

WARNING!!!!!!

FROM MESSENGER ELIJAH MUHAMMAD

Reprinted from the Flag of Islam book, pages 27 & 28 "...All of these organizations that are trying to exploit this prophecy and truth **cannot be successful** in again **dividing themselves into groups under a group leader** to try and bring about unity of the people of the Nation of the Black Nation here in America united under one leader. They cannot do that; **they must unite under a leader whom God Himself made for them**, as it is written. Once we

understand the root of the creation of heaven and Earth and its function today, we learn that as a whole such function is under a God and a servant. So when we divide ourselves up into groups and each one wants an independent leader, this is the work of the devil (white man). The devil brought us here for the purpose of deceiving us and putting one against the other is the basis of the rule of the white man. He has no power to rule Black people unless he is able to divide them one against the other. For the Black man will unite into Black and take for his leader a Divine Guide, this will make the Black man again a great nation that will rule the civilizations of the planet Earth. **I am that one whom God has chosen...**"

"...The Truth that I am teaching you, came from the very mouth of Allah (God) Who came in the Person of Master Fard Muhammad to Whom Praises are due forever. **Anyone of you, if you accept this truth, it will make you superior** to others..."
