The Medical Profession routinely hides deaths and diseases caused by pork under different names

By

Sister Zakiyah Karim

The eating of pork has done more to boost the need for health care in the United States than all other factors put together.

The US pork processing industry earns \$28 **BILLION** per year. Today, the cost of treating a heart attack with drugs to restore blood flow and surgery to repair clogged arteries is nearly \$30,000 for a 45-year-old. The two industries (pork and health care) parallel each other in economic growth. As more pork is consumed, the need for health care increases.

So it's no wonder why the medical profession shrouds and protects "the other white meat" (PORK) as the real source of the high blood pressure, arthritis, heart disease, liver and kidney disease, gall stones, and even the flu (to name a few).

According to a report published in 1973, titled, "Trichinosis in the U.S. Population, 1966-70: Prevalence and Epidemiologic Factors", Dr. W.J. Zimmerman reviewed

Russia and China Unite against America

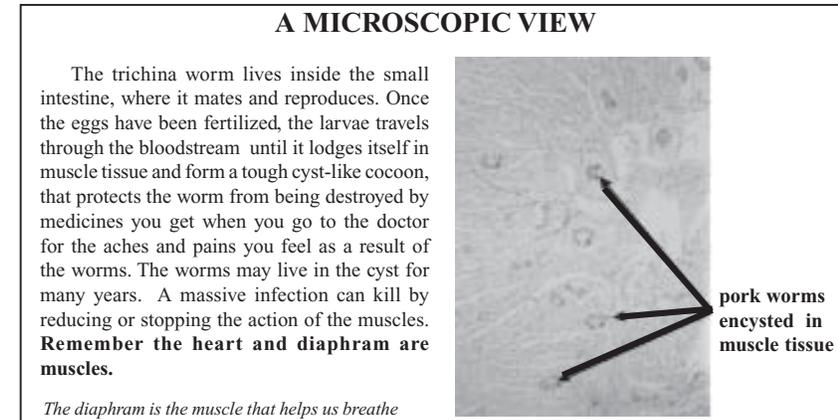

On July 1, 2005, Russian President Vladimir Putin and Chinese President Hu Jintao signed a declaration agreeing to denounce "the aspiration for monopoly and domination in international affairs" and called for an end to "attempts to divide nations into leaders and those being led."

In other words they want America to stop "butting in" the business of other people's countries, especially socially and politically.

Last year Russia and China ended a long disagreement over land issues.

These are not the only areas where China and Russia are uniting.

Earlier this year, the Associated Press reported that Russia and China have agreed to work together in hopes of knocking the United States from the top of the medals table in the 2008 Olympics, which will be held in Beijing, China.

the diaphragm muscle from multiple autopsies done in the U.S. in the late 1960's, and reported that trichinosis was a typical finding as the cause of death.

Influenza (flu) is one of the most famous illnesses which pigs share with humans.

This illness is harbored in the lungs of pigs during the summer months and tends to affect pigs and humans in the cooler months.

Sausage contains bits of pigs'

But nothing has upset America as much as that fact that Russia and China are planning to hold their first joint military maneuvers later this year in China.

On July 19, 2005 The United States Pentagon released a 45-page report that suggested that China's annual military spending could increase to \$90 billion this year.

The report also questioned "the basic choices China's leaders will make as China's power and influence grow, particularly its military power."

China's vice foreign minister, Yang Jiechi, said America could hardly criticise China's military spending when its own was so much greater. And that report "ignores the facts, spares no effort to spread the 'China threat theory', (and) rudely interferes in China's internal affairs".

lungs, so those who eat pork sausage tend to suffer more during epidemics of influenza and more frequently suffer from other respiratory problems.

Pig meat contains excessive quantities of growth hormone, which promotes inflammation. This leads to swelling and deposits of mucus in tendons and cartilage, resulting in arthritis, rheumatism, etc.

Ninety-nine percent of the people in the United States have some form of trichinosis either from eating trichina worms, which are found in pork, by eating meats, fruits, vegetables, etc, handled by people who handle pork, by eating fruits and vegetables fertilized by hog manure or cow manure from cows who were fed hog, or by eating beef, chicken or eggs, from cows or chickens who were fed pork.

Many people have no symptoms to warn them of this, and when they do, they resemble symptoms of many other illnesses.

These worms are not noticed during meat inspections. And the worms are not killed by salting or smoking, cooking or medicating, because they have a built-in defense mechanism that protects them. When threatening conditions arrive the pork worm forms a protective covering (cyst) around it. This cyst can protect the worm for many years.

Messenger Elijah Muhammad taught his followers that after we stop eating pork, it takes at

least seven years before we can rid ourselves of the pork worms.

The primary symptoms of trichinosis include muscle pain, headaches, fever and swelling in the extremities.

These are all nonspecific symptoms that do not necessarily indicate any one disease, which allows doctors to avoid diagnosing the true disease - trichinosis.

Telling a patient that his problem is trichinosis would be like telling him or her, "you don't need my medicines and treatments, all you need to do is stop eating pork."

Health care is one of the fastest-growing sectors in the U.S. economy. Health care consumption doubled from 7 percent of the U.S. gross domestic product in 1970 to more than 14 percent in 2002. It is expected to reach 17 percent of the GDP by 2011, says the Centers for Medicare and Medicaid Services.

In the U.S., three of the six most common food-borne parasitic diseases of humans are associated with pork consumption.

Dr. William Kelley, a famous cancer specialist says: "I find parasites in 92% of people. Everybody - rich and poor - the whole population have parasites..."

Doctors will tell you that beef, chicken and pork all have parasites. This is true. But what most won't tell you is that the pork is the worst meat you could eat.

Since the mid-1970s, the

sales of the three major meats consumed in the U.S. have changed. Beef accounted for about 45 percent of meat consumed in America in the mid-1970s, and after scares of "Mad Cow Disease" dropped to 30%. Pork sales had a sharp decline in the 1970's during the lifetime of Messenger Elijah Muhammad, but since has been increasing steadily.

The Pork Industry and greedy politicians paid off by the Pork Industry, along with scientists and doctors, who depend on people staying sick so they can make money, are working to combat the warnings of Muslims and Orthodox Jews against the eating of pork.

In 2003, after the first, publicly known, case of mad cow disease, the United States Department of Agriculture (USDA) announced major reforms, including an animal identification and tracing system, which would detect animal disease outbreaks more quickly. But, according to the Center for Responsive Politics, a non-partisan, non-profit research group based in Washington, D.C. that tracks money in politics and its effect on elections and public policy, reported that the meat industry contributed \$3.46 million to candidates for federal office in 2004, 79 percent of it to Republicans. Then in May 2005, the Bush administration delayed the plans until 2009, which is after he leaves the office as President.

And did you know that the slogan "Pork: The Other White Meat", that tricked a lot of people into believing that pork

What about the Asians?

The Chinese, Japanese, Korean, Filipino, Asian-Indian and Vietnamese, in America

By Sister Lucy 2X

Apparently, discussing the Asians (Buddhists/Orientalists) is a topic, which has been mostly a taboo subject for Blacks in America.

We repeatedly discuss the condition of the so-called Negroes, the Hispanics, and the American Indians, but rarely are there any articles or editorials in any African-American newspaper or magazine that discusses the Asians and their impact upon American Black culture.

We have all tended to have a hands-off attitude about anything concerning the Asians and they have not been scrutinized as other ethnics are.

This, to me, is an odd position for us to take, since the Asians are firmly established in business in every urban Black neighborhood in America. And they are furthermore deeply entrenched in the mass purchasing of Real Estate all across America.

So why are their physical presence and aggressive business practices systematically being ignored?

There are more than 12 million Asians in America with an average income of about \$57,000 a year, with a median age of about 31.

They come from more than 29 separate countries each with their own unique values and traditions.

Conducted studies confirm that Asians have the highest level of education of all ethnic groups; they also have the highest level of computer literacy and the most bullish entrepreneurial spirit of all over any other racial groups in America.

Whatever they practice, we aren't familiar with what they do in their homes, places of worship, or their symbols.

Blacks and Asians have not meshed. Part of the cause could be the language barrier since while many Blacks have taken Spanish and some even speak it

fluently, there are few, if any of us, who speak Chinese-Japanese-Korean nor Filipino or Vietnamese.

So its time to realize that we have absolutely no political, social or business relationship with adult Asian-Americans.

The reason for this is that unlike the Hispanics/Latinos, the Asians are not seeking to integrate with us on any level; public or private.

They have discovered something that even the whites do not know about us. The Asians have discovered that even if they do not speak our language, listen to our music or pretend to integrate with us socially; that we will still patronize their stores and give them our money.

Which happens to be the only use that Asians have for Blacks in America – they want, and get, our money while remaining loyal to their own sub-cultures.

The Asians have expanded on many levels over the past 30 years during which time they have quietly exploded upon the American business landscape by introducing the so-called Negro in America to:

1) HAIR – in the form of Wigs and synthetic (or real) hair for weaves, braids, ponytails, and extensions.

2) FALSE FINGERNAILS which they have Taught Black women to wear and replace routinely about every 2 weeks.

They extended Their nail program to include toenails, with exotic designs – which now even includes getting fake toenails to match your fingernails. (along with pedicures)

They introduced these same services to little children-both girls and boys – and teens.

3) Eating Asian food from carryout locations scattered from corner to corner in African-American communities.

Greasy looking slop often delivered in containers of unrecogniz-

able alleged meats and vegetables – which never looks like the menu appetizing photos they advertise across their walls.

Many are open around the clock and become nighttime hangouts for drug-dealers and other undesirable.

There are over 40,000 Asian restaurants in America, more than all the Burger-Kings, McDonald's, Wendy's and KFC's combined.

The above are the 3 major contributions that Asians have made to African-Americans nationwide in the USA.

Obviously these 3 ventures are all maintained to profit from the face-value concerns of Black people, which unfortunately, for many, are 'how we look and what we eat.'

The end result is always the same – someone else gets paid.

The Asians usually do not attend nor donate to our churches or other places of worship, they primarily do not shop in our few little corner stores, they do not eat in our restaurants, and they do not spend money with our street vendors, nor frequent our bars or nightclubs, and they do not buy our music, or attend our festivals as guests, and they do not contribute to our colleges or charities.

It is a completely one-sided financial relationship. They only show up to sell us stuff.

YET, the Asians are taking as much, if not more, money out of our communities as the whiteman.

And every time you approach them to ask for a contribution or

assistance in our causes, they claim they do not understand – and use their language as a barrier to sharing some of the money they make off of us – with us. Everybody eats off our ignorance.

Additionally, in every major city Asians (of some type) are purchasing up large blocks of land - mul-

tiples houses and lots. Many are paying straight out cash, others take a mortgage, but they come in, renovate or increase the rents and are unwilling to negotiate on anything that does not favor them or their business plan. They are single-focused.

Owners of Bank One and Chase Bank Apologize for their part in slave trade

NEW YORK-- J. P. Morgan Chase & Co., a leading global financial services firm with assets of \$1.1 trillion and operations in more than 50 countries, who was forced by the City of Chicago, to divulge their links to slavery.

In the mid-19th century, the bank accepted about 13,000 enslaved people as collateral for loans issued in Louisiana. When the borrowers defaulted on their loans, the banks took ownership of some slaves and sold them.

Instead of offering some kind of financial reparation for the their part in slavery, J. P. Morgan posted a letter of apology on their web site and set up a scholarship fund for so-called African-Americans in Louisiana.

J.P. Morgan has its corporate headquarters in New York and its U.S. retail financial services and commercial banking headquarters in Chicago.

Chicago has an ordinance that

requires companies doing business with the city government to divulge any links to slavery.

A similar statute covers insurance companies operating in California, where several of the country's largest insurers have divulged links to slavery. These disclosures are exposing 18th- and 19th-century Northern businesses that sought to profit from the slave trade even after slavery had been outlawed in the North.

The disclosure laws grew out of an early attempt to seek financial damages from present-day companies for the misdeeds of their historical predecessors.

The courts never took the reparations argument seriously, but the revelations of Northern corporate involvement open the eyes of many of the Black people who believed the Northern whites were somehow less devilish than their brother devils who lived in the cotton fields of the South.

The Believers Have the Power

By

Minister Levi Karim

DETROIT, Mich.--Those of us who are following the Teachings of the Most Honorable Elijah Muhammad must consider the time and to realize and understand that we will be the winner.

It makes us think, sometime, that our work is in vain because of the hardening of the hearts of the people. The way they reject the truth. It's not in vain! It's prophecy fulfilled!

We have to understand prophecy. The Messenger taught us that there was going to be a big fall--a big setback in the Nation of Islam. We know this, so it shouldn't be such a shocking thing.

The Messenger said we get impatient and go astray. We see these things today. But we have to understand that we will be the winner! Just hold on and keep pushing the Messenger's Program.

In the days of Lot, there wasn't many. In the days of Noah, there wasn't many. Look what happened. Look at what Allah used against Pharaoh and his people; the insects, sickness, drought. This is what's happening today. Look at the mosquitos, today, carrying viruses, killing people. These kinds of things go to show us what time it is. Allah is using the same thing today, as He used against Pharaoh and his people.

A lot of people look at these things like it's nothing. They say just like the people of Noah's day, "It rained like this before". They didn't believe it was coming on them until it was too late. That's just what is happening today.

History repeats itself. We can study history and see what happened. Then you can understand what's going on today. We can go back and see what happened to Babylon. And we can compare Babylon (the things that the people did) to what the people are doing today, in America.

We're blessed today! Noah's people didn't have a history to look back on.

Let's keep our focus and don't let impatience, caused by our few numbers and the hardening of the hearts of the people, get the best of us. Don't feel bad because we don't see many. Allah shows forth his power by using a few to overcome many. That's what is meant by the parable of David and Goliath. He takes a "little fellow"

and enables him to whip the "big fellow".

He showed forth his power when he raised up a poor little black man, Messenger Elijah Muhammad (peace be upon him), from Sandersville, Georgia, with only a third grade education, and stood him up in the midst of the devil (white man) to lead a whole Nation of Black people out of the mind-set of devil (white man). He made us want to clean up, stop eating pork, work hard, stop lying, stop cheating, stop fornicating, stop using drugs, stop gambling, treat our woman right, take care of our children, etc.

Messenger Elijah Muhammad's teachings brought us out of that madness and sickening condition that we were in. Just a few, like Jesus did. He changed the lives of those who accepted. The Believers. The converts. He brought them out of the condition they were in.

So we are very fortunate and very blessed to be followers of Messenger Elijah Muhammad.

We have to be patient. This devil (white man) sure was patient.

Their god (Yacub) told them that if they obeyed his Laws (teachings) that they would be the rulers of the whole world. They had a 2,000 year setback. But today they are the rulers of the world.

Now here we are talking about giving up, after our little 30-year setback.

I thank Allah, Who came in the Person of Master Fard Muhammad. I am truly grateful to have witnessed and seen the power of almighty God, Allah, by seeing the work that Messenger Elijah Muhammad did. And I know beyond a shadow-of-a-doubt, that if we work hard, and keep Allah and the Messenger out front, we will be successful. There is no doubt in my mind.

And the most beautiful part about this thing is when you see Believers, that accept the Teachings of the Messenger, who have never seen the Messenger, never saw the great works that he did. The Messenger told us, "The Best of my Followers are yet in the street". We see that to be true.

These new brothers and sisters are those mentioned in the Holy Qur'an. They believe in the unseen! They have the history in front of them of those who deviated from Messenger Elijah

Muhammad's Teachings in the past 30 years. They're not impressed by your seniority in the Nation of Islam. They want what Messenger Elijah Muhammad taught and that's it. They don't care who you say you are. Messenger Elijah Muhammad said he would be the winner living or dead.

I am thankful and grateful to be a witness bearer to this great truth.

We will be the winner, as long as we hold on. But we are going to be tried. We are going to run into all kinds of difficulties. But the good news is that we have The God on our side. The True and Living God, Who came in the Person of Master Fard Muhammad. And as long as we are obedient to His Messenger's Teachings and love each other and work together in unity, Allah will bless us to be successful. He will give us what we need. He will send those in that will help us. But we have to hold on and understand that we're doing is right.

Messenger Elijah Muhammad made it clear that "There will be no successor", after he is gone.

Brother Minister Levi Karim

PUBLISHER OF MUHAMMAD SPEAKS NEWSPAPER & WEBSITE

The Messenger said, the work that he started "will be carried on by the Nation. After setting up the Nation on the right way, or right path to take care of themselves, they do not need any more instruction on that. They will follow it as the Constitution of America has been followed."

We have the power! the Believers have the power! It ain't no one man show! We have the power to execute or carry out the instructions of Messenger Elijah Muhammad. We are in the beginning of this work. It takes time. So work hard and be patient. As-Salaam-Alaikum.

AKBAR'S RESTAURANT

An Historical Landmark of the Nation of Islam

By Sister Zakiyah Karim

DETROIT-- Akbar's has been on the corner of Fenkell and Sorrento since 1972. Most restaurants are named after the owner or by the owner. Not Akbar's! Brother James Akbar was named after his restaurant.

He and his long time, loyal employee Sister Debra, shared this and some other very interesting facts with Muhammad Speaks Newspaper about Akbars Restaurant.

BROTHER JAMES AKBAR:The thing that caught my ear was the Messenger. You know that album he had, "THE JUDGEMENT IS NOW"? I went to a party in an apartment building and I went to sleep on the couch. There was a Muslim brother who lived down the hall from where the party was. That brother, down the hall, started playing that album and I woke up to the sound of Messenger Elijah Muhammad, saying "Wake up Blackman" and this and that, while everybody was partying but I heard it. I was half drunk and sleep, but I heard it. I woke up that morning and I asked the guy that owned the apartment who was that playing that album last night. He said, "That's that old Muslim live down the hall". So, I didn't here anymore from him.

I first went to Temple No. 25 in Newark, New Jersey. When I heard Minister James Shabazz say, "the white man is the devil", I knew that wasn't nothing but the truth.

At the end of his talk, he said anybody who believes what I said is true should join. I got right up and joined.

I had to write my Letter about six times before I got my "X". About that time, I had opened up a Barber Shop.

My brother lived in Detroit. I came to visit him and I saw how Detroit was, as opposed to Newark and New York. I was impressed with single family homes, the green grass, and the backyards. In New York and Newark you don't see that. You see apartment buildings. So it didn't take me long to move to Detroit. When

I got here, I had a little small restaurant in Newark. The way I got this restaurant, I was by here and there was a white man who owned the place. He has the door locked and he was taking one customer at a time. He was afraid. He'd let one person in and feed him, then he'd let another one in. So I asked him if he wanted to sell it. He said yeah. I didn't have but eight hundred bucks. So I gave him \$800.00 down and agreed to pay him off in six months. So he gave me the key and he left.

He would come by from time to time, and I'd let him back behind the counter and teach me things and telling me stuff about the business.

Some of the brothers and sisters would get angry at me for, you know, letting the devil in back there. But they didn't know what was going on. So I worry didn't worry about, I understood their misunderstanding so I didn't hold it against them or nothing.

At the end of the six months he came back and said, "Forget about it. You can have it." Didn't the Messenger tell us that some white folks will help us?

SISTER DEBRA: The way I started working for Brother Akbar was that my friend was working here. She said she was "on call". I said, "What kind of restaurant do you work at that you are 'on call'?"

So he called her in one day and I went with her. Come to find out, he was calling her to go work for a Brother who ran another Akbar's on McGraw and Warren.

He hires me over to this man and I'm there for two weeks. That brother still owes me me for those two weeks. I'm in there scrubbing pots. He had pots and pans stacked to the ceiling. Brother Akbar walks in and says he needs somebody to work at his place because he said, the girls there weren't working out.

When Brother Akbar turned to leave out I dropped my rag and I said, "I'm leaving with you." He said, "No, you're not". I said, "I'm out-a-here"! And I left. He said,

"How long do you plan on working". I said, "I'm going to be here until *you* send me somewhere. I ain't going nowhere". And I've been here ever since. That was in 1981. So I've been here for almost 25 years. Him and his wife, Sister Nettie, are the best people in the world to work for.

BROTHER AKBAR: When I first got the restaurant, it was real nice. There was glass all around the place on the outside. They broke in so much, I had to brick it in.

I didn't have a name for it. I was going to name it Shabazz. You know, everybody was naming their businesses Shabazz back then. All over the Nation, "Shabazz Bean Pie", "Shabazz Barber Shop". So Brother Captain Roscoe Jr. wrote to the Messenger to ask him about a name for

my restaurant.

The Messenger wrote him back and told him, "Brother, name it Akbar's". He said, "If he upholds the name, the name will uphold him. Akbar means The Greatest." I didn't like the name. But I did it anyway. But everybody was crazy about the name Shabazz.

At that time my name was James C 41X. That's how many James' that were in the Nation. I was way up on that one.

The way I got my names was that everybody who would come

into the restuarant thought Akbar was my name because of the name of the restuarant. So they started calling me, Brother Akbar.

Over the years I started using the name myself. So instead of the restuarant being named after me. I got named after the restuarant.

When the Nation fell, under Wallace, this (Akbar's Restuarant) is where a lot of the Believers would meet at, in late 1975, 1976, '77 and '78.

In 1977 Minster John Muhammad (the Messenger's

brother) opened up a Temple over there on Conant.

Not too long after that, I picked up a Pittsburg Courier and I saw a little column in it by Minister Farrakhan.

Me and a few other Brothers went to Chicago and sat down and talked with Minister Farrakhan. for about six hours. And I asked him would he teach. He said, "Brother I aint got a damn thing to teach." I said, "Teach what the

What About The Asians?

Continued from page 3

Now, the most unique and odd thing about our interactions with the Asians, in their restaurants, stores, nail salons, etc.; is that historically they don't like us and don't respect us—so consequently we don't like them either.

We are not girlfriends with Asian women. Asian men don't hang out with our men. The only thing we have in common is that we buy what they have and they sell it to us. This is the extent of our relationship with Asians.

Quite simply, we only represent money to them. To them we are a tool.

We represent a steady means to making money to finance their local business ideas, trips back home and their spectacular import network.

So let's look at what they do with some of the money they make off of us.

First of all, they move to streets and neighborhoods to live around their own kind, they grocery shop in their own supermarkets which usually are huge and very well stocked.

They carry very few American-made products, even down to furniture or home accessories. They manufacture or import the products they use. Most of them do not publicly try to mimic the Caucasians (as Negroes do).

They are known for having strong family values, with a great emphasis on education, they preserve their own traditions, heritage and culture.

Asians value personal relationships and promote integrity and honor among themselves.

And if their children attend public school, you can be sure that they are serious students and always strive for and attain the top awards, achievements and scholarships on every grade level.

Remember, they were not forced to come here like us; they are true immigrants and see this place as the true land of Asian opportunity.

One of their major strengths is that the Asian man is not impressed with the white woman and spends no time lusting after her—like 85% of Black men do. And few Asian women marry Black men.

The Asians also have multiple shopping centers with several types of stores to service all of their needs from jewelry to travel to pharmacy, from video to bak-

ery to electronics.

Many of their square-block long shopping centers house sometimes 3 to 5 banks. Interestingly, all of their stores, restaurants and banks are labeled with their own Asian languages—even their car repair shops. In other words, they get cash money from everybody else, especially us, but only spend money with each other. Smart strategy.

This is what the Messenger was trying to teach us. "Spend your money with your own kind." I've seen them walk 20 blocks out of their way, passing 15 -20 stores, to get to a business owned by their own kind.

Also, on examination, they do not waste. They are frugal and care-not about necessarily wearing the latest fashions offered by Hugo Boss, Tommy Hilfiger, Burberry, Calvin Klein—nor FUBU, Rocawear, Phat Farm or others. They are not flashy and remain unobtrusive.

Asians tend to irritate the managers of big white-owned supermarket chains because when the stores have special sales on items such as paper products, can sodas, bottled water or other specialized staples, the Asians go out in teams and cover an entire chain of stores featuring the sale items—and purchase all they can get.

Many times these sales feature items cheaper than the wholesale houses, so the Asians aggressively buy these products and then take them back to their neighborhood stores, mainly in Black communities, and sale them at regular or marked up prices—thereby making huge profits off the devils and us.

They are disliked for doing this type of shopping. The whiteman does not like anyone who outwits him in business, and while they themselves make many unethical business moves, they hate anyone else who hits them below the belt. Of course, how the Asians stock their stores is of no concern to us, because we don't care where an item comes from as long as we can get it.

Also, let us not forget, that it is the Asians who copy, manufacture and bootleg every popular or expensive item that Americans, especially American Blacks purchase—such as Designer T-shirts, Sport memorabilia caps, jackets, jerseys, and Louis Vuitton and Coach handbags, Disney char-

acter items, and any other trendy designer garment.

Some of their work is so perfect it is nearly impossible to tell the copy from the original. My point here is that Asians, in every city, are meticulous about details, aggressive in sales and ruthless in their business practices—rarely with interruption or examination, yet they are known as hardworking dedicated citizens.

It is difficult, without training, to recognize which Asian is which. Unfortunately for most Blacks, we have no idea how to tell a Chinese from a Korean from a Japanese from a Filipino from a Vietnamese.

Many of us know nothing about the Asian cultures or their people, other than Bruce Lee, Jet Li and Jackie Chan. We do know that few of them are in jail with us. They are called the "yellow man" in Islam, and they are not considered devils, but they are a result of grafting.

The Honorable Elijah Muhammad, Messenger of Allah, taught us a few things about the Buddhists (Asians), and their 35,000-year history.

The Messenger says that the Asians worship too many Gods and are the enemies of Islam. And for this historical transgression, this government allegedly rewards them with financial entry stipends, Treaty rewards, tax abatements on real estate investments and Special delayed tax incentives. Practically none of which we qualify for.

The purpose of this story about the Asians is to educate us about who they are, because you can be sure, they know exactly who we are and have become fully trained on how to take advantage of our ignorance about doing for self, and our frivolous spending.

There's a China Town or a separate Asian shopping district in every major city in America, plus, they are hosted by the devil as a special tourist attraction.

They have "whore/massage" houses just like the devil maintains, in every city, and they perform in just as many porno videos as Black and white people do. They have their own brand of filth. The Asians are able exploit every aspect of trade in America.

There appears to be no end to their financial rampage—EXCEPT FOR ONE THING—their

3rd generation, grandchildren and great-grandchildren. They are the Asian Achilles heel because their teenagers are slowly drifting away from their esteemed Asian culture and becoming Americanized as a result of integrating with Blacks and whites in High School.

Asians in elementary school appear immune to Marketing schemes, mostly through the media, designed to destroy family values and corrupt the morals of all children. But the overall racial integration process and the disregard for rules and adult authority in High School eventually snags them all.

Third generation Asian youth are wearing hip-hop clothes, famous sneakers, baggy pants and are listening to blasting Rap music from speakers in their cars.

They are still not socially integrating with other races as a standard, but they do mimic urban/ghetto MTV/BET styles and language. And in the midst of it all, they are becoming ashamed of their non-english speaking relatives—and their parents.

So high school is where their grades taper off to average or below. They probably assimilate to get along with the more aggressive students around them.

In the Asian's greedy quest to

rule America, apparently they neglected to establish their own schools and colleges. As we Blacks can testify, not having your own schools is a costly mistake rarely recovered from.

So 20-30 years from now when the 3rd-4th generation Asians start to inherit the businesses, wealth and power of their fore parents, they may squander it like any other rich spoiled American brats.

The attraction and pull of American pop culture is very destructive and magnetizing. Consequently, Asian teens shop in the same popular white-owned stores as all other youth in America. Asian teens are caught between the silly self-destructive behaviors of Blacks and the evil practices of devilishment made fair-seeming by whites.

Their young are no longer rooted in the strength of family agreement and daily cultural activities and therefore will soon sprout in the same condition of those they have traded their sanity for.

This being said, I predict that the Asian youth will be the downfall of the currently rising Asian-American empire. As-salaam-alaikum.

There are no other intercessors between Allah and His Messenger

By Brother Muhammad R. Zahir

KANSAS--In The Name of Allah, the Beneficent, the Merciful; Who came in the Person of Master Fard Muhammad. We forever thank Allah for blessing us with his Last and Greatest Messenger, the Honorable Elijah Muhammad (peace be upon him).

As-Salaam-Alaikum

As a follower of the Honorable Elijah Muhammad, your only requirement is to listen to what Messenger Elijah Muhammad teaches and to obey him and him .

There are no other intercessors between Allah and His Messenger. Do not continue making this mistake.

Messenger Muhammad has made it clear that he is the last one coming to save you. No others (including those who call themselves Ministers) are coming after him to save you from the grave of ignorance and death of their own accord.

The only others coming after the Honorable Elijah Muhammad are those coming to destroy you for not doing what he (the Messenger) taught you to do.

Destroy takes on many meanings and many forms. The brothers and sisters who bring you this message are just following orders left by the Honorable Elijah Muhammad. They do not possess any individual orders. They have the same assignment as everyone else.

There are NO National Representatives of the Honorable Elijah Muhammad today. The only one who can make a National Representative of the Honorable Elijah Muhammad is Messenger Elijah Muhammad himself, and the Messenger has passed, peace be upon him.

Therefore, if one is acting in the capacity of Minister and he chooses to be called a Minister, that is up to him. But he must NOT be called National Representative. Being on public access television or any television means absolutely nothing.

I am appalled at the ignorance of such claims. Will we forever be fools?

The idea that a brother was

taught, commissioned, and named by the Honorable Elijah Muhammad doesn't imply that he is special or in any way a "chosen leader" of anyone.

Indeed, the Messenger's worst enemies were also taught, commissioned, and named by the Honorable Elijah Muhammad including Wallace Muhammad, AKA Warith Deen Mohammed (a son who was named by Master Fard Muhammad), Akbar (a son), Herbert (a son), Hasson Sharrieff (his grandson), Louis Farrakhan (his former National Representative), Malcolm X Little, AKA Malik Shabazz (his former National Representative, Supreme Captain Raymond Sharrieff (son-in-law who was also named by Allah), Former National Secretary Abass Rassoull (deceased), Jabril Muhammad, AKA Minister Bernard Cushmere, Minister Henry Majied (former West Coaster Regional Minister and Minister), and scores of Ministers, Captains, MGT Captains, and National Laborers.

Every one of these people eventually betrayed the Honorable Elijah Muhammad and turned hypocrite against the Last Messenger of God. And yet they all can claim that they were taught, commissioned, and named by the Honorable Elijah Muhammad.

The implication that because someone was taught and named by the Honorable Elijah Muhammad somehow legitimizes that person is deceptively false and irrational.

There is no proof to support this. In fact, statistically, if you were taught and named by the Honorable Elijah Muhammad, the odds are more likely that you have or will betray him.

So please stop with the "taught, commissioned, and named" business.

You do yourself a disservice by using this claim as an implication that you are somehow more reliable and legitimate than if you had not been so treated.

Tell the truth about yourself and prohibit others from making you what neither Allah nor

His Messenger has made you. Otherwise, Master Fard Muhammad can and will bring about His own will in this matter. This I can promise you with 100% certainty.

If a brother is teaching Islam as is taught by the Honorable Elijah Muhammad, then that brother is just like you, me, and anyone else who teaches our people Islam. He is A HELPER!

All praise is due to Allah for his help because we need all the help we can get!

It has been suggested that certain Ministers are the Disciples of the Messenger of Allah. I would like for someone to point out where the Honorable Elijah Muhammad called a particular brother his disciple. And if you don't have it from the Messenger of Allah directly, then why on earth are you saying it? What qualifies you to assign the title "disciple" to any man or woman? Please stop doing that.

Messenger Elijah Muhammad warned us: *"Don't add to what you hear me saying, nor take from what you hear me saying. It is the truth that I have received. When you go adding and taking from it, you make it other than the truth....."*

In any event, you are not to follow or pattern yourself after a so-called "disciple." The only guide given to by God is a Divine Guide, the Honorable Elijah Muhammad. This you must come to know without any doubt and with complete clarity.

You have been instructed to follow the Honorable Elijah Muhammad and NO ONE ELSE!

I understand your affection for your teacher. I had many great teachers, all praise is due to Allah! But they were only as good as their proper execution of the directions provided them by the Honorable Elijah Muhammad. They were never instructed to lead the believers to themselves. Their job was to point us in the direction of the Honorable Elijah Muhammad,

and to help them reach their potential in following that man. But there are a few of us who are all too ready to "anoint" someone. No! We are not to "anoint" anyone. The Messenger and the Saviour are the only anointed Ones.

A brother who teaches Islam to our people is only as good his instructions to follow the Honorable Elijah Muhammad and to follow him alone.

A brother who teaches Islam is only as good as the Islam that he teaches NOW..today.

A brother who teaches Islam to our people is only as good as he works and strives to unify the Messenger's believers rather than to promote issues and notions

which cause friction and division among the faithful who have entrusted him and who may take his word on face value.

No brother who claims to be a Minister in Islam will tolerate disunity and backbiting gossip, let alone should he be guilty of the same. This is poison and will kill any growth among the Seed of Abraham. Such a person must be put in check for violating the Law of Islam...period!

Instead, each Minister MUST work hard to promote peace and unity among the Messenger's people, no matter how hard it may appear to be.

We (You) created the Uni-

ENVY AND JEALOUSY: DESTRUCTION OF SELF AND KIND

By Sister Sophia Muhammad

MASSACHUSETTS--In the Name of Allah who came in the Person of Master Fard Muhammad. I bear Witness there is no God but Allah and Elijah Muhammad is his last and greatest Apostle.

We have been taught by the Honorable Elijah Muhammad that our Unity is more powerful than an atomic bomb. Now that's pretty powerful. He taught us that our unity is the key to success and salvation. Yet why is this simple formula for success such a great feat for the Black family to master?

Over here we have this group claiming to be followers of the Messenger under this "leader's" direction. Conversely, we have that group over there claiming to be followers of the Messenger under that "leader's" direction. We have so called "leaders" claiming to be "Supreme Ministers", "Minor Prophets", "Divine Reminders", "Allah in person", "The Son of Man", "The Saviour". Each "leader/minister" wanting to do things his own way, regardless of the damage it does to the whole.

Even among those of us who follow the Honorable Elijah Muhammad and no one else, there seems to be a lack of unity. We have this group who believes the Messenger is alive, that group believing the Messenger is dead, this group believing he had wives, that

group believing he had only one wife. The end result to all of these is one big mess!

All these splinter groups came about because of one very destructive disease and sickness that is pervasive within the Black Family as a whole; envy and jealousy.

By definition envy is a painful or resentful awareness of an advantage enjoyed by another joined with a desire to possess the same advantage. Jealousy is very similar: hostility toward a rival or one believed to enjoy an advantage.

What is this advantage? Who is this resentment directed to?

Surprisingly, it is the very same man we all claim to love, respect and follow. A painful or resentful awareness is what most of our so called "leaders/ministers" feel toward the Honorable Elijah Muhammad for his having been the ONE chosen by Allah in the Person of Master Fard Muhammad to deliver this most important message to a deaf, dumb and blind people.

We find proof of this in Our Saviour has arrived from the mouth of our beloved Messenger: "Whatever he has learned from his master (white race), he is willing to die on it (that it is the truth); while he does not even know the truth himself. They take Bible as it reads; they know not its meanings at all. And they will scorn the

meaning of it by one of them whose meanings have been taught to him by God Almighty--that the scripture may be fulfilled; that He would send a teacher or preacher to us, the Lost and Found people; and raise him up from among us...But what does this do to the rest of the people? It causes them to become jealous and envious of that one whom God confers more of His Divine knowledge upon than he does the rest. This is what is happening right at this very hour."

This envy and jealousy was around when our beloved Messenger was with us and manifested what was hidden in the people's hearts. Today, in his absence, the manifestation of disease continues. Look at the mess these secret and selfish desires have produced. Let us unite as one people, under one God with the directives given to us by his Last Messenger. That is the only way we will be successful.

All these additions and subtractions to the Teachings only cause further divisions. Our Messenger was very clear in his message to us. He told us what he meant by what he told us. He explained the Bible and Qur'an in very simple terms that even a fool would understand. So there really shouldn't be anything to guess at when it comes to what he taught. It is all very plain.

If you were really with the Messenger, your teaching would be as clear and plain as his. Your teaching would be exactly as he taught, nothing more, nothing less.

Let us be careful of this cancer that has run rampant within our Muslim Community, it must be stopped.

While we bicker and fight and remain divided over the simplest of matters, the people perish because they are wandering and are at the whim of the beast.

Envy and jealousy of our Messenger and of each other will be

our number one downfall if not corrected immediately. The Messenger said: "This is why we can be divided so easily against each other. It is because the devils soon see that no one wants to follow the other. Look how they are reaching out at what I am teaching, placing it on their 'coat lapels' and in their books, and mixing it up with their own corrupted ideas; just to be called leaders."

I implore you, brother and sisters, for the sake of our people and our Nation. Let us be more conscious about our actions and why we do them. Let us make sure that our actions are productive to the overall goal of Nation building?

Baby boy destroyed by his father

By

Brother David Muhsin

DETROIT, Mich.--In the Name of Allah, Who came in the Person of Master Fard Muhammad. I forever thank Him For Raising up His Last and Greatest Messenger, The Most Honorable Elijah Muhammad (peace be upon him)As-Salaam-Alaikum!

As a Muslim under the teachings of Messenger Elijah Muhammad, I am always learning something new.

There are some people who have the wrong idea, and think that just because they have heard the Messengers teaching's being taught one or more times, or have read his book one or more times that they have a understanding of what it is to be a Muslim. NO!! that is not enough for us to be able to have an understanding of what it is to be a Muslim.

To have a understanding of what it is to be a Muslim we must LIVE IT every day.

Even though I grew up as a Muslim in the Nation of Islam, I am always discovering, learning, and understanding something new every day.

I love being a Muslim and knowing the out comes of our actions.

For instance, one day I was on

the bus and there was two lost/ found brothers on the bus. (A lost/ found is a person who has never heard Messenger Elijah Muhammad's Teachings). The two brother were around the age of 16 or 17. One of them was holding a baby boy maybe about the age of two.

The baby called one of them daddy. This caught my attention even though it is pretty normal for brothers that age to have having babys now like every day.

At first I had asumed that the baby was his younger brother, but I was mistaken.

As the bus ride continued they laughed and joked with the baby and also with each other.

But after a while I began to understand what was supposed to be so funny.

The brother who the baby called daddy was giving the baby a bad understanding of the world by asking the baby one of the worst questions a black brother could ask his black child.

He asked the baby boy, "where the whoe's at" and the baby would point and say "over there" and then they would all carck up laughing.

The Meseenger taught and told us (black people) to teach our ba-

bies, from the cradle, that man is god and the black woman is the queen mother of civilization and that she is to be repected.

But this soon-to-be black man was being taught that our beautiful black sister was nothing but a whore.

Now he will grow up with this foolishly embedded in his brain to look down on her.

But what else can we expect when most black brothers have no idea what it's to be a father because their father was either not around or too young too give them any sufficient information or them to grow up as a man and a future father. But in the nation of Islam we have an F.O.I (Fruit Of Islam) Class wherein we are taught how to be men, fathers, and providers for our family.

THE CONFLICT B

By Messenger Elijah Muhammad

Reprinted from the December 7, 1973 edition of Muhammad Speaks Newspaper (which was reprinted from February 18, 1972 of Muhammad Speaks)

Daniel's prophecy of these times, in which we are now living, is equal to the prophecy of John's Revelation (Bible).

These two Books of the Bible (Daniel and Revelation) are very similar in their prophecy of the same subject, which deals with the great trouble that shall befall the nations of the earth, at the end of the falling of One nation (America).

The conflict between rulers - America, Russia, China and the world-regardless to the power of that one nation (the nation can be small or great) it is all pointing toward the one and the same people: America.

In Daniel Ch. 11:6, the 6th verse says, "... they shall join themselves together; for the kings' daughter of the south ..."

It makes the rulers to unite themselves together, regardless to what country it may be, and regardless of how large, or how small, the country may be.

All of these countries shall unite against America.

America is referred to here as the daughter of the king of the south.

This prophecy in Daniel is similar to the prophecy of Jeremiah, which refers to America as the daughter of Babylon.

The prophecy of Daniel and the similar prophecy of Jeremiah, makes the basic root trouble, the same

trouble which is the trouble of a slave-holder.

America is the slave-holder of the Black Man, and Babylon was once the slave-holder of the Jews. So, being similar in the Mind, and in the Work, against the poor captive people, Jeremiah refers to America under such prophecy as the 'daughter of Babylon.

The President of America is planning to go to China to make an agreement.

Here, in Daniel Ch. 11: 6 this event is foretold. **It prophecies of the Judgment of the end of the world (of the white race)** under the chapter entitled "The conflict of kings".

Let us take a pause right here to say this; When have we seen the kings of Asia and **the kings of the north (China and Russia)** coming to America to plead with America for agreement to settle, or to appease, their differences?

But, America, the richest country and the most powerful government that has ever lived on the planet earth, for the past 6,000 years- America who came to be the most mighty people; the ruler of America is going to China!

God Blessed America to make

her strong and to make her powerful enough to trample the people throughout the world under her feet.

God Blessed America with food enough to make her capable of feeding the whole world.

God Blessed America to make her capable of clothing the whole world.

God Made America wealthy enough to finance the whole world.

God Blessed America and Made her capable of supplying the whole world with transportation on land, water and in the air.

But inside America, she keeps standing on the very power of her wealth and her strength of power, (the Black Man, her once Black slave).

Allah, God, Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever, Has come for the Black slave. And America would rather go to war with God over the taking of that Black slave.

The Black slave is justified to re-

turn to His own.

Rather than let the Black slave go free, America would rather fight the Black slave and His God, for control of the Black slave.

In this fight for control of the Black slave, America is not fighting against a common foe. **America is now fighting against an All Powerful Foe; God Himself.**

Allah (God) Delights in America's attack against God for America's attack justifies Allah's (God's) Destruction of America.

If it were not for America's attack against God, anyone would say, "Why does God continue to pick on that little fellow (America) when the little fellow does not strike back?" But, America does not consider herself a little fellow. America considers herself the most powerful.

Daniel Ch.11(Bible) prophecies now of setting the rulers of the earth against America. "And in the end of years, they shall join themselves together; for the king's daughter of the

south shall come to the king of the north to make an agreement:"(Dan. 11: 6).

But the other nations have made their agreement against America. **The kings, the rulers have united and made their agreement against the king of the south's daughter** (America's coming.)

America is referred to as the daughter of the king of the south. This means that America is something that has been produced out of a father-like ruler, which can be none other than England.

England once ruled the whole world with a strong hand. Now England's daughter, America, takes over, but America is unable to make friends with the rulers of the earth because of the time and the people-the time given to America is too short for her to make friendship and peace in any confidential way, with the people with whom America is in Conflict.

It is too late for America, for the end of the years has come and no more time can be extended, for the sake of an enemy to regain his strength, to fight against the innocent people whom he has crushed.

Prophecy has a way of using certain material, which is foreign to actual material, that he is aiming to bring to the

The Honorable Elijah Muhammad
ALLAH'S LAST AND GREATEST MESSENGER

attention of the people.

This is to keep the one whom the prophecy is against from knowing until the time of the prophecy's manifestation. So it is with the prophecy of Daniel, Ezekiel, Jeremiah and many other's prophecies. It is to be made manifest, at the end of the prophecy.

According to the prophecy of Daniel, Chap. 11, verse 6, America shall be given up and those who be with her to try to strengthen her, shall be given up. **The helpers of America shall be the losers.**

This is the way that I see the 11th Chapter of Daniel and the 6th verse of Daniel's prophecy of The Conflict Between Rulers.

Pork deaths and diseases disguised

was just as healthy to eat as chicken, came from United States Congressional Council? Back in 1986 Congress came up with a plan to establish "American pork as the consumer's meat of choice in the 21st century and enhancing the pork producer's opportunity for profit and ability to remain autonomous, regardless of size".

Consumer Safety Groups, critical of the shift from independent farmers to contract growers; who tell farmers exactly how to raise chickens, pigs and cows, hired their own scientific investigators and have traced recent outbreaks of "Mad Cow Disease" to farmers' cost-cutting practice of mixing bits of dead sheep's neural tissue into the feed of cows.

The practice of feeding sheep and even other cows to cows was not banned in the U.S. and Canada until 1997. But the United States Department of Agriculture says it is still legal to feed cow's blood to cows, to feed sheep and cows to pigs and chickens, and to feed pigs and chickens to one another and to cows, even though these practices have been banned in Europe.

Researchers also found that the parasites found in pork can infect a person even if the person does not eat it. A 1999 analysis of air data by the Environmental Defense Fund found that hog operations spew 167 million pounds of ammonia nitrogen into the atmosphere each year in North Carolina alone. "Studies in the North Carolina region where

hog facilities are clustered show that the level of ammonia in rain has doubled in the past decade," the report stated.

Epidemiological studies, meanwhile, suggest the fumes may cause increased rates of asthma, chronic bronchitis and other respiratory disorders.

A 1999 report prepared by epidemiologist Steve Wing for the Dept. of Health and Human Services found that people residing near a large hog facility suffered increased levels of nausea, diarrhea and respiratory problems.

The National Pork Producers Council (NPPC) hired Chicago-based Bozell Worldwide in 1987 to handle their health-care communications campaigns. Over the next few years Bozell Worldwide "merged" with a company called True

North (TN), then changed their name to FCB Worldwide and is now one of the fifth largest advertising companies in the world. In addition, the company boasts ownership of top brands in the healthcare communications. FCB Healthcare of New York absorbed many offices of sister company Bozell Global Healthcare, both internationally and in the US

In 1994 the U.S. Bureau of Census estimated that, then current minorities, Hispanics, so-called African Americans, Asians, and Native Americans composed approximately 28 percent of the population with a purchasing power of almost \$750 billion

In late 1999, TN partnered with Coleman Advertising, a leading so-called African American ad agency, in an attempt to target "minority" markets. The True North Diversified Cos. calls the alliance the New America Strategies Group, which hopes to reach

the black, Hispanic, and Asian American markets.

Cathie Ostrowski, a Registered Dietitian/Nutritionist who works for the NPPC, recently urged her readers to "Try lean pork today!" in her "Guide to preventing Osteoporosis", a disease in which bones become fragile and more likely to break.

By June 30, 2004, the American Heart Association, was reporting that cardiovascular diseases (including diseases of the heart, stroke, high blood pressure, congestive heart failure, congenital heart defects, hardening of the arteries and other diseases of the circulatory system) ranked as the number one (1) killer of so-called African Americans, claiming the lives of more than 37 percent of the more than 285,000 blacks who die each year. Heart disease and cancer combined to account for nearly half (48.6%) of all deaths among so-called African Americans nationally.

Learn How to Avoid Being Destroyed

By

Brother Malik Muhammad

DETROIT, Mich.--In the name of Allah, Who came to us in the person of Master Fard Muhammad. We thank Him for raising up the Most Honorable Elijah Muhammad (peace be upon him).

My dear Brothers and Sisters, In the theology of Time, the Messenger said, "As the judgement nears, people's heart hardens, but this is to be endured, because the scriptures cannot be fulfilled unless these things go on."

If it weren't for these words, I would be fearful for the future existence of my beloved people, The Black people from the Tribe of Shabazz.

We have gotten so wrapped up in the wrong that we are doing, until we almost laugh at the idea of being righteous, so we have just gave up on trying to be right. In order to be right, all we have to do is obey the Law of Islam, given to us by Messenger Elijah Muhammad.

It seems as though we have completely rejected the life giving teachings of the Most Honorable Elijah Muhammad (peace be upon him). Everywhere you look it seems as

though all are disobeying the laws of Islam, as taught by the messenger of Allah, given to him by Master Fard Muhammad, The true God and Lord of the worlds, for our salvation.

This is Truth, but we seem to not want the truth. We love this life that the devil (white people) has given to us as a people. We are addicted to the drugs and the drinking, and the gambling. We love doing deceitful things one to another. We love to lie, cheat and steal to and from each other. We love the acts of adultery and fornication. Everything that the Honorable Elijah Muhammad taught us against, we take great pride and pleasure in doing.

Brothers and Sisters this world (of lying, cheating stealing, gambling, etc.), as we know it is to be destroyed, but we, the Black Man and Woman from the Tribe of Shabazz, don't have to be destroyed with it.

Allah, God, Who came in the person of Master Fard Muhammad came to America to retrieve that which was lost, to save that which was lost and to return the lost to it's family. This is the Black Man and

Woman lost from their family for over four hundred years. Our salvation, yours and mine is to accept the teachings of the Honorable Elijah Muhammad and to put them into practise. Nothing else is going to save the Black people in America.

There is a war going on a very real war between God and the devil (white people, their ways and those who follow their ways). The devil will lose this war! All the prophets and messengers of before have foretold of the war between God and the Devil and the defeat of this devil by God Almighty. All of the Holy Books around the world bare witness that the devil will lose this war.

But we accept his evilness and think he will protect us against the power of Allah.

Before the coming of Master Fard Muhammad (God in Person), We thought that both God and the devil were spirits and that this war was going on somewhere other than in our physical world, but the messenger of Allah, the Honorable Elijah Muhammad (peace be upon him) made it clear to all, that God is the Blackman and the devil is a "white race of men" and the war is going on

in this physical world, right before our physical eyes.

This world of devil's is going out in flames. It is to be destroyed and the destruction is to be total and complete. The messenger tells us in the Theology of Time, there is no other messenger or prophet coming after me, I'm the last one of those kind of people. No Warner will ever come after me, the only warner that will come after me, is that one of whom you read about in the bible, wherein it says, He went and placed one foot on the sea, one on the side of land. That man will have his feet in those positions because he is going to cut a shortage in gravity.

The messenger says when he does that, all the air over land will burst into a flame of fire, and the water will not burst with fire, but land only. These flames will leap up into space 12 miles. They will be that high, nothing but a flame of fire burning the atmosphere. The atmosphere that you breathe will become a flame of fire.

These things are now pointing at our home here in America. He said this is the only part of the Earth that will be covered with fire. This part

Brother Malik Muhammad

will burn for 390 years. This is the type of destruction God has promised for America and its den of devils and those that have the devils mark (their way of life).

Go to the Temples of Islam that are teaching the Teachings of the Honorable Elijah Muhammad, brothers and sisters. Learn what you must do to escape the judgement of destruction that is headed for America by Allah. Thank you for reading this article.

verse, and now you are saying that you can't go over there and shake your fellow brother Ministers hand in love and friendship; and we are supposed to listen and believe what you preach is from the Last Messenger of Allah? Brother Ministers, please get real!

If that is the best you can do, then we don't need you because without unity, we are going to most certainly fail; all of us.

You are a fake and a fraud if you cannot find it in your heart to go next door to the poor brother Minister over there near you, and at the very least offer your hand in unity and friendship.

This is the least that you can do. You can at least sit down around the table like men, and negotiate your differences. Even the devil can do that with his enemies.

You must do this for the salvation of the Lost and Found Members of the Tribe of Shabazz. You must do this for your own salvation because believe me, Our Saviour is not playing.

He can and will punish you for disobedience. The Messenger warned us about breaking up into sects, and look at the situation now. It is pathetic and it is causing much hardship and anguish among the Faithful.

Every Muslim, and most certainly every man who claims to be Muslim Minister, is bound by the Law of Islam. Allah Himself stated this.

Messenger Muhammad would put a Minister out of the Mosque or Temple for gossip and back biting the Messenger's people.

Remember, brother Ministers, these are NOT your people. You have taken it upon yourself to teach Someone Else's people and that Someone Else has His own way of dealing with those who violate His Laws.

You, as Minister, are NOT free to do as you think is right without Divine Consequences because we all pray directly to Allah for His protection. So you must watch what you say because Allah is All seeing and All Hearing.

Make no mistake about it, this is Master Fard Muhammad's Program, via His Last and Greatest Messenger, the Honorable Elijah Muhammad. This is not your program. You are not even the Captain of this Ship.

Also, please do not spy on the believers and use them as stool pigeons against one another and for your protection. Stop sending them around, encouraging them to "rat out" other Ministers and Islamic teachers. This will cause you to fail miserably. You will have very little to show for your many years of work, not because the so-called Negro is dead, but because you are acting like the dead Negro yourself.

Allah has blessed many of His people with vision and sight whether you approve of them or not. Our Saviour, Master Fard Muhammad, doesn't send His power through you. He doesn't ask you anything about us. He does what He pleases and for whom He pleases. You are just like the rest of the Muslim people in that regard, all praise is due to Allah! So you must stand in line right along side of us and answer to Allah. You are not in a special "line." Nor will you be allowed to "cut" in front of the weakest one of us. If anything, Allah may judge you more severely because there is an old adage which states, to whom much is given, much is expected.

Now after reading this article, a few of you brother Ministers are probably asking yourselves, "Who does this little brother think he is, telling me what to do?" Well, I'll answer that one for you. I am I am just a simple plain struggling brother in Islam who loves to see you succeed in getting to our people on behalf of the Lamb of God. I am one of your best friends, if only you understood me. And so I am not telling you what to do. I am reminding you of what the Last Messenger of Allah has already told you.

And like the Honorable Elijah Muhammad and each of his committed followers, I want you to be a real success in Islam because we are all tired of seeing the poor believers suffer.

They start off with trying to have faith in you. And then they become disillusioned, often because of your inappropriate behavior.

Oh, you can teach up a storm. Yes sir, you can really get up

on the rostrum and preach Islam.

I can hear the one or two followers in your audience saying, "teach hard brother Minister." And you can teach too. But brother Ministers, where are the rest your people? Don't blame it on Allah. Don't blame it on the Lost-Founds. And don't blame it on the devil. Let's start with self. Let us see what part self has to do with a lack of attendance at your Temple. Try doing that for a change. Try blaming yourself! Maybe, if you could sit down and talk with one another like civilized men, you might find a few solutions to this pervasive problem; maybe.

In any event, I beg you, please do what our Messenger taught you; reach out for unity among his followers at any price. Do whatever it takes, but just do it.

Swallow a little false pride and seek out your fellow Minister. Take your flock and make a surprise visit to their Temple. You may find that you can finally fill up the meeting place. Presently most of you don't have enough people to even fill up the family room in my home.

To my brother Minister in Islam, may Allah, Master Fard Muhammad, bless you to read these words with a clean and open heart and mind as they are intended to help our Nation and not be overly critical of your great mission. You have the hardest job of any men on the planet.

Best wishes in all that you do of good.

With great love, admiration, and respect, I am yours truly, Muhammad R. Zahir.

HOW TO EAT TO LIVE

Why Allah Warned Against Eating the Flesh of Swine

By Messenger Elijah Muhammad

Excerpts Taken from How To Eat To Live, Book s 1 & 2

The prohibited flesh of the swine to be taken as a food is beyone righteous imagination. It is difficult to understand why Christians eat such divinely-prohibited flesh, while having a Bible and the law given to Moses against the swine flesh. Other prophets, down to Muhammad, preached against the eating of swine.

ALLAH TAUGHT me that this grafted animal was made for medical purposes, not for a food for the people, and that this animal destroys the beautiful appearance of its eaters. It takes away the shyness of those who eat this shyless flesh. Nature did not give the hog anything like shyness.

He is the foulest animal. He lives off nothing but filth. The only way you can get him to live and eat better food is to keep him from getting to filth. He is so poisonous (99 per cent), that you can hardly poison him with other poison.

You can even give him lye, something you'd think would cut up the intestines when eaten.

Snakes can't poison them; they eat them and fatten. The bit of the snakes don't harm them, because they eat the biter. He is so poisonous and filthy, that nature had to prepare him a sewer line and you may find the opening on his forelegs. It is a little hole out of which oozes pus.

This is the filth of his body that cannot be passed fast enough.

HE IS THE greediest animal. He never knows or cares to stop eating, as long as he sees something to eat. He is the dumbest animal. He keeps his nose smelling and eyes looking for something in the earth. You could feed him all day long, and he will never look up to see his feeder.

In case of bad weather arising, he is never intelligent enough to go in before it actually starts raining or hailing on his back. He takes no warning.

He will keep his head in the earth, rooting until the storm is lashing his back with rain and the lightning is blinding his eyes.

Please learn to eat one meal a day, and let it be without swine flesh and many of the ailments you are now suffering and getting medicine from the doctor, will disappear.

Who wants to eat the combination of these flesh: cat, rat and dog? This is what the hog is made of — the dog, cat and rat, and the Bible teaches you that he is from a mouse.

Read Isaiah 66:17, 'They that sanctify themselves, and purify themselves in the gardens behind one tree in the midst, eating swine's flesh, and the abomination and the mouse, shall be consumed together, saith the Lord.'

The hog, according to the teachings of God, in the Person of Master Fard Muhammad, to Whom praises are due forever, is very poisonous.

The actual flesh of the hog is 999% poison (nearly 1000%) as taught to me by God, in the Person of Master Fard Muhammad, to Whom praises are due forever. This poison is not going to kill you instantly. It drags you along for many years.

It is a very deceitful poison. It is in the form of live worms commonly called pork worms (trichinae). In a hog eater's body, these worms multiply by the millions. They first enter the walls of the stomach and then from the stomach pass out to the intestinal walls. And, from the intestines they travel up the back in the spinal cord into the muscles of the body and finally into the brain. When these worms get into these two places, last mentioned (of the body), the disease becomes incurable.

The lives of people with such poisonous worms in their bodies are usually limited to less than one hundred years. and for many, less than seventy years. There are a few who live past a hundred years, whose constitutions may have been much stronger than others.

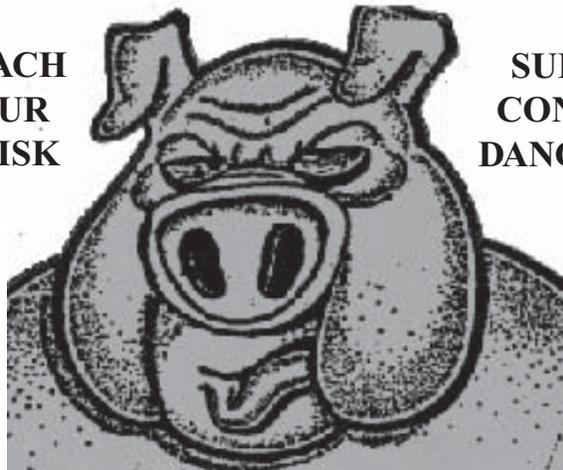

The pig is a mass of worms. Each mouthful you eat is not a nutritious food but a mass of small

worms the naked eye cannot detect. Worms thrive in the hog.

When these worms are digested into your system, they cause a high birth rate to hundreds of new worms called larvae which travels the blood stream of your system and lodge in your muscles. These worms even enter your brain, lungs or your spinal fluid. They cause muscular aches, fever and many other symptoms of sickness. The worm has an amazing ability to go undetected in your system for many years.

Messenger taught you." He said, "I'll tell you right now, that don't nobody want to hear that." He heisted and then said, "I don't think". Then he agreed to try it.

I told him I was going to see the Messenger's brother to see if he would be interested in working together. I went to see Minister John. But he didn't seem like he really wanted to do it, so I didn't see him no more for a while.

Then we decided to bring Minister Farrakhan here at the Stevenson building. We (myself Brother Donald, Brother Minus, and few other brothers) paid for the Stevenson building and put Minister Farrakhan and Minister John Muhammad together for Saviour's Day 1980.

Minister John Muhammad talked first and Minister

Farrakhan taught last. And the turn-out was good.

More people came out than we had anticipated. Minister Farrakhan had called me from Chicago and said, "Look, don't get no big building. Don't make us look bad."

So we got the room in the Stevenson Building that only held 1,000 people so it would look crowded even if only a few people showed up.

Man, that little room spilled over. We had to bring them out into the auditorium. A that's how it got started.

That very night, someone broke into my restaurant and set the place on fire. I don't know who it was. The FBI or just some hypocrites who didn't like what we had done.

Messenger Elijah Muhammad

By
Minister Earl Muhammad

ATLANTA, Georgia--In the Name of Allah, Who came in the Person of Master Fard Muhammad To Whom Praises are due forever and in the Name of His Last and Greatest Messenger, The Most Honorable Elijah Muhammad. As-Salaam-Alaikum

Last Messenger of Allah implies that there is no more to come after The Honorable Elijah Muhammad.

A Messenger is one who brings a direct message from Allah (Master Fard Muhammad to whom praises are due forever).

Prophets are those who prophesy after the revelations has been revealed to them.

The last Messenger is the fulfiller of all the scriptures before him.

It is written that God would come at the end of the Caucasian rule seeking to save that which was lost. He would raise one from among the dead, lost, blind, deaf and dumb people in the West (North America)

Read your Bible, Matt. 24 : 27 & 28. For as the lighting cometh out of the east, and shineth even unto the west ; so shall also the coming of the Son of Man be.

For wheresoever the carcass is, there will the eagles be gathered together. The Bald Eagle with a white face is the symbol for America, and carcass (or Negro) means dead.

America is the place where no Messenger ever taught before.

The Honorable Elijah Muhammad was the first and the last one.

Allah (Master Fard Muhammad, to Whom praises are due forever) taught the Honorable Elijah Muhammad for nearly three and a half years, day and night.

The Messenger's duty was to give life to the dead, the Blackman in America.

Holy Qur'an Chapter's 50 & 75 and Bible, John 11: 11-44 speaks of the Resurrection.

Resurrect means to rise up from a spiritual and mental death.

The Messenger's mission was to last for 40 years. Moses had to deal with a hard-headed and rebellious people and a powerful government at that time. Jesus had to deal with a hard-headed and rebellious people and a powerful government at that time. Muhammad of 1400 years ago was raised to stop the spread of Christianity at that time.

The Messenger is the Moses of

the Old Testament, the Jesus of the New Testament, and the Muhammad of the Holy Qur'an.

America is the last place Islam was to reach a non-Arabic-speaking people.

Holy Qur'an 14:4 And We sent no messenger but with the lan-

guage of his people, so that he might explain to them clearly. Then Allah leaves in error whom He pleases and He guides whom He pleases. And He is the Mighty, the Wise.

Or do they say: He has forged it? It is the Truth from thy Lord

that thou mayest warn a people to whom no warner has come before thee that they may walk aright.

The Black man is being made into a new man. All Praises are due to Allah for The Honorable Elijah Muhammad.

Who is the Son of Man?

By
Brother Muhammad Saleem Bey

OAKLAND, California-- The Honorable Elijah Muhammad (The Messenger of Allah) taught us the Son of Man is Master Fard Muhammad, God in person.

On July 30, 1972, during his lecture on the Theology of Time, Messenger Elijah Muhammad said, "We all are sons of men, brother, but this Son of Man is different from all of the others sons. The God that I call your attention to today, is a Son of a Man...What that actually means is that The God who has the power to bring in the Judgment over the made man, also is a made man and is the Son of The Real man."

The only God that Messenger Elijah Muhammad called our attention to was ALLAH (THE BLACK NATION), WHO CAME IN THE PERSON OF MASTER FARD MUHAMMAD.

During the audio-taped lecture on "The Explanation of Master Fard Muhammad", Messenger Elijah Muhammad said, "But why He's referred to as Son of Man? It is to teach us this lesson. That He is part of a made man and part of an Original man, who had no beginning, nor ending. He's part of the two. He's part of the people, Whom He comes to Judge and to destroy. And He's part of the people that He comes to Save.. The Son of Man, born in heaven from a woman taken from the Caucasian people."

The Original Man is the Blackman, THE GOD OF THE UNIVERSE. The Caucasian is the Yacub's grafted Devil.

On June 11, 1972 Messenger Elijah Muhammad said, "On June 11, 1972 The Messenger said, "Who is The Mahdi? The God we call Allah. And we call Him other names, but He is the One, also,

Brother Muhammad Saleem Bey

that is referred to in our Bible that will come.

Mahdi means a name of self independence. The Man don't rely on others. He's self independent and He's one that is coming in the last days to bring about the Judgment of the made-man. And He's referred to by many as being the Son of Man. I don't know whether

WHAT ISLAM HAS DONE FOR ME

I learned of Messenger Elijah Muhammad's Teachings in Prison

by Brother Lt. Quadus Allah

Brother Lieutenant Quadus Allah (pictured right) a soldiers in the fight to save the mentally dead Black man. He is found daily on the battlefield (streets of Philly) with his bullets (Muhammad Speaks Newspaper)

PHILADELPHIA, Penn.--In the Name of Allah who came in the Person of Master Fard Muhammad and in the name of his last and greatest Messenger the Most Honorable Elijah Muhammad.

I greet the believers in the Nation's greetings of peace, As Salaam Alaikum.

Having Islam in my life is a living testimony of how it can take you from a mentally dead state to having life indeed.

I learned of Islam in prison. When I heard the things the Most Honorable Elijah Muhammad had to say about the history of our Nation (Black People) the history of the Devil (white man), I knew I was hearing the truth. And I knew I had a true friend.

I had a lot of questions so all I could do to get answers was to keep reading the Messenger's books and the answers were right there.

I remember being very angry and hurt inside. All I could think about is how I had let the Devil (white man) trick me into believing that God was a mystery and the Devil lived under the ground.

Being caught up in the The Devil's way of life, had me hustling dope to my people and hurting my people, leading me to think that this was the only

way to success.

I was very angry because if I had heard of the Most Honorable Elijah Muhammad sooner I would not be sitting, rotting in a box for six of my young years in jail.

I remember being so angry that I spent most of my time in prison in the (HOLE) solitary confinement.

I had a subscription to the Muhammad Speaks Newspaper, the same paper I'm writing in today. I remember reading articles from Bro. Min. Levi Karim, Bro. Min. Ali out of Philly, and other believers all over this country. It was the only relief I had in Hell.

Reading the Muhammad Speaks in the hole was like me being in the Bahamas on the Beach.

We, the Muslims, know the Devils nature. He hates to see us (black people) with any thing that will bring us joy.

So they would do random cell shake downs and take any litature of the Most Honorable Elijah Muhammad.

Allah blessed brothers in the prison to get in touch with the Brother Minister Al-Muntaquin Ali out of Philadelphia Muhammad's Temple #12 prison out-reach program, in my behalf.

I had no idea that the Brother

Minister heard of my distress with these Devils here in prison.

I didn't know him and he didn't know me. He just knew that I was a Muslim and came to my aide as my spiritual advisor to ease the pressure.

Not only did he come see me, but he returned the following week bringing my family along with him.

From this I know Master Fard Muhammad through the Honorable Elijah Muhammad really hears our prayers.

I have been home seven years now, and Allah has blessed me with a beautiful MGT wife, and two children who are Jr. FOI.

My life has changed and I no longer have to look over my shoulder. I'm no longer criminal minded. Now I'm a business owner. People trust me with their property.

I have to say that what the Messenger said is true "You will know my followers they will be the successful ones."

By the way I did get a chance to take that trip to the beach at the Bahamas with a cold drink on my second year anniversary and I remember what Islam has done for me everyday. As Salaam Alaikum.

What Islam Has Done For Me

By
Sister Malika Muhammad

Sister Malika Muhammad

Because I chose to accept the teaching and laws of Islam, I have overcome many obstacles most would have buckled in the midst of and I thank Allah, much, for the understanding that it is a constant battle.

I see my condition bettering everyday from prayer, the dress that is prescribed, the mental and physical food, and the sisterhood of in the Nation of Islam.

I am constantly reminded that Allah loves me and all of His people and how He desires ease for us.

Before accepting Islam I didn't know how to acquire the best for myself. My thinking was limited.

Now desire and strive for nothing less than the best for me and my family.

It helps knowing that is what Allah desires for us and as long as there is breathe in my body, I pray to remain a follower of Islam, as taught by Messenger Elijah Muhammad and be to be the best example I can of His Teaching.

I also pray that all my efforts are in the upliftment of His program as in the prayer "My sacrifice, my life, and my death are all for Allah,".

I bare witness that there is no God but Allah, Who came in the Person of Master Fard Muhammad and The Honorable Elijah Muhammad is His Last and Greatest Messenger.

As Salaam Alaikum.

DETROIT, Mich.--In the Name of Allah, who came in the person of Master Fard Muhammad, and in the name of His Last and Greatest Messenger the Most Honorable Elijah Muhammad.

I greet my readers with Arabic words for peace of As Salaam Alaikum.

Islam, as given by the Messenger of Allah is one that I must say is very vital like the air we breathe.

It is my life and has done nothing less than give me life. The more I learn of this teaching and apply it to my everyday life it becomes that which I can't do without.

There is no doubt in my mind that it was sent from Almighty God Allah.

What Islam Has Done For Me

By
Sister Yvonne Ar-Raqib

Sister Yvonne Ar-Raqib

DETROIT, Michigan—I don't know
where I would be without Allah
and the Messengers teachings.

Islam has helped me to be
strong in trying to do the right
things.

It has made me understand that
if I were not under Allah and the
Messenger teaching I would be
out there in the devil's (white
man's) world, where anything
goes; getting in trouble.

I would be out there doing a
little bit of everything, things I
have no business doing out there
in the lost/found world.

Islam has given me hope to push
on not to give up on trying to be
right.

It gives me strength to want to
live. Now I have an aim and a pur-
pose. My life has a meaning be-
cause I know that whatever I do
in my own personal life, will af-
fect the whole Nation of Islam (the
Nation of Black People).

So now I try to be a good ex-
ample of what Messenger Elijah
Muhammad taught, so that when
my people, who don't understand,
see me, they will have a desire to
clean up their lives.

I think we all should have an aim
and a purpose in life it's very im-
portant, without one you're just
lost.

I feel like challenge is my
middle name. The challenges
and make me stronger.

We are taught as Muslims that
we will not be left alone just say-
ing we are Muslims and not be
tried.

So every time things get hard
for me, whether it be trying to pay
my bills, or taking care of my
child, prayer to Allah, Who came
in the Person of Master Fard
Muhammad and practicing Mes-
senger Elijah Muhammad's
Teachings carries me right
through it.

The challenges we face every
day is part of the testing we have
to go through to make us strong.

Since I joined the Nation, Allah
has enlightened me. He has
opened up my eyes. I can see
clearly and I can see that you can't
really fool a Muslim these days.
Because the closer you walk with

Allah the more He lets you see
things from a clear prospective.

When I first came into the Na-
tion I was not really all that smart
or sharp. I got taken advantage of
a lot.

Islam gave me perspective and
an understanding. I have learned
to stop trying to please everyone.
I know now that if I just please
Allah, I will be just fine.

Islam has also increased my
memory. My memory has got bet-
ter sense I became Muslim. We
have a lot of lessons to memorize.

The more you challenge your
memory the better your memory
gets. It's just like exercising your
body. Your body gets stronger with
exercise and so does your mind. I
know now that there isn't anything
I can't do with the help of Allah
and the Messenger teachings.

The black man and woman can
be champions with the teachings
of Allah through his Messenger
Elijah Muhammad.

We are part of a family (God
Family) he very best of the very
best. We are apart of a Nation and
Allah wants us to strive be upright.

Through Islam Black Men and
Women can survive the game and
become men and women of honor
who are to legit to quit, strong
breeders, having endurance,
strength, courage, and hope.

All these things found withing
the teachings of Allah and His
Last Messenger to us.

His teachings are all we need to
lead and prepare, get the next gen-
eration of our children, ready for
the new world to come, the Na-
tion of Islam .

The Messenger did not promise
us any smooth sailing or smooth
going but he promised us that, if
we follow what he taught us, we
will be the winners. ■

Who is the Son of Man?

Continued from page 19
I should tell you all of this or not?
The Son of Man is That Man That
is given authority and power by
God to carry out His judgment
upon the people. That's what Son
of Man is. And then, it goes also
for The Mahdi being born out of
His nation by a woman that was
not of His nation."

"But the man that produced the
child, that she gave birth to, was
of us, the Black nation. And that
He married her to get an unlike
child, so that he could send that
child among our people, and His
people, to produce a Ruler of us.
We, who were lost among the un-
alike people."

"And that Man he made
from among His people and the
enemy, was and is The God of the
Judgment of destruction of the
unlike, which has attracted us for
these last 6,000 years to follow."

This is MASTER FARD
MUHAMMAD. He is THE ONLY
ONE who fits this description. He
was given his authority by THE
BLACK NATION (God) His fa-
ther (a BLACKMAN) prepared
and sent him to seek and save that
which was lost, The Blackman and
woman in America. He found us .
He raised up a Messenger from

among us to teach us so that we
could take our place as God, so
we (The God) can bring on the de-
struction of the devil.

In his book, The Message To the
Blackman, The Messenger writes,
"This mighty One, is known
under many names. He has no
equal. There never was one
like Him. He is referred to in
the Bible as God Almighty, and
in some places as Jehovah, the
God of Gods, and the Lord of
Lords. The Holy Qur-an refers
to Him as Allah, the One God;
beside Him, there is no God
and there is none like Him; the
Supreme Being; the mighty,
the wise, the best knower; the

light; the life giver; the Mahdi
(this is He, Whom I have met
and am missioned by). He,
also, referred to as the Christ,
the second Jesus. The Son of
Man, who is wise and is all-
powerful."

The Messenger taught us that
Master Fard Muhammad was
The One coming at the end of
the world to crush the wicked,
The Mahdi, The Messiah, The
second coming of Jesus, God
in Person, Allah in Person, The
Supreme Being, The Mighty,
The Best Knower, The Life
Giver, The One he was
missioned by, The Christ and
The Son of Man.

Obedience to the Messenger with a twist

By
Sister Samirah Muhsin

DETROIT, Mich.--Messenger Elijah Muhammad taught us to stop all the damaging things that we were doing to our hair like perming and hot ironing and coloring and bleaching and let our natural glory shine through.

Well, my natural glory has been hard to work with compared to it's chemicalized counterpart. And I did not have "Indian in my family".

So I had some ruff stuff (kinky hair), and for the most part was unwilling to deal with it.

In my quest to be obedient to The Messenger's teaching concerning our hair, I have cried real tears sister.

I pulled with a wide tooth comb and I blow-dried with the watts that would drain the best generator. But sisters, I can now bear witness to the Holy Qur'an that "after difficulty comes ease".

After coming into the Nation, I, personally, struggled with it (hair) off and on for several years.

When I came in the nation my hair was braided (with extensions) and permed. Then I learned that the Messenger taught **"NO MAKE UP is to be worn. Let your natural beauty shine through. No relaxing, coloring or frying"**.

I tried to conform and let the chemicals go. But I simply wouldn't accept the fact that having synthetic hair or somebody else's natural hair braided into my hair to make it longer was not MY NATURAL BEAUTY.

And it wasn't long before I got another PERM. I felt so bad about getting it that I said that I would not do the touch up when it came time.

Well, that was a lie I told myself because I did the touch up.

Finally I made up my mind and never permed my hair again, after noticing how badly I had damaged it. While I was letting the perm grow out, it went to that awkward stage where its weak and brittle but straight on the ends and thick and barely combable but healthy at the root.

I continued to deal with it. I wore the ever faithful ponytail but really how long can a sister keep that up before she feels sick and tired of that rubber band or scrunchy or whatever you use?

So while I was in limbo

Sister Samirah Muhsin

looking at the fro, that would be my hair after washing, I would contemplate the perm and wish it was so much easier.

But it would get worse for me before it got better. I felt the need to compete with the females who were out there with their hair "looking good" (white) and feeling good about it, while I was at home with a "bushy mess" and feeling bad about it.

So I went ahead and straightened my hair with a hot comb (still not in accord with The Messenger's Teachings).

But pressing my hair turned out not to be worth the smell that comes with it, even if you don't burn it.

Pressed hair just doesn't smell so good. It stays, the smell I mean. So, I got a flat-iron. I thought "this is what I have been looking for, this will solve the problem". Yes, It did. It did the job it straightened without burning or smelling bad and it gave it that little bend at the end that I was so used to when I was getting my hair permed.

But water is the enemy to naturally kinky hair when we are trying to keep it straightened from any kind of heat. Pressing and flat-ironing my hair turned out to be more trouble that it was worth. So there I was, back to my old standby, the ponytail.

So, you see, I know about the problems that us sisters face when it comes to our hair. But when we understand the origin of our kinky hair, we should forget about "the easy way out".

found that trying to make my hair shine like someone with a perm or a White person's hair, only made a greasy mess of my hair.

Our natural hair is going to appear more dull than Caucasian hair or permed hair. It's just the structure of our hair. Our cuticles on our hair, because of the curvature do not lay flat. Flat cuticles reflect light better making that hair appear shinier. We can make our natural hair look very healthy. But, it must be maintained properly to be and appear healthy.

Here are a few points I have learned in dealing with our natural hair. Wash your hair no more often than every week to week and a half. More than that can dry it out. Comb your hair out while you're conditioning it to remove the tangles while it's wet and relatively slick. Oil your scalp on a daily basis with a good natural oil like shea butter. Do a deep conditioner or hot oil treatment once a month. Massage your scalp on a regular basis to promote circulation and oil production. Avoid overuse of products with mineral oil or petroleum. They block the pores. If you exercise and sweat, rinse the salt out of your hair even if you don't wash it. Condition it afterwards with a daily leave-in conditioner. Always use a leave-in conditioner after washing your hair.

The next thing to do is to find

a style that you like for your hair. This is where the creativity comes in. I, myself like the twists.

I take two small, not minute but not too thick, pieces of hair and twist them together starting at the base and continue to the end.

I keep on grabbing strands and twisting until my whole head is finished. They really work for me.

Although I occasionally braid my hair, I find that the twist are much easier to undo.

The twist have saved my hair and me from a life of confusion and hair-hatred.

I now think that my hair is cute *and* in accord with what the Messenger taught. It's easy for me to do myself. And it stands up to the ultimate test, Ablution at least five times a day.

So sisters keep fighting the fight and win one for all the sisters with the scalp drying, hair breaking perm, for sisters with smelly pressed hair, for sisters with low self esteem and hair-hatred.

Keep up the braids, ponytails, twists and whatever until you find the natural thing that works for you. Keep trying sisters, because the hair that these white people (devils) have is not what our crown should look like. Keep trying to get right and let your beautiful undamaged natural hair do your talking so that you can keep on walking among the righteous. ■

Don't you realize that you can't please the devil?

By

Minister Al-Muntaquin Ali

PHILADELPHIA, Pa—In the Most Holy name of Allah, who came in the Person of Master Fard Muhammad, and in the Name of his Last and Greatest Messenger the Most Honorable Elijah Muhammad.

I greet the believers in the Nations Greetings of Peace As Salaam Alaikum

Those of our people who work to aide and abed the Devil will be the losers in the end.

Many of our people like to help the devil do his devilishment. They are what we call self-haters.

Those so-called negroes feel that they themselves are white.

Wake up Negro you are not white. Do you think the Devils care for you anymore than any other blackman, women, or child.

You imps know the answer. No! And double no.

This devil, so teaches Messenger Elijah Muhammad, hates you by nature.

That means that, naturally, he can't love you anymore than he loves me. You wish that he did but he just doesn't.

In fact, the devil hates you more than me because nobody likes a snitch.

Messenger Elijah Muhammad teaches us that a hypocrite is most hated of all by all. I agree.

Take a good look at yourself hypocrite self-haters.

You claim to love black, you say you're going to uplift black, you swear you're going to live black, and promise to keep black secrets belonging to our people. Then you show that you have been an out-right liar.

Do you keep your promises to your people? NO! Do you really have love in your heart for your people? NO! Do you work on behalf of your people? NO! Do you do anything to uplift our people? No!

In fact, you do any and everything against our people, as long as you think you can please the devils.

You dumb, stupid, black fool! Don't you realize that you can't please the devil? He only uses fools like you for his own benefit.

One day he will show you his

Minister Al- Muntaquin Ali

hatred for you and all black people.

Messenger Elijah Muhammad has warned us, not to accept the devils as our friends or guides, and we who follow him have learned that this is best.

Soon you hypocrites will find this best as well.

Don't forget what goes up must come down. When you traders come down, those of us who stayed the course will be waiting.

My prayer is that you will wake up and become a blessing to your people. You are a part of the best people on the planet earth.

We love you and want you with us, but not as a trader, and a devil worshiper.

Worship God (Master Fard Muhammad) I know you can change. Your nature is righteousness.

Allah Master Fard Muhammad will bless you if you come to your own. The first Psalms states "Blessed is the man who walketh not in the council of the ungodly, nor standeth in the way of sinners."

When you spy on us and stool pigeon on us, you do both: walk in and council the ungodly.

PSSSSST the Devil (white man) is ungodly.

The Bible says "unless a man is born again he shall not see the kingdom of God."

Change, hypocrite, and be born again.

May Allah bless us all to see, and get into, the Kingdom of God.

Your Brother In Truth
Minister Al-Muntaquin Ali

"SUPREME" MINISTER JOHN MUHAMMAD Will Always Be Remembered By The Believers

DETROIT, Mich.—Minister John Muhammad was the blood brother of Messenger Elijah Muhammad. He was named Herbert by his parents, but his name was changed to John by Master Fard Muhammad.

He was the eighth (8th) son and the thirteenth (13th) or as you might say, the baby of thirteen (13) children of his and Messenger Elijah Muhammad's parents.

His First Post or Duty was as a helper at the door and an usher.

He became a Teacher in the University of Islam as taught by Master Fard Muhammad.

Late in 1932, Master Fard Muhammad, gave him the Authority of Acting Principal of Temple No. 1, Michigan, University of Islam.

He was Assistant Secretary and Secretary. At that time there was only one Temple of Islam in this Wilderness of North America for the so-called Negro.

Early in 1933, he was permitted to the rostrum to ask the members to give charity and to teach what he had learned in Islam.

He taught the Meaning of Our FLAG OF ISLAM, given to us by Master Fard Muhammad.

In 1933 - 1934, Messenger Elijah Muhammad gave him the position of Treasurer.

In 1935 Minister John Muhammad married Burnsteen Sharrieff Muhammad. This union produced 14 children, 34 grandchildren, 43 great-grandchildren and 3 great-great grandchildren.

In 1955, he was put in jail along with other pioneers for 10 days, he was later sentenced to 30 days which he served on the weekends for refusing to take four of his school age children (Elijah, Freeda, La-weeda, and Janet) out of the University of Islam and put them in public schools. For this they would take four of his children and put them into foster homes for a little more than 30 days.

Two years after Messenger Elijah Muhammad's death, in 1977, Minister John Muhammad opened his own temple in Detroit, Michigan. In 1981 he moved his Temple to Highland Park, Michigan, where he continued to spread the teachings of the Messenger Elijah Muhammad.

MINISTER JOHN MUHAMMAD Holding up the banner of Islam

He wrote a number of books; including The Journal of Truth, Books 1 & 2, The Name X, Exekiel's Wheel and Blackman Unite.

In 1986 he began publishing Muhammad Speaks Continues Newspaper.

He was responsible for hundreds of Believers learning of The Messenger's Teachings, for the first time.

He was laid to rest at Grand Lawn Cemetery in Detroit.

The Legacy of Brother Lt. Ali Hassan

BROTHER LT. ALI HASSAN

Brother Lt. Ali Hassan was born Tommy Will Caslin on June 9, 1914 in Barnesville, Georgia.

He was forced to leave school, completing only the third grade, to help his father work the farm to help support the family.

In the late 1930s Brother Lt. traveled to Detroit, Michigan where he soon found work at Peske's Meat Company where he was employed as a meat grinder until he retired in 1970.

After finding steady work he sent for his childhood friend and sweetheart, Cornelia Rogers, which he soon married and, to this union, seven children were born. He later sent for her mother and her sibling and purchased a house large enough for all of them to live in.

Brother Lt. Ali Hassan was known for his sharp dress, his hard work habits, his loyalty to Messenger Elijah Muhammad's Teachings and his great sense of humor. He always had a funny story to tell.

He would never leave the house without a shave, a shower and a coordinated outfit.

He would proudly cop a lean in his Buick 225 which he kept immaculate.

He was a member of the Elks in the early 1940's and was part of an elite drill team, performing in parades and functions across the country.

In the early 1950's he reclaimed his own in the Nation of Islam and remained a top member of the F.O.I. (Fruit of Islam) until his sunset on May 31, 2005.

Brother Lt. Ali Hassan would chaffer Messenger Elijah Muhammad whenever he was in Detroit. Messenger Elijah Muhammad gave him the name Ali Hassan.

The Messenger of Allah Presents

The Muslim Program

What the Muslims Want

This is the question asked most frequently by both the whited and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.
2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.
3. We want equality of opportunity. We want equal membership in society with the best in civilized society.
4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and minerally rich. **We believe that our former slave masters are obliged to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. **We want freedom for all Believers of Islam now held in federal prisons.** We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. **We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.**

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

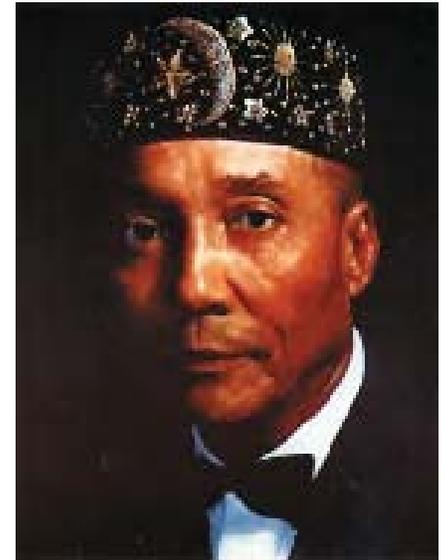

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.
2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.
3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.
4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.
5. **WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans. We believe the black men should be freed in name as well as in fact. By this we mean that he

The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH

should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. **WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.**

12. WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
