the movements and transactions of every person. The new passports issued in America already have the tracking device.

The US department of homeland security is already demanding that all Americans must have what they are calling a Real ID.

“Americans” would need this Real ID card to board a plane, or enter a federal building.

Technically, federal buildings include: banks, the social security office and the even the post office.

What did the Messenger say about all of this?

He said: “Now the end of the term which was set for the white man has come. The average so-called Negro, the lost found member of the Black nation does not know that this is the end of the world of the white man (his rule over the Black nation). He will not listen to one of his own kind who tells or teaches him of the time and doom of the world that we have known (white man's world).

They offer high positions and money to the so-called Negro intellectual politicians who will work against the good of the Black American people. They will accept such gratuity, for they have been deprived of love for self and kind. What do they care about the millions who are sprawled in the mud of civilization? They are content as long as they eat the buttered biscuit and the fried chicken (as their slave-fathers did).

You would not think that they would hire themselves out to be stool pigeons - white man's boot-lickers and Uncle Toms in these modern times of advanced education - but they are doing just that.

They do not want the praise and exaltation of God and their own Black people. They want it from the slavemasters' children. The slavemasters' children will give it to them as long as they reject themselves and kind and worship and exalt the white people.

The white man is very clever in making a public fool of the Black man. They show the brown, yellow and red man what a good job they have done on the Black man in America and throughout the earth. He is doing what nature bids him to do.

I do not blame the white man anymore for making fools of our people. It is the nature of the white man to make a fool of our people, but it is not the nature of our people to allow him to make a fool of us...

The divine term that was given to the white race to allow them to make a fool of the Black man and rule him with tricks is now up. The devil with his tricks must be removed. He was given this chance to deceive you with his tricknology; and therefore, God will not hinder the devil from tricking you if he can... But God promised hell-fire to both the devil and his followers whom he can get from the Black Nation...

...Declare yourself a Muslim and see how much the devil will give you...” **For More Information Read “Fall of America”, By Messenger Elijah Muhammad.**

What Islam Has Done For Me

Continued from page 23

I do not eat any of the poisonous hog (swine). I am no longer a lazy person. I am at the age of 72 years old and Allah has blessed me to be able to go to a job and work. I no longer pick fights or arguments with my brother and sister. I am no longer selfish or greedy. I try hard to stick to the Messenger's Teachings of eating one meal a day between the hours of 4pm and 6pm. I eat only the foods prescribed for us by the Messenger of God. I no longer smoke cigarettes with can give you cancer of the throat. I quit the habits of smoking week cocaine or drinking of

any type of alcoholic beverages and today my thinking and acting has changed.

Because of the Teachings my actions are those of the civilized people of the world. In How To Eat Live, book 1 on page 102: the Messenger writes “**The main purpose of this teaching, ‘How to Eat to Live’ is to prolong our lives. Beauty appearance is destroyed in us — not just our facial appearance, but the most beautiful appearance about us, our characteristics (the way we act and practice our way of life).**” I am a living witness. Thank you for reading this article

Brother Eugene 3X (Rivers) was the brilliant editorial cartoonist for The Muhammad Speaks Newspaper. (See more of his career on the Muhammad Speaks Website www.muhammadspeaks.com Brother Eugene x x x (he always signed his cartoons with small x's because he said the capital X made him appear like he was trying to be important!)

Later on, The Messenger gave Brother Eugene 3x the Holy Name of Majied!) Brother Majied was the mentor for all the editorial cartoonists on the Muhammad Speaks staff. Arguably the best group of editorial cartoonists working for any newspaper at that time!

Brother Majied told me in later years, that when he received the call from The Messenger, the night that the “AT RANDOM” (later the “KUP'S SHOW”) aired, and when The Messenger requested that he do a cartoon on the disgraceful ‘turning back’ and fear shown by this entertainer, Brother Majied stated, “I THANKED Allah!”

“I let The Messenger know that I was sketching while watching and had ALREADY finished with the FIRST draft, working on the SECOND and I would bring it over to His home for His approval in the morning, if that was alright. I was going to ASK Him for approval anyway the next day and I gave Praise to Allah that He gave me permission THAT NIGHT, to do what I was ITCHIN' to do!”

“The Messenger told me again, that I didn't need to bring the cartoons over and that He trusted me to do a good job, but you know me, I still

like to have The Messenger see ALL my work before it's inserted into the paper!”

So, in the June 21, 1963 issue of The Muhammad Speaks Newspaper, a controversial cartoon by Eugene xxx appeared under the title of; THE PRICE OF HIS PEOPLE IS JUST A JOB! . . .

To say that the Muslim Followers of The Messenger were disgusted at this entertainer ... is an understatement! “This is what the enemy is trying to do today with the Black Man.

As I reflect back on the 30's ... the 40's ... the 50's ... the 60's ... the 70's, ... The Messenger Of Allah, The Most Honorable Elijah Muhammad (peace be upon him) obeyed Allah, I have NEVER HEARD OF ANYONE who has been as STEADFAST IN THEIR DUTY as The Messenger!

The Messenger began to deliver the warnings in 1931, that Almighty God Allah had given to Him to WAKE UP the Lost and Found so-called Negroes, there was ... ONE GIANT IRON MOUNTAIN that HAD to be CONFRONTED AND DENTED by The Messenger of Allah! ... THE AWESOME FACT ... that ... The so-called American Negro ... There are two other good politicians, but I will not mention them by name at this time. If they could shed their fear, they would make excellent political leaders to guard our interest."

"We must give good black politicians the total backing of our population."

But the Messenger closed that chapter with these words:

"The wisest and surest way to success is to unite behind me. I assure you that, with the help of Allah, you will accomplish your goals — money, good homes, and friendships in all walks of life."

If you are not interested in taking "The wisest and surest way to success", then maybe you should ponder these questions: Is Barak Obama a "good black politician"? How does he compare to Adam Clayton Powell? Is he a Muslim? Is he afraid of the white man?

To further assist you in making your decision, Messenger Elijah Muhammad wrote the following words in the first chapter of his book, *The Fall of America*:

"By now it should be ever so clear that politics will no more solve our problem than it did the difficulties facing Israel during her bondage in Egypt."

"We have come to the brink of extinction. We must now and here make an agonizing reappraisal of our way of life if we care anything for ourselves, our lives, our people, our race, the future of our properties, wives and children."

Messenger Elijah Muhammad went into this subject in even greater detail, during an audio-tapped Radio Broadcast titled: *Rights Movement/Wrong Way*.

The Messenger said, "This is a very corrupt world of politics. And the corrupt politics that is dealing with the situation today, the civil rights movement, is only temporary.

You are not getting for your people anything of permanence. You can not say that you can out-strip the white man in his own crooked and corrupt politics, when that he is your teacher. That is his politics.

The political world that they have built has failed on them and don't function for them anymore to their good. It has become a confused world, as far as political is

concerned."

The Messenger goes on, "Maybe in this particular four years of another President and Congress of the country may allow you to enjoy a little more justice or a little more integration than you has received in the past four years. But does that mean that that will be permanent? They could take this Congress, this President out of office, after four years, and put them out and in with their own motion, or mind, or ideas that they have for or against what this administration has practiced with you."

"You are grabbing one end of its alphabetical situation or learnings, thinking that you have something to fight the teacher with, who originated the political machine and using the political machine to his own good. And if it's not to his good, he's certainly not going to use it to your good."

"What future do you think that you have to try to outwit him in own politics? Do you think that you are a greater scientist or scholar in his political world than he, himself? Well then, what do you hope to achieve? Can you achieve future success for yourself and your children by baptizing them into the whiteman's corrupt politics, which has failed themselves and the world?"

The Muslim Program

What the Muslims Want

This is the question asked most frequently by both the whited and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.
2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.
3. We want equality of opportunity. We want equal membership in society with the best in civilized society.
4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and mineral rich. **We believe that our former slave masters are obliged to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. **We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.**

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. **We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.**

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.

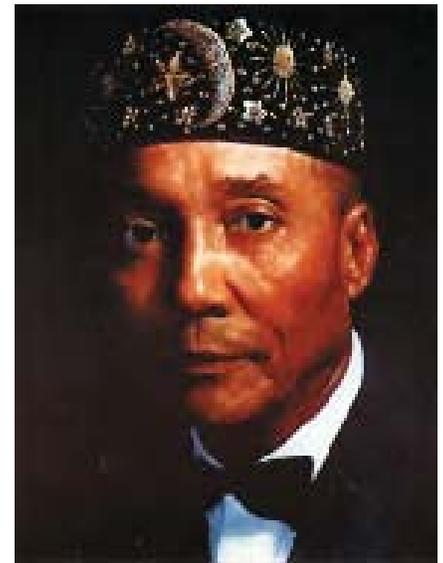

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. **WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Ameri-

cans. We believe the black men should be freed in name as well as in fact. By this we mean that he should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. **WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.**

12. WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
