The Devil's Opposition to Man (BlackMan) and the Devil's Insinuations

Chapter 7: 3rd Verse: Follow what has been revealed to you from your Lord and follow not beside Him any guardians. Little do you mind.

7:4 And how many a town have We destroyed? For Our punishment came to it by night or while they slept at midday.

7: 5 Yet their cry when Our punishment came to them was nothing but that they said: surely we are wrong doers.

7:6 Then certainly We shall question those to whom Messengers were sent and We shall question the Messengers.

7:7 Then surely We shall relate to them with knowledge and we are never absent.

7:8 And the judgment on that day will be just. So as for those whose good deeds are heavy, they will be successful.

Chapter 7, 26th Verse: O children of Adam we have sent down to you clothing to cover your shame, and clothing for beauty, and clothing that guards against evil. That is the best. This is the Message of Allah that they may be mindful.

This is referring to the white race, after they stripped off their clothes and were naked in the caves and hillsides of Europe to remind them today that they were given clothes to cover their body and shame, and then He clothed them with beauty, the clothing that guards against evil.

That is the Law and guidance of God that He gave to them through Moses and the Supreme Wisdom of how to protect themselves against mockery of civilizations - it was Supreme for their time.

Now with knowledge of decency and intelligence they have turned to the practice of going nude, partly nude, and acting indecent in order to tempt the world of Black Man to break the Law of decency and intelligence that their fathers were taught not to break.

This is to lead Black men and Black women astray from their respect of God (Allah) and decent society of man, so they will find a place of divine chastisement and doom along with them (the white race).

In the following verse (27) Allah still warns them, and the Black people here are mentioned.

Chapter 7, 27th Verse: O children of Adam let not the devil seduce you as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you. He as well as his host from which you see them not. Surely He made the Devil's to be the friends of those who believe not.

Those who believe not is referring to the American so-called Negro (Black Man). The devil becomes their friends and guardians and they adopt indecency and the devil's way of civilization, and thus become the enemy of God and their Nation of righteousness (Black Nation). And therefore, their doom is that of the devil's (white man).

Legal News in Brief

Black Woman Executed in Texas

TEXAS--On September 14, 2005, the Supreme Court declined appeals about an hour before Frances Newton was taken to the Texas death chamber and murdered by lethal injection. Her execution was the 13th this year in Texas. She was the first Black woman executed in the United States since the Supreme Court allowed the death penalty to resume in 1976.

Mrs. Newton insisted she was innocent of charges that she shot and killed her 7 year old son, Alton; her 21-month-old daughter, Farrah; and her husband, Adrian, 23, at their Houston apartment.

She tried to appeal said her trial attorneys were incompetent and evidence at her trial improperly was

destroyed. Prosecutors said that any destruction of evidence was not improper.

In court the prosecution revealed that three weeks

daughter. She named herself as beneficiary and said she signed her husband's name to prevent him from discovering she had set aside money to pay for the premiums. Prosecutors maintained that the insurance payoff was the motive for the killings.

John LaGrappe, one of Mrs. Newtons defense attorneys, said the 40 year old Black woman was a victim of laws

that denied her access to the Supreme Court and blamed state-appointed lawyers early in her appeals process for missing deadlines that barred Mrs. Newton from raising legal claims.

Strapped to the death chamber gurney and with her parents among the people watching, Mrs. Newton declined to make a final statement, quietly saying "no" and shaking her head when the warden asked if she would like to speak.

Shahrazad Ali says that all of the survivors from hurricane Katrina should file a Class Action Lawsuit

PHILADELPHIA --Best selling author Shahrazad Ali suggests that the Black citizens of New Orleans organize to file a CLASS-ACTION lawsuit against FEMA, Homeland Security and the Federal Government for *dereliction of duty and attempted murder* - for not doing the job they had been paid to do - which is to protect them from harm.

Ali says that all of the survivors from hurricane Katrina should SUE America in the WORLD COURT for *violation of their human rights and criminal negligence*, for abandoning and starving them during a natural disaster.

Sister Ali further suggests that the surviving families of every Black person who died in the Superdome or Convention Center resulting from deprivation of food, water or medical care; should SUE and press charges for *involuntary manslaughter* against every politician who over the past

20 years voted against replacing the levee that burst.

Ali claims that although many of the storm victims were poor, that they are taxpayers, even if unemployed, because Louisiana uses their census numbers to qualify for and receive Federal funds to finance state and city projects. New Orleans Black population totaling almost 1/2 million represent a huge part of Louisiana's tax base.

Ali firmly believes that the current situation, unlike our pleas for Reparations, which are repeatedly denied allegedly due to lack of proof; this time the whole world witnessed America's brutal treatment and blatant disregard for Black life.

Shahrazad Ali concludes that after seeing the unlawful detainment and horrific suffering of thousands of Blacks, of all ages; that this time America must be held accountable and compensate those victimized by a racist

Hurricane Katrina: An English Lesson

By Sister Lucy 2X

By now we are all aware of the devastation in New Orleans resulting from a hurricane the weather bureau dubbed as "Katrina."

Practically all of America and foreign countries witnessed the blatant disregard, neglect and abandonment of thousands of Black citizens affected by the hurricane and resultant water from the levee bursting and flooding the city, mostly into areas inhabited by poor Blacks.

After attempting to follow orders and evacuate the city and seek refuge in a sports arena called the "Superdome," original people – men, women, children,

This occurred among and around the original people trapped in the Superdome.

No police or authorities came to give directions, no FEMA reps from the government brought food or water, no Red Cross showed up with needed medical care. And no buses lined up to take them to comfort and safety.

The Black people were filmed by the news media begging for help. Even little children pleaded for mercy – just the basics. But no one came – from anywhere. **("the trader disappeared and there was no one that could speak their language...." English Lesson No. C-1)**

"I'm not going to have to convince you that the white man is the devil, because the white man will convince you himself."

Words of The Hon. Elijah Muhammad, Messenger of Allah

babies and the elderly, totaling nearly 15,000 strong, streamed into the arena in an orderly fashion.

They had been told this was a brief stop-off point and that buses would be there shortly to transport them to safety.

A sprinkling of Caucasians, also too poor to leave before the storm, were among the displaced.

Everyone believed that upon entering the Superdome they would be comfortable until they left the area. **("The trader made an interpretation....." from English Lesson C-1)**

This group also contained, some of our undesirables such as crackheads, heroin and PCP addicts, rapist, murderers, diagnosed bipolar and medically dependent criminally insane. Such are the diseases and ailments of this society.

These type of sick individuals are unable to control themselves for extended periods of time and tend to become unruly, unreasonable, violent and savage – without their fix.

Total chaos ensued with the breakdown of all civilized behavior. This reportedly included murders, rapings, robberies and terrorist threats with weapons by Black male bullies and sexual deviants who went savage.

This went on day and night for about 4 nights and 5 days – a very long time under such horrific conditions.

Toilets backed up and not working, no electricity, no air conditioning, water fountains inoperable and no security guards to keep the peace – all occurring in 90-95 degree heat and humidity.

All day and all night the news media, for once, showed exactly what was going on with vivid true to life movies and photographs of the human filth and disease these poor thousands were forced to live with for almost a week.

The pictures were of hell erupting and many a newscaster actually said: "the worst is yet to come," also a warning from the Messenger in several of his weekly articles.

No protection such as martial

law, no troops, no national guard. Nothing.

The local, state and federal government "had promised them only to deceive." per another quote from Messenger Elijah Muhammad.

The thousands of Blacks stranded in the Superdome sports arena and the convention center and other group locations gave us a clear peep into what slavery must have been like – with our people wading in filth and begging for food and water while they were detained in the slave pens before being boarded on ships to come to America.

"mother nature."

They work hard day and night to keep our people from ever considering that God is a MAN.

I maintain that the white people in charge made a calculated decision to leave all of those thousands of Black people to fester in multiple locations while they first made sure they helped all of the whites to leave town, and secondly try to figure out what to do with them, and thirdly – they did not want upwards to 400,000 poor, jobless, unsophisticated so-called Negroes randomly dispersed throughout America – or aimlessly wandering, perhaps loot-

slavery ended. Can you hear me now?

The entire scenario was and is about racism and hatred of Black people by white people who are tired of having to care for their former slaves who have refused to do anything for self.

So the devils in charge made a conscious decision to once again do something to prove to the so-called Negroes that they (the whites) do not love or care about them – under any circumstances. Including tragedy, storms, floods, sickness or in health.

Tragically since late 9-3-05 afternoon, five days after the emergency, and help had started to arrive; many of the Blacks are shown hugging and kissing the white people and already commencing to go into their self-hypnosis and amnesia. We are always willing to forgive whites and forget about their transgressions against us because we are totally dependent on the master for survival. **("he likes the devil, because the devil gives him nothing"...English Lesson C-1)**

Whites are counting on our short term memory to exonerate them from the gross neglect they just committed on thousands of helpless Blacks in New Orleans and Mississippi who were surrounded by flood waters 20-30 feet deep. **("they could not swim 9,000 miles" English Lesson C-1)**

Today we know that the devil has not changed his historical system of hostility in dealing with Black people.

Allah has control of the elements and He promised to use them to destroy America. His wrath has commenced. Are we ready?

Dead body lies in the street at the Superdome in New Orleans

It was as if their lives had no value and that the devil imprisoned them without food or water intentionally. He did.

They created a human disaster much worse than the blow nature had dealt them.

Allah's work is always referred to as "nature," and to keep the people blind, the devil refers to storms, earthquakes, hurricanes and tornadoes as being caused by

ing or rioting up the coast. So they contained them.

They lied to them. They tricked them. Again.

The debate is now about whether or not racism played any part in how these poor Black/African-American hurricane victims were treated.

Of course racism was involved, it was the overriding factor, and has been for over 135 years – since

Home of the Mardi Gras Destroyed by Allah

NEW ORLEANS-- The first recorded celebration of Mardi Gras in the United States was in the state of Mississippi.

Mobile, Alabama says it started Mardi Gras. But, as long as anyone living can remember, New Orleans, Louisiana has been the home of the one of the most corrupt parties ever thrown in America.

All three cities shared in the history of Mardi Gras and they all shared in the wrath of Allah, August 29, 2005 as a hurricane absolutely destroyed the entire area.

The historically Roman Catholic city, of New Orleans host this event which is a long season between Christmas and Lent.

The Mardi Gras Carnival (which is Latin word meaning, "lift up" or relieve from "flesh" or "meat") officially begins in New Orleans on the Feast of Epiphany, or Twelfth Night - Jan. 6 - and continues until the midnight of Fat Tuesday, the day before Ash Wednesday.

The date for Ash Wednesday, changes from year to year depending on the date of Easter.

The Carnival season builds slowly, from the drunken street-

Pictured: 'The Golden Calf.' One of most well-known events during the Mardi Gras, is when a drunken mob gathers around a "Golden Calf" beating drums and blowing horns and shouting "Hail to the Calf!"

orgies, there is always nudity during Mardi Gras, where women show ("flash") their breast in the streets, to get "beads". Homosexuals dress in drag and receive prizes for the most outlandish costumes.

Both Mobile and New Orleans, have been instrumental work to keep "the tradition going, but neither New Orleans nor Mobile started Mardi Gras.

Carnival/Mardi Gras is a European celebration that started, like all other Christian "holidays", as

drunken mob gathers around a "Golden Calf" beating drums and blowing horns and shouting "Hail to the Calf".

The earliest reference to Carnival in New Orleans, was in a 1781 report to the Spanish colonial

AMERICA. He wrote: "Large bodies of water at the ocean shore lines will be made to swell with unusually high waves, dumping billions of tons of water over the now seashore line." And that "these judgments would push the people into the center of the country, and there they would realize that it is Allah (God) Who is bringing them and their country to a naught.

The Messenger went on to write: "To be plagued with too much rain will destroy property and lives... bringing various germs, causing sickness to the people. It produces unclean water by the swelling of streams and destroying reservoirs of pure drinking water used for the health of the people."

"According to the history of Noah, the people ridiculed the

very thought of Allah bringing a flood to drown them. Noah was laughed at and scorned for preaching such a doctrine.

According to the Bible and Holy Qur'an, he was called a liar and looked upon as a crazy person. Some of the members of Noah's family joined the mockers and disbelievers of Allah and His Messenger, who was Noah.

They met the same fate as the others who disbelieved."

For over forty-four years, Messenger Elijah Muhammad warned hard-hearted and hard-headed Black people, just as Allah's warners of old.

Get this book, THE FALL OF AMERICA, so that you can be made aware of what is yet to come and know how to be prepared for the next judgment that Allah is about to bring on other cities in America.

When French-Canadian explorer Pierre Le Moyne, Sieur d'Iberville, landed on a plot of ground about 70 miles down river from the present location of New Orleans on Mardi Gras, Mar. 3, 1699, he christened it Pointe du Mardi Gras. Iberville's expedition went on to establish settlements at Biloxi Bay (Mississippi) and Fort Louis de la Louisiane (Alabama), located on the Mobile River a few miles upstream from the present site of the city of Mobile. (Mobile, which calls itself the Mother of Mystics, traces its Carnival tradition to 1704, when Nicholas Langlois founded Societe de Saint Louis, a prototype of the secret societies, or krewes, that would later institutionalize Mardi Gras in New Orleans.)

Pictured; Three men dressed as women at Mardi Gras 2000

"Mardi Gras" (which is French for Fat Tuesday) technically applies only to the day before Ash Wednesday. But "Mardi Gras" is also commonly used to refer to the whole Carnival season, especially the final frenzied two weeks when the most parades occur and the lewdness and corruption is at it's worst.

During these festivals, which can best be described as drunken

pagan celebrations where drinking and debauchery are the order of the day, and it hasn't changed much.

Much of Catholic Europe celebrates this Carnival under one name or another.

The early explorers and settlers of both New Orleans and Mobile arrived with a tradition of Mardi Gras and adapted the tradition to their new home.

One of most well-known events during the Mardi Gras, is when a

governing body, the Cabildo, raising concerns about slaves and free Black people masking and mingling while passing through the streets in search of dance halls. Masking by black people was banned, and the prohibition was extended to all masks a few years later.

In 1827, the ban on masking was lifted from January 1 through Mardi Gras.

As Mardi Gras became a less exclusive affair, its economic impact on New Orleans multiplied.

Every year, thousands of people from all over the world flocked to New Orleans to take part in the drunken escapades, flashes of nudity, and freak shows.

Three of the towns hit hardest by Hurricane "Katrina" were New Orleans, Mobile and Biloxi.

Time Manifests Truth

By
Minister Levi Karim

DETROIT, Mich--In the Name of Allah, Who came in the Person of Master Fard Muhammad, To Whom all praises are due forever, The True and the Living God. I thank Him for His Last Messenger, The Honorable Elijah Muhammad (peace be upon him).

another, the Truth of our character is made manifest. Sometimes we can misjudge or be misjudged by the making of mistakes because we all make them. But Time manifests if we are truly doing wrong unintentionally or whether we are doing wrong intentionally. Allah knows our intentions.

Whatever there is in the heart, Allah will bring it out of us. Even in our dealing with one

Time makes manifest what is in us.

Messenger Elijah Muhammad (peace be upon him) taught us that we are living in the Last Days. We must remember that we are being tested to see who would deviate from Messenger Elijah Muhammad's Teachings

Messenger Elijah Muhammad taught us that hypocrites are liars. When people are out to deceive you as to who they really are or, I should say, the way they really are. They pretend to be someone else or act in away that is different from the way that they would really like to act.

Many times, Allah will open the eyes of one person and show him the Truth of the hypocrite or the deceiver, while everyone else around him, sees only what the deceiver wants them to see. As a result, if the person whose eyes have been open tries to warn the others of the deceiver, those around him might tend to look at the waver as being an attacker or slanderer or just a bad person.

Allah, (God) Master Fard

Brother Minister Levi Karim
PUBLISHER OF MUHAMMAD SPEAKS NEWSPAPER & WEBSITE

Muhammad, opened Messenger Elijah Muhammad's eyes to the fact that the white man is the devil. When the Messenger began to teach that the white man is the devil, many black people, who love the devil, didn't like the Messenger teaching about the white man.

Some, today, don't like to hear the Truth about the white man. And they hate the Messenger for teaching it. And also his followers who continue to

teach that the white man is the devil.

Time continues to make manifest who all of us really are; and what we REALLY think and believe. We don't become dismayed when we tell the Truth and is not believed or is called an attacker or slanderer. We keep our trust in Allah that what Messenger Elijah Muhammad said is true; that Time brings about manifestation.

"Allah is sufficient for all our needs. This is why I do not have to beg from our oppressors or march on their Captiol with my hat in my hand."

-Messenger Elijah Muhammad Fall of America, Chapter 12

The Honorable Elijah Muhammad taught us that we are living in the Last Days (Judgment) and that our very own actions would be the Judge of us, whether we do good or bad.

Messenger Elijah Muhammad said time brings about manifestation. And that His followers would be tested to see which ones would deviate from that which was given to him from the True and the Living God, Who came in the Person of Master Fard Muhammad.

The Truth, taught by Messenger Elijah Muhammad is the only thing that is going to stand today. Messenger Elijah Muhammad taught us that it is God, Allah, Master Fard Muhammad, that makes manifest what is in our hearts and minds.

When we say we believe in the teaching of Messenger Elijah Muhammad, as brother and sister believers, we must do and stand on that, which Messenger has taught us.

When we say that we judge a man according to his works, that is the only thing, in reality, that we can judge him by. When we say one thing and do

another, our heart must be right. We must be sincere, truthful, faithful, and loyal to one another—The Brotherhood; loyal to Messenger Elijah Muhammad's Teachings (peace be upon him) and to Allah. If not, Allah (God) Master Fard Muhammad makes us manifest when trying to pull a fast one (put one over).

Allah, Who Came in the Person of Master Fard Muhammad, to Whom praises are due forever, makes the hypocrites tell and bear witness against their own selves. Allah blinds them. Then He let's the Believers see them for what they really are.

Messenger Elijah Muhammad said Master Fard Muhammad takes control of their minds and makes them (hypocrites) bear witness against themselves.

When that smart crooked deceiver tries to put one over, Allah, God, Master Fard Muhammad, makes them manifest to the ones that they thought they had put one over on. We see them for what they are. Whether we are strong, firm, stubborn, jealous, envious, weak or anything else; all will be brought out of us.

The True Followers of Messenger Elijah Muhammad

By

Min. Shaheed Abdul Shabazz

BROOKLYN, New York--In the name of Allah, the all wise, true and living God, the one who came in the person of Master Fard Muhammad, to whom all the Holy Praises is due forever, and in the name of His last and Greatest Messenger, the Hon. Elijah Muhammad. I greet my beloved brothers and sisters in the nations greetings of peace and paradise in the Arabic language, As - Salaam Alaikum,

The Honorable Elijah Muhammad said, "That there will come a time when all my true followers would be able to fit into the back of a taxicab." Meaning that the followers or believers who stood fast to the Original teaching of the Messenger, as they were given to him by Master Fard Muhammad, would be very, very, few!

The Honorable Elijah Muhammad instructed us to not change the teaching from it's Original Format.

We must teach our people the same way they were taught to us! This is the Criteria we must use to determine who is teaching in the correct manner and who is not!

The Messenger of Allah left us with books, videos, audio tapes, articles in the Muhammad Speaks newspaper, and the Pittsburg Courier, that we can easily use to see who has gone astray.

Some say that they believe in the Messenger and his teachings, yet their actions prove that they do not, and they have ulterior motives.

How could you say you believe in Allah, and not His Messenger. Allah and His Messenger are one, and cannot be separated!

When we take on mixed teachings or instructions, we can only be lead away from the righteous path that Allah has given to us through His Messenger!

The Honorable Elijah Muhammad teaches us that these teachings are the only salvation for the Blackman here in the Wilderness of North America!

Now let us ask ourselves a very serious question: If they say that they believe in the Messenger and his teaching, then why are they doing and saying that which they know that the Messenger would emphatically not condone!

The answer to this question is very simple. They believe in their

mind's that they have more knowledge, wisdom and understanding than the Messenger. But they are making a grave mistake with this kind of behavior.

The most inner part of the Ego, called the ID, can be most dangerous. It can make one think that they are above criticism or reproach, and some of them have thousands of followers who believe in them, while the one the followers should be following is the Honorable Elijah Muhammad, Who was taught by God in the person of Master Fard Muhammad!

The true followers of the Honorable Elijah Muhammad are blessed to be living in this day and time, to see the manifestation of what the messenger said would come to pass.

When the Honorable Elijah Muhammad passed away in 1975, his son Wallace Muhammad assumed the position of leader of the Nation of Islam. Wallace said from the rostrum that he would follow in his father's footsteps.

He said, "When you see me, you see the Honorable Elijah Muhammad".

But it didn't take long before he systematically started to dismantle his father's work!

The majority of the believers did not have the understanding of the Messenger's teaching to see that Wallace was off the path that his father had paved for us to follow.

"Orthodox" Islam is not for the Blackman here in the Wilderness of North America.

In the Bible and in the Qur'an, it states that Almighty God Allah would send Prophets and Messengers to all nations.

The Arabs of the east got their Messenger over 1400 years ago. The so-called American Negro was not in the east 1400 years ago. That Islam was designed especially for the Muslims in that part of the Earth, at that time!

The Islam that the Honorable Elijah Muhammad taught us was a specially designed Islam, that could raise-up a dead nation within a nation.

So, logically, we, the lost-found chosen people of Allah, the true and living God, are also entitled to receive a Prophet or a Messenger to teach us that which has been kept from us by the Devil himself.

We the so-called American Negro, were robbed of all that we possessed; Physically, Mentally, and Spiritually, and put into the

Darkness of Slavery for over 400 years!

As it reads in the Book of Genesis 15:13,14-"*And He said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and they shall serve them; and they shall afflict them four hundred years.*"

"*And also that nation, whom they shall serve, will I judge: and afterwards shall they come out with great substance.*"

Please my brothers and sisters, study and understand this scripture, and know that America is being judge today!

If we study the history of the planet Earth, we will find that no other people served anyone for 400 years except us here in the Wilderness of North America.

So Allah came, Himself, to this wilderness to find His Lost Sheep, the ones who were taught to call themselves Negroes. And from among us He found one of our very own brethren who was worthy enough to raise-up and teach him Supreme Wisdom. Thus making him the Messenger of Allah, with a special message that would put us back on top of civilization.

Today we have many believers in the street, who say that they believe in the teachings right and exact, but have no desire to build anything!

The Honorable Elijah Muhammad says we must build Temples to teach our people this great knowledge, and not be satisfied with meeting in cateries and other inappropriate atmospheres not conducive to the teachings!

The Honorable Elijah Muhammad said that for every church, we should build a temple. Our people are badly in need of this knowledge of self and others.

Create legitimate business places and not be satisfied with selling merchandise on the streets.

But most importantly, he said we should build hospitals to take care of our sick! And also we should purchase as much land as possible, to build on and grow food to feed our people!

All of these things will enable us to become independent and stop looking to others for necessities that independent people produce for themselves!

Until we do these things, we will continue to put other people in Heaven, before we put ourselves in Heaven! As - Salaam Alaikum

Look out for Hidden Messages in TV shows and Cartoons

By

Brother Rauh Karim

DETROIT, Mich.--In the Name Allah, Who came in the Person of Master Fard Muhammad. I thank Allah for raising up Messenger Elijah Muhammad to teach us the truth.

My parents taught me to be careful what I watch. My mother told me that every time we turn on our TV we welcome the devil (white man) into our home.

So they taught me "How" to watch TV. When I watch TV, I'm always on the look-out for any little tricks or messages the devil (white man) puts in his movies and cartoons.

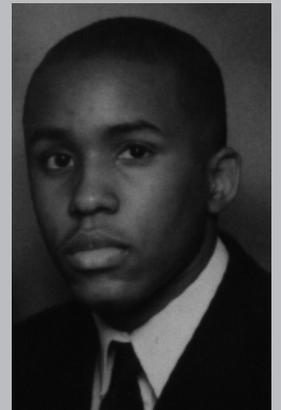

Just recently I saw a show called "Rescue Me". I noticed that they know that heaven is not in the sky, beyond the sun moon and star and that hell is not under the ground, and that both heaven and hell are just conditions of life.

In this show, that aired September 13, 2005, a little devil (white) girl's brother died. Her father's friend was trying to make her feel better, so he told her, "You'll see your brother again one day". The little girl said, "No I won't". The man said, "Yes you will. You'll see him in heaven." The little girl argued that she didn't think heaven really existed. The man said, "Yes it does." And the little girl stunned him by saying "PROVE IT!"

Almost every week at the Temple Meetings, I hear the Minister teach that heaven and hell are not places we go to after we die, but that they are conditions of life. He says, Heaven is when you have money, good homes, friendship in all walks of life, peace of mind and contentment. And that hell is when you are raggedy, have holes in your shoes, no money, homeless, hungry, and so on.

Christian people say that heaven is the "land of milk and honey", but we can go right up to the corner store and buy all the milk and honey we want. We don't have to die to get milk and honey.

I hear a lot of Christian people talk about they can't

Brother Rauh Karim, Age 12

wait to go to heaven, but I know they don't really believe they are going there after they die. Because if they REALLY wanted to go there they wouldn't have any problem with dying. Why all the crying at funerals, if you know that after you die, you will see that person again?

The truth is that deep down inside, we all know that we're not coming back after we are dead.

I agree with the little devil (white) girl in the movie who said that the only reason the idea, of heaven-after-you-die, was made up was to make people feel better.

There are a lot messages (good and bad) in TV shows, movies, cartoons and even commercials. And if you don't know that you are being tricked, while you are watching, it's easier to trick you.

Every idea that white people want us to go along with, they start putting it in cartoons, TV shows and movies.

I love being able to spot the tricks. It makes me laugh to see just how slick the devil (white man) is. But it makes me sad to know that my (Black) people, can't see the tricks.

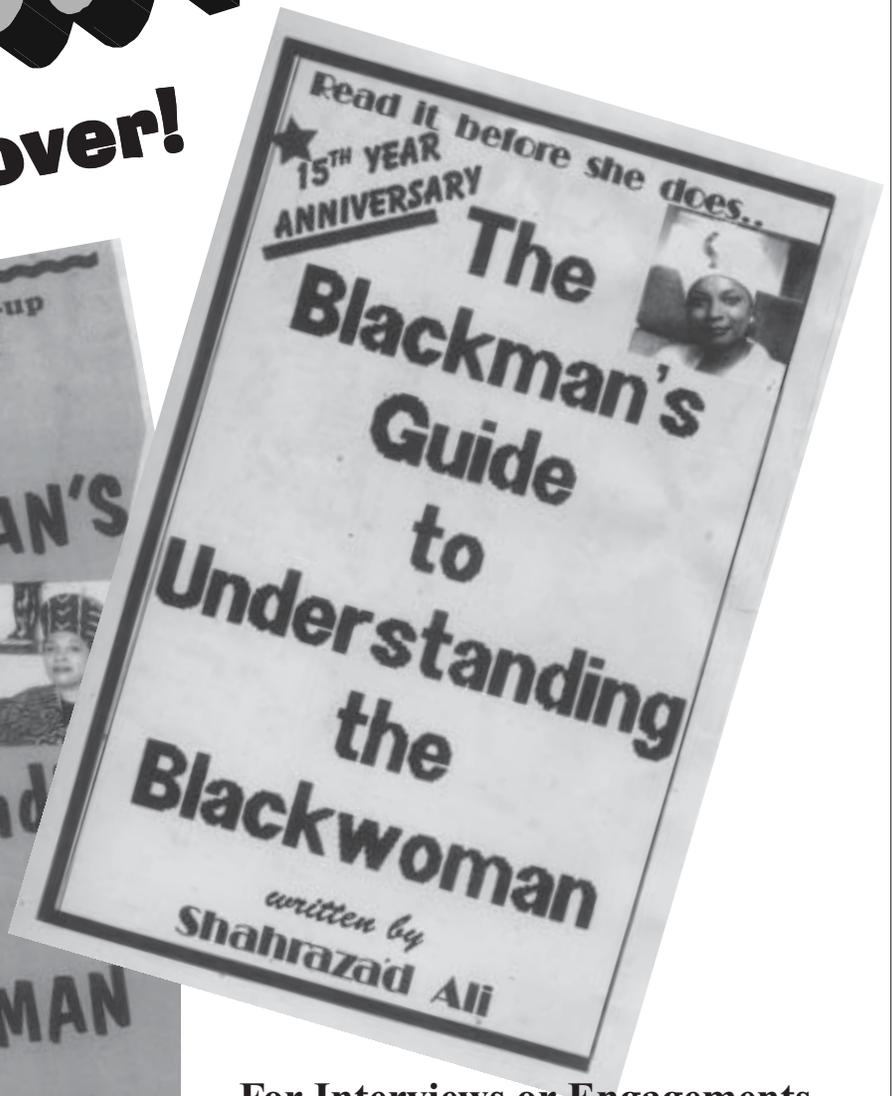

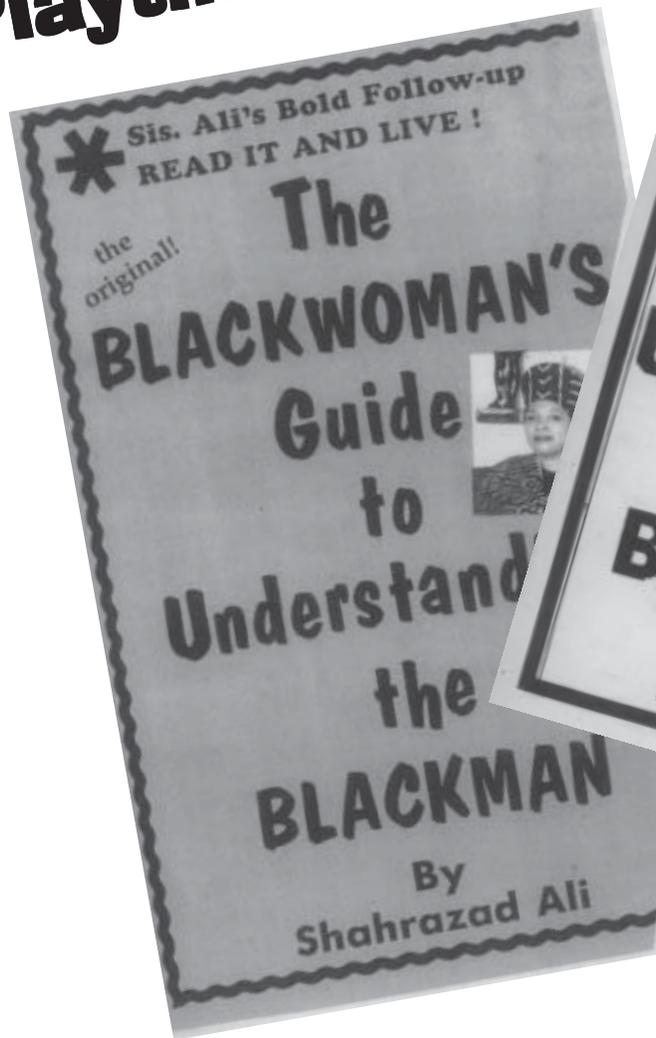

When I talk to people I know who are not Muslim, and they tell me a joke or about something they saw on TV, I can see that they don't understand. They never want to talk about something serious. They take everything as a joke. It's very seldom that I can talk to a person, my age, about anything serious.

I hope this article will help Black people, my age, to look at TV, cartoons and movies for more than just entertainment.

A Nation Can Rise No Higher Than It's Woman, Part 1

By Sister Sophia Muhammad

Sisters who attended this years Annual National MGT Meeting

MASSACHUSETTS—In the name of Allah who came in the Person of Master Fard Muhammad. I bear witness there is no God but Allah and that the Honorable Elijah Muhammad is his last and greatest Apostle.

As-Salaam-Alaikum

Oklahoma City, Oklahoma: situated on one of the largest oil fields in the Nation, forerunner in the Nations cattle market, a place of old world charm, new world enterprise and host city of this year's MGT & GCC National Class Meeting.

On July 15-17, 2005 sisters from all over the United States traveled to Oklahoma City, Oklahoma to partake in a magnificent experience of Love and Sisterhood.

For three days sisters from Connecticut, Massachusetts, Virginia, New Orleans, Oklahoma and Texas gathered to be educated on the wisdom of the MGT & GCC Class as taught originally to the sisters under the Honorable Elijah Muhammad.

How to keep house, How to take care of our Husband, How to rear our children, Sew, Cook, and in general How to Act at home and Abroad, all manners of femininity and refinement as well as a score of pertinent information pertaining to the cultivation and training of the Civilized woman.

It was a magnificent experi-

ence, as Elder sisters shared their wisdom openly and unselfishly to many who are new to Islam as taught by the Honorable Elijah Muhammad or have been mistaught and/or misled by other Organizations claiming to be Nation of Islam.

The sisters formed a bond that will keep us united until we see one another again for the next National Class Meeting.

There is nothing like the gathering of our people in peace, love and unity to discuss a common goal and agenda. That was the focus of this weekend, and that focus will extend to each and every one of our everyday lives from this point on.

No one is going to unite us, we have to unite among ourselves and move out as we have been taught to move out with the program.

There is nothing that we cannot do as unified women, unified men and a unified Nation. It's our time so let's shine!

Some of the Highlights of our very productive assembly were:

*The Importance of Our MGT and GCC Class

*Becoming more perfect in our duty

*Accepting our own and being ourselves.

*Learning how to give power back to our men.

*Future Planning, which includes putting the program to working (utilization of the Blue Print given

by the Messenger of Allah).

*Helping to make us become financially independent so we can keep our (ourselves) women safe (out of the enemy's workplace) and away from the enemies clutches.

We are forever grateful to Allah Master Fard Muhammad for the Sisters who came together to put this year's program together and then called the rest of us together in love, strength and unity.

May Allah forever bless you for your love of your sisters and the sisterhood: Sister Hughmerdes Allah, Sister Lutfiyyah Bahar, Sister Jalilah Muhammad, Sister Alliiyyah Omar, Sister Mary Bah and Sister Yasmeen Muhammad.

We anxiously await next years MGT & GCC Class meeting, that will by the grace of Allah be even more successful; for we are always and forever proud to be MGT.

We would like to extend our thank you to the Brothers who answered the call to duty and made the trip priority above all else. They were there to protect their women every moment during our three day Class Meeting.

We would also like to thank Brother Minister Kenneth Muhammad from Bridgeport Connecticut for the spiritual food imparted to us on Sunday. The lecture was truly inspiring. We, thank you over wonderful brothers for all you did to help us make our Class Meeting Successful.

The Great Importance of the MGT & GCC

The Muslim Girls Training and General Civilization Class is so important that Master Fard Muhammad told us the following:

“I can sit on top of the world and tell everyone that the most beautiful Nation is in the wilderness of North America. But do not let me catch any sister other than herself in regards to living the Life and weighing properly.”

He didn't say one of the most beautiful Nations. He said THE most beautiful in the entire world. But, there is a condition placed upon us by Master Fard Muhammad (God in Person) We have to be ourself. What is herself? Herself is a righteous Muslim, created by nature to be the Black Man's comforter, consoler, nurturer, and helpmate. This is why the MGT & GCC is so very important.

It is imperative that the Black Women returns to the knowledge of self, embraces who she is, and lives out her natural role.

Simply put, if the Black Woman doesn't rise, the Black Nation will never rise. Without knowledge of self and our unity our Nation will not rise. Our enemy knows this, so he does his best to keep the Black Women under his power and influence.

It is known by the enemy of the Black Man that if you want to destroy a Nation, you first destroy the woman. If you want to raise a Nation, you first raise up the women. So, he offers her false way of life, placed it in a fancy package (feminism, women's liberation) and feeds it, wholesale, to our women and girls.

The more we, as women, think that we are liberated and free from

the need of a man, just because we can go out and work for our open enemy, the more foolish we become, the more dependent we become, the more destroyed we become.

Feminism and women's liberation is for the Caucasian woman; it's not for us.

We are not rebellious by nature, but we have become rebellious and disrespectful to our men, our selves and our Nation by practice.

The only reason the Black Man still allows his woman to be in contact with his open enemy is because he's still out of his mind and mentally dead.

The wise Black Man would do all in his power to remove and protect his woman from his open enemy.

We have to decide, at this point, do we really want a civilized society? Or are we just lip-professing. Are we really willing to do what it takes to place ourselves back on top of civilization? Or are we just lip-professing?

Are we really ready to build a Nation of righteous men and women in submission to Allah-Master Fard Muhammad? Or are we just lip-professing?

No civilized Nation allows their women, their precious women to run wild, mingling with their open enemy and then calls himself taking respecting and protecting her. We are all your women whether we are married to you or not. We are your sisters and thus your responsibility.

The Messenger of Allah says to the Black Man; that the first step in becoming a civilized Nation is “the control and the protection of our own women.” CONTINUED NEXT ISSUE.

HOW TO EAT TO LIVE

The Right Way To Eat

By Messenger Elijah Muhammad

Reprinted from How To Eat To Live

There is no way for us to learn the right way to eat in order to live a long life, except through the guidance and teachings of Allah, Who came in the Person of Master Fard Muhammad.

The Bible says that He will give us more life abundancy, but he demands strict obedience to His Will.

There is no other way of prolonging the life of a human being — or any other life — unless it begins with restrictions of the foods which sustain life: the right kinds of foods and the proper time when it should be

taken into our bodies.

Jehovah taught Israel how to live, but Israel rebelled against the law of Jehovah, handed down to them through Moses, the servant of Jehovah.

There are many Jews today, called Orthodox Jews, who try to eat in order to live.

They are careful of the type of food that goes into their stomachs.

They will not slaughter an animal without trying to drain that animal's blood out of its body before taking it for food. They will not accept diseased animals, birds or fowls.

We give credit to the Jews for still trying to obey that which they were ordered to do by Allah, through the prophets that Allah sent to them.

The Jews paid the penalty for disobedience, and are still paying. However, they are the only people, the Holy Qur-an teaches, whose food we can eat. They, in turn, can eat our food.

The Muslims who try to live according to the teachings of the Holy Qur-an will not eat the wrong food when they know what the food is.

Of course, those who are becoming converts to Islam in America, my followers, are being tried. The Christians — white and black — try to force

or deceive my followers into eating foods they know we, the Muslims, do not approve.

In prison, they almost starve my followers trying to force them to eat the filthy, poisonous swine flesh. This I know, because when I was in prison they did the same to me.

Thanks to the coming of Allah in the Person of Master Fard Muhammad, if we obey what He has given to us in the way of proper foods and the proper time to partake of these foods, we will never be sick, or have to pay hundreds, thousands and millions of dollars for doctor bills and hospitalization.

The Christian people have one of the most brutal ways of killing animals for their food. Many of the animals are killed under fright and excitement; they actually murder the animals they eat.

We, the Muslims, who have not been able to go out to the slaughter house as yet to choose our meat, as the Orthodox Jews are doing, slaughter our animals or cattle at a time when they least expect it. We take their lives in the name of Al-

lah, with a prayer over this condemned life to be used to sustain our lives.

Allah has taught me how to eat in order to live. I have been teaching it to my followers, but we often become negligent and fall victim to our own negligence. As a result, we are calling the doctor, or going to the hospital because we did not eat the right foods, and in the proper way.

Hereafter, I shall enforce restriction on my followers to eat as Allah bids us. As I have said to my followers on many occasions, life cannot be prolonged unless we are careful of what we eat, and when we eat.

The foolish idea of eating three or four times a day — and all between meals — is like the poisonous swine who never has any regular eating habit.

Even a dog will not eat when he is full, most of the time.

The hog, however, swallows as long as he can, and then regrets that he can't keep swallowing. He will crawl into his food and wait until he can swallow some more. He is so greedy he won't leave his food.

Jewish People use Secret Codes on Food

By
Sister Samirah Muhsin

DETROIT, Mich--When you go to the supermarket you may think you can get a few items and get out quickly but if you are concerned about buying healthy food that contains no pork for your family then it may take you a little longer than most.

You will need to learn a secret code that goes back many years. A code language that many people don't even know about or understand, written on packages and products.

You have the registered trademark symbol "TM". Then there is the copyright symbol ©. There may also be a "D" dairy.

But there is a symbol on about one third of all shelf products in supermarkets and that is a kosher symbol.

Kosher Meaning "no pork", or "fit for a Jew to eat", but also so much more.

This is a symbol that indicates that the food has been certified kosher by a rabbinical authority.

Common symbols include the "OU" a U inside a circle, standing for the Union of Orthodox Rabbis, which was established in 1892. This has been a trusted symbol for many years.

Seeing that there were opportunities in this field there has been a rise of newer certifying agencies such as Chaf K, Star K, VHM and others.

There is also a just plain K symbol to designate a product's kosher status. This Plain K symbol cannot be trademarked (protected from misuse). It does not indicate anything other than the fact that the company producing the food considers it to be kosher.

But OU and Chaf K have registered service marks and cannot be used unless authorized.

Kosher certifying agencies did not start until about the 1920's and 1930's but their development can be traced back over 200 years.

So for over 200 years we have been in the dark about foods that are better for our health.

Why are kosher foods better? Well when a product is considered kosher it had been tracked from manufacturer with a list of every ingredient and every step in the process of making the product, every cleaning agent used on the equipment and all other products

made on the same property all these steps requiring close supervision.

One might question the supervision of cleaning products, but while all the ingredients used in the product may be considered kosher if the cleanser used before and after manufacturing contains pork or pork by products then the product is tainted and unable to be certified kosher.

Products that contain meat or a meat by product cannot be kosher unless the meat source itself is strictly kosher. Kosher prescribes certain methods for slaughtering animals and poultry which include the recital of a blessing to God before slaughter and mandate that the blood be drained from the animal after slaughtering.

Messenger Elijah Muhammad said in his book **How To Eat To Live Book 1**, "If you would like good food, such as lamb beef or even chicken- if you are a Muslim - buy it from the strictly Orthodox Jew. Be certain it is an Orthodox kosher market, because some Jews eat the pig. Orthodox Jews are excellent in protecting their health, even spiritually trying to do and eat like their prophet Mossa (Moses) taught them through the Divine teachings of Allah."

Some people consider reading food labels as checking for meat or pork derived ingredients but some ingredients that sound normal are not.

"Natural colors" have been known to be derived from insects; "softeners" from whale oil, and "artificial flavors" from cats.

There are also concerns about food additives such as MSG (monosodium glutamate) that might be derived from use of enzymes derived from pig fat.

Products such as pan lubricants and release sprays may be derived from lard. Many times these things are not listed as ingredients. So it is to the advantage of the consumer that kosher organization are supposed to intensely investigate the origin of all the ingredients, of a product not just ones that might contain meat.

This level of supervision has the kosher industry making an estimated 30 billion dollars a year.

Many non Jewish customers buy kosher; including Muslims and vegetarians.

Some companies are taking no-

tice of the kosher buying power in the United States. It appears that at least 5 million people buy products just because they are kosher.

So consider going into a store and reaching for your favorite ice cream only to realize that it lacks a kosher symbol and the one next to it has a symbol, that company just earned money solely because of this code that many people don't know about.

This lack of knowledge keeps us buying the unhealthy product which may contain ingredients which are forbidden for us to eat. These ingredients are hidden in the code language that is spoken on the side of the package in the ingredients of the product.

Words like gelatin, mono and Diglycerides, enzymes, tri-glycosides, fatty acids, monostearate, Poly-Sorbates, and Calcium Stearate all mean pork in most instances.

Sometimes vegetable mono and di glycerides or vegetable shorting are used, but are usually stated as such.

There is another symbol that you may see that indicates that a product is safe for a person trying to avoid pork and it's by products.

The Hilal symbol which is H or says Hilal or hilal.

While it does have the same meat slaughtering practices as kosher laws alcoholic intake is forbidden.

Jews consider it "kosher" to consume alcohol in moderation. But Messenger Elijah Muhammad taught his followers NO DRINKING (wine, Whiskey, beer, ale, alcohol or other intoxicants).

While kosher laws also forbid shellfish, halal allows the majority of seafood.

Messenger Elijah Muhammad taught his followers to eat no seafood such as Crabs, Lobster, Oysters, Frogs, Shrimps, Clams, etc. Eat no fish without scales or weighing over 50lbs. Eat no fish that sucks its food (sucker fish).

We do not eat Carp, Catfish, or Buffalo fish.

And while kosher laws forbids the combination of dairy and meat products, Halal and Messenger Elijah Muhammad has no such restrictions.

We are taught in the Nation of Islam that simple foods are best. The Messenger taught "It is hard to get pure, good, healthy food for

Sister Samirah Muhsin

those who desire it. The enemy, the devil, has poisoned everything."

When the Messenger says "everything", it's true! Even things that you think would have no meat, especially pork, in it like ice cream, candy, bread, cheese, soap, water, vegetable oil, salad dressing and plenty of other products, they often do contain pork or its by-products.

There was a time when a woman did all meal preparation in her own kitchen from making cheese and butter to grinding flour and it was easy to avoid pork and its by-

products.

The Messenger taught "We look too much at the fancy and the artificial foods that the devil made and accepted for himself." Its very true.

We buy things that are premixed, precooked, freeze dried, just add water, and microwavable and we hardly ever know all the chemicals and preservatives that we are putting in our mouths.

But being able to figure out the code to buying pork free products sure does help us steer clear of that at least.

THE CALAMITY

By Messenger Elijah Muhammad

Reprinted from the December 7, 1973 edition of Muhammad Speaks Newspaper (which was reprinted from February 18, 1972 of Muhammad Speaks)

The title of this chapter is taken from the Holy Qur'an, Ch. 101: 1- 4. "1. The calamity ! 2. What is the calamity ? 3. And what will make thee know how terrible is the calamity. IN the English language ,according to Webster's Dictionary, the word calamity means,"a state of deep distress or misery caused by major mistortune or loss,or a great event marked by great loss and lasting distress and affliction.

Such calamity is now prevailing in America. It is getting worse daily. Third verse of this Chapter (Holy Qur'an 103: 3) asks a question: "And what will make thee know how terrible is the calamity?" The answer is given in verse four: "The day wherein men will be as scattered moths."

We do not have to ask anyone whether or not this warning of the Holy Qur'an is now being fulfilled. We see the fulfillment of this prophecy with our eyes and hear with our ears. These great calamities that are now striking America. We see the great division, the great disagreement, dis-

unity and murder of men.

We see the great amount of raping and murdering of girls and women. There is great robbery and thieving going on every hour of the day and night. There are great storms and adverse weather conditions. There are minor earth tremors and hailstorms. There are signs and wonders of signs being displayed in the heavens, in the earth and on sea and land.

There is unusual behavior of children. There is unusual love or dislike of children by mother and fathers and the destruction of the process of childbirth. There is the great calamity of starvation and great destruction of health and of lives by the use and adminstering of poison drugs, which is practiced upon those who are free and those who are bound.

What has been known as America is threatened today with total destruction. America is destroying herself in

her effort to destroy her Black slave.

The water and air of America are being polluted by chemico-bacteriologists. America's scientists of war conduct dreadful experiments on how best to kill human beings by the millions and wipe out the life of whole continents.

These are the days of fulfillment of prophecy of not one, but of many calamities. But in all of these preparations of the destruction of human life by the devil,....Allah (God) too has plans to save His people.

Allah (God) has claim over the Black slave as being His people and the white slave-holder is angry because of the loss of the Black slave by virtue of this claim.

Allah (God) comes to take the

Black slave away from the enemy white slave-holder and join the Black slave onto his own kind again. The enemy white slave-holder hates this, but Allah (God) has the power to force the enemy white slave-holder to submit to His will. It is the will of Allah (God) that the enemy white slave-holder let the Black slave go free.

Allah (God) promises, concerning the white slave-holder and the Black slave, Bible Is. 43:6, "I will say to the north, Give up; and to the south, Keep not back: bring my sons from far, and my daughters from the ends of the earth;" (America).

Since Allah (God) has now claimed the Black slave (given them the truth), Allah (God) has called the Black slave (who has accepted the truth) by His name.

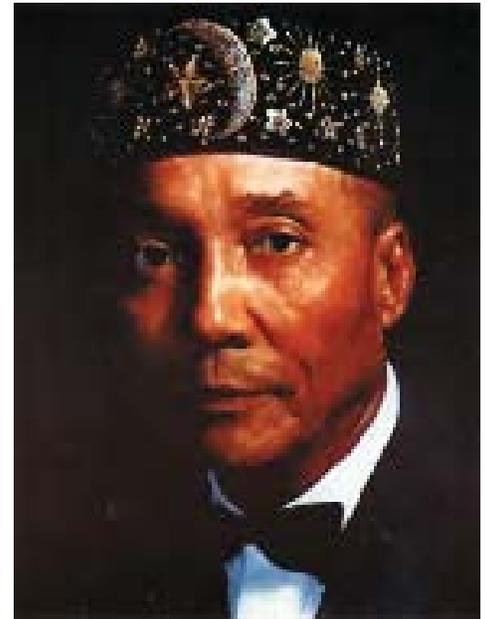

The Black slave who has accepted the the truth of His greatness in being one of the righteous aboriginal nation of his kind belongs to Allah (God).

The Book must be fulfilled wherein it prophesies that He will claim them to be His own; elect. At such time as the destruction of America, if Allah (God) has not chosen some of the people of America (the Black salve) to be His people, there would not have been any flesh saved from America.

The Bible, MK.13:20, teaches us, "And except that the Lord had shortened those days, no flesh should be saved; but for the elect's sake, whom he hath chosen, he hath shortened the days."

It is vital...the Black slave must know that this is the time of the judgment of both the white slave-holder and the Black slave. The Black slave must learn to know his place in the judgment. The place of the Black slave is with Allah (God) and his own Black people .

The Black slave had been deprived of knowledge of his

God and his own Black people. Allah (God) has come and brought the Black slave the truth. If the Black slave refuses to accept the truth, he will be destroyed for willingly and knowingly rejecting the truth when the truth has come in his midst.

Calamity! calamity in the country of America. No secret can remain hidden, for the chastisement of Allah (God) will not let you hide it. As one writer prophesied in the Bible (Is. 18: 1), "Woe to the land shadowing with wings... Allah Is Judging Today

By
Minister Al-Muntaquin Ali

Minister Al- Muntaquin Ali

PHILADELPHIA, Penn.—In the most holy name of Allah, who came in the person of Master Fard Muhammad and in the name of his last and greatest Messenger, the Most Honorable Elijah Muhammad.

I greet all readers and believers of our Muhammad Speaks Newspaper with As Salaam Alaikum.

If the black nation of Islam only knew how blessed they are to have a visitation from almighty God Himself, In the Person of Master Fard Muhammad, they would pray and thank him all night and day without end.

No other people can make a claim of a visit from almighty God but the black man and woman here in the hells of North America. Yet we still hold onto our old enemies the devil (white race) as though they have been a true friend to us when all along he has been nothing but a true devil to us.

Why do the black lost found Negro love the devil so much? Our leader and teacher says it is because the Devil gives us nothing.

Messenger Muhammad taught this teaching, but you witnessed it with your own two eyes recently, didn't you?

This Devil stood by and let untold numbers of poor black people DIE.

They needed water and food but the devil gave them nothing. So now many of them have died. What will it take to make your eyes come open to this race of devils?

The God of justice is judging today. Between man and man and nation and nation. (Message to the Blackman page 28).

Our leader and teacher gave us insight when he taught that this is a modern day Egypt and a modern day Pharaoh.

We are decedents from the black slaves this devil kidnapped out of Africa a little over 400 years ago.

And, as the Hebrew children of scripture yearned for a deliverer, so did the poor black slave in this modern Egypt (Hells of North America).

Just as Allah (God) used a man to deliver those Hebrew children, He used a man to

deliver us.

Just as Moses was born from the bowels of the Hebrew slaves so was our deliverer born from the bowels of us the black American slave.

This deliverer is none other than Messenger Elijah Muhammad.

No other leader makes the claim of talking face to face with God but Messenger Muhammad.

All these other leaders claim visions and dreams, or to have been touched by an angel.

Messenger Elijah Muhammad met face to face with almighty God. So for all that these new self-appointed leaders teach remember, not

one of them met face to face with God.

Also remember they don't have anymore of a divine mission than you.

These so-called leaders should stop tricking the new converts with this new sneaky teaching on integration.

This is a shame before almighty God Himself.

"Whosoever will, let him come", I heard some crackpot so-called Minister say that.

What do you mean "whosoever will". Get thee behind me Satan! Allah, Master Fard Muhammad, says separate from this devil and don't come anyplace with him.

So now Master Fard Muhammad (Allah) has stepped in to separate the decedents of the black slaves from the decedents of the white slave owners.

Separation is the word from Allah, Master Fard Muhammad and he is bringing these for judgment says Messenger Muhammad: 1. Rain 2. Hail 3. Snow 4. Earthquakes.

One day our people will wake up to the fact that Messenger Elijah Muhammad told Black people the truth, and free yourself from these hustlers.

I leave you as I greeted you in the Nations greetings of peace:

As Salaam Alaikum

WHAT IS THE DUTY OF A CIVILIZED PERSON?

By
Muhammad Saleem Bey

OAKLAND, California—In the Most Holy name of Almighty God Allah who came in the person of Master Fard Muhammad to whom all praise is due for raising up one among us our leader and teacher The Mose Honorable Elijah Muhammad (The Messenger of Allah). I greet my Brothers and Sisters with the Divine greeting of peace, As-Salaam-Alaikum.

Lesson No 2. 18: What is the duty of a civilized person? Ans. To Teach the uncivilized people who are savage, civilization, righteousness, the knowledge of himself, the science of everything in life, love, peace and happiness.

The Honorable Elijah Muhammad (The Messenger of Allah) taught us how to teach our Black Brother and Sister to be civilized people. And that is By example.

For 38 years, Dr. Yusuf A.Bey (peace be upon him) held meetings at Your Black Muslim Barkery to teach the uncivilized to be civilized.

But he didn't just stand before the people and talk. He carried into practice what Messenger Elijah Muhammad taught.

He opened business and after business and made jobs for

black people. He carried himself in a dignified and righteous manner in public.

As a result of his hard work, he has left behind his 23-year-old son, Brother Captain Antar Bey.

It is plain to see that he was taught well by his father, who

We know it is the duty of a civilized person to teach the uncivilized person. And if we don't, their blood will be on our hands and we are to be punished. This is Messenger Elijah Muhammad's Teachings and the Bible backs him up.

Ezekiel, 3:18 *When I say unto*

burned the love of Messenger Elijah Muhammad's Teachings into this young Black man's heart.

I learned of Messener Elijah Muhammad back in 1968 at Temple No. 42, Long Beach, California.

I am 55 years old and I have been soldiering here at Your Black Muslim Bakery for about 30 years.

will, shall be beaten with many stripes.

By having the knowledge of self and others, and of the Messenger of Allah and what he taught, we must teach by example.

Let's be good examples for the people. Don't be jealous and envious of your brother. Keep Allah and the Messenger out front. Love for your brother what you love for yourself.

If your brother is found in error, allow him the opportunity to make the correction or help him to correct the error and move on.

Don't use every opportunity to tear a brother down. Let's work with those left in authority among us as long as they stay in accord with Messenger Elijah Muhammad's teachings and programs.

Best Wishes

THE TIME

By
Brother Minister Earl X

ATLANTA, Georgia--In the name of Allah, who came in the person of Master Fard Muhammad to whom praises are due forever and in the name of His Last and greatest Messenger, The Most Honorable Elijah Muhammad.

As - Salaam - Alaikum

The time is 6000 years. In the Holy Qur'an, Chapter 103 is titled The Time, and in the Bible it mentions 6 days, and a day to the lord is a thousand years. Chapter 103 has 3 verses, the Messenger taught us to divide the 6 by 3 which equals 2.

Every 2000 years Allah raises up a major Prophet. Adam to Moses, 2000 years, Moses to Jesus, 2000 years, and Jesus to the Honorable Elijah Muhammad, 2000 years.

The end of 6000 years was 1914. World War I started in 1914, when all of the European nations went to war.

The time is the time of the Black man's rise. Allah has chosen the Black man and woman in North America to be His people.

The Black man is slow about accepting his own. The Saviour, Master Fard Muhammad, to whom all praises are due forever, told the

Messenger "Brother you have the hardest job than any man that has ever lived. "And we all can bear witness. The Nation of Islam is the perfect example.

The Nation of Islam showed what the Black man could do for himself when he unites. We are not limited in ability because we have Allah on our side.

The Messenger proved it. My brother, we should not be hungry, homeless, and unemployed. This condition come from being lazy.

We must take care of our women and children, especially after the Truth has come to us, and the best way to defeat hunger, homelessness, and unemployment is to unite and do for self.

Time dictates our movement. Time says we are at the end of the white man's world, and the beginning of the Black man's world. The white man's world is falling fast. He has no more jobs, social security, and retirement.

The white man's world is full of war and higher prices (especially gasoline).

What are we going to do my brothers? We must turn to our God, Master Fard Muhammad, for

salvation. Come on brothers let's love each other, respect each other, and work together for the salvation of the whole.

Our women and children are dying because the Black man is not on his post of responsibility.

Our women and children are on drugs and committing crimes for a livelihood.

The Caucasian is very familiar with the time. He works hard every day to keep the people dead to the time.

We see him building everyday, going in space, advancing technology, flying around and over the earth. All of this is the "Lull before the storm." It was already written that these things would take place.

This is the time since the creation that the Black man has ever been in this condition of a spiritual and mental death. Everybody has their feet on the Black man.

The problem of the Black people in America is not a political solution, a legislation solution, or a religion solution.

We have a Divine problem, so the answer is a Divine solution. Only Allah (God) can solve our problem.

The answer is to separate from our 400 year old enemy, which have been proven.

As- Salaam - Alaikum

What is a Man?

By
Brother David Muhsin

Brother David Muhsin
17 year-old Soldier

DETROIT, Mich--I ask you, brothers and sisters alike, what is a man? most of us (black people) whether we realize it or not simply don't know what it takes to be a man.

Many of us probably think tuning age 21 makes you a man, but I am sure we can all agree that there are people well over the age of twenty-one still acting like children.

But let me tell you what I am learning that it takes to be a man. A man is someone who has control over himself.

A man can control himself when a sister walks pass him half-naked.

A man is someone who can settle down with a sister, marry and have one wife.

A man is someone who can go to work and put his wants aside and provide for his family, (how ever large or small a family he has).

A man is someone who lives within his means. He is not extravagant in his spending. He doesn't take on more than he can handle.

A man is someone who can own up to his mistakes and shortcomings not try to pass his

mistakes off on someone else.

A man can face up to another man (or woman) when he is wrong. Admit the wrong. Apologize for the wrong. Correct the wrong. Learn from it. And avoid making the same mistake again.

Black men and women alike need to be taught how to be men and women.

Please believe me when I say the best way for us to learn is through the Nation of Islam.

Messenger Elijah Muhammad set up an F.O.I class Where men are taught how to be men and an M.G.T class where women are taught how to be women.

With out these classes, we are a lost society.

In FOI Class I am learning to think like a man and not a boy.

A boy depends on someone else to take care of him, whether it be his parents or government social services.

A boy gets into petty disagreements, arguing over trivial matters. But a man will look at the big picture to see what is best for the future of his people.

Boys spend a lot of time looking for ways to "have fun".

Men don't have time for that. Men are too busy working to shoulder our responsibility.

We should be tired of our women and children having to depend on the white man to "rescue" them. That's our job!

Don't get the idea that I'm trying to beat up on the brothers but the truth is, if we can't put down these silly habits of ours such as: smoking, drinking, stealing, sleeping around or whatever your bad habit is how can we expect to take our rightful place as Gods of the earth.

We can see that we don't have a lot of time to get right. Because the end is so close it's almost scary. But we fear none but Allah.

Prepare to rule in the New World

By Brother Muhammad R. Zahir

KANSAS--Dear Family: All praise is due to Allah that so many of you are awake to the day and time we are now living; that you are in tune with Allah and His Last Messenger, the Honorable Elijah Muhammad.

This is great news, and we forever thank Allah for His infinite mercy. But do not be so caught up in the magnificent splendor of the Day of Judgment that you forget to take care of your self development

training programs you earn while you learn.

We must all work hard to qualify ourselves so that we can one day build a world of our own.

Don't buy into the spooked out notion that someone is going to come down from the sky and swoop you up and take you to a land of milk and honey.

If you believe that, you might as well start singing the praises of Jesus and the "holy spirit" because you are still an

and managers, and so forth.

Those who have the best and most needed skills will be at the head of the line.

Don't get left out again. This is your time. So, seize the moment and prepare yourself for the next phase of our development.

The Honorable Elijah Muhammad taught you to do this for most of his 44 years as the living and last Messenger of Allah.

He even had a running advertisement in the Muhammad Speaks Newspaper imploring you to get technically trained.

So you have been told this for years. The time is growing very short. So don't waste any more time.

Prepare yourself for the new world. As-Salaam-Alaikum.

NOTE: The following is a letter sent to me (Brother Muhammad Zahir aka Seventhfam) by the Last Messenger of Allah, the Honorable Elijah Muhammad. The Messenger is responding to my letter to him requesting clarification on what type of duty he would prefer from me. My stated options were (a) Pushing Muhammad Speaks Newspaper full time, (b) working two full time jobs and donating one income to the Nation, (c) studying Engineering at a major University. I had previously done both (a) and (b) but I felt my qualifications and abilities could be used to take our Nation to another level. Neither my Minister or Captain agreed that I should

study Engineering, in spite of the fact that the Messenger ran a continuous advertisement in the Muhammad Speaks Newspaper seeking Engineers of all types. Hence, I wrote to the Honorable Elijah Muhammad himself, seeking final resolution. The following is his divine response. All praise is due to Allah. Five years later(1973) I received my Bachelors of Science in Industrial Engineering (Mechanical Engineering), the first Muslim to ever graduate from high school and to later acquire a fully accredited four year Engineering degree from a major university; both while being a Registered Believer in good standing with the Nation of Islam.

"EDUCATION IS WHAT THE SO-CALLED NEGRO NEEDS"

and personal growth.

During this time it is imperative that you work hard to earn and receive income and begin to acquire money, land, and other forms of wealth so that you can eventually pool these accumulated resources together for self and kind.

If you have a desire to get an advanced education, then do so in the technical and scientific fields.

We need Engineers and Technical Specialist of every kind.

We need people who can repair and maintain all types of equipment and facilities.

Most of these professions and trades are also well paying in today's world, both at home and abroad.

For those who do not think it possible to attend a college or university, consider gaining a place as an apprentice in any of the trades unions; plumber, electrician, pipe fitters, iron workers, and so forth. In these

uninformed Christian by faith.

The only way that you are ever going to be flown to the land of milk and honey is if you buy an airline ticket to the place that we have built for ourselves.

And the only way you are going to go there is if you are helping us to build it. If you don't build it, it won't be there. So, it might be wise to assess your present ability to contribute to such a project.

Remember, everything is real. There is no spook God. There is no spook world. And there is no spook Hereafter.

We will not need basketball players, dancers, and real estate salesmen except as financiers.

What we need from the masses are builders, farmers, fishermen, school teachers, construction workers, pilots, nurses, doctors, engineers of all types, planners, architects, merchant seamen, computer programmers, IT technicians

As-Salaam-Alaikum

In the Name of Almighty Allah, The Most Merciful Saviour, our Deliverer, who Came in the Person of Master Fard Muhammad, to whom praises are due forever, Master of the day of Judgment. To Allah alone do I submit and seek refuge.

Dear Brother:

I was so happy reading your letter dated July 10, 1968 of your contributions to the cause of Islam. I pray Allah will reward you so that you will not have any want for material things of this world. Regarding your education and striving towards an Engineers degree, you have to get the knowledge from those that know. If you want to work part of the time, and go to school part of the day, and you cannot arrange it differently, I say take it. If you are able to school yourself without trying to work at the same time on some job, I would look into that; because, education is what the so-called Negro needs.

At the proper time we will need to know all types of Engineering. We have to re-build for ourselves the type of Civilization that Allah demands us to accept. In words to say--we have to rebuild a Nation. Engineering is the first trade that will be in demand.

Thank you, may Allah bless you, and if there is anything the Nation can aid you in, feel not ashamed to ask any advice that you think is in us. Please do not hesitate in seeking the answer.

Embracing old world Islam takes you two steps back

By
Minister Hector Muhammad

LOUISVILLE, --In the Most Holy Name of Allah who came in the Person of Master Fard Muhammad, the Great Mahdi. We give Him praise and thanks for raising up in our midst, the Most Hon. Elijah Muhammad, the Last and Greatest Messenger of Allah.

As Salaam Alaikum to the Believers.

rule of the white man.

The Most Hon. Elijah Muhammad teaches us that the white man studied us and used that knowledge to master us (Black man). Thus Allah, Master Fard Muhammad came to bring forth a new teaching that the white man could not master and thus signal the end of his rule over the Original People. Those that embrace old world Islam do not realize that its practices have been

Muhammad (peace be upon him).

The ritualistic practices that are attributed to old world Islam are based on Arabic customs and are designed to uplift the way of the Arab people to whom Prophet Muhammad was sent. These ritualistic practices do not address the ills and the dilemmas of the Black man in America.

Some writers call Malcolm's

ent faiths bowed their heads to the recitation of Al-Fatihah when Louis Farrakhan recited it. Yet, nothing was ever produced from it. Thousands did not flood the temples of Islam. Thousands were not told to come and accept their own.

These who have 'evolved' from the teachings of the Most Hon. Elijah Muhammad make their greatest accomplishments as being embraced by the enemy of the Black man. One who had 'evolved' claims to be the first Muslim to offer an invocation to the House of Representatives, another became the first Muslim to offer an invocation to the U.S. senate, another became the first Muslim chaplain of the U.S. military who presently is at war with Muslims.

Still yet, the unemployment rate of Black people in America is at its highest in the average of 12% as opposed to 6% for the rest of the country. The rate of truancy and drop outs amongst our youth is

Minister Hector Muhammad

higher than any other group in the country. Not to mention the level of HIV contraction, diminished life expectancy, out of wedlock birth, and don't forget the high incarceration rates of our people.

What did this abandonment of the Messenger's program bring us? It brought us two steps, if not more, away from where Allah, Master Fard Muhammad intended for us to be.

The United States government's COINTELPRO written in a January, 1969 memorandum

"Although the Nation of Islam (NOI) does not presently advocate violence by its members, the group does preach hatred of the white race and racial separatism. The membership of the NOI is organized and poses a real racial threat. The NOI is responsible for the largest black nationalist newspaper, which has been used by other black extremists. The NOI appears to be the personal fiefdom of Elijah Muhammad. When he dies a power struggle can be expected and the NOI could change direction. We should be prepared for this eventuality. We should plan how to change the philosophy of the NOI to one of the strictly religious and self-improvement orientation, deleting the race hatred and separate nationhood aspects. In this connection Chicago should consider what counterintelligence action might be needed now or at the time of Elijah Muhammad's death to bring about such a change in NOI philosophy. Important considerations should include the identity, strengths, and weaknesses, of any contenders for NOI leadership. What are the positions of our [BUREAU DELETION] informants in regard to leadership? How could potential leaders be turned or neutralized? The alternative to changing the philosophy of the NOI is the destruction of the organization. This might be accomplished through generating factionalism among the contenders for Elijah Muhammad's leadership or through legal action in probate court on his death. Chicago should consider the question of how to generate the factionalism necessary to destroy the NOI by splitting into several groups"

With the coming of Master Fard Muhammad, Allah in Person, came a form of Islam that would make us a new people. One that would spiritually, culturally, politically and economically resurrect us from the ruins of the slave experience.

There are those who argue that these teachings, brought to us from Allah and His Messenger, are outdated. Thousands have abandoned these teachings and embraced old world Islam as a means of "moving forward".

Under the Messenger's teachings, a Black 80 million dollar empire was established by 1975. In less than two years it was gone. Old world Islam was never strong enough to withstand the present

tainted to further support the rule of the white man over the Original People.

The United States governments COINTELPRO wrote in a January, 1969 memorandum that to destroy the Nation of Islam was to change its philosophy to embrace old world Islam.

Those who embrace old world Islam have traded in the white slave master for the Arab slave master. There is the inclination to follow the way of the Prophet Muhammad ibn Abdullah (peace be upon him) of Arabia as if he was the one who brought Islam. Yet, the Holy Qur'an verifies that Islam did not start with Prophet

and Wallace's defection from the Messenger's teachings an evolution in their understanding of what was taught to us. But after their so-called evolution, nothing was ever produced.

Schools, businesses, homes, land that we can call our own, hospitals, restaurants, bakeries, banks were not established as a result of their defection from the Messenger's teachings.

A professor from State University of New York at Binghamton, Ali Mazrui said of the Million Man March that never in the history of America was there a moment when so many Black people of differ-

America's Loss of Friendship

By
Brother Malik Muhammad

Detroit Mich—In the name of Allah, Who came to us in the person of Master Fard Muhammad, the true and the living God to Whom all Praises are due. We forever thank Him for raising up the Most Honorable Elijah Muhammad (peace be unto him) and sending him to a people that had never had a warner come to them before. In the Fall of America, the messenger of Allah (Master Fard Muhammad) writes, "I have been writing for many years that america must be punished for her evil done to her Black once slaves, who are so-called free slaves now, and who continue to suffer the same, or worse, punishment under the children of the white slave master, than their white fathers imposed upon our Black fathers under servitude slavery. America has not only lost and is still losing friendship all over Asia and Africa,...but she is now losing friendship right here with her next door neighbors, Central and South America. For an example in Venezuela, President Chavez has been expounding on the difference be-

tween the rich and the poor, and has been a very vocal critic of the US, President Bush, and the policies of the United States, and He has accused the Bush Administration of plotting his ouster and his assassination. Mr Pat Robinson Head of the Christian Coalition on August 28th on his program the 700 club called for the assassination of the Venezuelan President. Mr Robinson said "that the United States should assassinate President Chavez in order to stop him from using Venezuela as a launching pad for communist infiltrators and Muslim extremist. We have the ability to take him out, and I think the time has come that we exercise that ability. We don't need another two hundred billion to get rid of one you know, strong armed dictator, it's a whole lot easier to have some of the covert operators do the job and then get it over with. I don't know about the doctrine of assassination, but if he thinks we are trying to assassinate him, then i think we really ought to go ahead and do it. The Bush administration immediately distanced itself from Pat Robinson, saying those were

the words of a private person. The Venezuelan Ambassador said, "Mr Robinson is no ordinary citizen, He leads the Christian Coalition and has almost two million members, and is one of Bushes closest allies. The call for assassination is a call for terrorism and he demanded that the white house condemn Mr. Robinson's remarks. This is the type of things that make america hated by her very neighbors, Venezuela is not the only country in Central and South America that hates the government of America and would like to see her die, because of her arrogance and hatefulness and total disregard for the rights of other nations because of her strength, Allah (Master Fard Muhammad) is removing the friendship of even her closest neighbors. Pretty soon she will stand alone, and as her doom comes upon her, the prophecy in the book of Revelations will come to pass. "Therefore shall her plague come in one day, death and

famine, and she shall be utterly burned with fire; for strong is the Lord God who judgeth her. And the Kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning, Standing afar off for the fear of her torment, saying, Alas, alas that great city Babylon, that mighty city! for in one hour is thy judgement come. America, brothers and Sisters is the modern day Babylon, and this judgement and punishment is at the door of America. Nothing can save her, but her complete submission to the Lord of the worlds, and she can't do that because of her arrogant nature, she is doomed in spite of her many planes, tanks, boats and guns. God (master Fard Muhammad) shall prevail. This God came seeking that which was lost from his family, the Black man and Woman in America, His intentions were to bring us salvation

Brother Malik Muhammad

from this destruction and to return us to our own. Go to any temple that is teaching the teachings of the Most Honorable Elijah Muhammad. Hurry Hurry the time is short. Thank you for reading this article.

Black People 'Rescued' from New Orleans being held as prisoners in FEMA Camps

Information compliments of www.seventhfam.com

If you believe the deceitful FEMA reports depicting FEMA as a bungling and inept emergency management agency, THINK AGAIN!

FEMA (The Federal Emergency Management Agency) was not created to respond to natural disasters and help so-called "American" citizens.

In fact, it is an unconstitutional entity created by Executive Order, that answers only to the President of the United States. The United States Congress can not even review the actions of FEMA for six months after the actions has already been taken.

There over 800 prison camps in the United States, all fully operational and ready to receive prisoners. They are all staffed and even surrounded by full-time guards, but until the Hurricane in late August, 2005, they were all empty.

These camps are operated by FEMA because President George Bush decided that poor Black People left homeless by Hurricane "Katrina" offered a good opportunity to try out his Hitler-type power.

The majority of the camps can house a population of 20,000 prisoners. Currently, the largest of these facilities is just outside of Fairbanks, Alaska. The Alaskan facility is a massive mental health facility and can hold approximately 2 million people.

The people who were "rescued" from New Orleans and put on planes for "relocation" were not told where they were going.

Listed here are just a few of the known FEMA camps:

ARKANSAS; Ft. Chaffee, capacity of 40,000 prisoners Pine Bluff Arsenal - This location also is the repository for B-Z nerve agent, which causes sleepiness, dizziness, stupor; admitted use is for civilian control.

CALIFORNIA; Palms Marine Base, Oakdal, capable of holding at least 20,000 people. Ft. Irwin - FEMA fa-

cility, McClellan AFB (Air Force Base) capacity 30,000 - 35,000.

FLORIDA; Avon Park - Air Force gunnery range, Avon Park has an on-base "correctional facility" which was a

razor wire, etc. **Terre Haute - Federal Correctional Institution, Satellite prison camp** and death facility. Equipped with crematoria reported to have a capacity of 3,000 people a day.

KANSAS; Topeka - 80 acres has been converted into a temporary holding camp.

VIRGINIA; Ft. A.P. Hill (Fredericksburg) - FEMA facility. Estimated capacity 45,000.

According to writer, Don Nash, from a small (non-mainstream) news agency called "Unknown News", The disaster that struck New Orleans

located about 20 miles from downtown civilization. There is no transportation, public or otherwise, for the New Orleans insurgency. Supposedly, it has been reported by one local media concern that there will be twice-daily bus service available to "cleared" insurgents.

The armed military guards at the aforementioned closely guarded military gates would answer no questions regarding whether the New Orleans insurgency would be able to clear the gates to access the quickie mart, located down a rather steep hill about three miles from the Detention Camp Utah. Nor would the guards answer questions regarding whether they would allow the New Orleans insurgency to re-enter Detention Camp Utah if somehow they were able to gain an exit.

Detention Camp Utah is a windblown and barren military installation atop the foothills of what is known as the Oquirrh (pronounced ochre) Mountains. It is isolated and surely quiet.

What a pleasant spot for those that were relocated by the U.S. military and the New Orleans insurgency weren't even told where it was they were being shipped to. Not a one of the refugees/insurgents were told they were being sent to Utah. What a freaking shock that must have been."

Nash closed saying, "That is all I was able to ascertain when I paid Detention Camp Utah a short visit on Labor Day. Due to the escalating hostility of the military guards at the armed military gates into Detention Camp Utah, I cut my visit short and also cut my questioning of the armed military guards short. The nice chap with the shiny Colt 45 and the three stripes on his sleeve was growing moderately curt and gave me one last instruction to get away while I still could."

Many of our people were separated from their families. Some don't know where they are and they may never know.

Pictured; FEMA detention facility located in Southern California

former WWII detention camp. **Camp Krome, Eglin AFB** - This base is over 30 miles long, High capacity facility, presently manned and populated with some prisoners.

ILLINOIS; Marseilles - Located about 75 miles west of Chicago capacity 1400. Scott AFB - Barbed wire. Kankakee-Abandoned industrial area on west side of town, designated as FEMA detention site. Equipped with water tower, incinerator, a small train yard behind it and the rear of the facility is surrounded by barbed wire facing inwards.

INDIANA; Indianapolis / Marion County - This large facility contains large 3-4 inch gas mains to large furnaces, (which could be used to cremate people) helicopter landing pads, railheads for prisoners, Red/Blue/Green zones for classifying/processing incoming personnel, one-way turnstiles, barracks, towers, high fences with

MICHIGAN Camp Grayling - Michigan Nat'l Guard base has several confirmed detention camps, classic setup with high fences, razor wire, etc. Guard towers are very well-built, sturdy. Multiple compounds within larger enclosures. Facility deep within forest area. Bay City - Classic enclosure with guard towers, high fence, and close to shipping port on Saginaw Bay, which connects to Lake Huron. Berrien County - FEMA detention center. Lansing - FEMA detention facility.

NEW YORK; Ft. Drum - two compounds: FEMA detention facility. Albany - FEMA detention facility. Otisville - Federal correctional facility, near Middletown. Buffalo - FEMA detention facility.

PENNSYLVANIA; Allenwood - Federal prison camp located south of Williamsport on the Susquehanna River, capacity in excess of 15,000 on 400 acres.

and the southern Gulf Coast has given President George Bush the opportunity to try out some of the many CONCENTRATION CAMPS, aka DETENTION CENTERS, on our poor Black Brothers and Sisters.

Nash says, "Utah's Governor Jon Huntsman has taken in some of the New Orleans refugees, at Camp Williams. Replete with barbed wire, armed soldiers with weapons..."

According to Nash, "The Hurricane Katrina insurgency from New Orleans is tucked safely away behind the 6-foot chain link fence with the accommodating barb wire atop chain links.

The ONLY entry into Detention Camp Utah is through the highly secure military gates that are guarded by armed military guards twenty four seven..."

Sister Pia' Angela Shabazz

CINCINNATI, Ohio--In the name of Allah, Master Fard Muhammad who bestowed his mercy upon us by raising up Messenger Elijah Muhammad to teach, train and guide us.

As-salaam alaikum dear family. When we encounter a misled believer, we often exercise poor judgement. Just because they follow a hypocritical Minister does not make that believer a hypocrite. Many times they have the best of intentions and truly believe that they are on the straight path. If we hold up our clean glass, many will come over to the truth. I know this because I, myself explored several sects before coming into the true teachings of Messenger Elijah Muhammad.

Oft times when we encounter such a person (especially if they are strong in their beliefs) we handle them in the worst of manners. Instead of wisely taking this opportunity to teach them the authentic life-giving teachings of the Hon. Elijah Muhammad we choose to attack and ridicule them. We show very little love and compassion, but plenty of savagery. Why brother (or sister)? What is your motive in doing this? Does it make you feel better than them? Does it make you feel important? Well while you are pointing your finger at that poor, misguided believer.... look at those 3 pointing at you being guilty of mistreating one of Allah's people. Please refer to Lost-Found Muslim Lesson #2 Questions and answers #17-20.

Some of us are not only guilty

of failing at our jobs; we are, also, guilty of actually chasing someone away from the pure teachings!

We were given the Proper Handling of People, and we have a perfect example of this in the 1964 Laborer's Meeting.

Why is it so common for us to throw this out of the window whenever we encounter a challenging experience? Though we must always tell the truth- there is a way to go about telling that truth.

Name calling, accusing and other forms of "verbal beatdowns" are unacceptable.

Are we in third grade, or are we mature adults?

Sometimes we even revert back to "my daddy (minister) can beat your daddy (minister)" tactics.

There is no victory in this situation. You might win that little battle, however, you are losing the war to deliver the people to the Messenger of Allah.

Remember, these are not your people to mistreat- they belong to Allah!

If we want for our brother what we want for ourselves then we need to have the mentality of a poor righteous teacher.

Let us lead by example. Patience and humility are worthy characteristics to work towards.

We can't assume that they all are the enemy.

The Holy Quran (16:125) gives the following instructions: "Call to the way of the Lord with wisdom and goodly exhortation, and argue with them in the best manner. Surely thy Lord knows best him who strays from His path, and He knows best those who go aright."

I know what some might think, "Many of these people slander our Messenger, and we must defend him with everything we have in us." Well, yes beloved.

Certainly we will not stand by idly while the name of the Hon. Elijah Muhammad is dragged through the mud. Still, let's apply wisdom before taking heads.

Is this person purposely trying to do harm or are they just foolishly following what has been told to them previously?

If we study as we should, we can easily defeat the vicious accusations that are floating around.

We must help to produce a nation of strong believers. We are spread out so much, and isolated from each other.

Can you imagine what would happen if we taught the receptive ones to defend the Messenger with as much vigor as they defend their Ministers?

We could increase the brotherhood substantially. Some will never listen, but many will.

If they still refuse to submit to truth after bringing to them the teachings in a pure form, then at least you did your best. There is no compulsion in religion.

The Holy Quran (35:8) teaches "Is he whose evil deed is made fair-seeming to him so that he considers it good? Now surely Allah leaves in error whom He pleases, so let not thy soul waste away in grief for them. Surely Allah is Knower of they do."

At the end of the day we can all rest knowing that we did our part to reach all of our people.

Many reached out to me years ago- and I am eternally grateful. I leave you as I came in the greetings of peace in paradise. As-salaam alaikum.

Shabazz Family Goes Back To The Future

By

Sister Cynthia Shabazz

ILLINOIS--It has been two years and some months since our family of six (Minister Jamal M. Shabazz and Family) settled on this homestead in downstate Illinois and we are still learning and education ourselves about country life. We thank Allah, Who came in the Person of Master Fard Muhammad for raising up Messenger Muhammad who always taught the importance of "doing for self", and we are striving to do this on our land, with the help of Allah and the Messenger's Teachings.

We have strived to work for a bigger garden every year and have added berry bushes and ten (10) laying hens for eggs.

We compost all leaves and kitchen scraps to make "black gold" for our garden and bushes.

This year, because of little rain (The Messenger taught that these things would happen) and some insects that are hungry for our vegetables, we have had to do a lot of work to keep our plants alive with Allah's help and we have had some success.

Our daily life is one of work, work, and more work. Everybody works! All Praise is Due to Allah!

We thank Allah for Messenger Muhammad and for his teachings and as the Messenger wrote and it is so true for the believers in these times,

"LEAVE MY TEACHINGS AS IT IS!"

The Muslim Program

What the Muslims Want

This is the question asked most frequently by both the whited and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.

2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.

3. We want equality of opportunity. We want equal membership in society with the best in civilized society.

4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and mineral rich. **We believe that our former slave masters are obliged to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. **We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.**

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. **We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.**

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.

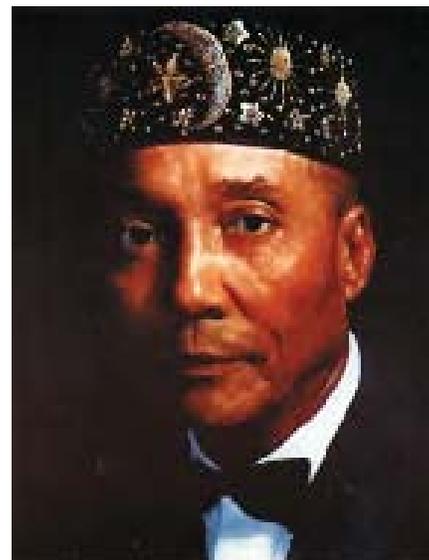

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. **WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans. We believe the black men should be freed in name as well as in fact. By this we mean that he

The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH

should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. **WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.**

12. WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
