

# Naming Muslim Children

**You can legally Give your Children Holy Names when they are born, regardless to what child's parent's (mother's or father's) slave-name is.**

**For Example: A couple named Molly & Willie Byrd could legally name their child Muhammad Ali**

**DO NOT destroy that Holy Name buy placing the devil's name at the end of it, regardless to what child's parents (mother's or father's) slave-name is.**

**For Example: A couple named Molly & Willie Byrd must not name their child Muhammad Ali Bryd**

**Choose from the 99 Attributes of Allah**
