

## LETTER TO THE MINISTERS

*(Note: Date of letter unclear)*

It is very tempting for you to make people think you got something from yourself. ALLAH is watching you. He is the one who exalts you.

You must first learn if the people are believers. This is one of the main things holding the Temples back.

Beware of this Ministers, you must be tried. Maybe some of you may be put in jail and beaten but ALLAH will deliver you out of it all IF YOU ARE TRUE BELIEVERS as HE did me and others. Hold on to what I have taught you about me and our work.

As Minister, I want to assure you that YOU HAVE TO FEAR ! I am not responsible for belief. ALLAH holds me responsible for the clear deliverance of the message ALLAH told me "nobody wants us be me." This we know to be true. Allah blesses us with safety.

As ALLAH told me and the Holy Quran teaches the Messenger, "All fear shall be removed from you and nor shall you grieve." Do I show Any Fear Of Anything To You? I Rely On ALLAH.

Do like I tell you and you will be successful. If You Have The Least Doubt In Me As The Messenger Of ALLAH, DO NOT FOLLOW ME. I am warning you. If I find any Minister acting weak out he goes. If you have any weakness, it will grow.

Forget about your wants. The Holy Quran teaches do it like the Messenger says. ALLAH's greatest desire and my greatest desire is for you to believe the truth. The Holy Quran is a Message put in the Mouth of the last Messenger.

We are building a new world. I have to follow close to my Lord. You have to follow close to me to follow Him.

The Holy Quran says; Whatever Allah and His Apostle say, you say, we hear and obey.

IF ALLAH ALLOWS OR CAUSES ME TO BE KILLED OR DIE A NATURAL DEATH THAT DOES NOT MEAN THAT YOU SHOULD TURN BACK OR TAKE WHAT I HAVE TAUGHT TO BE FALSE.

I am the last messenger to you. The ones coming after me are executors, and not messengers, of those who do not believe. It was Noah God talked to about the flood. It was Moses whom God talked to about the destruction of Pharaoh. Do the best you can and your name will be like stars.

May the peace and blessings of Allah forever be upon you

AS-SALAAM-ALAIKUM

Your brother,

Elijah Muhammad
