THE DRAGON

Bible, Revelation Ch. 12

Bush and Kerry: Members of the same secret society

As opposite as George Bush and John Kerry are trying to appear, they do share a common goal. Both of them are "Bonesmen". Bonesmen are what members of the secret society club, Skull and Bones, are called.

Skull and Bones (also known as "Chapter 322" and "Brotherhood of Death") is a secret society at Yale University.

Yale University is the third oldest American colleges and has graduated numerous Nobel prize winners and U.S. Presidents. Yale is one of the eight members of the Ivy League.

Ivy is a climbing or ground-creeping evergreen woody plant able to climb to at least 25-30 miles above ground level (High government positions). The flowers are produced in late autumn (National Election is in late autumn - November). Ivy is an important food for many birds (America's National emblem is an eagle). but

poisonous for man (The Black man).

A Secret Society is a club or organization whose members are forbidden to reveal what goes on in their inner circle. Members of secrecy societies are sworn to be loyal to all other members of the group.

Skull and Bones is said to be the first such Yale society, established in 1832. The skull and crossbones, a symbol consisting of a human skull and two bones crossed together under the skull, is generally used as a warning for something that is dangerous or deadly, usually poison. The symbol is the traditional flag of European and American pirates.

The group, which was depicted in the movie "The Skulls", chooses fifteen members during their junior year by existing members. Both, George Bush and John Kerry were members of Skull and Bones in 1966.

Yacub's Instruction of Murder to Nurses still being followed

For years and years, Messenger Elijah Muhammad warned the Black man and woman that we needed our own hospitals for our sick and wounded.

In teaching us the history of Yacub, the Black scientist who made white people, The Messenger told us that two of the key figures in helping to kill off the Black people in this experiment were doctors and nurses.

When police in New Jersey arrested a white (devil) male nurse named Charles Cullen last year, he said he'd killed as many as 40 patients during the course of his nursing career. Cullen had worked at 10 different hospitals in New Jersey and Pennsylvania, over a period of 16 years - despite the fact that at seven of those hospitals, he was under investigation, fired or forced to resign? Apparently, not one of those institutions gave Cullen a bad reference, or told other hospitals he was trouble.

Hundreds of people have been murdered by these so-called "angels of mercy" in hospitals and nursing homes around the country, who have decided that certain people are too sick or too old to live.

But according to Messenger Elijah Muhammad's teachings that was always the job of nurses in the white man's society.

Yakub, in his grafting of white people from black people, gave specific instructions for doctors

and nurses.

He wanted to make sure that only two lighter skinned people married so he made it law that all couples wishing to get married see a doctor to undergo a "blood test". He gave the doctor the authority to decide who could get married and who could not. The blood wasn't really tested. The real test was a "skin test" The lighter-skin couples were allowed to marry and the darker-skinned couples were told that their blood did not match as were not allowed to married. But because of the fact that even two light-skinned people could still give birth to a dark-skinned baby, Yacub gave nurses the authority to kill the dark-skinned babies and tell the mother a lie that the baby she birthed was an angel baby, who had gone to heaven to prepare a place for the mother. If the mother birthed a light-skinned baby, the mother was told that her baby was a holy baby and was going to be a great man or woman and to take good care of the baby.

Just as in other secret societies, doctors and nurses have a bond of secrecy.

Bodies are being exhumed around the country, and "cause-of-death-tests" are revealing that many of the people who die at nursing homes and hospitals are being murdered by doctors and nurses, who purposely give them over-doses of drugs. The tests

found that 10 people who died at the Truman Memorial Veterans Hospital in Columbia, Mo., between March and July of 1992, had been given the powerful muscle relaxant succinylcholine, which stops breathing, shortly before their deaths. The same kind of test found that seven patients were murdered by lethal injection at Vermillion County Hospital in western Indiana, in a 13-month span between 1993 and 1995. Six more seriously ill patients were killed at Phoebe Putney Hospital in Albany, Ga., when a nurse injected them with a heart-stopping drug.

This list could go on and on. But the bottom line is that doctors and nurses in Yacub's time were just as trusted, by the average person, as they are now.

In our Lessons we learn that Yacob put nurses, doctors and ministers, under a death penalty if they failed to carry out his law or if they revealed the secret. And that Yacob was successful because his followers, obeyed his laws. Regardless to what he told them to do, they did it...

That is the only way Black People are going to be successful.

We must have Black doctors and nurses in our own hospitals who love Black people and who do not have the mentality of white people. Otherwise we face the death penalty at the hands of Yacob's people.

Article on The Murder of Black Women in Kansas City reveals Shocking Evidence

An article published in the local newspaper, "The Kansas City Star" concluded, "it would be going too far to say that residents are at an extremely heightened sense of alarm", after the bodies of five murdered people were discovered in one week in the same Black Neighborhood, from Thursday, September 2, 2004 until Sunday, September 5. And police say that not only are they connected, but are even connected to another murdered victim found on July 14, 2004.

Four of the victims were Black women, ages 25, 38, 42 and 45.

The two other bodies were so decomposed that, at the time this article was printed, authorities had not been able to determine either victim's gender or race.

The article said, that in a telephone interview, the daughter of one victim reportedly said her mother had been missing for about three weeks.

All of the sisters' (Black women's) bodies were dumped in vacant lots or near vacant houses or apartments.

Because of the proximities and the circumstances, homicide investigators think the killings are related.

The article reported that police said an anonymous person called in once on September 2nd and again on the 3rd and told them where three of the bodies were.

But the most shocking thing about the article is the helpless and detached response of the black brothers and sisters in this

neighborhood concerning these "Atlanta Child Murders" type killings.

The article reported that a brother (Blackman) who owns a house next to the lot where one body was found said, "Somebody

Half Truth Is Worse Than A Lie

By Minister Muntaquin Ali

Minister Muntaquin Ali

PHILADELPHIA, Penn.--In The Most Holy Name of Allah, Who came in the Person of Master Fard Muhammad, And in the Name of His Last and Greastest Messenger The Honorable Elijah Muhammad I greet all Believers and readers of Muhammad Speaks News Paper with As-Salaam-Alaikum.

Some of us think it is okay to make little changes to what we got from Messenger Elijah Muhammad, but it's not.

If a ball is rolling towards a target it should hit it's target. However if you put, not a lot but just a little, spin on the same ball it will miss it's intended target by a great distance.

When we put this situation into small terms, we are able to see what's happening much better.

What would some spin be in regards to Messenger Muhammad's program?

You put a "spin" on the Messenger's teachings when you say you are something divine like a "Reminder"; "Son of Man"; "Prepared One"; "Lamb", yourself; "Messenger", yourself; "Master Fard Muhammad", yourself; or that you can or have put the Messenger and His God, Master Fard Muhammad, on a space ship that you control; or have phoney visions; or act like it's your duty to run our (not your) Nation.

I'm sure there are more "spins" that I haven't mentioned here.

Messenger Muhammad has not ordered us to follow any of these slick negroes.

He told all his Laborers, from his son Wallace up to his Ministers, to leave his teaching as it is.

But money hungry (never-built anything-for-Black-people), fame-

hungry, and leadership-hungry one-time Ministers and Laborers are telling half-truths.

This is one reason why I chose the true Teachings of Messenger Elijah Muhammad to be my way of living the Muslim life.

I don't see followers of self-styled leaders any better off than we are who uphold the true teaching of Messenger Elijah Muhammad.

In many cases you look to be worse off than us.

Some Ministers in these circles have become all kinds of shameful people. Some went back to the Christian Church. Some went off chasing spirit gods, and ju ju heads.

"A half truth is worst than a lie." Very profound words of Messenger Elijah Muhammad. True then and true now.

Now I ask you is your so called leader telling the truth, the whole truth, and nothing but the truth?

Because if he is not, you according to Messenger Elijah Muhammad, are better off if you went with an out-right lie.

I mean the lie, yes you hate it, but it's not tricking you like the half truth.

So, I say, hypocrite don't trick me, just spit out a lie not honey coated with some truth. At lest we know, then, that you are a liar but with a half truth we don't know who you are or what you are.

Stop holding good believers back from our M u h a m m a d Temples, just so you can keep your hypocritical hold on these followers

of Messenger Elijah Muhammad (not your followers).

If you are guilty of these crimes, Call on Master Fard Muhammad (Allah) for mercy. He is often returning mercy. The Merciful.

You may ask, "Brother why are you so concerned about half-truths in our Nation?"

To be Holy it must be pure. I mean we must live only by the laws that Messenger Elijah Muhammad got from Our God Master Fard Muhammad.

If we add "sons of man", "reminders", "prepared ones" and other rotten characters, then we defile Master Fard Muhammad words to us.

Let's keep it pure and Holy so we can Please Allah, Master Fard Muhammad.

'To be Holy it must be pure. I mean we must live ONLY by the laws that Messenger Elijah Muhammad got from Our God Master Fard Muhammad.'

-- Words of Min. Muntaquin Ali

Teachings From The Holy Quran

By

Elijah Muhammad

MESSENGER OF ALLAH

Reprinted from the September 5, 1969 issue of Muhammad Speaks

"The life of this world is made to seem fair to those who disbelieve, and they mock those who believe. And those who keep their duty will be above them on the day of Resurrection. And Allah gives to whom He pleases without measure."

Holy Quran Ch. 2:212

The Honorable Elijah Muhammad
MESSENGER OF ALLAH

IT is true today, that our Black People are all but drunk on the life of this world (devil's world). Our Black People are called to return to their own and to heed the warning of The Warner that these are the Days of judgment of this world (white man's world). They are nearly insane and their brains can hardly receive the warning when you try to tell them that this world's life (devil's world) is short-lived. They think that that which the devil offers to them is better than that which Allah (God) offers to them. Therefore, they seek a place in the devil's world, They already have a place in his world.

THEY make a mockery of the Muslim, the bearer of truth. The Muslim disbelieves in the devil and in untruth. THIS PARTY (the Muslims) are gradually raised to honor and eminence in the very eyes of the mockers and disbelievers. THE hearts and minds of the disbelievers are so absorbed in the evil and indecency of the world of the white man that their ears cannot be reached with truth.

THE civilization of the white man will bring them to the most filthy, unclean and disgraceful practices that man and woman ever practiced since they have been on the face of the earth.

THE leading Black educated class is walking around in civilization like a jungle savage, half nude. They are using drugs and other means to keep them from recognizing

and respecting the knowledge of a refined society of civilization.

IT causes Anger to the God of Righteousness for anyone to make mock of His Righteous Servants. In the days of old, He Punished all who mocked His Servants. The mockers of this modern day will not escape the same punishment.

THE Black man and Woman who disbelieve in decency and righteous practices do so because of advantages. I WARN you that the Holy Quran bears witness that this world's life of sport and play and gaiety among you is short lived. It will soon turn into weeping and moaning to those who live such lives.

THROUGHOUT the earth, and especially in North America . . . the earth and its inhabitants are hourly being destroyed.

THERE is no hope for a future in the enemy of righteousness for the Black Man and Woman. You cannot run today and get strength from the devil against Allah (God) and His Truth. NO!

TODAY, the devil cannot get help for himself, so how can he help you against the God of Power? The devil is your open enemy and he would not help you if he could.

TURN to Allah (God) and Come follow me, ELIJAH MUHAMMAD.

MY BROTHERHOOD

By
Lt. Quadus Allah

In the Holy Name of Allah, Who came in the person of Master Fard Muhammad. And in the name of His last and greatest Messenger, the Most Honorable Elijah Muhammad. I greet the believers in the Nation's greeting of peace, As-Salaam-Alaikum

My Brotherhood is no secret society. You don't have to take any silly rituals to get in. All you have to do is pay close attention to the laws, lessons, and lectures of the last Messenger of Allah the Most Honorable Elijah Muhammad, and be prepared to put in work for your nation.

There are many types of brothers in a brotherhood. Some brothers are rough and rugged. Some brothers are creative. Some brothers are calm and some brothers are hype.

Some brothers are born leaders, but never knew until they attached themselves onto the brotherhood of righteousness.

This brotherhood you can travel from Philadelphia to Detroit to Baltimore to New York and in every city you will always be with your brother.

The Teachings of The most Honorable Elijah Muhammad

Brother Lieutenant Quadus Allah (pictured right) a soldiers in the fight to save the mentally dead Black man. He is found daily on the battlefield (streets of Philly) with his bullets (Muhammad Speaks Newspaper)

gave me love for my brotherhood.

I have stories to tell you, for days, about the fun we have in our brotherhood.

My soul purpose is to show you and bring you into my brotherhood.

The same brothers (who have not yet heard Messenger Elijah Muhammad's Teachings) that you see on the corners who will look at you like they will hurt you faster than you can spit are still your brothers.

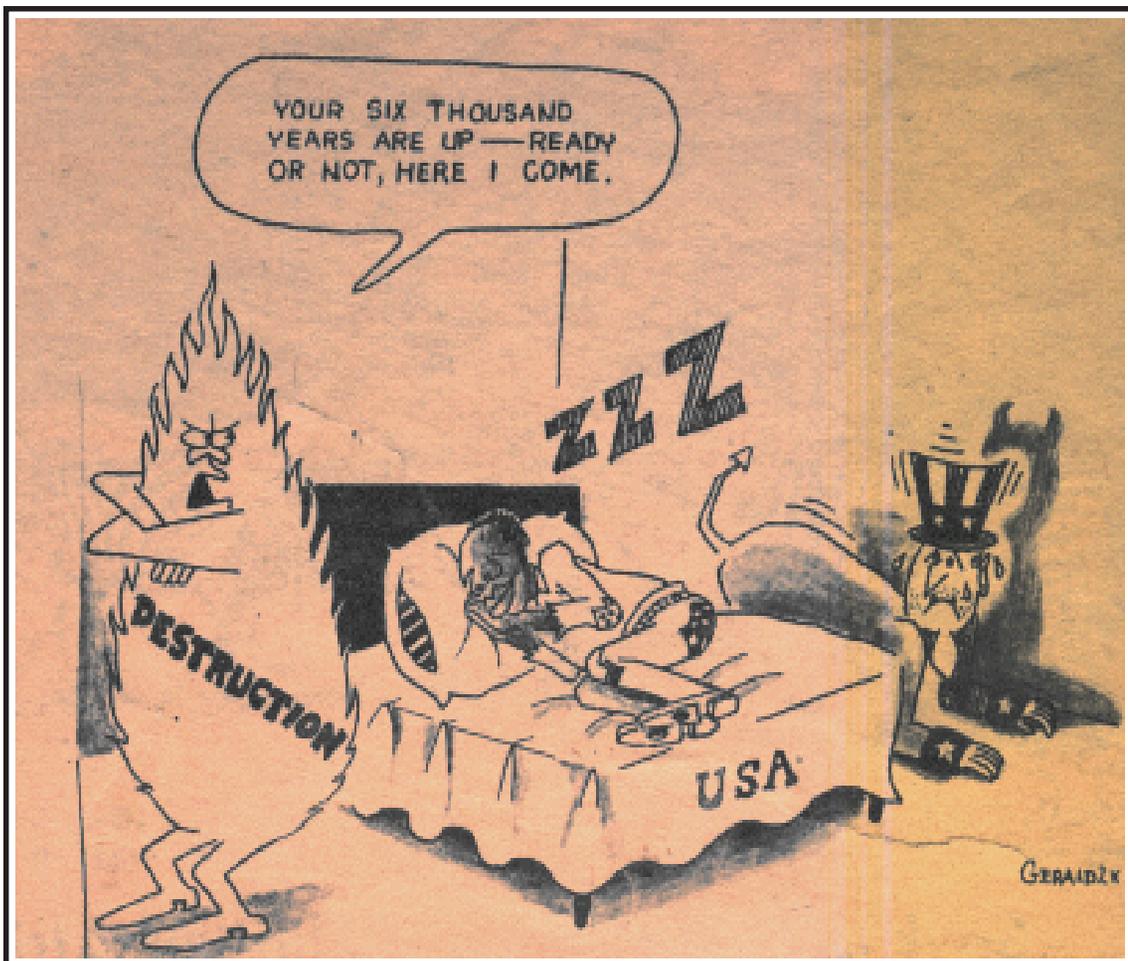

You have to understand that they are hard hearted, nevertheless they are still your brothers.

That same brother that will pull a pistol on you is still your brother. He's misguided but still he's your brother.

These brothers keep us aware of the work we have to do in building our nation.

Every brother is not built for this work, but the ones who make it and are fortunate enough to receive a letter stating your name has been added in the Lambs Book of Life will understand they have a brotherhood of brothers who will live and die for righteousness.

I leave you as I greeted you As- Salaam- Alaikum.

HOW TO EAT TO LIVE

“What Allah, in the Person of Master Fard Muhammad. Has Revealed to me.”

By Messenger Elijah Muhammad

Reprinted from the June 7, 1968 edition of Muhammad Speaks Newspaper

Eat one meal a day or one meal every two days, if you are able. If you eat the proper food, and not poison food and drink, you will prolong your life, make yourself youthful, and will keep away sickness, and suffering (even colds). said Allah to me in the Person of Master Fard Muhammad, to whom praises are due forever.

KEEP THE body and the mind clean. Do good to self and to others. Keep away from evil and remember Allah always, and He Who Came in the Person of Master Fard Muhammad, to Whom praises are due forever, will remember you.

But, you must eat pure food (the food that Allah has pointed out to us to eat) and stay away from that which He forbids us to eat, such as swine flesh (the hog).

I will be a happy man when I see the day that our Black people forsake the hog.

This divinely prohibited flesh (the swine) can be the cause of most of our sickness.

The professional people, such as doctors and religious scholars and scientists, know this to be true.

But, in this wicked world (of the white race) they were made to teach against the good Law and Guidance of Almighty God, Al-

World Resources Institute Reports fresh water systems being destroyed worldwide

EAST LANSING, Mich.-- Fresh water systems around the world are so environmentally degraded they are losing their ability to support human, animal and plant life, according to a report released by the World Resources Institute, during the national meeting of the Society of Environmental Journalists at Michigan State University.

The report was part of a comprehensive study by the institute on how human activity is changing the world's ecosystems.

The report makes no recommendations but it predicts that by 2025, at least 3.5 billion people - roughly half the world's population - will experience water shortages.

Only about 1 percent of the water on the planet is fresh water available for human use.

Agriculture accounts for 93 percent of fresh water use, producing runoff that degrades water quality with silt and chemicals, the report says.

Also being depleted, according to the report, is the world's groundwater, the sole source of drinking water for 1.5 billion

people.

The study found that twenty percent of the world's 10,000 fresh water fish species have become extinct, threatened or endangered in recent decades.

Study finds it Deadly to be Overweight

Nearly two-thirds of the adults in the United States are overweight. This means that for every three people, two are overweight. Being overweight is the number factor in deaths from heart disease and diabetes. But a major study last year estimated that excess weight may account for 14 percent to 20 percent of all cancer deaths-90,000 a year. An overweight woman has two to three times the risk of developing cancer as a lean one. Overweight men are twice as likely as lean men to get colon cancer. The worst kind of fat is called visceral fat, the kind that builds up in the abdomen and surrounds organs there.

lah, to Whom praises are due forever.

ALL THAT God Says “thou shall not do”, the white race says “thou shall do,” or “thou should do.” And then, they are bold enough to ask you “what is wrong with eating the pig.”

The hog, according to the teachings of God, in the Person of Master Fard Muhammad, to Whom

praises are due forever, is very poisonous. It contains more poison than a rattlesnake. Of course white people eat rattle snakes. It is not the flesh of the rattle snake which is so poisonous, but the sac full of poison which it carries in its mouth.

When the rattle snake strikes you, it empties the sac of poison into your flesh. This causes death

to the victim, if he does not receive attention quickly.

But, the actual flesh of the hog is 999% poison (nearly 1000%) as taught to me by God, in the Person of Master Fard Muhammad, to Whom praises are due forever.

This poison is not going to kill you instantly. It drags you along for many years.

Is Allah A Formless Mind Or Essence Being?

By Brother Muhammad Zahir

Overland Park, KANSAS--As-Salaam-Alaikum In the Name Of Allah, the Beneficent, the Merciful; Who Came in the Person of Master Fard Muhammad. We forever thank Allah for blessing us with His Last and Greatest Messenger, the Honorable Elijah Muhammad(PBUH).

There is no such thing as mind unless a brain produces it. Mind does not live by itself, nor does it have component "parts." It is only an output of the human brain activity.

Mental states immanent from brain states. You cannot make mind a "thing." It is more of an activity. Likewise, there is no definable formless entity known as "essence."

If I ask you point to what essence is, you won't be able to find it within our Theology nor the real world. The Saviour taught the Messenger that We, the Original Black Man, are Allah; and that there is one superior to all. He never once taught that our "minds" or our "essence" is/was Allah. So, if you cannot find what you think within the vastness of our Supreme Wisdom or in the

science and mathematics of the real world, then you must not teach what you think to others.

The Supreme Wisdom, Lessons, and Problem Book do not make use of such language because Allah came to defeat and remove such thinking from the dead thinking of the Black Man and Woman. Our Language define and limit our thinking. To change our thinking, Allah has changed our Language, including how we use words, sentences, and expressions.

Our old thinking on this subject is backwards and contrary to the Mathematical Theology given to the Honorable Elijah Muhammad by our Lord and Saviour, Master W. D. Fard.

Many have believed and accepted the idea of God as a formless essence being. However, since the coming of Master Fard Muhammad, the teaching of His Messenger has long since disproved such notions and improbable theories. Not only has Allah and His Messenger disproved these false concepts of God as essence, but even the scholars and scientist of the present world of

Yakub have shown that there is simply no such thing as "substance mind" or "essence" being(s).

Several so-called Ministers of Islam have resorted to preaching a veiled version of this absurd nonsense in a failed attempt to bridge the Messenger Muhammad's Teachings with other religions. It has failed miserably because it is false. You cannot bridge truth with falsehood. And when you mix truth with falsehood, you get falsehood nevertheless. Truth, by design, stands alone and overcomes falsehood as the light overpowers the cold darkness of the night.

Once again, there is no "substance mind." Mind does not have a property known as extension.

Therefore, it is not a thing. Besides, if it was a thing, then it would not be a human being. Human beings are not things. A mind, were it to exist as a separate entity, could not be classified as a human being, but rather a thing. And we don't serve nor worship things in Islam (See Holy Quran for details.)

Human beings are both mind

and body in a supervenient relationship. As long as the brain (body) is alive, the human being is also alive, with a mind. Once the human being ceases to live, his/her mind can no longer maintain life. Hence, God is a living God, and He must have both mind and brain. If you don't accept this, then you are not accepting a fun-

damental advancement in our knowledge and wisdom of Self. We have searched for trillions of years and we know that the only God is the Son of Man, not the Son of Mind.

Therefore, no brain = no mind.

See the Teachings of the Honorable Elijah Muhammad, for further clarity.

Black Women Murdered in Kansas City

Continued from page 9

This thing has come to a point of explosion..."

"How many years have you been frightened? "Keep your mouth shut. Don't say that. It is not time.' When is it going to get time for you to speak up for yourselves?"

You can't blame the government for not giving you anything when you are not asking for anything. The only thing that you are pleading for is a job. Is it not true that John Hawkins, the slave trader of our people, brought you and me here for just the purpose of working for the white man? He didn't bring you here to make you the white mans equal. It is certainly evident by now that it was never

intended that you be a full citizen, owner or a significant office holder in America.

"Your role was that of a slave. Today, even though four hundred years have elapsed, that intent underlies your role in the American body politics.

"How pathetic a sight many of us make as we boast of our meager education and the attainment of a measure of economic growth!

"All these things are are illusion. When rightly viewed, your education has been designed by your oppressors with the specific intent of keeping you in

By Messenger Elijah Muhammad

The following article is transcribed from an audio-taped radio broadcast. To order your copy of this audio tape. Please see page 14.

To the Radio Audience: I am Elijah Muhammad, the preacher of Freedom, Justice and Equality to the American so-called Negro, not Negroes, but really Lost and Found members of the great Black Asiatic Nation from the Tribe of Shabazz, as Almighty God, Allah, has taught me in the Person of Master Fard Muhammad, to Whom Praise is Due Forever for coming in this part of the world giving to us the knowledge of self and the knowledge of others The knowledge of God and the knowledge of the Devil and making clear and understandable that which we had never before was unable to understand of the truth.

Today we are thankful, who have heard this truth coming from the mouth of Almighty God, Allah, In the Person of Master Fard Muhammad. That which we had never heard. That which we did not even hope to hear.

We are thankful and give praise to Almighty, God, Allah forever for His coming.

We are happy, regardless to our affliction that we are not suffering. We are still happy because we have every hope and assurance that one day we will also be happy and there will be no affliction.

We don't look forward, as the Christian preacher preaches, to die and go into the earth and rise up out of the earth again, and get joy out of a life of spirits. We expect all of this joy in this life and not a spirit life. For Almighty God, Allah, has revealed to us the truth.

We have been talking or rather teaching on the true religion, which is a great subject, which we will continue after this subject.

We are going to pick up what we have been writing on for the last few weeks. The Great Dragon of the twelfth chapter of Revelation (The Bible).

The name given, there, to the devil, according to the Bible in the ninth verse of the twelfth chapter. It says: The great dragon was cast out, that old serpent called the Devil, and Satan, which deceiveth the world; he was cast out into the earth and his angels were cast with him.

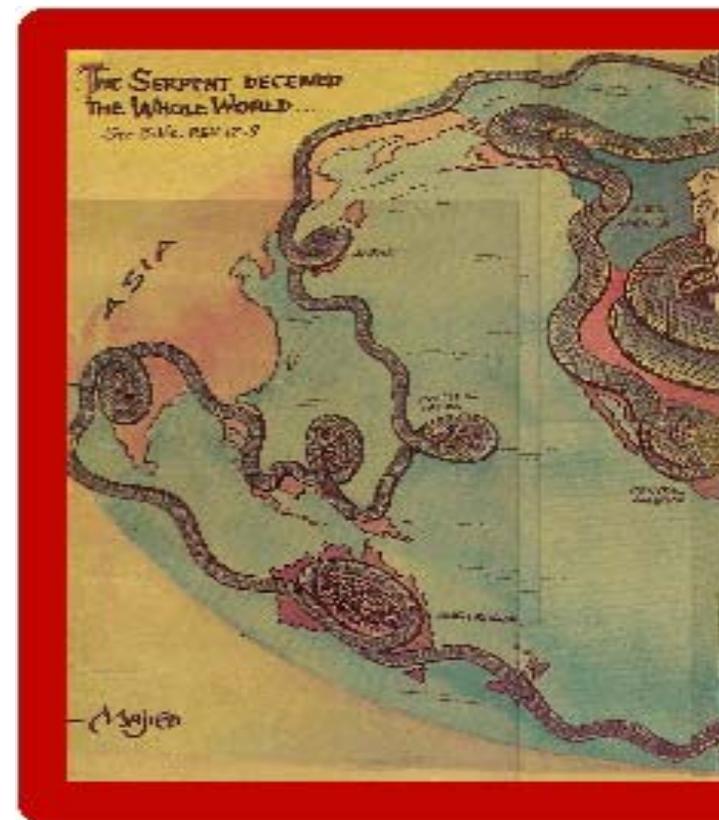

This, I can say truthfully, that for the last few weeks of writing on this particular subject in Chapter 12 of The Revelation, you that have been reading it, now, understand who really the dragon is.

The dragon is that particular person or people that is called the devil - the Satan.

This particular chapter (the 12th Chapter) gives us a good knowledge that this is not no spook or spirit or something other than human. The

dragon is a human and we find it here in the 3rd verse of the same chapter (the 12th).

In the 3rd verse of the 12th chapter, it reads something like this, and there appeared another wonder in heaven and the holy great red dragon having seven heads and ten horns and seven crowns upon his heads.

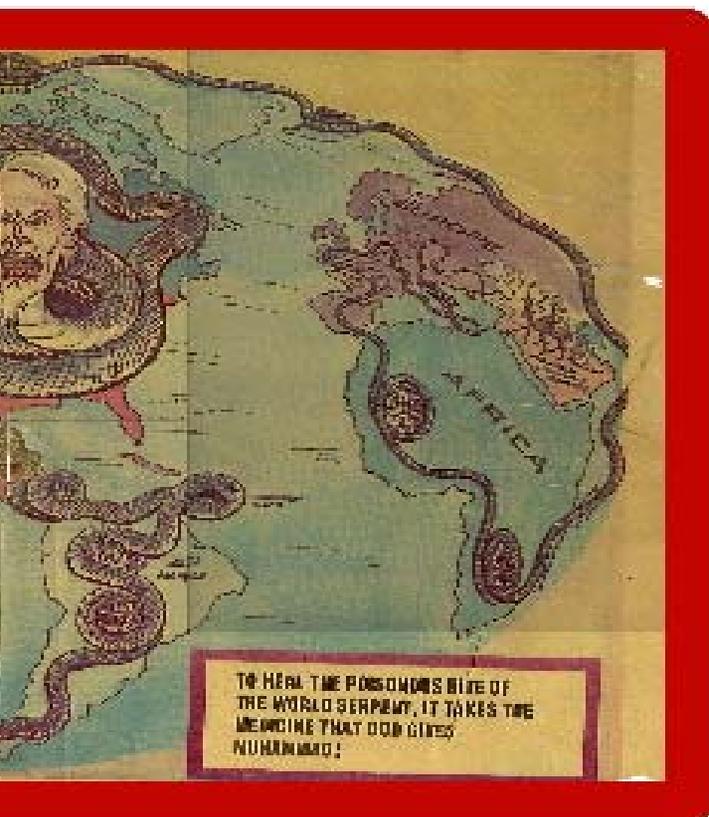

Seven crowns upon his heads. This cannot refer to a savage four-footed (or legged) beast. It cannot refer to some spirit. This refers to a human being or beings. And the name dragon is given according to the characteristics or work of that being.

I say a very good interpretation or proper name for this word or name dragon is because the particular wicked character, whom the prophet

ragon

gave this name to, drags people- the good people - away from good and induces evil instead of good for them.

He's ever dragging the righteous from the path of righteousness away from Allah, the true and living God. Deceiving them, as it teaches us here in the 9th verse. He deceived the whole world.

No snake, no beast, can deceive us. It takes another human being, with intelligent brains like ours or more intelligence than ours to deceive us.

When one deceives another in the human family he's given credit that he has a little more brains or a little more skill in tricking the other one and making the other one a prisoner or prey to his knowledge.

So it is with the serpent or dragon,

here, referred to in Genesis and also the Revelation. The first and the last book mentions this serpent.

The serpent, here, is a human being. He had the voice of a man, or people, in the garden of Paradise. He could speak even Adam's own language. And he understood the language of God. So, therefore, it was not a real snake, as someone has made you to believe in the past to blind you further to the knowledge of actually who the serpent really is.

They said that, even, the snake used to walk, but having the language to speak and converse with human beings was also to be reckoned with. If he walked on four feet or a hundred feet, how about that language!

Could he speak our language? Or could he deceive us, and he being a reptile?

Alligators go on four feet. There are other reptiles, today, that are crawling and walking on four feet and swimming in water, but they don't deceive us. They are not smart enough. Nature didn't give them that intelligent brain to equal our intelligent brains. So, therefore, this particular character under the name serpent, or dragon, mentioned here in the Bible - in Genesis and the Revelation - refers to a human being or many beings.

Why that it's mentioned, or the pronoun "he" is given to him here or referred to as singular, is due to the fact

The Honorable Elijah Muhammad
MESSENGER OF ALLAH

that the Revelation is mentioning the very head of the dragon people or the serpent-like people, which only means their characteristics.

This particular dragon is the head of the nation or race. And therefore it is mentioned clear enough for you and I to understand, here in the third verse, that he had seven heads and ten horns and seven crowns upon his heads.

Now this is the head of the head of that particular serpent or dragon. And being given to us or taught to us in symbolic language, we find that these heads represents something material. These heads represent government, people or actually places of power

The Dragon

Continued from page 13

where the serpent-like people or dragon-like people rule.

Many have interpreted the seven heads here as being the seven hills in which Rome is built upon. And actually the dragon being The Pope of Rome. That has been interpreted.

I'm not going to deviate from that meaning because it is clear that it refers to some heads or some head under such title or characteristics of that particular power that is ruling and that power which is opposed to the power of righteousness and justice.

So the head of the dragon is the head of the church of Christianity and also the general ruling power of the Caucasian race, according to the way that it is given and interpreted by scientists of religion of Christianity and others.

So we, here, are dealing with a people whose characteristics is that of a serpent or snake. So this particular people are very evil and tricky.

They are tricky people who love to deceive the people, as the 9th verse of the 12th chapter warns us that he deceived the whole world. Snakes are not capable of deceiving the whole world. It takes human beings to fool or deceive other human beings as I just said. So this refers to a people that has deceived the whole world. We don't know no people, who has the wisdom or brains to deceive the other people of the earth but the Caucasian race, who has actually been the rulers of the people of earth for the past 6,000 years.

It is this race who has ruled and just opposite to right. They have been a people that has ruled the Original people of the earth under a rule of evil, wickedness and bloodshed. And they have ruled them under deceit. This particular people, now, today, are referred to as serpent and dragon - the great red dragon - that was found also in heaven.

We say heaven, here, could mean the whole earth or in the most holy part of the earth. If that is referring to the holy part of the earth, it means Arabia.

Arabia is and has been the most holy part of the entire earth because she can boast of the very origin and birth of most of the prophets that we have history of .

Therefore, the holy or religious people has been found in that part of the world or earth every since the creation of Adam (6,000 years ago).

Now, this particular red dragon, if it means the Caucasian race, or the head of Christianity in Rome, we find that this particular race of people are in Arabia today and all over the planet earth.

And since the 9th verse says that they deceived the whole world, it stands true, if they have, now, gotten power and a hold on that particular country that they can work there and carry out their own way of civilization in certain parts of that holy and sacred land and people, then it proves, beyond a shadow of a doubt, that this particular 12th chapter and the symbolic serpent and dragon there only means the Caucasian race and their religion which is capable of deceiving the people.

It is true that they have spread their religion all over the earth, as well as Islam, has also gotten a powerful hold on the people of the earth. But Islam has not boasted that she has ruled and attracted the people of earth a hundred per cent for the last 1400 years, near. But Christianity has gotten a hold of the people throughout the entire earth and there are many Muslims, who have also went from Islam and has accepted Christianity. But, yet, we see this particular serpent, this red dragon, as being the power and head of the Caucasian race, working deceitfully and deceiving the people of the Original Nation - the darker people - throughout the earth.

And today, when there is a great change or reform coming and a new religion or new conception of Islam to suit the needs and time that it is now in. A complete New Islam is coming to the people. And the God of Islam is to remove the opposition to Islam today. And this is by going directly to the head of the opposing religions and people. That is what we are now and has entered into. It is a war between right and wrong.

We know that Allah is true and the only true God. We know that Islam is the only true religion, which means entire submission to Will of Almighty God, Allah. We know that. And the world of infidels knows that.

It has started now in America among the so-called Negroes, the Lost and Found members of that great Asiatic Black Nation, who has been here, lost from their own people for 400 years and who has absolutely been deprived of intermixing with their own kind and has deprived their own kind to come among them and teach them of themselves and of their religion, Islam. This is absolutely true and the world over knows that.

So, here, let us look at the work of this particular, red, dragon. The 4th verse says, his tail drew the third part of the stars of heaven and it cast them to the earth. This "third part of stars", here, represent, not only, the third part of the people of righteous, but it could refer to the scholars or scientists of Islam that they, themselves - a third of them, have agreed or will agree on the side of the dragon. Not that it actually will be done. This is just only suggesting.

When we say stars referring to human beings, it means that particular character who has achieved a very great height into education or into whatever the case may be, they have become more smart or wiser in it than anyone else, therefore we call them stars or who absolutely is more qualified than the general public or the common people of that race or nation. That is why I said it must refer to the scientists.

But if it refers to the people, that is also true, that the dragon probably will carry with him a third of the civilized people of earth other than his own, because he has so deceived the whole entire world. And if he has deceived the whole world, it is possible that he can carry along with him a third of that particular world, that he has deceived, even after he has been made manifest to the world that he is a deceiver.

And since that they have to prove that he is a deceiver he could keep and hold in subjection, to his deceit or power to deceive, a third of those whom he had already deceived.

It says that this particular dragon or the devil, here, stood before a woman which was ready to be delivered to devour her child as soon as it was born. This woman that the dragon stands before can easily be understood.

If the dragon is people then the woman has got to be people. And if he stands before her, it means he is hindering her. As one is in front of another to impede the other one's progress in the race or in going forward.

This is what it's referring to, here. That the dragon stands before the woman to impede her progress or to destroy her progress in delivering her child as soon as she had planned.

Now the woman could stand for a Messenger of God, who is pregnant with the conversion or the resurrection of a people or a great Nation of people. Or it could refer to the Coming of God in Person. That the dragon hindered God or stands before God to keep Him from performing His purpose or duty to deliver a people that is, now, ready to be delivered.

Let us look at this again. The possibility of such dragon hindering the birth of that child and his evil intentions is to devour it as soon as it is born. So he watches it, he's before her, and he intends to be at the birth of the child because he doesn't intend that the child should be born and then grow up.

So he's waiting for the birth of this child in order to destroy it as soon as it is born and that will keep it from growing up becoming mature.

If it ever comes to mature, then he would not be able to destroy the child. So he wanted to get it in it's infancy. This refers to here, if we understand it clearly, and which I believe we do, according to the time the work and the history of the prophets in the past and their

followers and according to our understanding of the Last Messenger and his followers before the general judgment of the wicked, refers to none other than the American so-called Negro.

They are ready to be resurrected. Their time has arrived that they should be resurrected according to this same book, The Revelation, here, and another place it says that time of the dead that they should rise and that they should be given knowledge in words that the particular chapter mentions this particular time as being the time of the dead, meaning that they should rise and come to life. A people that is mentally dead.

And here stands a dragon or an enemy to that people to prevent their rise or resurrection into the knowledge of God and the knowledge of the devil. So therefore they stand ready to destroy them and this means no other than the people that we are now living with here in America.

We find that we are hindered here to become converts to Almighty God, Allah, and the religion of Islam. What's going on in Los Angeles today? It is a trial of my followers before the courts of the infidel and before the people that have proven themselves enemies of my fathers and myself and all of my people - the darker people of earth.

They have proven themselves, openly, that they are the enemies of Blackman. And they have proven that they are against the Negro in America from becoming

When the going gets tough

Husband and wife must do their part

By

Brother Alif Muhsin

As-Salaam-Alaikum

DETROIT, Mich.--Unfortunately marriage has become a thing of the past.

In today's society, under the United States government, we have been geared into believing that its better to stay single and live together rather than get married.

Under United States common law marriages, permitted in 1952, people are allowed to live together for at least one year or more without getting married.

Most relationships exceed these limits, and some never get married.

Such laws have caused the people to think it's okay to shack up and fornicate.

This also makes it easy for a weak man or woman to leave their "spouse" when the going gets tough.

In the Nation of Islam, under the teachings of the Honorable Elijah Muhammad (peace be upon him) there is no room for weak men and women.

We want to prepare better men and women to be wives and husbands.

The Honorable Elijah Muhammad teaches us to get married and stay married.

Man and wife in Islam are one. She works to please her husband and he works to please his wife.

Man and woman must do their part as husband and wife. She must birth children, nurse them and have a peaceful home.

It is the woman's job to keep the peace, but man should not wreck the peace of the home by arguing. He should speak without acting savage.

The Honorable Elijah Muhammad teaches us that a man has no better heaven than his wife, and if he has no heaven there, then there is no heaven.

Heaven begins at home. A wife's mind should be to console her husband's mind. She is to do something in the way of making him feel good to go out tomorrow to work.

The Honorable Elijah Muhammad instructs the

Brother Alif Muhsin

Strong. Young Black Soldier, Fighting in the Cause of Truth

woman to check a man out before taking him as a husband. Check his character; take note of the type of friends he keeps.

If possible, find out his family background. Is he an honorable man? Can his word be trusted? Is he able to support a wife and

family? What is his attitude towards children? These are all very important points a woman must consider in selecting a husband.

As husbands we must carry out our duty as good Muslims, husbands and fathers. Our families look to us for strength, protection, and shelter.

We must treat our wives right, give her what she needs. How can she cook for you if you don't bring any food home to cook?

We must provide for her, and take her out when she wants to go out. Why not please her and keep her happy if she's a good woman and pleases you?

Being married for over 4 years, I am learning that it gets hard, especially financially, but we must understand our role.

Women should console their husbands when the going gets tough, and the men should shoulder our responsibilities and work hard to provide for our families.

Don't run from your duty as man of the house, leaving your wife with a broken home.

We must show our children how to be good husbands and wives by example. They will pattern their lives after ours.

When we have a problem sit down and talk in a civilized way and put it in the hands of All Mighty God, Allah, Who came in the person of Master Fard Muhammad.

If we do this we will all have healthy marriages, strong families, and happy homes.

THE DRAGON

Continued from page 15

a Muslim. Therefore they stand in the way of the converting of the Negro into Islam in America.

My time is now up. The half-hour is up. And so I will continue this broadcast on the same subject next week at the same hour, if permitted.

I thank you, who have been listening, may the peace and blessing of Almighty God be with you, as I say to you in the Arabic greetings, As-Salaam-Alaikum.

Who is that Mystery God?

By

Shahid Basir Shabazz

INGLEWOOD, Cali.--In the name of Allah the Beneficent, the Merciful, Who appeared in the person of Master Fard Muhammad, to Whom praise is due forever, and in the name of His Last and Greatest Messenger, Elijah Muhammad,

As-Salaam-Alaikum.

Messenger Elijah Muhammad teaches us that God is man and has always been man. He teaches us that the title.... "God means possessor of power and force." (Message To The Black Man pg 41)

Consequently, what sum of spirits can we identify having or possessing the power of force over our lives and verifies heaven and hell while we live, other than the spirit and reality that is produced by and emitted from another human being (Man)?

Isn't it true, that we cannot and will not find a spirit outside of a human being (Man) to govern or guide us?

Messenger Elijah Muhammad

states in his above mentioned book (MTTBM), chapter 1: ALLAH IS GOD, WHO IS THAT MYSTERY GOD? "The Christians do not believe in God as being a human being, yet they believe in Him as being the Father of all human beings. They also refer to God as He, Him, Man, King and the Ruler." They teach that God sees, hears, talks, walks, stands, sits rides and flies, that He grieves or sorrows, and that He is interested in the affairs of human beings."

"They also teach that once upon a time He made the first man like Himself, in the image and likeness of Himself, but yet they believe that He Himself, is not a Man or Human. They preach and prophesy of His coming and that He will be seen on the Judgement Day but is not Man. They cannot tell us what He looks like, yet man is made like Him and in the image of God, and yet they still say that He is a mystery (unknown).

"The word 'mystery,' according to the English dictionaries, is something that has not been or cannot be-something beyond human comprehension".

It's important that we keep in mind that the English language is the tool by which we use to communicate thoughts, feelings and ideas.

The English dictionary gives definition (meaning) to the words that make up the English language.

If used properly, one can acquire an understanding of what he or she has absorbed, understood or projected, in any given writing or intellectual exchange.

In regards to the definition that the English dictionary has given to the title God, we will examine that title (God) and the significant words in the definition.

Now, let's see if we can reason together and agree that God is a Human Being (Man) in the plainest language.

DEFINITIONS HE: a male human being.

SUPREME: Highest in rank or authority.

BEING: Having existence or being a living thing having the state or fact of having independent reality. Chronological order

1. HE: Male One

2 HIGHEST Exalted in character.

3. AUTHORITY: Having the power to influence.

4 EXISTENCE: A rear or actual Being .

5 LIVING: Having life.

6: THING Being a matter of concern.

7: STATE: In this condition of being.

8 FACT: Something that exists or is real.

9 INDEPENDENT: Not governed by another

10: REALITY: Something that has existence

Form a sentence using the above definitions. 1-10. What understanding do you get?

This is the God that Messenger Elijah Muhammad represented to us. His Most Proper Name is Allah. He came to us from the East IN THE PERSON OF MASTER FARD MUHAMMAD TO WHOM PRAISE IS DUE FOREVER.

I say, as Messenger Elijah Muhammad said, "Let that one among you who believes that God is other than man prove it!"

WOMAN IN ISLAM

‘What is that on Your Head and Why do you Wear it?’

By

Sister Samirah Muhsin

“What did your mother think?” that is the number two question I get asked by inquiring minds. The number one question is, “What is that on your head and why do you wear it?”

Well it’s a headpiece that’s what we call it in The Nation of Islam. Some other Muslims call it a hijab. But ours is a headpiece. It’s different. Ours is specially designed for us, women who follow the teachings of the Messenger Elijah Muhammad.

We wear it for modesty. We don’t want to be in your face -with flowing hair and skin everywhere saying, “look at me”, “lust for me”.

Our garments are designed to say “respect me” and “protect me”.

Attraction is the name of the game, when it comes to hair, nails and clothes.

Sisters don’t spend \$60 on hair, \$30 on nails and \$90 on clothes for their health. It’s all to look good, for yourself, your man and anybody else who might be looking.

Don’t get it twisted, Muslim women want to look nice and well dressed but we have learned from

Sister Samirah Muhsin

Messenger Elijah Muhammad’s Teachings “...the Muslim sister is never again seen wearing vulgar, immodest, indecent attire.”

Messenger Elijah Muhammad taught us that, “ours is refined and tailored look and it displays our nature, which demands the respect of everyone.”

Some people think we don’t have hair, or that it looks messed up, or that our husbands are jealous of other men and want to keep covered. These are false reasons.

We wear our beautiful garments so we don’t attract sexual attention, which could lead to desire which could lead to, fornication, adultery, harassment, or disrespect.

We wear it to protect us from being the subject of indecent thoughts, gestures, comments or proposals.

We wear it for modesty and let us not forget that modesty is a virtue.

The Filth That Produces The Filth

The Shyless

Holy Quran (7:27) O children of Adam, let not the arch deceiver seduce you, as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their Original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cavesides of Eurpoe, until the birth of Moses.

You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Wait and see.

The Disgrace

True Believers must make a special effort to rebuild our Nation of Islam

by **Sister Edna 10X**

NORTH CAROLINA--In the name of Allah, Who came to us in the Person of Master Fard Muhammad.... the one God to whom all praises are due forever.... And in the name of His last and greatest Messenger...The most Honorable Elijah Muhammad:

As-Salaam-Alaikum

My dear beloved righteous brothers and sisters: I pray to Allah in the name of His Messenger that this article touches all of our hearts, and will help to bring about the unity of the true believers.

We cannot lose focus of the time we are now living in, and the transition that is taking place on our Planet.

If we think back to the beginning history of the Nation of Islam, when Our Savior Allah appeared among us in person, this country was in a deep depression.

The black man and woman of North America was in despair, as well as all of the population of the U.S. of America.

As the saying goes, "As it was in the beginning, so shall it be in the end".

This is a very dreadful day and time in which we are living.

According to what our leader, teacher and guide, The Most Honorable Elijah Muhammad taught us about what would take place in this country in the last days before the destruction; we see these things taking place right before our eyes.

It is a must that we the righteous true believers make a special effort to rebuild our Nation of Islam.

The Most Honorable Elijah Muhammad had complete Faith in Allah's promise to protect him from his enemies.

For Forty Years the spirit and power of Allah, His energy, was with the Messenger as well as the believers.

There was complete faith in our hearts and minds in what our leader and teacher taught us.

The Nation of Islam became a mighty force in America.

Our accomplishments gave hope to our people, as well as respect from our brother and sisters throughout the world.

May the peace and blessings of

Allah be upon all of the former prophets of Allah; as well as the last Messenger of Allah, who is no longer among us today.

We are small Gods and Goddesses, but not the supreme God. And Allah's power and spirit can carry the believers to success and unity.

Divide and Conquer is a tactic that our enemies use to keep us divided.

We must focus on our history. Our Savior Allah searched the earth for us to bring about Justice to us.

The horrible suffering of our forefathers and Mothers should never be forgotten, their suffering cannot be in vain, nor should the accomplishments of forty 40 years of labor be in vain.

We must prepare for our Exodus. This was the purpose of Allah's coming. We must not forget this.

There are very, very, dreadful days ahead.

Nine (9) years ago I wrote a poem which I dedicated to my dear mother. This poem came to mind while I was writing this article:

MY OTHER HALF

WRITTEN BY SISTER EDNA 10X (MCFADDEN)

*I have begun to see and realize
That stronger side of my existence,
That deep internal limb
Which I had assumed was dead, forever lost.
A misunderstanding of my ungrown soul
was and always will be, forever, a part of me.
After all my years and tears
of emotional turmoil,
I have now grown to know that, within me,
There lies strength and determination
which was passed down to me
from you dear Mother (the birth of a Nation)
from an ancient and spiritual family tree*

May the peace and blessing of Allah be upon the righteous true believers in the name of His last and greatest Messenger, the most Honorable Elijah Muhammad.

As-Salaam-Alaikum

VOTE FOR SELF, BLACKMAN!

By

Salahuddin S. Muhammad

From The East to The West and from the North to the South The Heavens and The Earth belong to The Asiatic Black Man."

Salahuddin Shabazz Muhammad
Pictured at Detroit's Eastern Marker, where he is often found soldiering in the Cause of Truth (Islam).

DETROIT, Mich.--I bear witness that there is no God to be served or worshipped besides Allah, Who came in The Person of Master Fard Muhammad, and I bear witness that The Most Honorable and humble Elijah Muhammad is His True servant and Last Messenger, I greet you with the greeting of Peace and Paradise

As-Salaam-Alaikum Beloved Brothers and Sisters (The Blackman and Blackwoman of America).

In these days of confusion and war, it is a Divine blessing to know that there is a message of salvation to guide us (The Black Nation) through the mine fields of death and destruction.

In this political climate of lies deceit and deception the majority of Black People are trying to decide who to vote for? A lying murderer or a deceiving killer in a day when black men have become so weak, that we can't give our wives and children peace of mind and protection.

We still have so-called "Black leadership" advocacy of "get out and vote" registration drives to put the welfare of our women and children in the hands of our open enemy, the caucasian white devil.

It is a shame and disgrace, in the year 2004, that any "Black Man" is placing his life and the future of His Nation (Black People) in any one's hands but his own!

I will forever thank Allah, Who came in The Person of Master Fard Muhammad, for finding The Most Honorable Elijah Muhammad and teaching Him to teach The Black man how to be not just a man but how to evolve into a "God".

The Black Man must know that the only vote that will get him an answer to his needs and wants; is when he votes for the "Black God", a vote for the God of the Blackman is a vote for the Blackman.

A vote for devil Bush or devil Kerry is a vote for all devils!

How are you going to win Blackman? When you vote for a white man?

The Most Honorable Elijah Muhammad taught you and I, Blackman, to unite among ourselves, to pool our talents and resources together. Then, and only then, will we begin to establish a Nation where we are in charge and in authority over our lives and future.

It is no accident that some so-called black leaders will use dancers, singers, and even clowns as examples of black inspiration but they never mention the boldness, courage, sacrifices and accomplishments of The Most Honorable Elijah Muhammad.

We can't be cowards and be rulers at the same time.

To the Christian Ministers and your followers, when you remember Jesus don't forget Nat Turner!

My people I wrote these words not to condemn any of you, however in this critical time in which we live, I will not mince words.

We have a God on our side who will destroy nations for His love for us and we have the words of instructions and example left by His Messenger, The Most Honorable Elijah Muhammad.

I strongly urge you to seek out a Temple of Islam in your area to visit and find out about yourselves.

Every Blackman and woman, has a responsibility to the survival of the Black Nation.

It is not the responsibility of any white man politician to address our concerns.

We will not have anyone with that kind of authority but our God Allah and ourselves.

Come to Islam as taught by Messenger Elijah Muhammad and all fear, grief and sorrow will be removed from you, This Islam has done it for me, and it will do it for you.

WHAT ISLAM HAS DONE FOR ME

*We are The
Mighty, The
Wise, the
Best, but
don't know it.*

By
Brother Malik Muhammad

Detroit, Mich.—In the name of Allah, who came to us in the person of Master Fard Muhammad, the true and the living God to whom all Praises are due. We forever thank Him for raising up the Most Honorable Elijah Muhammad (peace be upon him) from among a people that had never had a Warner come to them before.

Being without the knowledge of self, we disgrace ourselves, subjecting ourselves to suffering and shame.

We could not get the knowledge of self until the coming of Allah.

“To know thyself is to know all men, as from us came all and to us all will return.” The Messenger’s words from Message to the Blackman pg 32.

Beloved Brothers and Sisters, Islam as taught by the Honorable Elijah Muhammad has brought me out of the dark pit of ignorance into the magnificent light of truth.

Before learning the Teachings of Messenger Elijah Muhammad, I believed as most of our Brothers and Sisters believed; that God, was a spirit that couldn’t be seen, and that the devil was a spirit that ruled the wicked somewhere in the middle of the earth, and that He took evil souls and threw them into the fire and they burned forever and forever.

I had no idea that neither God nor the devil were spirits, and that God was the all powerful Black Man, and that the devil was a race of evil people (white people).

It was only through the power of Islam as taught by the Honorable Elijah Muhammad that brought me out of that slavery teaching that had been taught by the devil in order to keep us ignorant to the real God of the Blackman. That God, Master Fard Muhammad, left His Heaven

Brother Malik Muhammad pictured here soldiering with Muhammad Speaks on the Streets of Detroit, Michigan

seeking that which was lost for over four hundred years Namely, the members of His Tribe of Shabazz, that had been the kidnapped by white people to work for them in America.

The Messenger teaches us that we are now found and that we have a true God on our side that loves us and delights in fighting our battles for us if we will submit our wills to His.

He (Allah) raised up His Messenger and taught him for three and a half years the knowledge, wisdom and history of God and the devil and then commissioned the Messenger to teach it to us.

I am sure you realize that the devil (white people) would never have taught us that God was a man And there is no way that he would teach you and me that God was a Black man.

The devil has been trying to keep this information from the Black people. He has taught our people that Jesus was the only begotten son of God, and then plastered a white Jesus all through our

community so we would draw the conclusion that if the son of God was white then it follows that the father, God is white, so it would be easy to get us (black people) to follow him, thinking *he* is close to God.

Nothing is farther from the truth! God is a Black Man and the family of God is Black, but without the teaching of Islam as taught by the Honorable Elijah Muhammad, I would still be lost in sin following the path of the devil.

You can not protect yourself against the devil if you don’t know who he is. If you think he is a spirit, but he is a man and you are following him and his life-style because of your lack of knowledge, then you are setting yourself up for whatever punishment that God puts on him (devil).

I am eternally grateful to the Messenger for staying on his post so that I and all Black Brothers and Sisters would have a chance to learn Islam, so that we would have a chance to live in heaven and not Hell.

Why I’m still a Muslim

By
Brother David Muhsin

DETROIT, Mich.—As-Salaam-Alaikum (Peace be unto you).

Brothers and Sisters to tell you a little about myself, I am 16 years old and was born in the Nation of Islam and I am still a Muslim today.

I realize that the things that Islam has done for me probably wouldn’t seem as intriguing to a non-believer in Messenger Elijah Muhammad’s teaching’s as it would a believer in Messenger Elijah Muhammad’s teaching’s.

But what is intriguing is the fact that I am still in the Nation of Islam and still a strong believer.

You may wonder what has kept me in The Nation .

You see, Islam is a religion that proves what it teaches to be the truth and what better proof than examples.

This religion can and has changed our black people from past alcoholics, drug addicts, smokers, gamblers and etc... and cleaned them up into civilized men and women.

I have seen brothers and sisters come into the Temple of Islam for the first time off the street looking like savages, and it is amazing to see our people (black brother and sister) slowly change from savage to civilized.

You would think that “since Islam does all this for you then why would any body want to leave in the first place?”

I used to wonder, but I have learned that some people have hang’ups.

For example there was a brother

Brother David Muhsin

who was in The Nation and left out. When I saw him again he had a scar on his face and a glass eye.

So after catching, what I’m sure was an over-whelming amount of hell, he came back into The Nation and began doing well again.

But when he got blessed, with some money he forgot all about Almighty God, Allah and what The Messenger’s Teachings gave him (The blessings). From what I hear, he is catching double the hell he caught the last time.

Looking at this example, and many others I have seen, it is easy for me to see what will happen to me if I go astray from what Messenger Elijah Muhammad taught.

Allah is a just and Merciful God. And in His Mercy, He blesses us with examples of what not to do, to lead us in the right direction.

We see examples all around us, of those who leave The Nation and stop practicing the Teachings of Messenger Elijah Muhammad. They all end up in hell (a bad state or condition that is suffered in life and not after we die).

Many try to make an excuse for leaving the Nation but, no one has an excuse to leave the Nation of Islam.

Messenger Elijah Muhammad's Teachings

New Believers Tricked into False Worship

By Brother Minister Levi Karim

DETROIT, Mich.— In the name of Allah who came in the person of Master Fard Muhammad, to whom all praises is due I forever thank Allah for His last Messenger the Most Honorable Elijah (peace be upon him).

I had a young brother (new convert to Islam) say to me that “The Minister” told him that he talked to Messenger Elijah Muhammad on the Mother ship.

My heart went out to this poor young brother and others like him who really believe such teachings out of their love and trust of “The Minister” who told them this lie.

I said to this brother, and I say to all of you in this condition, The next time “The Minister” says that to you, tell him to prove it.

I said, “Brother you were told one of the biggest lies that ever was told”.

I know how it goes. I’ve seen it all before. A lot of times we know deep down in our hearts (minds) the truth of a thing, but out of love, respect, and trust of a person you accept what they say without question, because you don’t want to offend that person, by questioning him.

So even though your common sense tells you that he is lying, you don’t say anything you just go on like a fool.

These new brothers and sisters condition are in the same condition as our people, who more than and 400 years ago, were tricked into believing that Jesus left the earth, after his death, on a cloud, 2,000 years ago, and would one day return.

“The Minister” and his poor blind followers, now refer to Messenger Elijah Muhammad as “The Exalted Christ”.

Why? Messenger Elijah Muhammad never referred to himself as The Christ. As a matter of fact, The Messenger made it clear to us on page 50 of *Our Savior Has Arrived*, Who The Christ actually is.

The Messenger wrote: “Who is Christ? They say, ‘Jesus Christ.’ What Jesus Christ? Jesus wasn’t even a Christ back then 2,000 years ago. According to the meanings of ‘Christ’ that name means One coming in the Last Day or Crusher—He Crushes the wicked: Christ, the Crusher. Jesus didn’t do that. This is the Mahdi who

will do that today, the One whom we are representing to you: The Great Mahdi; the Restorer of the Kingdom of Peace on the Earth.”

Then the Messenger writes on page 96, “Allah (God) in the Person of Master Fard Muhammad, praise to Him forever, The Great Mahdi and the Messiah that the world has been expecting to come for the last two thousand years, has come and is going about His work as has been predicted He would do.”

I thought about what the advantages and disadvantages could be for a person to believe that they will one day meet a physically dead person again, in the flesh?

The Christians, who have been waiting for the return of Jesus for the last 2,000 years is a good case to study on this subject.

One might think that the advantage is hope. But what good is false hope, especially when we KNOW it is a false hope.

Now, take the followers of Messenger Elijah Muhammad, who accept what Messenger Elijah Muhammad taught on page 152 of *Our Savior Has Arrived* that, “We should be intelligent enough to believe in that which can be or has been proven true...There is no proof that there was or ever shall be a time when people will return to life after they are physically dead.”

Messenger Elijah Muhammad taught that the account of the “Resurrection of the dead” in the Bible was symbolic of “Making the Truth known to a MENTALLY DEAD people.”

I say about “The Minister” what Messenger Elijah Muhammad said about the white man on pages 31 & 32 of *Our Savior Has Arrived*, “I think the white man is pretty smart, He puts you in falsehood and fixes it so that you cannot condemn him. You ask him, “Where is that God? He says, ‘Look up.’ “Where is that heaven? He says, “Look up.’ I say he is a very smart man to fool people by the hundreds and millions and whole nations and races. They don’t question, They bow their heads and say, “Yes sir’, and go on with nothing...”

Though you know that Messenger Elijah Muhammad was sick in the hospital before he passed away in 1975, Though you know that

funeral services were held in Memory of Messenger Elijah Muhammad, which “The Minister” attended, he is still able to tell you, like the white man told our people 400 years ago, that he rose from the dead, ascended up to the heavens (Mother Plane), as the Exalted Christ, and that he (“The Minister”) can talk with him from time to time.

And you take it and swallow it, hook, line and sinker. No questions.

The Christians make Jesus the equal to God. Now here comes “The Minister” to put Messenger Elijah Muhammad in God’s place as “The Exalted Christ”.

But on page 153 of *Our Savior Has Arrived*, Messenger Elijah Muhammad wrote, “Jesus did not make Himself the equal of God...”

And I say, Messenger Elijah Muhammad did not make Himself the equal of Allah.

The Messenger wrote on page 152, “Making the Son and Holy Ghost the equal with the Father is absolutely sinful”.

The truth is plain and clear. No need for confusion, whatsoever. Messenger Elijah Muhammad wrote, “We cannot find anything

to give Jesus as a title but a “prophet: and He did prophesy” And we can not find anything to give the Honorable Elijah Muhammad as a title but a Messenger and he did deliver The Message to the Blackman from Allah, God, in the Person of Master Fard Muhammad!

Messenger Elijah Muhammad said in a 1973 interview with Mr.

Kupinet. “I don’t want you to look at me as nothing but a Messenger, to tell you what someone said to me.”

The devil got away with his lie until Allah, raised up a Messenger to tell us the Truth.

“The Minister” got away with his lie until the MESSENGER’S FOLLOWERS stood up to tell you the truth.

I Still Bear Witness that There is No God But Allah, Who Came in the Person of Master Fard Muhammad & Elijah Muhammad is His Messenger

By

Muhammad Saleem Bey

OAKLAND, Cali.--In the Most Holy Name of All Mighty God Allah Who came in the Person of Master Fard Muhammad to Whom all praise is due for raising up one among us Our Leader and teacher The Most Honorable Elijah Muhammad The Messenger of Allah.

I greet my Brothers and Sisters in the Divine greeting of As-Salaam-Alaikum

I, Brother Muhammad Saleem Bey, also known as Michael X Stewart, came in the Nation of Islam in 1967 and was raised in Harbor City CA. (LA Harbor area).

I still bear witness today, in 2004, there no God but Allah Who came in the Person of Master Fard

Muhammad and His last Messenger of Allah The Most Honorable Elijah Muhammad.

But today we have disbelieving

"Now, tell us would you hope to live to see that the Gods will take the devil into hells very near future?"

Answer. Yes, I fast and pray Allah, In the Name of Prophet, W.D. Fard that I see the Hereafter when Allah in his own good time takes the devil off our planet." --THE LESSONS

Muslim Ministers and Imans. They belive they can save America! How can you save a people that is 100% wicked,White devils! They love the devil because the devil gives them nothing.

Today, in 2004, they love the devil because he gives them gov-

ernment grants (NOTHING).

We, who belive in the teaching of the Honorable Elijah Muhammad, The Messenger of Allah, says to us you cannot save the devil because his time is up.

The Messenger of Allah taught this for 40 years.

We, here at Your Black Muslim Bakey, bear witness to Messenger Elijah Muhammads Teachings, just as we did in the 1960's.

How can you save this devil and disbelieving Hypocrites (Ministers and Imans), when they are disliked by Almighty Allah, Who came in the person of Master Fard Muhammad the God in person.

You are making a mistake! You cannot save the devil or change his wicked ways. It is the Nature of the devil to be wicked.■

Reponse To Wholesale Murder of Black Women in Kansas City

Continued from page 10
servitude..."

"Our oppressors own and control everything. We have nothing. What, then, is the basis of our vaunted and foolish pride?"

"Something must be wrong upstairs. I ask you how in the name of common sense can we be satisfied with our roles of servitude and as the helpless victims of injustice?"

If we have simple intelligence and love for our fellowmen we must sound the alarm and let the world know we are not satisfied. We must shake off the dead, dumb and blind shackles that have beset us for generations and move toward unity of our kind..."

"...We must unite at all costs. Once united, we must stand fully packed as a wall against injustice. If your brother does not want to unite with you, then you must teach him, cajole him, urge him, and persuade him by all methods available until he realizes that he, too, must give his all on the altar of justice. For what if ten million of us die in the process, the remaining seven million or more of us will enjoy freedom, justice and equality!"

Allah is sufficient for all our needs. This is why I do not have to beg from our oppressors or march on their Capitol with my hat in my hand. For how can I on one hand preach the doom of the

oppressive system and then with the other hand ask alms of the oppressor. Allah is our God. We are His Blessed. He has given all the world to us if we would but first give our all to Him..."

"...I want you to know that our oppressors are exerting every effort to prevent you and me from uniting. They do not want a united Negro, they do not want an Islamic so-called Negro. They know that Islam frees Black men from fear..."

"You have a blind spot because you have not come to the religion of your people. Instead you are weeping and moaning over the death of Jesus two thousand years ago.

"You are going insane over the preaching of Jesus' life and death. Yet, you don't weep, moan and go insane over the rapes and lynching of your own people in your own time.

"It is a modern disgrace to see you shouting and having spasms in church over the mistaken notion that God gave His only son to save the Christian world. What a shame! What fool God would give His only son to save the devil?"

"What fool people will give their all in the vain hope that the devil can change his horns and lay down his pitchfork?"

Best Wishes

Your Black Muslim Bakery Inc. has been serving the health and wealth of the community for over thirty years. We offer a wide range of quality healthy products.

Our Bakery Specializing In: Variety of Whole Wheat Breads, Rolls and Buns, Oatmeal, Ginger, Carob and Chocolate Chip Cookies. Our All Natural Peach, Apple, Bean, Honey, Carrot, and Blueberry cheese pies are order by customers from all over the world, We also offer all natural cakes, cupcakes and sweetrolls are our most popular items. Our take out features delicious Bean Soup, Fish, Tofu and Vegi Sandwiches.

Dr. Bey's Body Beautiful Holistic Health and Hygiene Products are free from commercial poisons and holistically address all body ailments. Some of our products include: Colon Cleanse, Parasite Purge, Detox Tonics, lotions, liniments, therapeutic bath salts and more.

All Products Available for Mail Order

The Muslim Program

What the Muslims Want

This is the question asked most frequently by both the whited and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.
2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.
3. We want equality of opportunity. We want equal membership in society with the best in civilized society.
4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and mineral rich. **We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.
2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.
3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.
4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.
5. **WE BELIEVE in the resurrection of the dead - but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans. We believe the black men should be freed in name as well as in fact. By this we mean that he

The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH

should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.

12. WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
